Information Needed	School or Department Response
How will this grant contribute to sustained student achievement or academic standards?	There is an established link between student academic performance and wellness (nutrition, gardening, physical education and physical activity participation). Students who have more access to healthful, nourishing food and school gardens will do better in school. The efforts of the Nutrition Education TSA, Nutrition-Based Garden Education TSA, the Harvest of the Month program, the Nutrition Services Staff cooking in the classroom program, the salad bar parent champions and Wellness champions support the health of students, families and staff.
How will this grant be evaluated for impact upon student achievement? (Customized data design and technical support are provided at 1% of the grant award or at a negotiated fee for a community-based fiscal agent who is not including OUSD's indirect rate of 5.17% in the budget. The 1% or negotiated data fee will be charged according to an Agreement for Grant Administration Related Services payment schedule. This fee should be included in the grant's budget for evaluation.)	All participating schools will conduct pre- and post- surveys for 5 th grade students. All Wellness Champion work will be evaluated through progress reports, activity logs and a wellness policy inventory. We will also use CHKS and Fitnessgram data.
Does the grant require any resources from the school(s) or district? If so, describe.	Partnership among FSCP Health & Wellness Unit, LCI Science & Wellness Unit, Nutrition Services and school site participation.
Are services being supported by an OUSD funded grant or by a contractor paid through an OUSD contract or MOU? (If yes, include the district's indirect rate of 5.17% for all OUSD site services in the grant's budget for administrative support, evaluation data, or indirect services.)	Yes
Will the proposed program take students out of the classroom for any portion of the school day? (OUSD reserves the right to limit service access to students during the school day to ensure academic attendance continuity.)	No
Who is the contact managing and assuring grant compliance? (Include contact's name, address, phone number, email address.)	Michelle Oppen, Program Manager, Wellness FSCP- Health & Wellness 746 Grand Avenue Oakland, CA 94610 510-273-1676 Michelle.oppen@ousd.k12.ca.us

Dear Ms. Oppen,

I am pleased to inform you that you have been awarded grant funding in the amount of \$280,000 to fund services to coordinate and advance nutrition programming in OUSD. The goal of these funds is to empower and enable target low- income populations to select healthy foods and beverages and increase physical activity through nutrition education, social marketing, and environmental supports.

Specifically, these funds will support Harvest of the Month, Garden Nutrition Education, Healthy Classroom Wellness Champions, Third grade classroom Nutrition/Cooking Education Program, and Oakland fresh Produce Market Program Champions.

The contract is currently under development and contingent upon approval from USDA. The funding is based on a federal fiscal year beginning October 1, 2014 through September 30, 2015.

If you have further questions or require additional information, please feel free to contact me by email at diane.woloshin@acgov.org or at (510)595-6458. We look forward to continuing this successful collaboration.

Sincerely,

Diane Woloshin, MS, RD
