Subject Professional Services Contract - Scott A. Krumsee  
 - 226 / Roots International Academy (site/department)

**Action Requested** Ratification of professional services contract between Oakland Unified School District and Scott A. Krumsee. Services to be primarily provided to 226 / Roots International Academy for the period of 8/25/2014 through 6/30/2015.

**Background**  
*A one paragraph explanation of why the consultant's services are needed.*  
 In response to the investigation by the US Office of Civil Rights and subsequent OUSD Voluntary Resolution Plan (VRP), OUSD has identified the need for schools to implement restorative justice (RJ) practices to build community, repair harm, and re-integrate students into the classroom after incarceration or involuntary transfer. The RJ program supports the District's goal of reducing racially disproportionate discipline (DMC) by building community and resolving conflicts between students which may otherwise result in fights and subsequent suspensions. Restorative Justice has efficacy as an alternative to suspension and is a key component of the District's comprehensive violence prevention plan. Specific activities include hiring RJ Coordinators to support teachers in using restorative practices in the classroom, coach students to use communication and problem-solving skills to assist their peers in managing and resolving interpersonal conflict, and to work with site administrators to use restorative discipline.

**Discussion**  
*One paragraph summary of the scope of work.*  
 Provide 40 hours of service as an RJ Coordinator. The consultant will provide services at Roots International Academy - under the direction of the Program Manager for Restorative Justice and in coordination with the site administrators. OUSD Family, School, and Community Partnerships Department, Behavioral Health Unit, supports the implementation and expansion of a multi-tiered framework of restorative practices in at least 25 VRP schools. Professional development and coaching are essential to ensure that restorative practices are high quality, integrated with instruction, and culturally responsive. The RJ Coordinator will provide on-site support and technical assistance, and link RJ implementation at their site with the larger district effort. The Consultant will serve in the capacity of RJ Coordinator for the period of August 25, 2014 through June 30, 2015, in an amount not to exceed \$60,000.
