Student Voices: What Do You Want to See From The New School Board Candidates?

- Since students will be voting in the 2024 school board elections, we polled students around what they would like to see from new school board members.
- Some of what students shared are things that current and ongoing school board members should also keep in mind as this board will be making a number of decisions this year that will be directly impacting students across the district.

Student Voices on CTE TAY Hub

- Had a chance to learn more about the CTE TAY Hub at a recent internal ACC Governing Board meeting

“I think OUSD should support the CTE TAY Hub because it would put a vacant building into good use and a good cause. By supporting the CTE TAY Hub, OUSD would be helping youth in ways you could not even imagine” - Calupe, 10th grader at Mack
