Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent

Susan Beltz, Chief Technology Officer

Meeting Date June 25, 2025

Subject Approval of Resolution No. 2425-0226 — Declaring It Is In The Best Interest Of The District To Piggyback On And Enter Into A Contract With Active Internet Technologies dba Finalsight Properly Entered Into Through the Education Technology Joint Powers Authority; Approval by the Board of Education of Ed Tech JPA Purchase Agreement between Oakland Unified School District and Active Internet Technologies dba Finalsight; Approval of Student Data Privacy Agreement Contractor: Active Internet Technologies dba Finalsight Services For: July 1, 2025 - June 30, 2028

Ask of the Board Approve Resolution No. 2425-0226 — Declaring It Is In The Best Interest Of The District To Piggyback On And Enter Into A Contract With Active Internet Technologies dba Finalsight, Glastonbury, CT, Properly Entered Into Through the Education Technology Joint Powers Authority (“EdTech JPA”); Approval by the Board of Education of Ed Tech JPA Purchase Agreement between Oakland Unified School District and Active Internet Technologies dba Finalsight. Under this contract, Active Internet Technologies dba Finalsight will provide licensing, upgrades and support for the Finalsight web design and hosting platform for the period July 1, 2025 to June 30, 2028 for an amount not to exceed \$312,118.00, consisting of a) \$98,299.00 in annual licensing and hosting fees due in 2025-26, b) \$103,927.00 in annual licensing and hosting fees due in 2026-27, and c) \$109,892 in annual licensing and hosting fees due in 2027-28; Approval of Student Data Privacy Agreement.

Background Public Contract Code section 20188 allows OUSD to “piggyback” on an existing contract without OUSD needing to separately bid the contract so long as (i) the contract was properly bid, awarded, executed, and approved and (ii) the Board determines that it is in the best interest of the District.

The EdTech JPA is a cooperative purchasing organization that makes contracts available for “piggybacking” to state and local governments, including school districts. It aims to streamline procurement, provide competitive pricing, and

secure favorable technology contracts for eligible entities. The Ed Tech JPA is supported by seven founding entities, including Capistrano Unified School District, Clovis Unified School District, Fullerton School District, El Dorado County Office of Education, Irvine Unified School District, San Juan Unified School District, and San Ramon Valley Unified School District. These founding members of the Ed Tech JPA coordinate consortium purchases of high-quality products and services to benefit all of their current and potential member agencies.

The EdTech JPA issued an RFP to support web design and hosting. Active Internet Technologies dba Finalsité was one of the vendors awarded a contract ("Master Agreement") during a duly noticed Board meeting on March 25, 2021. The contract was subsequently extended on January 25, 2024.

Discussion

The Resolution finds that the Agreement was properly bid, awarded, executed, and approved and further declares that piggybacking on the Agreement is in the best interest of the District. The Resolution then accepts the offer of contract with Active Internet Technologies dba Finalsité pursuant to the same terms and conditions found in the Agreement, up to a not-to-exceed amount of \$312,118.00, consisting of a) \$98,299.00 in annual licensing and hosting fees due in 2025-26, b) \$103,927.00 in annual licensing and hosting fees due in 2026-27, and c) \$109,892 in annual licensing and hosting fees due in 2027-28.

The Oakland Unified School District has previously used the Finalsité solution to power the OUSD public website located at <https://www.ousd.org> along with numerous individual school websites built using this platform. Finalsité has also been used to host the OUSD intranet which provides internal resources for staff. The platform includes an accessibility solution to ensure compliance with the Americans with Disabilities Act (ADA) by providing content editors with synchronous reporting and step-by-step instructions inside the administration console of the platform.

The current contract represents a continuation of these services for an additional three years. The original agreement with Active Internet Technologies dba Finalsité was approved by the Board on January 17, 2023 as Legistar File ID #22-2696. The annual renewal fees are comparable to those stated in the prior contract.

While Active Internet Technologies, Inc. does **not** require access to confidential District student data, the vendor has signed the enclosed data sharing agreement, and we now ask the Board to approve this agreement to protect any content along with any contact or other information provided by students, families, staff, and community to the District or school websites.

This data sharing agreement is the standard California - National Student Data Privacy Agreement (CA-NDPA), adopted by the California Student Privacy Alliance to meet the requirements of the Family Educational Rights and Privacy Act (FERPA) and Assembly Bill 1584 (which allows school districts to share data with software

providers so long as the contracts include certain specified provisions).

The standard terms of the CA-NDPA ensure that the vendor will take all precautions to safeguard our students' data. The term of the CA-NDPA is the same as the term of the underlying services agreement.

The CA-NDPA is a piggy-backable agreement. This means that a software vendor may enter the CA-NDPA with one school district and thereafter, by signing Exhibit E (which consists of a "general offer of terms") allow any other school district to countersign Exhibit E and be entitled to the same protections set forth in the underlying CA-NDPA.

Here, Active Internet Technologies dba Finalsight has signed the CA-NDPA with the Oakland Unified School District, and it further signed Exhibit E, which, again, allows any other school district to likewise sign Exhibit E and share the same data with Active Internet Technologies dba Finalsight under the same terms, provided that the Board approves this agreement.

Finalsite Master Terms and Conditions for Services

THESE **MASTER TERMS** AND CONDITIONS FOR SERVICES (THE “**MASTER TERMS**”), SHALL APPLY TO THE SERVICES MADE AVAILABLE BY ACTIVE INTERNET TECHNOLOGIES, LLC, dba **FINALSITE** (“**FINALSITE**”), A DELAWARE CORPORATION HAVING A PRINCIPAL PLACE OF BUSINESS AT 655 WINDING BROOK DRIVE, GLASTONBURY, CONNECTICUT 06033 FOR THE **CUSTOMER** (**FINALSITE** AND **CUSTOMER** SOMETIMES COLLECTIVELY REFERRED TO AS THE “**PARTIES**”). THE “**CUSTOMER**” IS AN ENTITY WHICH ENTERS INTO AN **ORDER** WITH **FINALSITE** PURSUANT TO THESE **MASTER TERMS**. EACH **ORDER** EXECUTED BY THE **PARTIES** HEREUNDER SHALL FORM A SEPARATE CONTRACT BETWEEN THE **PARTIES** WHICH INCORPORATES AND SHALL BE GOVERNED BY THESE **MASTER TERMS**.

1. Ordering Services.

1.01 **Customer** may purchase from **Finalsite** the right to use one or more software-as-a-service (“SaaS”) applications and/or modules (collectively, “SaaS Services”) which will be hosted by **Finalsite** or a third party on its behalf (the “**Hosting Services**”); and may purchase deployment services to be performed by **Finalsite** (collectively, “**Deployment Services**”), other professional services, such as training and consulting services (collectively, “**Professional Services**”) and support and maintenance of the SaaS Services (collectively, “**Support Services**”) (SaaS Services, Hosting Services, Deployment Services, Professional Services and Support Services sometimes collectively referred to in these **Master Terms** as “**Services**”). These **Master Terms** set forth the basis for the relationship between the **Parties** and the terms applicable to such transactions. In each instance in which **Customer** wishes to purchase Services from **Finalsite**, the **Parties** shall enter into a mutually agreed order describing the particular Services ordered and any special conditions or terms applicable thereto (each an “**Order**”). **Customer** shall only have the right to receive those Services specified in an applicable **Order**. As appropriate, an **Order** may include a Statement of Work (“SOW”) which is mutually agreed to by the **Parties** to further describe certain of the Services. In order to be effective, a SOW shall reference the applicable **Order** and either be attached to such **Order** or separately executed by both **Parties**. When mutually agreed and signed by duly authorized representatives of each Party, each **Order** shall be and hereby is deemed to be governed by these **Master Terms**. When taken together, these **Master Terms** (as they may be permissibly amended or supplemented by an **Order**) and each individual, fully executed **Order** shall form a contract between **Finalsite** and **Customer**. In the event of any conflict between the terms and conditions of this Agreement and the terms and conditions of any **Order**, the terms and conditions of the **Order** shall control with respect to such **Order**.

These **Master Terms**, together with all Orders executed by the **Parties**, constitute the agreement of the parties (the “**Agreement**”).

2. Access to SaaS Services/Restrictions.

2.01 Subject to the terms and conditions of this Agreement, upon entering into an **Order** applicable thereto, **Finalsite** shall make the SaaS Services available to **Customer** for use by **Customer** and its Authorized Users solely in support of **Customer**’s internal operations and otherwise in accordance with the terms of this Agreement and **Finalsite**’s Privacy Policy set forth at finalsite.com/privacy. Additional usage limitations or restrictions may be imposed on **Customer**’s use of the SaaS Services, including limitations on bandwidth and storage, to the extent specified in an **Order**, and **Customer** shall comply therewith. Due to the nature of a SaaS delivery model, the SaaS Services to which the **Customer** is provided web access hereunder will be the version of such SaaS Services (as may be updated by **Finalsite** pursuant to Section 5 below) which is then hosted by **Finalsite** (or its third-party hosting provider) for its customers generally. All rights not expressly granted to **Customer** in this Agreement are reserved to **Finalsite** and its licensors.

2.02 **Customer** and its employees, faculty, administrators, students, parents of students, alumni and/or third party service providers who are permitted by **Customer** to use the SaaS Services on **Customer**’s behalf (collectively, “**Authorized Users**”) may access the SaaS Services, along with applicable content displayed by **Customer** through the use thereof, over the internet via **Finalsite**’s hosted website solely in support of **Customer**’s operations and within the scope of **Customer**’s permitted use of the SaaS Services. With respect to public-facing content which the SaaS Services are designed to display, Authorized Users include third party community members who access the screen displays of the SaaS Services on a remote, web-enabled basis in order to view the content which **Customer** has chosen to display to the public. **Customer** shall be fully responsible for any acts or omissions of its Authorized Users, including any unauthorized use of the SaaS Services or other breach of this Agreement.

2.03 Except as expressly set forth in these **Master Terms** or an **Order**, **Customer** shall not and shall not permit its Authorized Users or other third parties to (i) use, copy, sell, assign, sublicense, convey or otherwise transfer, all or any portion of the SaaS Services; (ii) decompile, disassemble or otherwise reverse engineer the SaaS Services or any portion thereof; (iii) modify, translate or create any derivative works based on the SaaS Services; (iv) remove or alter any copyright notices, trademarks or other proprietary rights notices affixed to or contained within the SaaS Services (v) use the SaaS Services to provide hosting, service bureau, time sharing, outsourcing or other services on behalf of, or for the benefit of itself or any third parties; or (vi) violate or cause the violation of any law, regulation, order, decree or judgment in connection with the use of any Services or any content or data utilized therewith.

3. Hosting Services.

Finalsite will provide Hosting Services and Support Services in accordance with the Service Level Agreement ("SLA") attached as Schedule 1 to these **Master Terms**.

4. Deployment and Professional Services.

4.01 Certain Deployment Services and/or Professional Services may require that the parties agree to a SOW, which may include a timetable for delivery and other assumptions. Any timetable set forth in a SOW, **Order** or other project document is in the nature of a good faith estimate which is dependent on, among other factors, **Customer's** provision of appropriate information, cooperation, assistance, and tasks, including those items which may be identified as the responsibility of **Customer** in a SOW.

4.02 **Customer** shall provide **Finalsite** access to **Customer's** logos and trademarks as may be necessary to perform the Deployment Services and other Services requested by **Customer**. For the avoidance of doubt, **Customer** shall retain ownership of its logos and trademarks.

4.03 **Finalsite** will provide all Professional Services and Deployment Services in a professional and workmanlike manner and in accordance in all material respects with any and all descriptions or requirements set forth in an applicable SOW. If deliverables are provided as part of the Deployment Services and/or the Professional Services and those deliverables do not conform in all material respects to any applicable specifications and other requirements which are described in the applicable **Order** or SOW, **Customer** shall give **Finalsite** written notification of the deficiency or non-conformance within thirty (30) days after delivery thereof. **Finalsite** then shall, within thirty (30) days of receipt of such written notification, exert commercially reasonable efforts to either correct the deficiency or non-conformance or provide **Customer** with a plan for correcting the deficiency or non-conformance. **Customer** shall provide reasonable support and assistance requested by **Finalsite** as reasonably necessary to discover the cause or a cure for the reported deficiency or non-conformance.

5. Maintenance & Support.

5.01 During the Term, and subject to the terms and conditions of this Agreement, including payment of fees, and provided **Customer** has placed an **Order** for use of SaaS Services, **Finalsite** shall provide **Customer** with Updates and Upgrades to the SaaS Services as and when made available to customers generally. For purposes of this Agreement, "Updates" means a new version of the SaaS Services containing error corrections or bug fixes to the then-current version of the SaaS Services and does not contain functional enhancements, modifications or extensions. "Upgrades" means a new version of the SaaS Services containing functional enhancements, modifications or extensions to the then-current version of the SaaS Services which are not separately priced or marketed by **Finalsite**. An Upgrade may include architectural changes. **Finalsite** supports **Customer's** web access to the SaaS Services utilizing the then-current version and one prior version of Internet Explorer, Safari, Chrome or Firefox.

5.02 During the Term, **Finalsite** will make available additional Support Services in accordance with **Finalsite's** then-current standard support policies and practices. Certain Support Services are accessible through the "Help" section located in **Customer's** interface to the SaaS Services. Certain other Support Services (such as expedited or "priority" support) may be purchased by **Customer** under an **Order**, and, in such event, the terms and conditions of such Support Services, and associated fees, shall be as described in the applicable **Order**.

6. Third Party Technology.

6.01 In connection with the SaaS Services, software or technology of third parties may be accessed and utilized by **Customer** in connection with its use of the SaaS Services and/or the SaaS Services may enable **Customer** to interact with and/or utilize third party software or technology (collectively, "Third Party Technology"). By way of example, and not limitation, Third Party Technology would include third party products and services such as online chat services, site translation services, accessibility overlay solutions, font and typography services, and any web service, website, social media platform or online library that allows (through an interface, a link or otherwise) for embedding functionality within a front-facing webpage served up by the SaaS Services. Except as otherwise expressly provided below, **Customer** is solely responsible, and shall ensure that **Finalsite** is not responsible or liable, in connection with **Customer's** access to or use of any Third-Party Technology and any terms associated therewith. To the extent that **Finalsite** incorporates or embeds any third party software into the SaaS Services such that the embedded software is a core part of the SaaS Services (collectively, "Embedded Software"), then such Embedded Software shall be supported, and **Customer** shall have the right to use such Embedded Software, to the same extent as the SaaS Services are supported and permitted to be used under this Agreement. Except as expressly provided above, no rights are granted by **Finalsite** to **Customer** or its Authorized Users to use any Third-Party Technology.

7. Ownership.

7.01 **Customer** or its licensors shall own: (a) all data and content that **Customer** and its Authorized Users input, post, submit, or otherwise provide to **Finalsite** while utilizing the SaaS Services under this Agreement (where “content” includes text, images, and sounds); and (b) **Customer**’s logos and trademarks (collectively, “**Customer Materials**”). **Customer**, and not **Finalsite**, shall be solely responsible and liable for the content, accuracy or completeness of all **Customer Materials** (including monitoring the content posted on the website), and for any infringement by any **Customer Materials** of third party intellectual property rights, and shall ensure that **Finalsite** is not responsible or liable therefor. For clarity, **Customer Materials** includes **Customer**’s Personal Information (as defined in Section 8.01 below) and Student Data (as defined in Section 9.01 below).

7.02 **Finalsite** shall not use or disclose any **Customer Materials** except: (a) as requested or permitted by **Customer**; (b) in connection with providing, facilitating or supporting the Services or otherwise exercising rights or performing obligations under this Agreement (including, for example, by addressing technical and other issues related to the Services); (c) to the extent required, or permitted, by applicable laws or regulations; and/or (d) as otherwise permitted under this Agreement.

7.03 Without limiting **Customer**’s ownership of the **Customer Materials**, **Finalsite** and its licensors shall own all right, title, and interest in and to the SaaS Services (including the underlying software and all application program interfaces (“API’s”) provided or made available by **Finalsite**) and all documentation, materials, work product and deliverables resulting from or related to the Services (including in each case all enhancements, modifications, updates, upgrades and derivative works thereof and all intellectual property rights in any of the foregoing). Any enhancements, modifications, derivative works or any other intellectual property created directly or indirectly using or referring to the SaaS Services or components thereof, whether created solely by **Customer** or a third party on behalf of **Customer**, or jointly by **Customer** and **Finalsite** or a third party on either party’s behalf, shall belong exclusively to **Finalsite**, and **Customer** hereby irrevocably assigns all rights therein (including without limitation, all patent, copyright, trademark, trade secret and moral rights) to **Finalsite**. In the event that **Customer** or any of its users submit any ideas, suggestions, proposed enhancements, or other feedback relating to the SaaS Services (collectively, “Feedback”), **Finalsite** shall automatically own such Feedback without compensation to **Customer** and **Customer** hereby assigns all rights in such Feedback to **Finalsite**.

8. Security of Personal Information.

8.01 To effect the purposes of an **Order**, **Customer** or an Authorized User may from time to time provide **Finalsite** with certain personally identifiable information (**Customer** representing that it has the right to do so in each such instance) of **Customer**’s students, prospective students, parents of students, faculty, administrators, employees and/or Authorized Users that is regulated by various United States laws and regulations (“Personal Information”). Personal Information may include Student Data to the extent it meets the definition thereof in Section 9.1 below.

8.02 Consistent with laws governing Personal Information and Student Data which are applicable to **Finalsite**’s performance of Services hereunder, **Finalsite** shall maintain reasonable, industry-standard administrative, physical, and technical safeguards, and implement and maintain reasonable security practices and procedures, which are designed to protect Personal Information from unauthorized access, destruction, use, modification and disclosure. **Finalsite** shall not use or disclose Personal Information, except for the purposes for which it is permitted to use or disclose **Customer Materials** under Section 7.02 above. Similarly, **Customer** agrees to comply with its responsibilities under laws governing Personal Information which are applicable to **Customer**.

8.03 **Customer** shall maintain reasonable, appropriate administrative, physical, and technical safeguards designed to protect the security, confidentiality and integrity of its account IDs, passwords, and connectivity with the SaaS Services and Hosting Services. **Customer** shall be solely responsible and liable, and shall ensure that **Finalsite** is not responsible or liable, for account IDs or passwords which are disclosed by **Customer** or an Authorized User or those which are lost, stolen, compromised, or used for malicious or unauthorized purposes, including in respect of all use of the Services through the use of such account information.

9. Student Data.

9.01 Student Information, Student records and Student-generated content (collectively, “Student Data”) is the property of the applicable student or legal guardian of the student and not the property, or under the control, of **Finalsite**. During the Term of this Agreement, **Customer** shall retain control of all Student Data maintained in connection with the SaaS Services.

9.02 At any time during the Term of this Agreement, **Customer** may request deletion of any Student Data in **Finalsite**’s possession by providing a written request to **Finalsite** signed by a duly authorized representative of **Customer** specifying: (i) the name of the applicable student(s); (ii) a detailed description of the Student Data to be deleted; (iii) providing contact information of an individual authorized by **Customer** to answer questions and provide additional information about such request. Such requests must be addressed to the following address: Privacy Officer, **Finalsite**, 655 Winding Brook Drive, Glastonbury, CT 06033 or privacy@finalsite.com (which address may be amended by **Finalsite** from time to time upon notice to **Customer**).

Customer shall be solely responsible and liable to the Student and any other party, and shall ensure that **Finalsite** shall have no responsibility or liability, in connection with the content of such deletion request (including any errors contained therein) or **Finalsite's** deletion of Student Data in accordance with such request.

9.03 **Finalsite** shall take reasonable commercial measures designed to ensure the security and confidentiality of all Student Data. **Finalsite** and its employees, agents and contractors shall use Student Data only for purposes for which it may utilize **Customer** Materials as described in Section 7.02 above.

9.04 Student Data may include "education records" as defined under the Family Educational Rights and Privacy Act of 1974, 20 USC 1232g and its implementing regulations, as they may be amended from time to time ("FERPA"). To the extent that **Finalsite** collects or processes personally identifiable information in education records in the course of providing Services under this Agreement, then it does so as an outsourced institutional function pursuant to FERPA 34 CFR Part 99.31(a)(1) and is designated by **Customer** for these purposes as a "school official" with legitimate educational interests. In this regard, **Finalsite** will comply with its responsibilities as a school official under FERPA. Similarly, **Customer** will comply with the responsibilities applicable to **Customer** under FERPA.

9.05 Revisions or corrections to Student Data may only be made by Authorized Users of **Customer** and not the student, parent or legal guardian directly. A student, parent or legal guardian of a student may review personally identifiable information contained in the Student Data directly through use of the SaaS Services and may correct erroneous information, if any, to such information by informing the **Customer** in writing specifying: (i) the name of the applicable student; (ii) a detailed description of the Student Data to be corrected; (iii) the appropriate correction, if known. In the event **Finalsite** receives a correction request directly concerning any Student Data, it will notify **Customer** promptly and direct the student, parent or legal guardian to the **Customer** for a response, or upon the written request of **Customer** containing such information as described in this subsection, **Finalsite** will correct the applicable Student Data using the information contained in **Customer's** written notice. Such requests must be addressed to **Finalsite** at the address set forth in Section 9.02 above. **Customer** shall be solely responsible and liable to the Student and any other party, and shall ensure that **Finalsite** shall have no responsibility or liability, in connection with the content of such modification request (including any errors contained therein) or **Finalsite's** revisions or corrections to Student Data in accordance with such request.

9.06 **Finalsite** will report in writing to **Customer** after its discovery of any unauthorized release, disclosure or acquisition of Student Data not permitted or required by this Agreement or any **Order** in accordance with the requirements of applicable law. Following discovery, **Finalsite** will conduct an investigation to determine the nature and scope of such unauthorized release, disclosure or acquisition and the identity of the affected students. **Finalsite** will use reasonable efforts to mitigate the potential harm caused by such unauthorized release, disclosure or acquisition.

9.07 **Finalsite** will not sell, rent or trade any Student Data, except in connection with the change of control or acquisition of **Finalsite's** business and in such event the successor-in-interest to **Finalsite** shall be subject to the provisions of this Agreement.

9.08 Upon termination of this Agreement and all Orders hereunder, Student Data shall be deleted and not retained by **Finalsite** and **Customer** shall not have access to any Student Data following the effective date of termination unless a student, parent or legal guardian of a student establishes or maintains an electronic account with **Finalsite** for the purpose of storing student-generated content.

9.09 For purposes of this Agreement, the following definitions shall apply:

- (a) "Student information" means personally identifiable information or material of a student in any media or format that is not publicly available and is any of the following: (i) Created or provided by a student or the parent or legal guardian of a student, to **Finalsite** in the course of the student, parent or legal guardian using the SaaS Services for school purposes, (ii) created or provided by an employee or agent of **Customer** for school purposes, or (iii) gathered by **Finalsite** through the operation of the SaaS Services and identifies a student, including, but not limited to, information in the student's records or electronic mail account, first or last name, home address, telephone number, date of birth, electronic mail address, discipline records, test results, grades, evaluations, criminal records, medical records, health records, Social Security number, biometric information, disabilities, socioeconomic information, food purchases, political affiliations, religious affiliations, text messages, documents, student identifiers, search activity, photographs, voice recordings, survey responses or behavioral assessments;
- (b) "Student record" means any information directly related to a student that is maintained by the **Customer** or any information acquired from a student through the use of the SaaS Services, except "student record" does not include De-identified student information (defined below) allowed under this Agreement to be used by **Finalsite** for the purposes described in Section 10.03 below.;
- (c) "Student-generated content" means any student materials created by a student including, but not limited to, essays, research papers, portfolios, creative writing, music or other audio files or photographs; "student-generated content" does not include student responses to a standardized assessment.

(d) "De-identified student information" means any Student Information that has been altered to prevent the identification of an individual student.

10. Consent to Use/Transfer

10.01 **Customer** warrants and represents that it shall obtain all consents necessary for **Finalsite** to provide the Services in connection with the **Customer** Materials, and otherwise use **Customer** Materials pursuant to the Agreement, including those consents related to the collection of Personal Information from children under the age of 13 in compliance with the Children's Online Privacy Protection Act, as amended ("**COPPA**"), consents necessary under FERPA to enable **Finalsite**'s provision of Services hereunder, and other consents necessary for the protection and use of the Personal Information and Student Data under applicable law and regulation. **Finalsite** shall be entitled to rely on this Agreement as **Customer**'s representation that all necessary consents have been obtained and **Finalsite** shall not be required to independently verify such fact or compliance by **Customer** with applicable law with respect thereto.

10.02 **Customer** further represents and warrants that the use of Personal Information and other **Customer** Materials by **Finalsite**, in accordance with the terms of the Agreement, is not in violation of any applicable law or regulation, or in breach of any covenant or obligation of confidentiality that **Customer** has to any person or entity. **Customer** acknowledges that **Finalsite** has no responsibility to review or monitor any **Customer** Materials including reviewing or determining the legality, accuracy or completeness of **Customer** Materials. **Finalsite**, however, reserves the right to take any action with respect to the Services that **Finalsite** deems necessary or appropriate in its sole discretion, if **Finalsite** reasonably believes **Customer**'s use of the Services could create liability for **Finalsite**, its affiliates and/or its suppliers or could compromise or disrupt services provided to other clients.

10.03 **Customer** acknowledges and agrees that, in the course of **Finalsite** providing Services hereunder, **Finalsite** may provide access to **Customer** Materials to employees, affiliates, subcontractors and third party service providers ("**Representatives**") who have a legitimate need to access such information in order to provide their services to **Finalsite** as part of **Finalsite**'s provision of Services to **Customer**. By way of example, **Representatives** include third parties who provide back-up, hosting, support and business recovery services. **Representatives** shall be required to maintain the confidentiality of all Personal Information, Student Data and other Confidential Information of **Customer**.

10.04 In addition, **Customer** agrees that **Finalsite** may collect, use and disclose data which is generated, collected or derived in connection with the use of the SaaS Services by **Customer** and its Authorized Users, including data derived from the **Customer** Materials to: (a) determine usage trends, (b) conduct research and development (including enhancing its products and services), (c) collect and analyze cookies and other metadata, (d) create analytics and (e) for other business purposes; provided that such data shall be de-identified (such that it will not identify **Customer** or its Authorized Users) and aggregated (collectively, "**De-Identified Data**", which includes De-identified student information defined in Section 9.09(d) above). Subject to the above conditions, **Finalsite** shall own all De-Identified Data.

11. Customer Responsibilities.

11.01 In addition to its other responsibilities as set forth in this Agreement, **Customer** is solely responsible for and assumes all liability relating to (i) decisions about **Customer**'s computer and communications systems needed to access the SaaS Services; (ii) all purchases of any necessary hardware, software, services or licenses required by **Customer** to access and use the SaaS Services as contemplated in this Agreement; and (iii) provision and maintenance of all domains and URLs used by **Customer** and its Authorized Users to access the SaaS Services.

11.02 **Customer** and its Authorized Users shall comply with all applicable law and governmental regulation in their respective execution, delivery and performance of this Agreement and access and use of the SaaS Services.

11.03 **Customer** represents and warrants, and shall ensure that it and all Authorized Users shall not: (i) use the Services, in whole or in part, to store, initiate or transmit material (including **Customer** Materials) that is infringing, libelous, defamatory, abusive, harmful to minors, designed to cause annoyance, inconvenience or distress to any person; comprises unsolicited marketing (i. e. spam), in violation of third-party privacy or property rights, or otherwise tortious or in violation of applicable law; (ii) interfere with, unreasonably burden, or disrupt the integrity or performance of the Services or third-party data or content contained therein; (iii) attempt to gain unauthorized access to the Services or its related systems or networks; (iv) provide the Services to third parties who are not Authorized Users, including, by resale, license, loan or lease; and, (v) without **Finalsite**'s prior written consent, imply or state, directly or indirectly, that **Customer** is affiliated with or endorsed by **Finalsite**; or, publicize the existence of the Agreement, or any of its terms. **Customer** will use best efforts to prevent and/or block any prohibited use, and will cooperate with **Finalsite** to prevent or cease such use from continuing. **Customer** will notify **Finalsite** immediately, in writing, if it knows or has reason to know that the Services are being used in violation of the Agreement or applicable law, describing such violation(s), and the basis for such knowledge, and shall be solely responsible and liable, and shall ensure that **Finalsite**, its officers, directors, representatives and its affiliates are not responsible or liable, for such violative use.

12. Term of the Agreement/Orders.

This Agreement shall become effective on the effective date of the first **Order** entered into by **Customer** and **Finalsite** and shall continue through the termination date of all **Orders** hereunder (the "**Term**"), unless terminated earlier in accordance with the provisions of this Agreement. The term of any **Order** shall be stated in the **Order**, provided however that unless otherwise provided in any **Order**, the term of each **Order** shall automatically renew for successive terms of equal duration to the initial term stated therein unless either Party provides written notice of its intent not to renew at least thirty (30) days prior to the expiration of the then-current term.

13. Termination

13.01 In the event either party defaults in any obligation in this Agreement or any **Order**, the non-defaulting Party shall give written notice of such default. If the Party in default has not cured the default within thirty (30) days of receipt of the notice, the non-defaulting Party may terminate this Agreement by delivering written notice thereof to the defaulting Party.

13.02 Either Party may terminate this Agreement, effective immediately upon written notice, in the event that the other party: (i) makes a general assignment for the benefit of creditors; (ii) institutes proceedings seeking relief or reorganization under any laws relating to bankruptcy or insolvency or (iii) has a court of competent jurisdiction appoint a receiver, liquidator or trustee over all or substantially all of such party's property or provides for the liquidation of such Party's property or business affairs.

13.03 Either party may terminate this Agreement upon written notice at any time when there are no **Orders** then in effect.

13.04 **Customer** shall have the right to terminate an **Order** for convenience if it first meets each of the following conditions: (i) it must provide **Finalsite** with at least sixty (60) days prior written notice of the effective date of such termination of the applicable **Order**; (ii) it must pay **Finalsite**, as and when due, all fees and expenses which are due for Services provided through the effective date of such termination for convenience; and (iii) it must additionally pay **Finalsite**, prior to the effective date of termination, an amount equal to the full amount of the fees owed to **Finalsite** for all periods from the effective date of termination through the end of the then-current term of the applicable **Order**.

13.05 **Customer** commits that it has sufficient available funds to pay for the Services purchased under each **Order** through at least the end of the then-current fiscal year. If, for any fiscal year thereafter during which an **Order** is in effect, sufficient funds are not appropriated by **Customer**'s public funding body to pay in full the fees due under such **Order** for that fiscal year, then **Customer** shall have the right to terminate the **Order** by providing **Finalsite** with written notice of termination at least ninety (90) days (or, if later, promptly upon becoming aware of the non-appropriation) prior to the first day of the fiscal year for which sufficient funds will not be available and by paying **Finalsite** in full for all fees and expenses due through the end of the then-current fiscal year. **Customer** agrees that the termination rights set forth in this Section 13.05 will not apply if any funds are appropriated to it for the acquisition, retention or operation of software or other services substantially similar to the Services provided by **Finalsite** hereunder. **Customer** agrees to use its best efforts to obtain and maintain sufficient funds to make all payments due hereunder and commits that it will only utilize this provision in the event that, despite its good faith best efforts to continue to fund all **Order** under this Agreement, such funds were withdrawn by its funding body.

13.06 Termination of this Agreement or any **Order** shall terminate all Services provided by **Finalsite** thereunder, and **Customer** and its Authorized Users shall cease all use of the applicable Services on the effective date of termination or expiration. The due dates of all payments owed by **Customer** to **Finalsite** under this Agreement shall become due on the effective date of termination or expiration.

14. Subcontractors.

Finalsite may utilize third party subcontractors and/or service providers to perform, or support performance of, any Services under this Agreement in its sole discretion, subject to the terms of Section 10.03 above to the extent applicable. In such event, **Finalsite** shall not be relieved from its obligations under this Agreement.

15. Fees and Expenses

15.01 The fees and general scope of the services purchased by **Customer** shall be as described in the applicable **Order**, which is made part of this Agreement.

15.02 In addition to the fees described above, all out-of-pocket expenses incurred by **Finalsite** in connection with the Services which are pre-approved by **Customer** (including in an **Order** or a Statement of Work) shall be invoiced by **Finalsite** at actual cost after the corresponding onsite Professional Services are completed.

15.03 Unless otherwise provided in an **Order**, **Finalsite** will invoice **Customer** on an annual basis, payable in advance. Payment for the invoice covering the first year of this Agreement, which may include subscription fees, Deployment Services fees and other fees as described in the **Order**, is due and payable within thirty (30) days of the effective date of the **Order** unless otherwise stated in the applicable **Order**. Thereafter, unless otherwise specified in the **Order**, **Finalsite** will invoice **Customer**, for each subsequent period of the initial term and for each renewal term, on each annual anniversary of the effective date of the **Order**. Invoices (including invoices for expenses under Section 15.02 and invoices for any Services other than the subscription fees for the SaaS Services) shall be due and payable within thirty (30) days of invoice date. After thirty (30) days from the invoice date, all overdue unpaid amounts shall carry interest at the rate of 1.0% per month, or the highest rate allowed by applicable law, whichever is less, until payment is received by **Finalsite**. All fees incurred by **Finalsite** for collections (including attorneys' fees) must be paid or reimbursed by the **Customer**. All invoices shall be sent to **Customer** at the billing address set forth in the **Order**.

15.04 **Customer** shall be responsible for the payment of, or reimbursement of **Finalsite** for, any applicable present or future services, sales, use, excise, goods, property, value added or other taxes or duties levied against or upon the provision of SaaS Services (excluding taxes based upon **Finalsite's** net income). Upon request, **Customer** shall furnish to **Finalsite** evidence of payment of any taxes payable by **Customer**.  3. Part 3: Accessibility testing to comply with WCAG 2.0 level A/AA standards per the time of this SOW.
- As a national firewall like China's will adversely impact website performance of all websites, even those absent specifically prohibited content, it is also recommended that Participant follow Finalsite's guidelines for offsetting these performance impediments by optimizing the website for performance, e.g. minimizing the use of bandwidth-intensive design assets such as auto-playing video or slideshows, large images, certain types of dynamic content, etc. Similarly, Participants located in areas known to have lower bandwidth internet access and/or periodic network performance degradation should make Finalsite's design team aware of these considerations prior to the design phase.
- An SSL certificate will be installed with a wildcard to support primary domain and subdomains. If additional certificates are needed, that effort will be handled under a separate statement of work. The issuing and installation of SSL security certificates, allowing for data submitted to or displayed by the website to be encrypted, is also restricted for individuals, organizations, and domain names registered in countries on the U.S. Export banned or restricted countries list. This list is subject to change at any time but currently includes Afghanistan, Cote d'Ivoire, Cuba, Eritrea, Guinea, Iraq, Iran, North Korea, Liberia, Myanmar, Rwanda, Sudan, Sierra Leone, South Sudan, Syrian Arab Republic, Zimbabwe. - Finalsite is responsible for addressing errors found in site structure including, but not limited to: headers, footers, navigational sections, color contrasts, keyboard accessibility, module elements. Warnings which are presented in the Audio Eye Compliance report do not indicate an error; they are indicators for a manual check and commonly remain notated in the report after resolution.

Training

- Finalsite Project Manager will work with Participant to provide an overview of the Training Portal and define the necessary steps to learn the software and tools to contribute to the site. If subsequent training and education of the platform is required due to Participant circumstances

(e.g. new team members, turnover, etc.) and the training portal is not adequate, these efforts will be handled under a separate statement of work.

- Participant will attend training webinars, utilize on-demand training videos and additional online resources on the Finalsite CMS and Modules as recommended by Finalsite.

Data & Integration

- Finalsite Project Manager will provide the appropriate Excel templates based on purchased modules that will be populated with School data by the Participant using the exact columns and format.
- Finalsite will provide a one-time import for review and troubleshooting, and a second one for a final import before site launch.
- If the project includes data integration or Single Sign-On (“SSO”) functionality, Finalsite Data Integration services will provide instructions and documentation relating to setup and configuration requirements for the Participant’s system environment.
- Ultimately, Participant is responsible for maintaining the configuration of the data mapping and privacy settings, so the methodology followed is geared towards guidance and joint configuration effort. Given this, it is important that Participant identify the correct personnel to work with Finalsite during these efforts.

 1. Content Migration for 30 pages in which Finalsite will move content from the current site into the Finalsite Platform; this includes the migration of static text, external hyperlinks, internal hyperlinks to documents and inline images from the main content area of the pages contained in the content map.  - The Participant is responsible for providing a content map. This file states the page URL for the current site and the URL of the new page which the content will be moved into.
 - Standard styling will be inherited in the site and generally include H1-H6, bold, italics, underline, standard bullet and numbered lists. Inline styling may carry over but will not include any custom styling found in external CSS files of the current site.
 - Participant is responsible for any content modifications they’d like completed after the migration is delivered. This could include but is not limited to modifying the page layout to utilize new features the Finalsite platform affords them and re-styling any content using the custom styles designed for the Finalsite website.
 2. Layout Optimization for 8 pages in which Finalsite will optimize each page’s appearance by utilizing Finalsite’s CMS Composer and content features such as: page layouts/layout elements, content display elements, standard styling, and custom content styles designed for the Finalsite website.
 - Participant must add all desired content to all selected pages before Finalsite completes the Layout Optimization service; only content present on the pages at the time of service will be optimized.

- Layout Optimization is a one-time setup and at Finalsite's discretion. There is no review period or continued work by Finalsite for this deliverable; Participant is responsible for all subsequent updating of the selected pages.
- Participant is responsible for migrating the remainder of content from the current site into the Finalsite Platform.
- Content Migration and Layout Optimization are not transferable and cannot be traded for other deliverables such as custom design and coding.
- Content Migration and Layout Optimization are Deployment deliverables and, if not used by the end of the Warranty Phase of the Deployment project, will be considered forfeited.

Warranty

- The warranty period begins after the production and QA phases and any concurrently running project phases. It signifies Finalsite has materially delivered the scope of work per the scope outlined in this SOW and lasts 30 calendar days.
- Parties will meet remotely once per week (day and time TBD) for the duration of the 30-day warranty period; this time is reserved to close out any remaining questions, training guidance, and general site issues or inquiries.
- Finalsite is responsible for resolving errors found in the delivered website(s) during this period. Errors are defined as the following: design and/or content display issues in supported browsers or devices and include font or color modifications needed for compliance of WCAG 2.0 standards.
- Design changes will be handled in a separate work order. Design changes and/or requests are defined as inclusive of, but not limited to: font or color changes not deemed necessary for accessibility compliance, design additions or modification to the approved, built out design such as adding or removing panels from the Homepage, the creation of additional content styles, and custom designing content/module elements.

Launch

- As per the PA, both Parties will agree to the terms, if any, set forth in the PA and Order that will govern the Warranty and Site Launch Phases.
- Launch date will be coordinated by both Parties and mutually agreed upon a minimum of 10 days in advance of this date.

The Parties may also enter into a Statement of Work (each, a "SOW") to describe the scope of certain Professional Services and specific terms and dependencies relating to those Professional Services. In order to be effective, a SOW must be signed by both Parties and reference the applicable Order. Any modifications or changes to the Services following execution of a SOW must be evidenced by a mutually acceptable amendment signed by both Parties.

4.2 Limitations/ Cooperation. Any timetable set forth in a SOW, Order or other project document is a good faith estimate which is dependent on, among other factors, the Customer's provision of appropriate information, cooperation, assistance, and tasks, including those items which may be identified as the responsibility of the Customer in the SOW. Subject to Section 7.2 of these Master Terms, the Customer shall provide Finalsite access to the Customer's logos and trademarks and other content as may be necessary for Finalsite to perform the Professional Services described in an Order.

Finalsite agrees that it will not knowingly engage in transactions which conflict with the interests of the Customer and shall abide by a high standard of ethical conduct in the formation of this Agreement and providing Services hereunder. In particular, Finalsite will not pay kickbacks directly or indirectly to any Customer employee for the purpose of obtaining this or any other agreement with the Customer and agrees to cooperate fully with any investigation involving a possible violation of this Section. Finalsite has provided Customer's employees or Representatives no fees, gifts, gratuities, compensation, or anything of value in violation of applicable law in connection with this Agreement.

Finalsite supports the Customer's browser access to the SaaS Services utilizing the then-current version and one prior version of Internet

Explorer, Microsoft Edge, Safari, Chrome or Firefox. Certain Support Services are accessible through the "Help" section located in the Customer's interface to the SaaS Services. Finalsite reserves the right to discontinue any Service during the Term for any reason, but in such event Finalsite will notify Customer and, as Customer's sole and exclusive remedy, Finalsite will provide a pro-rata refund for any unused portion of the discontinued Services.

5.2 Enhanced Support. Certain support Services (such as expedited or "priority" support) may be purchased by the Customer under an Order, and, in such event, the terms and conditions of such support Services, and associated fees, shall be as described in the applicable Order.

6. Third Party Technology.

6.1 Third Party Technology. Finalsite may utilize certain software or other technology of third parties (collectively, "Third Party Technology") in connection with its provision of the SaaS Services. between the SaaS Services and the Third Party Technology described in the relevant Order. Except for the foregoing, the Customer is solely responsible and liable for the Customer's access to or use of any Third Party Technology.

7. Ownership.

7.1 Customer Materials. As between the Customer and Finalsite, Customer Materials are the sole and exclusive property of Customer. "Customer Materials" means, collectively, all data and materials (including text and images) that the Customer and its Authorized Users input, post, submit, or otherwise provide to Finalsite while utilizing the Services and in connection with Finalsite's provision of Services under this Agreement; and Customer's logos and trademarks. The Customer shall be solely responsible and liable for the content, accuracy or completeness of all Customer Materials (including monitoring the content of Customer Materials posted on the SaaS Services), and for any infringement of any third party intellectual property rights resulting from by any Customer Materials.

During the Term of this Agreement, Customer grants to Finalsite and its Representatives a non-exclusive, royalty-free license to access, modify, reproduce, display, combine, copy, store, transmit, distribute, and otherwise use the Customer Materials for purposes of performing Finalsite's obligations hereunder. Subject to the terms of the Agreement and to the extent permitted by applicable law, Customer authorizes Finalsite and its Representatives to access and process Customer Materials in countries other than the jurisdiction from which the Customer Materials were originally collected. Finalsite shall not use Customer Materials except as authorized under this Agreement (including the applicable DPA) and to the extent required, or permitted, by applicable laws or regulations.

7.3 Services. As between the Customer and Finalsite, Finalsite owns all right, title, and interest in and to: (a) the SaaS Services, including the underlying software applications and technology and all application program interfaces ("API's") provided or made available by Finalsite in connection therewith; (b) all documentation, materials, work product and deliverables resulting from or related to the Services; and (c) all enhancements, modifications, updates, upgrades and derivative works thereof and all Intellectual Property Rights in any of the foregoing. Customer, a third party on behalf of the Customer, or jointly by the Customer and Finalsite or a third party on either Party's behalf, belong exclusively to Finalsite, and the Customer hereby irrevocably assigns all rights therein, including all Intellectual Property Rights to Finalsite. For purposes of these Master Terms, "Intellectual Property Rights" means collectively all intellectual or industrial property rights recognized now or in the future under the laws of any jurisdiction throughout the world, including trademarks and trade mark applications, trade names, service marks, patents and patent applications, copyrights, and trade secrets in each case, including any registrations of, applications to register, and renewals and extensions of, any of the foregoing and derivative works and improvements (as such terms are defined and applied under Title 17 and Title 35 U.S.C., respectively).

Finalsite takes no responsibility and assumes no liability for any Customer Materials that it, or any Authorized User, or third party out of Finalsite's control posts, submits, displays, or otherwise makes available via any Service, and Customer agrees Finalsite is acting only as a passive conduit for the online distribution and publications of such Customer Materials.

7.5 Removal of Content. If Finalsite determines in good faith that any Customer Materials could (a) pose a material security risk, (b) be deceptive or perceived as libelous, defamatory, obscene, racist, hateful, or otherwise objectionable, or (c) give rise to potential liability to Finalsite or a violation of applicable law or the terms or restrictions of the Agreement, then Finalsite may remove the offending Customer Materials, suspend Customer's and/or Customer's Authorized Users' use of the Services, and/or pursue other remedies and corrective actions.

7.6 Other Rights. Customer hereby grants Finalsite a limited right and license to use Customer's name, logo and/or other marks for the sole purpose of listing Customer as a user of the applicable Services in promotional materials unless and until Customer provides a written request to discontinue such use.

In the event that the Customer or any of its Authorized Users submit any ideas, suggestions, proposed enhancements, or other feedback relating to the SaaS Services (collectively, "Feedback"), Finalsite shall own all such Feedback without compensation to the Customer or its Authorized Users and the Customer hereby irrevocably assigns all rights, including any Intellectual Property Rights, in such Feedback to Finalsite.

8.1 Provision of Personal Information. In connection with use of the Services set forth in an Order, the Customer and its Authorized Users may from time to time provide Finalsite with certain personally identifiable information of the Customer's students, prospective students, parents of students, faculty, administrators, employees and/or Authorized Users that is protected by various laws and regulations ("Personal Information").

8.2 Data Protection and other Compliance Obligations. Both Parties shall comply with their respective obligations under applicable data privacy laws with respect to Personal Information, including the Family Educational Rights and Privacy Act of 1974, 20 USC 1232g and its implementing regulations, as they may be amended from time to time ("FERPA"), the Protection of Pupil Rights Amendment ("PPRA"), and COPPA. Finalsite will maintain reasonable and appropriate security measures designed to protect Personal Information from unauthorized access, destruction, use, modification and disclosure.

8.3 Customer Data Privacy Obligations. The Customer shall maintain reasonable and appropriate security measures to protect the confidentiality and integrity of its account IDs, passwords, and interaction with the SaaS Services. The Customer shall be responsible for all account activities regardless of whether the activities are authorized by the Customer or undertaken by the Customer, its employees, other Representatives, or Authorized Users; and Finalsite is not responsible for unauthorized access to Customer's account. The Customer shall also comply with all applicable laws and regulatory requirements governing Personal Information utilized and transferred in connection with the SaaS Services.

9. Additional Data Privacy Terms.

9.1 Student Data. Personal Information of students, student records and student-generated content (collectively, "Student Data") is the property of the applicable student or legal guardian of the student. During the Term of this Agreement, the Customer shall retain control of all Student Data maintained in

connection with the Services. Finalsite shall take reasonable commercial measures designed to ensure the security and confidentiality of all Student Data. Finalsite and its employees, agents and contractors shall use Student Data only for purposes for which it may utilize Customer Materials under the terms of this Agreement.

9.2 FERPA. Student Data may include “education records” as defined under FERPA. To the extent that Finalsite collects or processes Personal Information in education records in the course of providing Services under this Agreement, it does so as an outsourced institutional function pursuant to FERPA 34 CFR Part 99.31(a)(1) and is designated by the Customer for these purposes as a “school official” with legitimate educational interests. In this regard, Finalsite will comply with its responsibilities as a school official under FERPA. Similarly, the Customer will comply with the responsibilities applicable to it under FERPA. The Customer is responsible to obtain any necessary consents prior to providing Student Data to Finalsite and is wholly responsible for providing annual notice to students and parents or other legal guardians of their rights with respect to FERPA and other applicable law.

9.3 Additional Data Processing Terms. Additional data processing terms applicable to Customer’s jurisdiction are available at www.finalsite.com/dpa (each, a “DPA”) and are incorporated into and made a part of these Master Terms. Finalsite may amend or supplement any DPA from time to time to address current best practice or to address changes in applicable law. Such additional terms will become part of this Agreement unless Customer objects in writing within ten (10) days of any posted update, provided that any changes required by law shall become part of this Agreement immediately upon the effective date of such change.

10. Consent to Use/Transfer.

10.1 Consents. The Customer represents and warrants that at all times during the Term it has obtained all consents necessary for Finalsite to access and use the Customer Materials and Student Data for purposes of providing the Services, including those consents related to the collection, use, maintenance and transfer of Personal Information (including Student Data) in compliance with applicable law and regulatory requirements (including the Children’s Online Privacy Protection Act, as amended). Finalsite may rely on this Agreement as the Customer’s representation that all necessary consents have been obtained and Finalsite shall not be required to independently verify such fact or compliance by the Customer with applicable law with respect thereto.

10.2 Authorized Use. The Customer further represents and warrants that the use of Personal Information and other Customer Materials by Finalsite, in accordance with the terms of the Agreement, does not and will not violate any applicable law or regulatory requirements, or result in the breach of any covenant or obligation that the Customer has to any person or entity. The Customer acknowledges that Finalsite has no responsibility to review or monitor any Customer Materials, including reviewing or determining the legality, accuracy or completeness of Customer Materials. Finalsite, however, reserves the right to take any action with respect to the Services that Finalsite deems necessary or appropriate in its sole discretion if Finalsite reasonably believes the Customer’s use of the Services could violate applicable law or regulatory requirements, create liability for Finalsite, its affiliates and/or its suppliers, or could otherwise compromise or disrupt services provided to other customers.

11. Customer Responsibilities.

11.1 Hardware and Customer Procedures. In addition to its other responsibilities as set forth in this Agreement, the Customer is solely responsible for and assumes all liability relating to (i) decisions about the Customer’s computer and communications systems needed to access the SaaS Services; (ii) all purchases of any necessary hardware, software, services or licenses required by the Customer to access and use the SaaS Services as contemplated in this Agreement; (iii) the Customer’s procedures and criteria, including any claim by an applicant, student, parent or employee arising from the Customer’s procedures or criteria and any violation of any applicable statutory or regulatory requirements resulting from implementation of the Customer’s procedures and criteria; and (iv) provision and maintenance of all domains and URLs used by the Customer and its Authorized Users to access the Services.

11.2 Compliance with Law. The Customer and its Authorized Users shall comply with all applicable law and regulatory requirements in their respective execution, delivery and performance of this Agreement and access to and use of the Services.

11.3 Terms of Use. Access and use of the Services is contingent upon compliance with the terms and conditions of this Agreement. The Customer warrants and covenants that neither the Customer or its Authorized Users will: (i) use the Services, in whole or in part, to store, initiate or transmit material (including Customer Materials) that is infringing, libelous, defamatory, abusive, harmful to minors, designed to cause annoyance, inconvenience or distress to any

person; comprises unsolicited marketing in violation of third-party privacy or property rights, or otherwise violate applicable law: (ii) interfere with, unreasonably burden, or disrupt the integrity or performance of the Services or third-party data or content contained therein; (iii) attempt to gain unauthorized access to the Services or its related systems or networks; or (iv) provide the Services to third parties who are not Authorized Users, including, by resale, license, loan or lease. The Customer will use best efforts to prevent and/or block any prohibited use, and will cooperate with Finalsite to prevent or cease such use from continuing. The Customer will notify Finalsite in writing within three (3) business days of discovery of facts indicating that the Services are being used in violation of the Agreement or applicable law, describing such violation(s), and the basis for such knowledge, and shall fully cooperate with Finalsite to remedy such violation. The Customer shall be solely responsible and liable for such violative use.

12. Term of the Agreement/Orders.

12.1 Term. This Agreement shall become effective on the effective date of the first Order entered into by the Customer and Finalsite and shall continue through the termination date of all Orders hereunder (the "Initial Term"), unless terminated earlier in accordance with the provisions of this Agreement. The term of any Order shall be stated in the Order, provided however that unless otherwise provided in any Order, the term of each Order shall automatically renew for successive terms of equal duration to the initial term stated therein (each, a "Renewal Term"), unless either Party provides written notice of its intent not to renew at least ninety (90) days prior to the expiration of the then-current term. The Initial term and all Renewal Terms are collectively referred to as the "Term".

13. Termination.

13.1 Uncured Breach. In the event either Party defaults in any obligation in this Agreement or any Order, the non-defaulting Party shall give written notice of such default. If the Party in default has not cured the default within thirty (30) days of receipt of the notice, the non-defaulting Party may terminate this Agreement by delivering written notice thereof to the defaulting Party.

13.2 Insolvency. Either Party may terminate this Agreement effective immediately upon written notice in the event that the other Party: (i) makes a general assignment for the benefit of creditors; (ii) institutes proceedings seeking relief or reorganization under any laws relating to bankruptcy or insolvency or (iii) has a court of competent jurisdiction appoint a receiver, liquidator, or trustee over all or substantially all of such

Party's property or provides for the liquidation of such Party's property or business affairs.

13.3 Inactivity. Either Party may terminate this Agreement upon written notice at any time when there are no Orders then in effect. In addition, this Agreement shall automatically expire if there are no Orders or SOWs in effect for a continuous period of six (6) months.

13.4 Convenience. The Customer shall have the right to terminate any Order for convenience, contingent upon satisfying the following conditions: (i) the Customer must provide Finalsite with at least ninety (90) days prior written notice of termination of the applicable Order, including the effective date of termination; and (ii) the Customer must pay Finalsite (on or before the effective date of termination) one hundred percent (100%) of all remaining fees due under the terminated Order as of the effective date of such termination, in addition to actual expenses incurred by Finalsite as of the termination date.

13.5 Termination for Lack of Funding. The Customer represents that it has sufficient available funds to pay for the Services purchased under each Order through at least the end of the then-current fiscal year. If sufficient funds are not appropriated by the Customer's public funding body to pay in full the fees due under such Order for any fiscal year thereafter during which an Order is in effect, then the Customer shall have the right to terminate the relevant Order by providing Finalsite written notice of termination at least ninety (90) days prior to the first day of the fiscal year for which sufficient funds will not be available and by paying Finalsite in full for all fees and expenses due through the end of the then-current fiscal year. The Customer agrees that the termination rights set forth in this Section 13.5 will not apply if funds are appropriated to it for the acquisition, retention or operation of software or other services substantially similar to the Services provided by Finalsite under this Agreement. The Customer agrees to use its best efforts to obtain and maintain sufficient funds to make all payments due hereunder and commits that it will only utilize this provision in the event that, despite its good faith best efforts to continue to fund all Orders under this Agreement, such funds are not appropriated by the relevant funding body.

13.6 Effects of Termination. Termination of this Agreement or any Order or SOW shall terminate all Services provided by Finalsite thereunder without the requirement of additional notice by Finalsite, and the Customer and its Authorized Users shall cease all use of the applicable Services on or before the effective date of termination or expiration. The due dates of all payments

owed by the Customer to Finalsite under this Agreement shall become due on the effective date of termination or expiration.

14. Subcontractors.

14.1 Use of Third Party Contractors. Subject to the terms of this Agreement, including the relevant DPA and applicable law, Finalsite may utilize third party subcontractors and/or subprocessors in its sole discretion to perform, or support performance of, any Services under this Agreement. In such event, Finalsite shall not be relieved from its obligations under this Agreement. The Customer hereby provides its general consent to Finalsite to such subprocessing. A current list of subprocessors utilized by Finalsite in provision of Services can be found at <https://www.finalsite.com/subprocessors>.

15. Fees and Expenses.

15.1 Fees. All fees and expenses payable by the Customer shall be payable in the amounts and on such payment dates as described in the applicable Order. The Customer may ACH or wire payments or pay via check. If the Customer elects to pay via check, the check must be drawn on a U.S. bank. Fees stated in any Order are fixed for the current Term of the Order for the scope of Services described in such Order. Thereafter, Finalsite may increase fees for any Renewal Term effective as of the commencement of such Renewal Term by providing at least thirty (30) days' advance written notice to the Customer of the increase. Any requested changes to the scope of Services requested by the Customer shall be subject to additional fees, which shall be reflected in an amendment to the existing Order or a new Order executed by the Parties. All amounts payable by the Customer under this Agreement will be paid to Finalsite without setoff or counterclaim, and without any deduction or withholding. All fees are non-refundable.

15.2 Expenses. 23. Severability.

If any term or provision of this Agreement or application of the terms of this Agreement to the Parties shall to any extent be held invalid or unenforceable by a court of competent jurisdiction, then such invalidity will not affect the remainder of this Agreement and each other term and provision shall be valid and enforceable to the fullest extent permitted by law.

24. Relationship of Parties.

The Parties are independent contractors and will have no power or authority to assume or create any obligation or responsibility on behalf of each other. This Agreement will not be construed to create or imply any partnership, agency or joint venture, association, or other form of agency relationship between the Parties. Each Party agrees to assume all responsibility and liability for any and all federal and state employers' liability, workers' compensation, social security and unemployment insurance requirements with respect to its respective personnel. 26. Force Majeure.

Either Party will be excused from delays in performing or from failing to perform its obligations under this Agreement (except for payment obligations which may be delayed but shall not be so excused) to the extent the delays or failures result from causes beyond the reasonable control of the Party. Without limiting the generality of the foregoing, such causes include acts of God, the public enemy, fires, floods, storms, earthquakes, riots, terrorism, strikes, blackouts, wars or war operations, restraints of government, including public states of emergency, utility or communications failures, denial of service, hacking and other malicious attacks and activities, software viruses, telecommunications slow-downs or failure, erroneous data transmission, and causes which could not, with reasonable diligence, be controlled or prevented by the Party. However, to be excused from delay or failure to perform, the Party must promptly provide written notice to the other Party and act diligently to remedy the cause of the delay or failure.

27. Entire Agreement.

This Agreement, including any and all Orders, SOWs, Exhibits, Schedules, Attachments and material incorporated by reference, contains the entire agreement of the Parties relating to the rights granted and obligations assumed in this Agreement. This Agreement represents the complete and final agreement of the Parties and supersedes and replaces all prior or contemporaneous oral or written agreements, understandings or commitments between the Parties, including any purchase order. For clarity, while the Customer may utilize a purchase order for its internal administrative purposes, any terms or conditions in any such purchase order shall be deemed null and void and the terms and conditions of this Agreement shall solely govern and control.

28. Indemnification.

28.1 Finalsite Indemnity. Finalsite will indemnify and defend the Customer against any third-party claim and cause of action and any resulting loss, damage or expense (including reasonable attorney's fees) awarded against the Customer to the extent caused by (i) any fraud or willful misconduct by Finalsite or its Representatives; or (ii) the infringement by the SaaS Services, as provided by Finalsite and used in accordance with the terms of this Agreement and the relevant Order, of any Intellectual Property Rights of such third party. If

any SaaS Services are held or believed to infringe any third party's Intellectual Property Rights, Finalsite may, in its sole discretion, (i) modify the relevant SaaS Services to be non-infringing, (ii) obtain for the Customer the right to continue using the relevant SaaS Services or (iii) if neither (i) nor (ii) are commercially practicable, terminate the relevant Order as to the alleged infringing SaaS Services and return to the Customer any unearned fees for use of such SaaS Services prepaid by the Customer to Finalsite.

28.2 Exclusions. The foregoing indemnity will not apply and Finalsite will not be liable for any damages assessed in any cause of action to the extent such cause of action arises or damages result from (i) the Customer's or its Authorized Users' use of the relevant SaaS Services other than as set forth in this Agreement and the relevant Order; or (ii) the combination, operation or use of the relevant SaaS Services with software, hardware, technology or other materials not approved or supplied by Finalsite, if infringement (including, without limitation, contributory infringement) would have been avoided by use of the relevant SaaS Services without such software, hardware, technology, or other materials.

28.3 Customer Indemnity. Except to the extent expressly prohibited by law with respect to immunity of government entities applicable to the Customer, the Customer shall indemnify and hold Finalsite, its licensor's and each such party's affiliates, officers, directors, employees, attorneys and agents harmless from and against any and all third party claims, costs, damages, losses, liabilities and expenses (including attorneys' fees and costs) awarded against Finalsite to the extent caused by: (i) any fraud willful misconduct of the Customer or its Representatives or Authorized Users; (ii) the infringement by the Customer Materials, and/or any Third Party Technology provided to Finalsite or input into the SaaS Services by the Customer or its Authorized Users, of the Intellectual Property Rights of a third party; and (iii) the nature, substance or content of the Customer Materials (such as a defamation claim, an invasion of privacy claim, a claim arising from lack of consent to use the Customer Materials).

28.4 Indemnity Procedure. The indemnities set forth in this Agreement are conditioned on the following: (i) the party claiming indemnification (the "Indemnatee") shall promptly notify the indemnifying party (the "Indemnitor") of any matters in respect of which it seeks to be indemnified, and shall give the Indemnitor full cooperation and opportunity to control the response thereto and the defense thereof, including without limitation any settlement thereof; (ii) the Indemnitor shall have no obligation for any claim under this

Agreement if the Indemnitee makes any admission regarding such claim involving the Indemnitor without the prior written consent of the Indemnitor, which consent shall not be unreasonably withheld; and (iii) the Indemnitee's failure to promptly give notice to the Indemnitor shall affect the Indemnitor's obligation to indemnify the Indemnitee only to the extent the Indemnitor's rights are materially prejudiced by such failure. The Indemnitee may participate, at its own expense, in such defense and in any settlement discussions directly or through counsel of its choice. Each party will take reasonable steps to mitigate any potential damages. If both the Indemnitor and Indemnitee are at fault, then the Indemnitor shall indemnify the Indemnitee only for the percentage of responsibility for the damage or injuries attributable to the Indemnitor.

28.5 Exclusive Remedy. THIS SECTION 28 STATES THE ENTIRE LIABILITY AND OBLIGATIONS OF EACH PARTY, AND THE EXCLUSIVE REMEDY OF EACH PARTY, WITH RESPECT TO CLAIMS BY ANY THIRD PARTY.

29. Conflict Resolution and Applicable Law.

This Agreement shall be governed, construed, and interpreted in accordance with the laws of the jurisdiction of the Customer's formation, excluding conflict of law principles. If any claim arising out of or relating to the Agreement, or a breach thereof, the Parties will consult with each other to reach a satisfactory solution. If they do not reach settlement within a period of thirty (30) days, then, upon notice by either party to the other, such claim will be referred to arbitration for full and final settlement by a panel of three arbitrators appointed in accordance with the Commercial Rules of Arbitration of the American Arbitration Association. The cost of the arbitration will be borne equally by the Parties.

30. Export Control.

Customer shall not export or allow the export or re-export the Services, any components thereof or any Confidential Information of Finalsite without Finalsite's express, prior, written consent and except in compliance with all export control laws and regulations of the U.S. Department of Commerce and all other U.S. agencies and authorities, and, if applicable, relevant foreign laws and regulations.

aim and does not imply or constitute any guaranty of results or outcomes or any express or implied covenant, warranty or representation; (ii) "best efforts", "commercially reasonable efforts" and "reasonable efforts" mean acting with diligence and good faith in the performance of the applicable obligation; and (iii) "immediately" means promptly and without undue delay.

SERVICES RIDER – MASS NOTIFICATION SERVICES

The following additional terms and conditions shall apply to any Order in which the Customer purchases access to mass notification Services described in any Order, which may include cell phone calls, SMS text messages, email messages and other notification services (collectively, "Mass Notification Services") and such terms and conditions are incorporated by reference and made a part of the Master Terms.

1. Definitions. For purposes of this Agreement, an "Emergency Purpose", shall have the meaning set forth in the Telephone Consumer Protection Act, 47 U.S.C. § 227, namely, calls made necessary in any situation affecting the health and safety of consumers. "First Responder Incidents" means an occurrence, situation or natural phenomenon which may be immediately threatening to life, health, property or the environment or has a high probability of escalating to cause immediate danger to life, health, property or environment. An "Emergency Message" is a Message sent to all recipients for Emergency Purposes. An "Outreach Message" is a Message sent to one or more recipients for general outreach and informational purposes that is not an Emergency Message. "Student" means the number of full-time students enrolled at Customer's institution.

2. Customer Acknowledgement and Obligations.

a. Customer acknowledges that Customer may use the Mass Notification Services for Emergency Purposes and to send Emergency Messages and Outreach messages. However, the Parties expressly acknowledge and agree that Mass Notification Services are not designed for responding to First Responder Incidents (including notifying 911, fire, police, ambulance, and/or emergency medical personnel).

b. Customer represents and warrants that: (i) it will comply with all applicable laws and contracts in connection with use of contact data for all message recipients ("Contact Data") and the Mass Notification Services, and with respect to the content and transmission of calls, texts, email messages and other messages and notifications (collectively, "Messages") sent using the Mass Notification Services, including, without limitation, all federal and state telemarketing or telephone consumer protection-related laws, rules and regulations, the Telephone Consumer Protection Act (47 U.S.C. § 227) the FCC's implementing

regulations (47 C.F.R. § 64.1200) (such laws, rules and regulations, as amended from time-to-time, collectively, the "Telemarketing Laws"), and where applicable, the legislation commonly referred to as Canada's Anti-Spam Legislation (S.C. 2010, c. 23) ("CASL"); (ii) as to each recipient to be contacted by Finalsite on Customer's behalf, Customer has obtained consents that may be required by the Telemarketing Laws, CASL and Customer's applicable privacy policies; (iii) Customer will retain documentary proof of such consents for at least five (5) years from the date the recipient's contact information is provided by Customer to Finalsite; (iv) Customer will suppress and will not provide to Finalsite any contact information for any recipient who has registered their telephone number on the national Do-Not-Call Registry, the transferred cell phone number registry, or any similar state or other registries and who has not provided consent to contact or has otherwise indicated that he or she does not wish to be contacted; (v) Customer will have in place reasonable safety and emergency response policies and procedures to respond to First Responder Incidents which do not utilize the Mass Notification Services; (vi) Customer will not take actions that will subject Finalsite to any liability under applicable law due to the import of Contact Data; (vii) Customer will provide a reasonable means for message recipients to rescind consent to receive Messages and will not send Messages to message recipients who have opted out of receiving Messages; and (viii) where Customer is providing a recipient and/or Student count or other data for the purposes of Finalsite's Service pricing quotations, such information shall be true and correct. Customer will designate qualified personnel to act as liaisons between Customer and Finalsite with respect to technical, administrative and content matters, and providing accurate and current contact information. Finalsite shall have the right to require Customer to provide a legal compliance plan in connection with Customer's use of Finalsite's Mass Notification Services and may audit Customer's compliance with such plan as well as compliance with the terms of this Product Rider. Failure to comply with

any provision of this Section 2 is a material breach of the Agreement. Except to the extent prohibited by applicable law, including laws providing for the sovereign immunity of government entities, Customer agrees to indemnify, defend and hold Finalsite harmless from and against all third party claims, lawsuits, proceedings, causes of action, and resulting damages, liabilities, losses, judgments, fines, penalties, costs, and expenses (including reasonable attorneys' fees) relating to or arising out of Customer's breach of the foregoing representations, warranties and obligations, or in connection with any claim or action from a third party that arises from the sending (or inability to send or receive), content, or effects of any Messages Customer distributes using, or Customer's failure to use, the Mass Notification Service. In connection with such indemnity and defense obligations related to a third-party claim, lawsuit or proceeding: (i) Finalsite may, in addition to the defense provided by Customer and the counsel of its choosing, participate in such defense through counsel of its own choosing, which participation shall be at its sole expense, and (ii) Customer shall not settle or permit the settlement of any such third-party claim, lawsuit, or proceeding without Finalsite's prior written consent, which consent shall not be unreasonably withheld. This Section shall survive any termination of this Agreement for any reason.

3. Political Activities. The Mass Notification Services shall not be used for political activities.

4. Usage Rating. The Mass Notification Services are subject to usage rating as determined by Finalsite and set forth in the relevant Statement of Work or Order, which may result in additional charges applied throughout the Term based on the level of Mass Notification Services utilized by Customer.

5. Remedies and Disclaimers. In the event of any failure of the Mass Notification Services to

comply with the Agreement, Customer's sole and exclusive remedy shall be to terminate the Mass Notification Services. Customer agrees that the Mass Notification Services are not intended, nor designed, for use in high-risk activities or First Responder Incidents, or in any situation where failure of the Mass Notification Services could lead to death, personal injury, or damage to property, or where other damages could result if an error or outage occurred. The Parties further acknowledge and agree that, NOTWITHSTANDING ANY PROVISION TO THE CONTRARY IN THIS AGREEMENT, TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, FINALSITE SHALL NOT BE LIABLE FOR ANY DEATH, PERSONAL INJURY, OR DAMAGES ARISING OUT OF OR RELATED TO USE OF THE MASS NOTIFICATION SERVICES. Customer agrees that its primary recourse in the event of any actual or potential First Responder Incident should be to contact 911 or a first responder and that the Mass Notification Services are not intended to replace 911 or any other services designed to respond to First Responder Incidents.

6. Carrier Restrictions. The Mass Notification Services are subject to restrictions placed on Finalsite by mobile and wireless carriers and network operators (collectively, "Carriers"). For example, Carriers may place limits on the number of characters that may be included in a Message and may change Message delivery options, including certain types of codes used to send SMS text messages. Carrier restrictions are not within the control of Finalsite and are subject to change without notice. When a Carrier places new or modified restrictions on Finalsite, certain features and functions of the Mass Notification Services may change as a result without notice to you. Customer acknowledges and agrees that Finalsite will not be responsible or liable for any change in Mass Notification Services that arise from or in connection with Carrier restrictions.

1.0 Background and Overview

1.1 Overview

The Ed Tech JPA, a California Joint Powers Authority (Ed Tech JPA), invites qualified, experienced vendors (Vendors) to submit responsive proposals (Responses, Proposals, or Proposal Forms) in compliance with the specifications contained in this Request for Proposals (RFP). This RFP is for web design and hosting services, although ancillary services, such as learning management services and notification/communication systems may be included in the provision of these items. Installation services may be requested via this RFP. Selection for award(s), if any, will go to the Vendor(s) who submit Responses that Ed Tech JPA determines to be most advantageous to Ed Tech JPA and the entities it represents. **Products offered by the Vendor(s) selected for the award of a Master Agreement will be available for purchase by all California public agencies.**

This Web Design and Hosting RFP was drafted to reflect the diverse needs of Ed Tech JPA's broad membership. Some Ed Tech JPA members may leverage this RFP only to support a public facing website. Others may be seeking a full communications platform including public agency/school websites, intranet, learning management system and notification system platform. JPA members have different preferences as to the level of standardization and the amount of customizability they would like in their web site tool. The Ed Tech JPA aims to award to multiple, qualified vendors reflecting these different needs of our members. The Functionality and Usability Requirements and Pricing Form included in the Response template for this RFP are designed to allow Vendors the flexibility to provide differentiated website offerings, including standard software and services, add-on modules and/or custom development where appropriate.

In addition to reviewing proposals for Ed Tech JPA, the initiating agencies, Irvine Unified School District and Fullerton School District, have immediate needs for the product. The initiating districts will review proposals to determine a Vendor best suited to provide the product for its own needs and anticipates entering into a Purchase Agreement for the product following execution of the Master Agreement awarded pursuant to this RFP.

1.2 Joint Powers Authorities

Pursuant to the California Joint Exercise of Powers Act, a JPA may be created in California when two or more local government entities enter into an agreement to exercise jointly any power common to the contracting parties. JPAs are frequently used to aggregate expertise and purchasing power for procurement, as in the case of insurance or utilities services. JPAs can be given any of the powers inherent in the participating members, as specified in a joint powers agreement.

1.3 Ed Tech JPA

Ed Tech JPA is a JPA duly formed and existing under the California Joint Exercise of Powers Act. Ed Tech JPA was formed to aggregate purchasing power and expertise for public agency members across the state of California. This RFP is issued on behalf of Ed Tech JPA's membership. A list of current Ed Tech JPA members is available on the JPA's website: <https://edtechjpa.iusd.org/about/our-ed-tech-jpa-members> .

1.4 Requested Services

This solicitation is intended to provide a mechanism for Ed Tech JPA members to procure new or upgraded web design and hosting and ancillary services. Ed Tech JPA members seek state-of-the-art web design and hosting and ancillary services (hereinafter referred to as "Product" or "Solution") to meet the needs of varied facilities and programs, in a variety of environments. Ed Tech JPA is soliciting qualified service vendors, (hereinafter referred to as "Vendor", "Contractor" or "Provider") for a variety of solutions to meet its membership needs. Vendor shall submit a proposal for the purchase, implementation and ongoing services for web design and hosting and ancillary services.

1.5 Eligible Entities and Participants

The pricing, terms, and conditions of any award pursuant to this RFP will be made available to current Ed Tech JPA members and to other "Eligible Entities" who elect to join the Ed Tech JPA. For purposes of this RFP, Eligible Entities are: (a) all California public school districts, county offices of education, and community college districts, and (b) any other public agency in the United States whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase goods or services through a procurement vehicle such as Ed Tech JPA.

For purposes of this RFP, a "Participant" or "Participating Associate Member" is an Eligible Entity who chooses to purchase items through this RFP. Eligible Entities must first become Associate Members of the JPA by entering into an Associate Member Agreement, and thereafter may elect to become Participants of a Master Agreement by entering into a Purchase Agreement with a vendor. Founding Members of Ed Tech JPA may be a Participant without entering into an Associate Member Agreement.

Notwithstanding the purchase anticipated by the initiating districts stated above, an award issued pursuant to this RFP does not represent an obligation by Ed Tech JPA, or by any Eligible Entity, to purchase items. Although a Master Agreement awarded under this RFP does not guarantee a particular level of sales as a result of that Master Agreement, Ed Tech JPA's mission to meet the procurement needs of our program participants indicates that a Vendor who is committed to this program will achieve success in its sales efforts.

1.6 Master Agreement

Pursuant to Public Contracts Code 20118.2 and Government Code 6500 and 6502, Ed Tech JPA (on behalf of membership) is issuing this RFP for the Product. Ed Tech JPA will evaluate proposals and all vendors that meet minimum criteria/score will enter into a Master Agreement with Ed Tech JPA, setting forth the general terms for purchase of the Product. A sample Master Agreement is attached in Appendix A.

After a Master Agreement has been established, the Vendor's proposed product and services will be listed on the Ed Tech JPA website. Ed Tech JPA will also include procurement instructions and contract documentation for Founding Members and Associate Members on its website. Details of the procurement process and administrative fee payment will be reviewed with Vendor finalists upon award. All participating Vendors must comply with Ed Tech JPA's order fulfillment process to insure compatibility with all legal and regulatory requirements, Ed Tech JPA member needs, and Vendor's practices.

Each Participating Associate Member is responsible for (a) completing their own due diligence regarding the suitability of Vendor, including using price as a significant factor, (b) prior to executing a Purchase Agreement, Associate Members/Founding Members will work with Vendor to establish an Implementation Plan with the Participating Associate Member, as further described in Section 2.2.

Prior to executing a Purchase Agreement with a Participating Associate Member, Vendor will establish an implementation timeline and implementation plan specific to the Participating Associate Member's needs, as further described in Section 2. An Associate Member/Founding Member is not bound to a purchase until it has obtained approval from its Board and executed a Purchase Agreement with the Vendor for the product.

Vendors must report to Ed Tech JPA any sales of products included in the Master Agreement to Associate Member Agencies, regardless of whether those agencies used the Ed Tech JPA Master Agreement, excluding renewals of pre-existing contracts. Reports must be submitted for the Quarters and within the timeline outlined in section 1.14 of this RFP and in section 15.B. of the sample Master Agreement attached hereto as Appendix A. Vendors must remit a copy of all Purchase Agreements, including renewals and amendments, to Ed Tech JPA within 30 days of request by Ed Tech JPA. Vendors participating in this RFP agree to a standing audit by the Ed Tech JPA for all products included in the Master Agreement.

1.7 Period of Performance

The term of the Master Agreement resulting from this RFP shall be three (3) years. The Master Agreement may be extended for up to two additional one (1) year terms beyond the original term, for a total of up to five (5) years. Purchase Agreements entered into by Participating Associate Members and Vendor shall be subject to a maximum contract length of 5 years, or may be shorter, as the parties elect.

The parties understand that Participants ordering Products pursuant to the Master Agreement may extend for multiple years after the Term of the Master Agreement. The expiration or termination of the Master Agreement shall not affect Vendor's obligation to deliver Products ordered by Participants before the expiration of the Master Agreement.

1.8 Reservation of Rights

Ed Tech JPA reserves the right to award all, none, or select portions of this RFP to one or multiple vendors. Ed Tech JPA reserves the right to negotiate terms and conditions of the RFP as necessary, to reject any or all proposals, to increase quantities, and to waive any irregularities or informalities in the RFP or in this process.

Ed Tech JPA reserves the right to modify the RFP documents, or any portion thereof, by the issuance of written addenda posted on the Ed Tech JPA website. In the event Ed Tech JPA shall modify any portion of the RFP documents pursuant to the foregoing, the proposal submitted by any Vendor shall be deemed to include any and all modifications reflected in any addenda issued.

Ed Tech JPA reserves the right to conduct a background inquiry of the selected Vendor(s) which may include collection of contractual and business associations and practices, employment histories and reputation in the business community. By submitting a proposal, Vendor consents to such an inquiry and agrees to make available such books and records deemed necessary to conduct the inquiry.

Ed Tech JPA reserves the right to award multiple Master Agreements for each classification of products listed in this RFP as deemed to be in the best interest of Ed Tech JPA and its Associate Members and Founding Members and has determined that awards to more than one supplier for comparable goods and services at various prices may best meet the needs of Participants.

Ed Tech JPA shall have the right to negotiate any and all of the final terms and conditions of any Master Agreement with Vendor and nothing in this RFP or any Response shall be deemed or construed as a limitation of such rights.

This RFP is solely a solicitation for Proposals. Neither this RFP, nor any response to this RFP shall be deemed or construed to: (i) create any contractual relationship between Ed Tech JPA and any Vendor; (ii) create any obligation for Ed Tech JPA or its Members to enter into a contract with any firm or other party; or (iii) serve as the basis for a claim for reimbursement for costs associated with submittal of any Proposal.

PROVISIONS REQUIRED BY LAW: VENDOR acknowledges that it has conducted and performed the required research to become aware and knowledgeable of all federal, state and

local laws/statutes that are referenced herein, may pertain to and/or govern the procurement activities and transactions covered by this RFP. These provisions of law and any clause required by law that is associated with and relates to this RFP and any resulting contract will be read and enforced as though it were included herein.

1.9 Data Privacy Compliance

Vendors' products and services must be fully compliant with all applicable requirements including all state and federal laws. Vendors will be required to execute the most recent version of the Standard Student Data Privacy Agreement CA-NDPA (CA-NDPA). A copy of the CA-NDPA is attached hereto in Appendix E.

1.10 Indemnification

Vendor will indemnify, defend and hold harmless Ed Tech JPA, its agents, employees and assigns, including independent contractors, and any Participant contracting with Vendor (Indemnified Parties) from any and all claims, demands, suits, proceedings, loss, cost and damages of every kind and description, including any attorney's fees and/or litigation expenses, which might be brought or made against or incurred by Indemnified Parties on account of loss or damage to any property or for injuries to or death of any person, caused by, arising out of, or contributed to, in whole or in part, by reasons of any act, omission, professional error, fault, mistake, or negligence of Vendor, its employees, agents, representatives, or subcontractors, their employees, agents, or representatives in connection with or incident to this RFP, or arising out of worker's compensation claims, unemployment compensation claims, or unemployment disability compensation claims of employees of the Vendor, and/or its subcontractors or claims under similar such laws or obligations. Vendor's obligation under this section will not extend to any liability caused by the sole negligence of Indemnified Parties.

1.11 Special Note on Vendor Pricing

Pricing proposed on a sliding scale, "menu" format, or varying by tiers is highly recommended and encouraged to provide Participants with purchasing options.

1.12 Ed Tech JPA Administrative Fee

Vendor agrees to pay Ed Tech JPA an administrative fee (the "Administrative Fee") calculated as four percent (4%) of the gross invoiced amount of any Purchase Agreement with Vendor based on an award under the RFP, including any Additional Services, or agreement extensions or renewals. Vendors whose gross sales exceed two million dollars (\$2,000,000.00) each fiscal year may receive a discount and pay Administrative Fees as follows:

Sales Amount*	Administrative Fee**
\$2,000,000.00 - \$3,999,999.99	3.5%
\$4,000,000.00 and above	3%

*The fiscal year term is July 1 - June 30.

**Sales are the annual gross amount invoiced of any Participant Agreement with VENDOR based on an award under the RFP, including any Additional Services, or agreement extensions or renewals.

***Any discounted Administrative Fee shall be applied to Sales in the quarter after the minimum threshold has been met. Discounted Administrative Fees shall revert to four percent (4%) after the minimum threshold is no longer met.

Computations of the Administrative Fee shall exclude state, local, or federal taxes levied on invoiced amounts. The Administrative Fee must be included when determining the pricing offered. The Administrative Fee is not negotiable and shall not be added as a separate line item on invoices. The Administrative Fee is not refundable to Participants or Vendors under any circumstances. In the event Ed Tech JPA's operating costs increase, the Administrative Fee is subject to increase to offset such increased costs. Vendor will be permitted to adjust Product pricing in direct proportion to such increase, as further explained in the Master Agreement. Vendors are not responsible for paying an Administrative Fee for purchases made by existing customers that do not use the Ed Tech JPA contract in any manner and whose contracts do not rely on any competitive procurement performed by Ed Tech JPA.

1.13 Minimum Price Guarantee

To prevent underpricing and protect seller Margin, Vendor's pricing shall be subject to a Minimum Price Guarantee (MPG), whereby, Vendor shall agree not to sell directly, or through a reseller, the Product(s) subject to the Master Agreement at a price lower than the price offered pursuant to the RFP and the Master Agreement to Ed Tech JPA's Eligible Entities (regardless of whether the Eligible Entity is an Associate Member of the Ed Tech JPA). Eligible Entities include all California public school districts, county offices of education, and community college districts, and any other public agency in California whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase goods or services through a procurement vehicle such as Ed Tech JPA..

During the period of delivery under a contract resulting from this RFP, if the price of an item decreases, Ed Tech JPA Participating Associate Members shall receive a corresponding decrease in prices on the balance of the deliveries for as long as the lower prices are in effect. Vendor agrees to amend the Master Agreement to reflect the decreased pricing. At no time shall the prices charged to Ed Tech JPA Participating Associate Members exceed the prices under which the RFP was awarded. Ed Tech JPA Participating Associate Members shall be given the benefit of any lower prices which may, for comparable quality and delivery, be given by the Vendor to any other school district or any other state, county, municipal or local government agency in a California County for the product(s) listed in the RFP.

1.14 Usage Reporting Requirement

Upon contract award pursuant to this RFP, all Vendors will be required to provide quarterly usage reports to Ed Tech JPA or designee. The initiation and submission of the quarterly reports are the responsibility of the Vendor. Ed Tech JPA is not required to provide prompting or notification. Vendor is responsible to collect and report all sales data including resellers and partners sales associated with the Master Agreement. Quarterly reports must coincide with the quarters in the fiscal year as outlined below:

Reporting Period	Due Date
January 1 - March 31	April 30
April 1 - June 30	July 31
July 1 - September 30	October 31
October 1 - December 31	January 31

Vendors must identify the person responsible for providing the mandatory usage reports. This contact information must be kept current during the Master Agreement period. Ed Tech JPA must be notified if the contact information changes.

The purpose of the Master Agreement usage-reporting requirement is to aid in Master Agreement management. The specific report content, scope, and formal requirements will be provided to the awarded Vendors during Master Agreement execution. Failure to comply with this requirement may result in Master Agreement cancellation.

To enable the Participating Associate Member to make a timely determination as to suitability, within fourteen (14) days of Participating Associate Member's contact with Vendor, the selected Vendor shall provide the Participating Associate Member with a project plan that details the proposed implementation approach and timeline for the product ("Implementation Plan"). The Implementation Plan shall, at a minimum, include infrastructure and data integration, testing, content creation, training and post-implementation support and project evaluation.

Ed Tech JPA may make awards to multiple vendors. All proposals received in response to this RFP will receive a fair and impartial evaluation by the Ed Tech JPA. In conducting this evaluation, Ed Tech JPA and Associate Members may obtain and use information, in addition to that contained in the proposals, from any source desired. Customers on each Vendor's reference list may be contacted, as may other customers selected by the Ed Tech JPA and listed by Vendor as a reference.

Ed Tech JPA shall make its evaluation in its sole discretion and its decision to award a Master Agreement(s) shall be final. Thereafter, Founding Members and Associate Members electing to purchase pursuant to an awarded Master Agreement shall use their discretion in evaluating and selecting a product. The Public Contracts Code section 20118.2 shall guide both the Ed Tech JPA's evaluation of proposals and Master Agreement negotiations, as well as Eligible Entities' selection of vendor, and Purchase Agreement negotiations associated with this Request for Proposals.

Awards shall be made contingent upon successful contract negotiations as determined by Ed Tech JPA's sole discretion. Even after award Ed Tech JPA may or may not proceed in establishing contracts. Execution of contracts is solely at the discretion of Ed Tech JPA. In the event that Ed Tech JPA elects not to establish a contract with a previously awarded vendor Ed Tech JPA's governing board shall vote to revoke the award and the vendor shall be notified.

Qualifying Vendors will be evaluated on their complete proposal, based on the following considerations:

ED TECH JPA MASTER AGREEMENT: [Product/RFP]

This Master Agreement ("MA"), is made as of **DATE** ("Effective Date"), by and between the Education Technology Joint Powers Authority ("ED TECH JPA") and **[INSERT]** ("VENDOR").

BACKGROUND

A. Education Technology JPA is a Joint Powers Authority formed by California public school districts, county offices of education, and community college districts pursuant to California Government Code Sections 6500-6536. ED TECH JPA aggregates purchasing power and expertise for its Associate Members across California.

B. ED TECH JPA establishes its contracts for products and services through the following process:

1. On **[DATE]**, ED TECH JPA issued a Request for Proposal for **[PRODUCT]** (the "RFP") on behalf of ED TECH JPA members. ED TECH JPA invited qualified vendors to submit pricing products and services in response to the RFP.
2. ED TECH JPA published the RFP on its Website and in a local periodical:
3. ED TECH JPA received one or more responses to the RFP. ED TECH JPA evaluated all responses which complied with the terms of the RFP, using the following criteria: Functionality and Usability, Vendor Support and Ability to Perform, Price, and Technology Requirements.
4. ED TECH JPA selected VENDOR for an award under the RFP for **specified products and services** (the "Products"). The parties are entering this Master Agreement ("MA") to evidence the terms and conditions of that award.

AGREEMENT

Now, therefore, for good and valuable consideration, the parties agree as follows.

1. GRANT AND ACCEPTANCE OF AWARD

ED TECH JPA awards this MA to VENDOR under the RFP with respect to the products or services ("Products") at the prices listed in Exhibit A. VENDOR accepts the award and confirms VENDOR's acceptance of all terms and conditions of the RFP, which are incorporated herein by this reference. This MA includes the services and pricing offered in VENDOR's RFP response, as identified in Appendix C, Pricing Form. Prices will remain valid for all Participating Associate Members of ED TECH JPA through the expiration of the MA.

2. TERM

The term of this MA (the "Term") shall commence on the Effective Date and shall expire after a period of **three (3)** years. The MA may be extended for up to two additional one (1) year terms beyond the original term, for a total of up to five (5) years. The parties understand that Participants may order Products under this MA to be delivered after the Term of this MA; in

some cases, Products may be delivered over multiple years after the Term. The expiration or termination of this MA shall not affect VENDOR's obligation to deliver Products as ordered by Participants during the Term.

3. PARTICIPANTS

The pricing, terms, and conditions of this MA will be made available to ED TECH JPA Founding Members, Associate Members and to other "Eligible Entities" who elect to become Associate Members of the ED TECH JPA. Eligible Entities are all California public school districts, county offices of education, and community college districts, and any other public agency in the United States whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase Products through a procurement vehicle such as ED TECH JPA. A "Participant" or "Participating Associate Member" is an Eligible Entity who chooses to purchase items through this MA, including Associate Members and Founding Members.

VENDOR acknowledges that each Participant is responsible for (a) completing their own due diligence regarding the suitability of VENDOR and Products for Participant's needs, (b) entering into one or more Purchase Agreements with VENDOR to document the quantities, total costs, and delivery terms for Products, (c) and coordinating implementation of Products with VENDOR. VENDOR is not under any contractual obligation to provide Products to Participants until such time as both a MA and a Purchase Agreement have been fully executed. The RFP was conducted for the limited purposes specified in the RFP. ED TECH JPA does not provide assurance or warranty to VENDOR with respect to other issues, including Participant's payments to VENDOR. ED TECH JPA will not assist in implementation or represent VENDOR in the resolution of disputes with Participants.

4. PURCHASE AGREEMENTS

Participating Associate Members may browse products in the JPA website. Prior to executing the Purchase Agreement ("PA"), Associate Members will work with a VENDOR representative to determine the VENDOR implementation timeline and implementation plan ("Implementation Plan") as further described in Section 2.2 of the RFP. To confirm Participant's request to buy Products using the RFP, Participant and VENDOR must complete and execute a Purchase Agreement ("PA") for the specific Products and provide that PA to ED TECH JPA. The PA is included herein in this Appendix A for reference.

The PA will contain a general description of the Products ordered, contact information for VENDOR and Participant related to purchase and sale of the Products, and an acknowledgement that the purchase is subject to the terms of the RFP and this MA. Participant and VENDOR may agree on contingencies, such as timing contingencies, applicable to delivery of Products.

A completed PA must be presented to ED TECH JPA no later than sixty (60) days after Participant and VENDOR reach agreement on the Implementation Plan. ED TECH JPA will

accept timely submitted and properly completed PAs, and thereafter, VENDOR will work directly with a Participating Associate Member to fulfil the order according to the parties' agreed-upon Implementation Plan. ED TECH JPA is not responsible to verify payment to vendor.

5. PROGRAM PROMOTION

It is in the interest of both parties that VENDOR will promote and support ED TECH JPA Master Agreements using methods that best suit the VENDOR's business model, organization, and market approach. ED TECH JPA specifically desires VENDOR to generate interest in the MA, and direct its existing clients who are Eligible Entities to use its MA as VENDOR's preferred form of contracting with Eligible Entities.

VENDOR may be asked to participate with ED TECH JPA staff in related trade shows, conferences, and online presentation to promote the MA. ED TECH JPA will promote MAs through the creation of marketing materials, as well as active outreach to its constituents.

ED TECH JPA expects VENDOR's field and internal sales forces will be trained and engaged in use of the MA for the duration of the contract term. VENDOR agrees that all sales will be accurately and timely reported to ED TECH JPA. VENDOR shall provide a single point of contact with the authority and responsibility for the overall success of promotion of the MA.

6. INVOICING FOR SERVICES

ED TECH JPA does not guarantee timely payment. The Purchase Agreement is between VENDOR and Participant.

VENDOR may add or delete equipment introduced or removed from the market by the manufacturer under the following conditions:

- A) Deleted Equipment has been discontinued and is no longer available from the manufacturer;
- B) Added Products are either a direct replacement for original products listed in the RFP, VENDOR's Proposal, the Master Agreement and/or any Purchase Agreements, or Added Products are enriched capabilities, new modules, technology advancements, and/or service categories within the Education Intelligence and Analytics solution that VENDOR did not have at the time the RFP Proposal was submitted. ;
- C) VENDOR has obtained prior written Board approval from Ed Tech JPA;
- D) VENDOR receives an executed Amendment to the Master Agreement;

- E) VENDOR has obtained prior written Board approval from Participating Associate Members; and

During the period of delivery under a contract resulting from this RFP, if the price of an item decreases, Ed Tech JPA Participating Associate Members shall receive a corresponding decrease in prices on the balance of the deliveries for as long as the lower prices are in effect. Vendor agrees to amend the Master Agreement to reflect the decreased pricing. At no time shall the prices charged to Ed Tech JPA Participating Associate Members exceed the prices under which the RFP was awarded. Ed Tech JPA Participating Associate Members shall be given the benefit of any lower prices which may, for comparable quality and delivery, be given by the Vendor to any other school district or any other state, county, municipal or local government agency in a California County for the product(s) listed in the RFP.

9. EXPENSES.

ED TECH JPA shall not be liable to VENDOR for any costs or expenses paid or incurred by VENDOR in providing Products and Services for ED TECH JPA or Associate Members.

VENDOR agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to VENDOR, VENDOR's business, the Products, equipment and personnel engaged in Products covered by this MA or accruing out of the performance of such Products. If VENDOR performs any work knowing it to be contrary to such laws, ordinances, rules and regulations, VENDOR shall bear all costs.

11. DATA PRIVACY

VENDOR agrees that all products and services are fully compliant with all applicable requirements including all state and federal laws. VENDOR has executed the Standard Student Data Privacy Agreement CA-NDPA (CA-NDPA), attached to the RFP as Appendix E.

12. PERMITS/LICENSES

VENDOR and all VENDOR's employees or agents shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of Products pursuant to this MA.

13. INSURANCE

VENDOR shall insure VENDOR's activities in connection with the Products under this MA and agrees to carry insurance as specified in the RFP to ensure VENDOR's ability to adhere to the indemnification requirements under this MA.

14. TRANSACTION REPORTING

VENDOR will comply with all reasonable requests by ED TECH JPA for information regarding VENDOR's transactions with Participants, including transmittal of transaction data in electronic format. VENDOR will report to ED TECH JPA all Services ordered by Participants, in reasonable detail, not later than the reporting period outlined in section 15.B. of this MA. VENDOR acknowledges that ED TECH JPA will track the use of this MA through databases managed by ED TECH JPA.

For purchases made with federal funds, a different fee structure may apply. Computations of the Administrative Fee shall exclude state, local, or federal taxes levied on invoiced amounts. Unless otherwise stated herein, the Administrative Fee is not refundable to Participants or Vendors under any circumstances. In the event ED TECH JPA's operating costs increase, the Administrative Fee is subject to an increase to offset such increased costs. Any increase shall be authorized by Ed Tech JPA's Board of Directors ("Board") and shall take effect on the day approved by the Board. Any increase shall be communicated to Vendors with no less than thirty (30) days notice from ED TECH JPA, and VENDOR shall be permitted to amend this MA to increase pricing in the attached Exhibit A in direct proportion to the adjusted Administrative Fee. Such amendment shall take immediate effect and apply to all Purchase Agreements executed after the execution date of the Amendment.

The right to interest on late

BACKGROUND

A. Education Technology JPA ("ED TECH JPA") is a Joint Powers Authority formed by California public school districts, county offices of education, and community college districts pursuant to California Government Code Sections 6500-6536. ED TECH JPA aggregates purchasing power and expertise for its Associate Members across California.

B. ED TECH JPA establishes its contracts for products and services through the following process:

1. On **[DATE]**, ED TECH JPA issued a Request for Proposal for **[PRODUCT]** (the "RFP") on behalf of ED TECH JPA members. ED TECH JPA invited qualified vendors to submit pricing products and services in response to the RFP.
2. ED TECH JPA published the RFP on its Website and in a local periodical.
3. ED TECH JPA received one or more responses to the RFP. ED TECH JPA evaluated all responses which complied with the terms of the RFP, using the following criteria: Functionality and Usability, Vendor Support and Ability to Perform, Price, and Technology Requirements.
4. ED TECH JPA selected VENDOR for an award under the RFP for **specified products and services** (the "Products") and thereafter entered into a Master Agreement (MA) to establish the terms by which Associate Members of the Ed Tech JPA may purchase products from Vendor.

C. A California public entity using the Ed Tech JPA RFP to buy Products is a "Participant" or "Participating Associate Member".

D. PARTICIPANT has completed its own due diligence regarding the suitability of VENDOR and Products for Participant's needs.

E. The parties are entering this PA to establish the terms and conditions of the purchase by Associate Member pursuant to that Master Agreement.

AGREEMENT

Now, therefore, for good and valuable consideration, the parties agree as follows.

1. PARTICIPATION IN MASTER AGREEMENT

This PA is subject to the terms of the RFP and the corresponding MA between ED TECH JPA and VENDOR, which are incorporated herein by this reference. VENDOR and PARTICIPANT agree (a) to the terms and conditions of the RFP and the MA covering the requested Products, (b) any additions or deletions to Products listed on this PA shall be promptly executed through an amendment to this PA, signed by VENDOR and PARTICIPANT.

VENDOR agrees as follows:

Vendor acknowledges that each PARTICIPANT is responsible for (a) completing their own due diligence regarding the suitability of VENDOR, (b) prior to executing a Purchase Agreement, Associate Members will work with a VENDOR representative to establish an Implementation Plan with the Participating Associate Member, as further described in Section 2.3 of the RFP, and (c) an Associate Member is not bound to a purchase until it has obtained approval from its Board and executed this Purchase Agreement with the VENDOR for the product. VENDOR further acknowledges and agrees (c) by entering into one or more Purchase Agreements with PARTICIPANT, VENDOR is has agreed to the delivery terms for Products as established in the Implementation Plan and VENDOR will faithfully carry out timely implementation of the Products with PARTICIPANT. Order details, including an Additional Services, and the parties' Implementation Plan are attached hereto as Exhibit A.

PARTICIPANT agrees as follows:

PARTICIPANT acknowledges and agrees that (a) it has performed its own due diligence in selecting the VENDOR's Product and its suitability to Participant's needs, including using price as a significant factor, (b) VENDOR has provided a suitable Implementation Plan to Participant outlining all necessary dates and Participant needs, and (c) it will pay the costs as quoted by VENDOR in the RFP and the MA.

2. COMPLIANCE WITH APPLICABLE LAW

VENDOR agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to VENDOR, VENDOR's business, the Products, equipment and personnel engaged in Products covered by this PA or accruing out of the performance of such Products. If VENDOR performs any work knowing it to be contrary to such laws, ordinances, rules and regulations, VENDOR shall bear all costs.

3. DATA PRIVACY

VENDOR agrees that all products and services are fully compliant with all applicable requirements including all state and federal laws. VENDOR has executed the Standard Student Data Privacy Agreement CA-NDPA (CA-NDPA), attached to the RFP as Appendix E.

(c) **DISCLAIMER OF LIABILITY.** ED TECH JPA does not provide assurance or warranty to VENDOR or PARTICIPANT with respect to issues arising under this PA, including Participant's

payments to VENDOR. ED TECH JPA will not represent VENDOR or PARTICIPANT in the resolution of disputes arising under this PA.

10. ATTORNEYS' FEES

If any action at law or in equity is brought to enforce or interpret the provisions of this PA, the prevailing party shall be entitled to reasonable attorneys' fees in addition to any other relief to which the party may be entitled.

11. SEVERABILITY

In the event that any provision of this PA is held invalid or unenforceable by a court of competent jurisdiction, no other provision of this PA will be affected by such holding, and all of the remaining provisions of this PA will continue in full force and effect.

12. ASSIGNMENT

Neither party may assign its rights and obligations hereunder, either in whole or in part, whether by operation of law or otherwise, without the prior written consent of the other party. Notwithstanding the foregoing, either party may assign this Agreement in its entirety (including all Orders Forms and SOWs), without consent of the other party, to its Affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets not involving a direct competitor of the other party. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the parties, their respective successors and permitted assigns. An "Affiliate" for purposes of this Section 12 shall mean any entity which directly controls, is under common control with, or is directly or indirectly controlled by the party seeking to assign its rights and obligations hereunder.

In the event that VENDOR defaults in its obligations under this PA, and if such default is not cured within 30 days after notice of the default from ED TECH JPA to VENDOR, then ED TECH JPA may pursue any available remedies against VENDOR, including but not limited to termination of this PA.

14. GOVERNING LAW AND VENUE

THIS PA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. EACH PARTY CONSENTS AND SUBMITS TO THE SOLE AND EXCLUSIVE JURISDICTION TO THE STATE AND FEDERAL COURTS IN THE COUNTY WHERE PARTICIPANT IS LOCATED FOR ANY DISPUTE ARISING OUT OF OR RELATING TO THIS PA OR THE TRANSACTIONS CONTEMPLATED HEREBY.

PROVISIONS REQUIRED BY LAW: VENDOR acknowledges that it has conducted and performed the required research to become aware and knowledgeable of all federal, state and local laws/statutes that are referenced herein, may pertain to and/or govern the procurement

activities and transactions covered by this PA. These provisions of law and any clause required by law that is associated with this transaction will be read and enforced as though it were included herein.

18. TERM & TERMINATION

The term of this PA (the "Term") shall commence on the Effective Date and shall expire after a period of **number (#)** years. The parties understand that PARTICIPANTS ordering Products pursuant to the Master Agreement may extend for multiple years after the Term of the Master Agreement. The expiration or termination of the Master Agreement shall not affect VENDOR's obligation to deliver Products as ordered by PARTICIPANTS pursuant to this PA.

TERMINATION OF CONTRACT

Without limiting any rights or remedies which PARTICIPANT may have in the event of any default by VENDOR, PARTICIPANT shall have the right, upon fifteen (15) days' prior written notice to VENDOR, to terminate this PA at any time and without cause prior to complete delivery. Such termination shall be without any obligation or liability to VENDOR other than payment of charges for the value of work performed, and for necessary expenditures which can be established by VENDOR as having been reasonably incurred prior to the time that notice of termination is given. In no event shall the termination charges exceed the purchase price of the equipment/services. In the event of any termination, PARTICIPANT shall be entitled to all materials, work in process, and completed work included as value of work performed and

necessary expenditures in determining the charges referred to above and paid by PARTICIPANT. VENDOR agrees to allow mutual contract termination in whole or in part, in the event that PARTICIPANT does not allocate funding for the continuation of this contract or any portion thereof. In the event of termination due to non-allocation of funds, both parties shall be held without fault and there shall be no financial consequences assessed as a penalty on either party.

By submitting a proposal, you verify that you comply with and agree to be bound by these requirements. If any additional Contract documents are executed, the actual Insurance Requirements may include additional provisions as deemed appropriate by Ed Tech JPA and the Participating Associate Member. All insurers must be duly licensed and admitted by the State of California.

Mandatory Requirements (unless Participating Associate Member reduces or excludes coverage requirements)

1. Commercial General Liability insurance for bodily injury and property damage, including accidental death in the combined single limit of not less than \$1,000,000 per occurrence (\$2,000,000 aggregate) and \$3,000,000 Excess/Umbrella Liability.

Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to Ed Tech JPA or Participant, as applicable. No representation is made that the minimum Insurance requirements of this agreement are sufficient to cover the indemnity or other obligations of the Vendor under this RFP, Master Agreement and Purchase Agreements with Associate Members.

Optional Insurance

Cyber Risk insurance to cover both tangible and intangible property risk of the system and data, as well as third party liability for breaches of security is encouraged, but not required by EdTech JPA. The Policy should include, or be endorsed to include, property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic data and/or information "property" of the Agency in the care, custody, or control of the Vendor.

Additional Insured Endorsement Language

"[Participating Associate Member Name], its Board of Trustees, officers, agents, employees, and volunteers are named as additionally insured on this policy pursuant to written contract, agreement, or memorandum of understanding. Such insurance as is afforded by this policy shall be primary, and any insurance carried by District shall be excess and noncontributory."

ARTICLE VI: GENERAL OFFER OF TERMS

Provider may, by signing the attached form of "General Offer of Privacy Terms" (General Offer, attached hereto as **Exhibit "E"**), be bound by the terms of **Exhibit "E"** to any other LEA who signs the acceptance on said Exhibit. The form is limited by the terms and conditions described therein.

ARTICLE VII: MISCELLANEOUS

1. **Termination.** In the event that either Party seeks to terminate this DPA, they may do so by mutual written consent so long as the Service Agreement has lapsed or has been terminated. Either party may terminate this DPA and any service agreement or contract if the other party breaches any terms of this DPA.
2. **Effect of Termination Survival.** If the Service Agreement is terminated, the Provider shall destroy all of LEA's Student Data pursuant to Article IV, section 6.
3. **Priority of Agreements.** This DPA shall govern the treatment of Student Data in order to comply with the privacy protections, including those found in FERPA and all applicable privacy statutes identified in this DPA. In the event there is conflict between the terms of the DPA and the Service Agreement, Terms of Service, Privacy Policies, or with any other bid/RFP, license agreement, or writing, the terms of this DPA shall apply and take precedence. In the event of a conflict between Exhibit H, the SDPC Standard Clauses, and/or the Supplemental State Terms, Exhibit H will control, followed by the Supplemental State Terms. Except as described in this paragraph herein, all other provisions of the Service Agreement shall remain in effect.
4. **Entire Agreement.** This DPA and the Service Agreement constitute the entire agreement of the Parties relating to the subject matter hereof and supersedes all prior communications, representations, or agreements, oral or written, by the Parties relating thereto. This DPA may be amended and the observance of any provision of this DPA may be waived (either generally or in any particular instance and either retroactively or prospectively) only with the signed written consent of both Parties. Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

5. **Severability.** Any provision of this DPA that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this DPA, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law; Venue and Jurisdiction.** THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. EACH PARTY CONSENTS AND SUBMITS TO THE SOLE AND EXCLUSIVE JURISDICTION TO THE STATE AND FEDERAL COURTS FOR THE COUNTY OF THE LEA FOR ANY DISPUTE ARISING OUT OF OR RELATING TO THIS DPA OR THE TRANSACTIONS CONTEMPLATED HEREBY.
7. **Successors Bound:** This DPA is and shall be binding upon the respective successors in interest to Provider in the event of a merger, acquisition, consolidation or other business reorganization or sale of all or substantially all of the assets of such business. In the event that the Provider sells, merges, or otherwise disposes of its business to a successor during the term of this DPA, the Provider shall provide written notice to the LEA no later than sixty (60) days after the closing date of sale, merger, or disposal. Such notice shall include a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement. The LEA has the authority to terminate the DPA if it disapproves of the successor to whom the Provider is selling, merging, or otherwise disposing of its business.
8. **Authority.** Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.
9. **Waiver.** No delay or omission by either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

ED TECH JPA MASTER AGREEMENT: RFP No. 20/21-02 Web Design & Hosting

This Master Agreement ("MA"), is made as of **March 25, 2021** ("Effective Date"), by and between the Education Technology Joint Powers Authority ("ED TECH JPA") and **Active Internet Technologies (dba Finalsite)** ("VENDOR").

BACKGROUND

A. Education Technology JPA is a Joint Powers Authority formed by California public school districts, county offices of education, and community college districts pursuant to California Government Code Sections 6500-6536. ED TECH JPA aggregates purchasing power and expertise for its Associate Members across California.

B. ED TECH JPA establishes its contracts for products and services through the following process:

1. On December 8, 2020 ED TECH JPA issued a Request for Proposal for web design and hosting services (the "RFP") on behalf of ED TECH JPA members. ED TECH JPA invited qualified vendors to submit pricing products and services in response to the RFP.
2. ED TECH JPA published the RFP on its Website and in a local periodical:
3. ED TECH JPA received one or more responses to the RFP. ED TECH JPA evaluated all responses which complied with the terms of the RFP, using the following criteria: Functionality and Usability, Vendor Support and Ability to Perform, Price, and Technology Requirements.
4. ED TECH JPA selected VENDOR for an award under the RFP for web design and hosting services (the "Products"). The parties are entering this Master Agreement ("MA") to evidence the terms and conditions of that award.

AGREEMENT

Now, therefore, for good and valuable consideration, the parties agree as follows.

1. GRANT AND ACCEPTANCE OF AWARD

ED TECH JPA awards this MA to VENDOR under the RFP with respect to the products or services ("Products") at the prices listed in Exhibit A. VENDOR accepts the award and confirms VENDOR's acceptance of all terms and conditions of the RFP, which are incorporated herein by this reference. VENDOR's proposal in response to the RFP ("VENDOR's Proposal"), and the California Student Data Privacy Agreement are incorporated herein by this reference. This MA includes the services and pricing offered in VENDOR's Proposal, as identified in Appendix C, Pricing Form. Prices will remain valid for all Participating Associate Members of ED TECH JPA through the expiration of the MA.

2. TERM

The term of this MA (the "Term") shall commence on the Effective Date and shall expire after a period of three (3) years. The MA may be extended for up to two additional one (1) year terms beyond the original term, for a total of up to five (5) years. The parties understand that Participants may order Products under this MA to be delivered after the Term of this MA; in some cases,

Products may be delivered over multiple years after the Term. The expiration or termination of this MA shall not affect VENDOR's obligation to deliver Products as ordered by Participants during the Term.

3. PARTICIPANTS

The pricing, terms, and conditions of this MA will be made available to ED TECH JPA Founding Members, Associate Members and to other "Eligible Entities" who elect to become Associate Members of the ED TECH JPA. Eligible Entities are all California public school districts, county offices of education, and community college districts, and any other public agency in the United States whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase Products through a procurement vehicle such as ED TECH JPA. A "Participant" or "Participating Associate Member" is an Eligible Entity who chooses to purchase items through this MA, including Associate Members and Founding Members.

VENDOR acknowledges that each Participant is responsible for (a) completing their own due diligence regarding the suitability of VENDOR and Products for Participant's needs, (b) entering into one or more Purchase Agreements with VENDOR to document the quantities, total costs, and delivery terms for Products, (c) and coordinating implementation of Products with VENDOR. VENDOR is not under any contractual obligation to provide Products to Participants until such time as both a MA and a Purchase Agreement have been fully executed. The RFP was conducted for the limited purposes specified in the RFP. ED TECH JPA does not provide assurance or warranty to VENDOR with respect to other issues, including Participant's payments to VENDOR. ED TECH JPA will not assist in implementation or represent VENDOR in the resolution of disputes with Participants.

4. PURCHASE AGREEMENTS

Participating Associate Members may browse products in the JPA website. Prior to executing the Purchase Agreement ("PA"), Associate Members will work with a VENDOR representative to determine the VENDOR implementation timeline and implementation plan ("Implementation Plan") as further described in Section 2.2 of the RFP. To confirm Participant's request to buy Products using the RFP, Participant and VENDOR must complete and execute a Purchase Agreement ("PA") for the specific Products and provide that PA to ED TECH JPA. The PA is included herein in this Appendix A for reference.

The PA will contain a general description of the Products ordered, contact information for VENDOR and Participant related to purchase and sale of the Products, and an acknowledgement that the purchase is subject to the terms of the RFP and this MA. Participant and VENDOR may agree on contingencies, such as timing contingencies, applicable to delivery of Products.

A report outlining all completed PAs must be presented to ED TECH JPA at the same time the Administrative Fee is paid to Ed Tech JPA, at the same due date listed in Section 15.b.. VENDOR will work directly with a Participating Associate Member to fulfil the order according to the parties' agreed-upon Implementation Plan. ED TECH JPA is not responsible to verify payment to vendor.

5. PROGRAM PROMOTION

It is in the interest of both parties that VENDOR will promote and support ED TECH JPA Master Agreements using methods that best suit the VENDOR's business model, organization, and market approach. ED TECH JPA specifically desires VENDOR to generate interest in the MA, and direct its existing clients who are Eligible Entities to use its MA as VENDOR's preferred form of contracting with Eligible Entities.

VENDOR may be asked to participate with ED TECH JPA staff in related trade shows, conferences, and online presentation to promote the MA. ED TECH JPA will promote MAs through the creation of marketing materials, as well as active outreach to its constituents.

ED TECH JPA expects VENDOR's field and internal sales forces will be trained and engaged in use of the MA for the duration of the contract term. VENDOR agrees that all sales will be accurately and timely reported to ED TECH JPA. VENDOR shall provide a single point of contact with the authority and responsibility for the overall success of promotion of the MA.

ED TECH JPA may schedule periodic reviews with VENDOR to evaluate VENDOR's performance of the commitments outlined in this MA, as well as leads, current projects and projected sales.

6. INVOICING FOR SERVICES

VENDOR shall invoice each Participant for Products and Participant shall disburse payment to VENDOR upon receipt of the Board approved, executed Purchase Agreement between Participating Associate Member and VENDOR. ED TECH JPA does not guarantee timely payment. The Purchase Agreement is between VENDOR and Participant.

7. PRODUCT ADDITIONS/DELETIONS

VENDOR may add or delete Products introduced or removed from the market by the manufacturer under the following conditions:

- A) Deleted Products have been discontinued and are no longer available from the manufacturer;
- B) Added Products are either a direct replacement or are substantially equivalent to original products listed in the RFP, VENDOR's Proposal, the Master Agreement and/or any Purchase Agreements, or Added Products are enriched capabilities, new modules, technology advancements, and/or service categories within the web design and hosting solution that VENDOR did not have at the time the RFP Proposal was submitted;
- C) VENDOR has obtained prior written Board approval from Ed Tech JPA;
- D) VENDOR receives an executed Amendment to the Master Agreement;
- E) VENDOR has obtained prior written Board approval from Participating Associate Members; and
- F) VENDOR receives an executed Amendment to the Purchase Agreement.

8. MINIMUM PRICE GUARANTEE

VENDOR agrees not to sell directly, or through a reseller, to ED TECH JPA's Eligible Entities (regardless of whether the Eligible Entity is an Associate Member of the ED TECH JPA), including

all California public school districts, county offices of education, and community college districts, and any other public agency in California whose procurement rules, whether internal rules or rules enacted pursuant to statute, allow them to purchase goods or services through a procurement vehicle such as ED TECH JPA, the Products(s) subject to the Master Agreement at a price lower than the price offered pursuant to the RFP and this Master Agreement.

During the period of delivery under a contract resulting from this RFP, if the price of an item decreases, Ed Tech JPA Participating Associate Members shall receive a corresponding decrease in prices on the balance of the deliveries for as long as the lower prices are in effect. Vendor agrees to amend the Master Agreement to reflect the decreased pricing. At no time shall the prices charged to Ed Tech JPA Participating Associate Members exceed the prices under which the RFP was awarded. Ed Tech JPA Participating Associate Members shall be given the benefit of any lower prices which may, for comparable quality and delivery, be given by the Vendor to any other school district or any other state, county, municipal or local government agency in a California County for the product(s) listed in the RFP.

9. EXPENSES.

ED TECH JPA shall not be liable to VENDOR for any costs or expenses paid or incurred by VENDOR in providing Products and Services for ED TECH JPA or Associate Members.

10. COMPLIANCE WITH APPLICABLE LAW

The Products completed herein must meet the approval of the ED TECH JPA and shall be subject to the ED TECH JPA's general right of inspection to secure the satisfactory completion thereof. VENDOR agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to VENDOR, VENDOR's business, the Products, equipment and personnel engaged in Products covered by this MA or accruing out of the performance of such Products. If VENDOR performs any work knowing it to be contrary to such laws, ordinances, rules and regulations, VENDOR shall bear all costs.

11. DATA PRIVACY

VENDOR agrees that all products and services are fully compliant with all applicable requirements including all state and federal laws. VENDOR has executed the California Student Data Privacy Agreement (CSDPA), attached to the RFP as Appendix E.

12. PERMITS/LICENSES

VENDOR and all VENDOR's employees or agents shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of Products pursuant to this MA.

13. INSURANCE

VENDOR shall insure VENDOR's activities in connection with the Products under this MA and agrees to carry insurance as specified in the RFP to ensure VENDOR's ability to adhere to the indemnification requirements under this MA.

14. TRANSACTION REPORTING

VENDOR will comply with all reasonable requests by ED TECH JPA for information regarding VENDOR's transactions with Participants, including transmittal of transaction data in electronic format. VENDOR will report to ED TECH JPA all Services ordered by Participants, in reasonable detail, the reporting period outlined in section 15.B. of this MA. VENDOR acknowledges that ED TECH JPA will track the use of this MA through databases managed by ED TECH JPA. A template Usage Report is attached hereto as Exhibit B.

15. ADMINISTRATIVE FEE

- A. VENDOR agrees to pay ED TECH JPA an administrative fee (the "Administrative Fee") calculated as four percent (4%) of the gross invoiced amount of any Participant agreement with VENDOR based on an award under the RFP and all revenue derived directly from any Participant Agreement, including any Additional Services, or agreement extensions or renewals. Vendors whose gross sales exceed two million dollars (\$2,000,000.00) each fiscal year may receive a discount and pay Administrative Fees as follows:

Sales Amount*	Administrative Fee**
\$2,000,000.00 - \$3,999,999.99	3.5%
\$4,000,000.00 and above	3%

*The fiscal year term is July 1 - June 30.

**Sales are the annual gross amount invoiced of any Participant Agreement with VENDOR based on an award under the RFP and all revenue derived directly from any Participant Agreement, including any Additional Services, or agreement extensions or renewals.

***Any discounted Administrative Fee shall be applied to Sales in the quarter after the minimum threshold has been met. Discounted Administrative Fees shall revert to four percent (4%) after the minimum threshold is no longer met.

For purchases made with federal funds, a different fee structure may apply. Computations of the Administrative Fee shall exclude state, local, or federal taxes levied on invoiced amounts. Unless otherwise stated herein, the Administrative Fee is not refundable to Participants or Vendors under any circumstances. In the event ED TECH JPA's operating costs increase, the Administrative Fee is subject to an increase to offset such increased costs. Any increase shall be authorized by Ed Tech JPA's Board of Directors ("Board") and shall take effect on the day approved by the Board. Any increase shall be communicated to Vendors with no less than thirty (30) days notice from ED TECH JPA, and VENDOR shall be permitted to amend this MA to increase pricing in the attached Exhibit A in direct proportion to the adjusted Administrative Fee. Such amendment shall take immediate effect and apply to all Purchase Agreements executed after the execution date of the Amendment.

- B. Administrative Fees shall be reported and payable at the end of each quarter as follows:

- D. The administrative fee shall not be included as an adjustment to VENDOR's Ed Tech JPA Master Agreement pricing.
- E. The administrative fee shall not be invoiced or charged to the Participating Associate Member.
- F. Payment of the administrative fee is due irrespective of payment status on orders or service contracts from Participating Associate Member.
- G. Any payments that a VENDOR makes or causes to be made to Ed Tech JPA after the due date as indicated on the Quarterly Report Schedule shall accrue interest at a rate of eighteen percent (18%) per annum or the maximum rate permitted by law, whichever is less, until such overdue amount shall have been paid in full. The right to interest on late payments shall not preclude Ed Tech JPA from exercising any of its other rights or remedies pursuant to this agreement or otherwise with regards to Vendor's failure to make timely remittances.
