**Memorandum of Understanding 2014-2015
Between Oakland Unified School District and
Safe Passages**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with Safe Passages ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 232/Coliseum College Prep Academy under the following grants:
 - California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
 - California Department of Education ("CDE") 21st Century Direct Access Grant ("Direct Access")
 - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")

2. **Term of MOU.** The term of this MOU shall be July 1, 2014 to August 21, 2015 and may be extended by written agreement of both parties.

3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

4. **Compensation.** The 21st Century ASSETS Core Grant, Family Literacy, and Direct Access grant award amount for 232/Coliseum College Prep Academy is \$184,296.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
 - 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.

 - 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A** - Attendance Reporting Schedule 2014-2015").
 - 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining

balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** Due to result-based budgeting, the grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2014-2015 and will not exceed \$184,296.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. **Program Fees.** The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. **Scope of Work.** AGENCY will serve as lead agency at 232/Coliseum College Prep Academy, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2014-2015. - 5.1. **Student Outcomes.** AGENCY shall achieve the student outcomes as described in the grant application narrative and articulated in documents from the program evaluation team. State 3 – 4 primary goals of the After School Program and intended impacts for participating students.

1. Youth who participate in the Safe Passages After School Program will improve and strengthen their academic skills. The After School Program Coordinator with the support of the Program Assistant and Academic Instructors will track and monitor the academic progress of enrolled youth on a regular basis using benchmark and other assessments. Data from the assessments will be used in cycles of inquiry to monitor the effectiveness of academic interventions and to re-evaluate and reconfigure flexible groups in order to provide personalized learning and balanced literacy to students that attend the After School program.
2. The Safe Passages After School Program will provide innovative and engaging enrichment activities that will support the academic, social, and emotional development of enrolled youth.
3. The Safe Passages After School Program will develop a strong collaborative partnership with clear and consistent lines of communication between the lead agency team members, parents, and school site staff to ensure the Safe Passages After School Program maintains a consistent high quality program that will support the healthy development of all enrolled youth.
4. The Safe Passages After School Program will engage all participating youth in processes that build their self-efficacy. In order to facilitate these students' efficacious feelings of accomplishment and success, youth will showcase their work to others during the year at school events and the Safe Passages After School Showcase/Portfolio Presentation.

SECTION 3: OUSD Strategic Questions

Complete the matrix for **at least two** of the following four OUSD Strategic questions.

Strategic Questions/Desired Outcomes	Strategic Activities	Outcomes of Strategic Activities	Data used to assess the strategic activities
<i>As a result of our ASP efforts...</i>	<i>What after school strategic activities will support the desired outcomes?</i>	<i>What short-term outcomes will you expect from your efforts by the end of the school year?</i>	<i>What data will be collected to measure these outcomes?</i>
High School Graduation: How many more Oakland children are graduating from high school?	Targeted Academic Intervention in support of academic readiness to pass the CAHSEE	85% students will have higher test scores as a result of targeted academic intervention.	SRI scores and benchmark assessments

<p>Satisfactory School Day Attendance: How many more Oakland children are attending school 95% or more?</p>	<p>Quality enrichment that is attractive to students; provision of caring adults in ASP will create connections to caring adults that increase student engagement in school; clear, regular communication with families regarding student attendance in the After School program.</p>	<p>Students enrolled in After School programs will have a higher average daily attendance rate than students that do not attend After School programs.</p>	<p>Daily attendance data for the students will support the measurement of this outcome.</p>
<p>Job Skills/Career readiness: How many more students have meaningful internships and/or paying jobs? Health and Well-being: How many more Oakland children have access to, and use, the health services they need?</p>	<p>ASP will collaborate with School Based Health Centers (where available) and other health staff through the Coordination of Services (COST) process to ensure that students are accessing needed health services.</p>	<p>100% of students in need of health services will be referred for services.</p>	<p>The data will include the number of COST referrals and number of health visits (where available).</p>
<p>SECTION 4: Program Model and Lead Agency Selection</p>			
<p>For 2014-2015, my site will operate the following program model:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Traditional After School: <i>voluntary program open to all students, with enrollment priorities targeting certain students</i> <input type="checkbox"/> Extended School Day: <i>additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school</i> <input checked="" type="checkbox"/> Blended/Hybrid: <i>combination of some extended day and some traditional after school programming</i> 			

<p>Description and Rationale for Selection of Lead Agency Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development. In alignment with the spirit of the OUSD Strategic Plan, the Safe Passages After School Program partnership with the school community is a "true, authentic collaboration" that supports the goals of a thriving student community. Among other goals, Safe Passages After School program supports the school's Full Service Community School Quality Indicator 1 goal – to provide quality learning experiences for students by ensuring that students are provided a quality extended day program. The program also furthers the efforts to support broader enrichment goals beyond academic intervention with youth leadership opportunities, sports, creative opportunities for artistic expression, such as art, music, and dance. In addition, the program supports the goal of balanced literacy and targeted intervention by providing targeted intervention to students through the COST process and in the one hour of academic programming each day. Safe Passages uses the SRI and Benchmark data to personalize instruction during intervention sessions.</p>	
<p>SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm on every regular school day for elementary and middle schools. (EC 8483) High school programs are required to operate a minimum of 15 hours per week.</p>	
<p>Required # of Program Days your program will operate during School Year 2014-2015:</p>	<p>180 days required*</p>
<p>Projected Daily Attendance during School Year 2014-2015:</p>	<p>120</p>
<p>Program Schedule Submit program schedule as an attachment, using the standard program schedule template.</p>	

* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.

SECTION 6: Academics

SECTION 7: CAREER-RELATED ACADEMIC ENRICHMENT & PHYSICAL ACTIVITY / RECREATION Career-related enrichment activities and physical activity/recreation are required components of the ASES and 21 st Century grants. Enrichment activities should provide students with the opportunity to develop 21 st Century Skills, explore career-related fields, and apply learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support Career Pathways, school goals for health and wellness, positive school climate, arts learning, and student engagement.

<p>SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY</p> <p>After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.</p> <p>Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. All high school programs will fund a Parent Liaison position to support family literacy programming. The activities listed below must align to your 21st Century Family Literacy budget plan.</p>					
Type of Activity	CSSSP goal(s) or school need supported by activity	Brief Description	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources	
Student/Family Recruitment at Registration	Provide a quality Extended Learning Program.	ASP Coordinators communicate with families at school registration to ensure 100% program enrollment.	100% of slots for the After School Program are filled at the start of the year, and a waiting list for the program is maintained and kept current.	Integration with the school's registration efforts allows the ASP Coordinator to connect with every family at the school to inform them of the After School program offerings.	

Communicate regularly with families to ensure student success	Build effective partnerships with families	Program staff communicates regularly with families regarding student progress.	100% of students' families of enrolled in After School will communicate with an After School staff person 3-10 times a year.	After School communication with families supports the schools efforts to raise attendance and to partner with families in their child's education.
Student Showcases	Creating a welcoming, caring student community where differences are celebrated	Students showcase their work to families and community members.	100% of students enrolled in After School will create pieces for and invite family members to attend showcases of work.	Showcases of student work in After School align with the school effort to maintain a culture that supports student progress and structures for acknowledgement and to build student and family ownership of learning.
<p>PARENT LIAISON: <i>Describe the anticipated duties of the Parent Liaison in your program. Also identify what supports your school site will provide the Parent Liaison, including training and materials.</i></p> <p>Maria Robles will return to her role of CCPA Parent Liaison, supporting families in becoming more engaged with their students' learning as well as becoming an active participant in the school culture, attending events, taking part in decision making, and parent leadership activities. The Parent Liaison supports families in getting their basic needs met with referrals to additional services, food pantries, medical care, benefits enrollment and other community based organizations.</p>				

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the “grey zone” between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	By analyzing previous school-day attendance data at the start of the school year, the school ASP Coordinator, in collaboration with the site leadership team and COST, will identify students’ at risk of chronic absenteeism whose families they will invite to enroll their students in After School at the school wide registration session.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	The ASP Coordinator or other program staff will contact families daily if their child is enrolled but does not attend the After School program. The importance of program attendance will be discussed with families in all correspondence.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	The ASP Coordinator, in collaboration with site leadership, will utilize the Coordination of Services Team meeting to intervene for increased attendance.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	The After School Program will highlight students with perfect attendance with certificates at the end of each quarter.

SECTION 10: Transforming School Culture and Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

- PBIS (Positive Behavioral Interventions and Support)
 Restorative Justice
 Social and Emotional Learning
 Bullying Prevention
 Other: (please specify) _____

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.)

The After School Coordinator will continuously communicate with both extended day and regular day instructors as well as the COST. Coordinators will help facilitate communication between morning and afternoon instructors to ensure the program is integrated and services are coordinated for students and families.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

The Safe Passages After School Program supports these OUSD efforts to ensure equity in behavioral practices, maximize every students' school engagement, social-emotional well-being, and academic success by: (1) using culturally competent instructional strategies, (2) incorporating critical pedagogy and youth participatory action research (YPAR) as curricular foundations for resiliency, transformation, and student engagement, (3) training staff and students in cultural asset instruction, cultural asset mapping, and related counter-narrative resiliency strategies, and by (4) building upon a strong youth development framework with sufficient alternative to exclusionary discipline practices.

SECTION 11: Coordination with Other Service Providers

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?

- COST team (Coordination of Services Team)
- SST (Student Study Team)
- SSC (School Site Council)
- ELT (Educational Leadership Team)
- PTA
- Attendance Team/Workgroup
- CSSSP (Community School Strategic Site Planning) team
- School Culture/Climate Committee
- Other (specify)

List key community partners whom you will actively collaborate with to accomplish the goals of your program.

La Clinica de La Raza, Alameda County, EBAC, PCA, AIM High, and other partner agencies.

List all subcontractors who will be paid to deliver after school services.

TBD

Identify other service providers and support personnel at your school (ie. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.

Students, parents, school staff, Principal, OUSD AS Program Office, and other CBO and public partners implementing afterschool programming, the members of the COST, school counselor, and parent engagement staff.

Section 12: Equitable Access:

The intent of Equitable Access funding is to provide targeted supports for special populations of students who may face challenges and barriers to program participation. Examples of allowable use of Equitable Access funds include:

- additional academic interventions/supports to struggling students (ie. English Language Learners, students with special needs, etc.)
- mental health support services that enable students to fully participate in the after school program
- translation services, bus tickets, and other supports that make it possible for students to participate in program

How will your 21st Century program support equitable access in your program? Which population(s) of students in your program will receive extra support through the Equitable Access supplemental grant? Please describe your planned use of Equitable Access funds. **Your plans must align with your Equitable Access budget.**

Safe Passages and CCPA know that the barriers to learning often stem from the home and the community. By hiring members of the community to work with students and parents, our program will seek to help families overcome those barriers so that students are ready to learn and be engaged in their school community. At CCPA these barriers do not face just a subset of our student population. Over 90% of our students qualify for free or reduced lunch. The vast majority of our student population lives within a 2 mile radius of our campus. All of our students need support in order to have equitable access to what students who come from wealthier families or live in wealthier neighborhoods have at their fingertips.

The Parent Liaison will work with parents to make sure they have what they need in order to support their students' success. This may take place through managing the food pantry on site, translating for a parent, connecting parents with resources, or just giving the parent a place to talk about their goals for their child with another parent who understands the working of the school system better than they do. The Intervention Specialist will work with students who are underperforming, truant, in conflict with their peers, or otherwise distracted from their studies in order to help them gain access to the supports they need to overcome the barriers which are affecting their success at school.

2014-15 After School Enrollment Policy for CCPA High School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
English Language Learners	CELDT	Optional though strongly encouraged
Students who scored BB or FBB on their most recent CST	CST scores	Optional though strongly encouraged
Students who earned below a 2.5 AGPA during the previous marking period	Student data in Aeries	Optional though strongly encouraged
Students in need of credit recovery and/or missing A-G requirements	Individual student data in Aeries	Mandatory
Students who have not successfully completed the CAHSEE	Student test scores	Mandatory

Grade levels prioritized for programming: 10-12

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students.

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: Summarize your enrollment timeline below. Describe ongoing program outreach and recruitment efforts, beginning in Spring 2013.

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
May 2014	13-14 participants will have the opportunity to re-enroll	After School Coordinator, AS staff, CCPA staff, and parents.
Spring & Summer 2014	Outreach and enrollment of new students and rising 6 th graders during summer school, summer mailings, and orientation events.	After School Coordinator, AS staff, CCPA staff, and parents.
August 2013	Mandatory Back to School registration.	After School Coordinator, AS staff, CCPA staff, and parents.

Important dates to include in your timeline:

- May – June: Early outreach and recruitment for 2014-15 school year program.
- August – September: New school year enrollment of students for remaining program slots.
- After school programs begin on 1st Day of school.
- Parents are notified about their student's participation in program at beginning of school year (specify date).
- All programs must maintain waitlists after program slots are filled.

School Support for Program Recruitment

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

CCPA administration makes after school mandatory for all students. After school program information and enrollment forms are included in the mandatory registration process creating a seamless integration with the regular school day. Older High School students attend internships with CBOs and attend college classes at Peralta Colleges. Students requiring additional academic support receive additional small group tutoring. Additionally, the Family Resource Center is a hub for college readiness, parent education and ongoing school events that keeps families updated on what's happening on the campus throughout the year.

Quality Support Coach (formerly called “Academic Liaison”)

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Quality Support Coach is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program’s *Assess – Plan – Improve* program quality improvement cycle by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Quality Support Coach role from the OUSD After School Programs Office. The After School Programs Office will provide specific deliverables aligned with the key job duties listed above. Teachers on Extended Contract for Direct Service

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as after school intervention, support with programs like Achieve 3000 or Fast Forward, and academic enrichment.

Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$23.16/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$30.12 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract.

Safe Passages' Afterschool History

Founded in 1995, Safe Passages was created as part of the five-city, ten-year Urban Health Initiative (UHI) funded by the Robert Wood Johnson Foundation. Over the last sixteen years, Safe Passages has helped government work together with community-based agencies, holding each other accountable, to redirect government and private resources to implement strategies proven to reduce youth violence and help level the playing field for the most vulnerable and marginalized students, families and communities in Alameda county. These strategies, along a continuum of services from birth through college and career include: Early Childhood, School-Linked Services, Juvenile Justice and College to Career. Safe Passages leverages our history and deep capacity in partnership with school communities to implement afterschool programs.

The organization focused on three main strategies: Early Childhood, Middle School Strategy and Juvenile Justice. The Safe Passages Middle School Strategy was a multi-pronged approach to creating positive school climates and providing students and their families the support needed to be successful in school and life. From the beginning, afterschool programming was one of the five prongs of the strategy. Initially, the seven highest need middle schools were selected as partners in 2000 to implement the strategy: Frick, Havenscourt (CCPA) and Calvin Simmons (UFSA) were all part of the first cohort of implementation schools.

The partnership withstood the test of time, surviving many changes in personnel, leadership, and the economy. Over the years, Safe Passages facilitated the development of the Coordination of Services Team (COST) system, case management and mental health services for students and parents, school based health centers at some target schools and afterschool programs. Several models developed by Safe Passages, like COST, were adopted by OUSD and replicated across the school district. Several of the Safe Passages schools, including those schools where Safe Passages serves as the lead afterschool agency are leading schools in OUSD's Full Service Community Schools Initiative.

Safe Passages partnerships with the school communities that are the focus of these contracts embody 13 years of partnership. Within those thirteen years of partnership, Safe Passages has collaborated with dozens of community based partners and independent contractors. Currently, Safe Passages partners with 45 public and private agencies to implement the Elev8 Full Service Community Schools Initiative. Safe Passages partners with school communities in Oakland and San Lorenzo to implement quality programs.

As a result of these partnerships, hundreds of students and families are served each year at target schools. Safe Passages has also successfully led the implementation of Elev8, a \$25 million initiative at five middle schools in Oakland. Finally, Safe Passages has leveraged millions of dollars for services for Oakland youth and families.
