--	--	--	------------------------------	---

SECTION 2: Lead Agency Assurances

Please review and initial each item and sign below.

SM__ I understand that my program's goal is to achieve at least 85% of the above attendance target this summer. I understand that if my summer site falls below 85% of this attendance target by the end of the 1st week of the summer program, I will be required to submit an aggressive student recruitment and retention plan to the OUSD Expanded Learning Office, detailing my program's efforts to raise attendance numbers for the remainder of the summer.

SM__ I understand that my agency's contracted summer funds are based on the above average daily attendance target number. My program will over-enroll appropriately to ensure that we reach this attendance target. I understand that if my program falls short of 85% of this attendance target by the end of the first week of program, I will submit a revised summer budget plan to the OUSD Expanded Learning Office detailing how I will reallocate contracted funds appropriately to reflect actual attendance numbers, and to support my student recruitment and retention plan for the remainder of the summer.

_SM__ I understand that I am required to input my actual attendance numbers into the Cityspan attendance system **daily** during the summer program. I will cross check signatures on my daily sign in/out sheets with numbers inputted into Cityspan to ensure that the numbers match up and that Cityspan accurately reports my summer attendance data. I understand that the OUSD Expanded Learning Office will carefully review my daily attendance numbers over the summer program.

_SM__ I understand that I am required to submit electronic copies of my summer attendance records (including copies of daily student sign in/out sheets and the OUSD summer internal audit log) to the OUSD Expanded Learning Office twice during summer programming. I will submit my attendance through June 30th by the first week of July, and I will submit the rest of my attendance within one week of the last day of my program. SM__ I understand that OUSD's 21st Century federal grant funds are funding my summer program. I understand that I am required to follow all grant compliance requirements as outlined by the OUSD Expanded Learning Office. I will maintain my summer program records for 5 years for auditing purposes, as required by the California Department of Education, and will submit any summer programmatic or fiscal records to the OUSD Expanded Learning Office, as requested, for school district reporting and auditing purposes.

SM_ I understand that if I am running an A+B summer program model, these are requirements regarding my program hours of operation: Morning summer school will operate from approximately 8:15 – 12:15 daily. My afternoon summer program will operate from approximately 12:15 – 3:15 daily. All students must be off-site by 3:30pm and staff must be off site by 3:40 as the building will be promptly locked at 4pm daily.

SM___ If I am a stand-alone 6 hour program, I understand that OUSD will only cover custodial costs for four to six weeks of my summer program until 3:15 pm. My agency will be responsible for covering any extra custodial costs if my program runs beyond four to six weeks, and beyond the hours of 3:15 pm daily.

SM___ I understand OUSD Summer Programs are intended to be free programs. If program fees are charged, a sliding scale must be offered and students qualified for program participation cannot be turned away due to inability to pay.

Statement of Qualifications (CAMP EDMO):

Our Mission:

To create equitable, high-quality STEAM (Science, Technology, Engineering, Arts, and Math) and SEL (Social Emotional Learning) youth programs that cultivate curiosity, courage, and kindness.

OUR HISTORY

Learning is an adventure...it should feel like one. Edventure More ("EDMO" for short) was co-founded in 2004 as a 501(c)(3) non-profit by Ed Caballero and Sharon Mor. With over 20+ years of combined experience in the fields of out-of-school time learning, enrichment and motivational programming, they set out to create a STEAM camp where learning felt like an adventure and kids could build lifelong character skills.

In order to achieve their mission, Ed and Sharon modeled one of the most important 21st Century skills EDMO teaches kids—collaboration. From its inception, Edventure More has created and sustained partnerships with top Bay Area museums and industry professionals in order to deliver the highest quality programming possible. Curriculum partners have included:

- The California Academy of Science (current)
- The Greater Good Science Center, UC Berkeley (current)
- The Children's Creativity Museum (current)
- The Museum of Craft & Design (current)
- KIDmob Design Firm (current)
- The Museum of Children's Art (past)
- The Exploratorium (past)
- The YMCA of Marin (past)
- Playworks (past)

What started as one small camp with 60 kids in Mill Valley, CA in the Summer of 2004, has grown into a huge force for good in Northern California, with over 25 locations from San Jose to Sacramento, serving over 20,000 kids annually in order to

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

PROVISIONS

1. The following is added to SECTION II - WHO IS AN INSURED:

Any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part is an insured, but:

- a. Only with respect to liability for "bodily injury" or "property damage";
- b. If, and only to the extent that, the injury or damage is caused by your acts or omissions in the performance of your ongoing operations to which that "written contract requiring insurance" applies or by the acts or omissions of any person or organization performing such ongoing operations on your behalf; and
- c. Subject to the following limitations and conditions on the insurance provided to the additional insured:
 - (1) In the event that the Limits of insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured will be limited to the limits of liability required by that "written contract requiring insurance" and will not increase the limits of insurance described in SECTION III - LIMITS OF INSURANCE.
 - (2) The insurance provided to the additional insured is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if the "written contract requiring insurance" specifically requires that this insurance apply on a primary basis or a primary and non-contributory basis, this insurance is primary to other insurance available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that other insurance. But the insurance provided to the additional insured still is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under such other insurance.
 - (3) The insurance provided to the additional insured does not apply to:
 - (a) Any person or organization for which coverage as an additional insured specifically is scheduled by attachment of an endorsement under this Coverage Part, or for whom you have purchased an Owners And Contractors Protective Liability policy;
 - (b) Any person or organization who distributes or sells "your product" in the regular course of that person's or organization's business with respect to liability arising out of "your products";
 - (c) Any person or organization from whom you have acquired "your product", or any ingredient, part or container entering into, accompanying or containing such product with respect to liability arising out of "your product";
 - (d) Any premises owner, manager or lessor with respect to liability arising out of the ownership, maintenance, or use of that part of any premises leased to you;
 - (e) Any equipment lessor with respect to liability arising out of the maintenance, operation or use of equipment leased to you by such equipment lessor;

- (f) The independent acts or omissions of such additional insured; or
- (g) "Bodily injury" or "property damage" arising out of the providing, or failure to provide, any professional architectural, engineering or surveying services, including:
 - (I) The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
 - (II) Supervisory, inspection, architectural or engineering activities.

2. The following is added to the **DEFINITIONS** section:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" or "property damage" occurs:

- a. After the signing and execution of the contract or agreement by you;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.
