Memo

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Sondra Aguilera, Chief Academic Officer
Jennifer Blake, Executive Director, Special Education Department

Board Meeting Date June 24, 2020

Subject Resolution - SELPA Local Plan Update - IDEA Part C to Part B Transition - Special Education Department

Action Requested Approval by the Board of Education of Resolution No. 1920-0231, Adopting and Complying With Requirements for Specific Resolutions that are Necessary for the Special Education Local Plan Area's ("SELPA") Policy Regarding Serving Eligible Students from Birth to Age Three and Supporting Their Transition to Preschool.

Background and Discussion This Resolution is required as a provision of the SELPA Local Plan for Oakland Unified School District SELPA. The OUSD SELPA has the responsibility to adopt a plan (in accordance with California Education Code 56200) to assure that special education and services for all eligible individuals with disabilities residing in the geographic area served by OUSD SELPA are delivered. Specific resolutions are called for as a part of that plan that do not currently exist within OUSD Board Policy. SELPA policy requires that the body governing OUSD SELPA is the Oakland Unified Board of Education, which must adopt SELPA policies when additions or adaptations become necessary.

The District must serve eligible students from birth to age three and support their transition to preschool under the provisions of Individuals with Disabilities Education Act (IDEA). Children participating in early intervention programs under IDEA, Part C, and who will participate in preschool programs, experience a smooth and effective transition to preschool programs in a manner consistent with 20 USC Section 1437(a)(9). The transition process shall begin prior to the child's third birthday.

Fiscal Impact No fiscal impact.
