**SECTION 4: Program Model and Lead Agency Selection**

For 2015-2016, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
- Extended Day Program:** *additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must **not** appear on the school bell schedule)*
- Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

**Description and Rationale for Selection of Lead Agency**

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

Bay Area Community Resources (BACR) is a 501(c) (3) non-profit agency, founded in 1976, that delivers youth and family services in seven Bay Area counties. The BACR philosophy about after school programs extends far beyond keeping children safe. We believe in providing a nurturing and enjoyable environment where students can improve their academic and life skills. We believe in integrating the principles and practices of youth development into all activities. Just as important, we see the schools, students, and parents as our customers, and we believe it is our responsibility to understand and meet their needs. This approach to after school programs is consistent with the BACR mission of serving youth and families, fostering volunteerism, and building community. As a large diverse community agency, BACR has the organizational capacity and infrastructure to maintain high quality programming while expanding our services.

Our ASPs are designed and staffed to be accessible to and effective for children and youth who are struggling due to poverty, academic and social-emotional challenges, and other life circumstances. Further, we use all activities to promote the

development of communication, problem solving, peaceful conflict resolution, leadership, and other pro-social skills. We partner with other community organizations that help to round out the array of needed services identified by the schools, young people, and families and, in this way, we ensure access and equity of opportunity for the communities we serve.

**SECTION 5: Attendance, Program Dates, Minimum Days, and Program Schedule**

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

*\* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.*

Required # of Program Days your program will operate during School Year 2015-2016 (programs are required to operate between 177 – 180 days of the school year)	180
Projected Daily Attendance during School Year 2015-2016	235
Programs are allowed up to three days of program closure during the school year to offer staff professional development. Please list the three days (if any) your program plans to close this year for PD.	TBD

**Minimum Days**

Elementary and middle school after school programs are required to operate from the end of the school day to 6pm. When a school holds minimum days, the after school program must begin early and run a long day until 6pm. Minimum days have significant impact on the after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming when the number of minimum days exceeds the typical OUSD schedule of one minimum day per week for the school year.

Projected Number of Minimum Days for School Year 2015-2016	15
------------------------------------------------------------	----

Describe funding plan to operate program on minimum days, including additional school resources (if any), to support full program implementation on all minimum days:

After school will budget for staffing during minimum days.

**Program Schedule**

1. Submit program schedule as an attachment, using the standard program schedule template. The after school schedule must indicate the school name and the program year.
2. Submit a copy of the school bell schedule for the 2015-16 school year.

**Important Notes:** The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)

Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)

## SECTION 6: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

*Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.*

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school.

Activities should be based on sound instructional strategies aligned with the regular school day program.

**Required Elementary Academic Programming:** Elementary programs are required to provide at least 1 hour of literacy instruction per week for all students. (Curriculum and PD will be provided by OUSD After School Literacy Learning Community.) Programs are highly encouraged to provide after school math and science instruction. There will be learning communities to provide math and science curriculum and PD.

## SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Enrichment activities and physical activity/recreation are required components of the ASES and 21<sup>st</sup> Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

**Recommended Middle School Program Components:** Middle schools are highly encouraged to provide after school STEM instruction and youth leadership programming for students. (These program components are required for 21<sup>st</sup> Century middle school programs.) STEM and Building Intentional Communities youth leadership curriculum and PD will be provided by OUSD after school learning communities.

## SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21<sup>st</sup> Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21<sup>st</sup> Century grantees who receive Family Literacy funding: ***The activities listed below must align to your 21<sup>st</sup> Century Family Literacy budget plan.***

### SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

*In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.*

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	After School Program will work in collaboration with school administration to target chronically absent students for preregistration.

<p>b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.</p>	<p>Parents of targeted students will be invited to Parent Orientation where they will be informed about the importance of school day and after school attendance.</p>
<p>c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.</p>	<p>Students will be targeted again during 2015-16 school year and invited to Parent Orientation. Targeted students will remain on the ASP waitlist and will be called consistently to re-invite to register in ASP.</p>
<p>d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.</p>	<p>Hold award ceremony to celebrate good attendance in alignment with the school day. Pizza parties for ASP attendance will happen during Q1 and Q2. ASP will hold a perfect attendance field trip during Q3.</p>

**SECTION 10: Transforming School Culture and Climate**  
 After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

PBIS (Positive Behavioral Interventions and Support)  
 Restorative Justice  
 Social and Emotional Learning  
 Bullying Prevention  
 Other: (please specify) \_\_\_\_\_

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.)

With the support of the Restorative Justice Coordinator, Project Achieve will hold daily opening circles to greet the students every day. In addition, ACHEIVE will provide the time for Peer RJ to meet and discuss different issues that may arise.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please

describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

Project Achieve will provide expanded services to African American Males and African American families

**SECTION 11: Coordination with Other Service Providers**

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

<p>The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?</p>	<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> COST team (Coordination of Services Team)</li> <li><input type="checkbox"/> SST (Student Study Team)</li> <li><input type="checkbox"/> SSC (School Site Council)</li> <li><input type="checkbox"/> ELT (Educational Leadership Team)</li> <li><input type="checkbox"/> PTA</li> <li><input type="checkbox"/> Attendance Team/Workgroup</li> <li><input type="checkbox"/> SPSA Site Planning team</li> <li><input checked="" type="checkbox"/> School Culture/Climate Committee</li> <li><input type="checkbox"/> Other (specify)</li> </ul>
<p>List key community partners whom you will actively collaborate with to accomplish the goals of your program.</p>	<p>Collaborate and coordinate services with Oakland After School Program Office, OUSD, Public Profit, Elev8, Oakland Fund for Children and Youth, Alameda County Health Department, and Community Outreach partners.</p>
<p>List all subcontractors who will be paid to deliver after school services.</p>	<p>Safe Passages, Oakland Youth Chorus, Techbridge, Playwell Teknologies</p>
<p>Identify other service providers and support personnel at your school (ie. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.</p>	<p>Wa Netta Daniels, School Nurse Gloria Negron, Attendance Clerk Clo Escudero, Elev8 Coordinator Victoria King, Family Advocate</p>

### 2015-16 After School Enrollment Policy for Madison Park Academy Middle School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21<sup>st</sup> Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

**Target Population:** (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Students in need of academic support and Intervention	School referrals, parent request (SES).	Students in need of academic support and Intervention
Students from socio-economically disadvantaged families/backgrounds	Application, school referrals, and knowledge of family history.	Students from socio-economically disadvantaged families/backgrounds
English Language Learners	School referrals and knowledge of family history.	English Language Learners
Students in need of being engaged	Application, school referrals, parent request, and knowledge of family history.	Students in need of being engaged
Transitional Youth	School referrals and knowledge of family history.	Transitional Youth
Students with Siblings in the program	Knowledge of family history.	Students with Siblings in the program
Chronic Absenteeism	Monitor attendance (work w/ attendance to gather names of chronically absent from school day, compare day attendance with afterschool).	Chronic Absenteeism

Which grade levels will you serve in this program? 6<sup>th</sup> – 9<sup>th</sup> Grades

*Note: The ASES and 21<sup>st</sup> CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)*

**Additional Notes:**

- Successful after school programs are heterogeneous and include several target populations.

- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

**Enrollment Process and Timeline:** (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2015. Indicate how families will be notified of 2015-16 enrollment before the last day of school, June 11, 2015.)

<b>Timeline</b>	<b>After School Enrollment Steps/Process</b>	<b>Individual(s) responsible</b>

- Remaining program slots will be filled by September 30, 2015.
- All programs must maintain waitlists after program slots are filled.

### Quality Support Coach (formerly called “Academic Liaison”)

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Quality Support Coach is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program’s *Assess – Plan – Improve* program quality improvement cycle by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Quality Support Coach role from the OUSD After School Programs Office. The After School Programs Office will provide specific deliverables aligned with the key job duties listed above. The required budget allocation for this position is \$2,500 for the year, equivalent to 83 hrs/year at a Paid-In-Service contract rate of \$30.12/hour.

#### Quality Support Coaching Planning

a) Please identify who will fulfill the Quality Support Coach role for 2015-16:

- A credentialed teacher on staff who has effective skills and experiences in coaching and/or adult learning
- A qualified professional who is part of the school staff
- An OUSD coach connected to the school (i.e. LCI Literacy or Math coach, BTSA coach, etc.)
- Other individual (please specify in detail): \_\_\_\_\_

If known, please specify the name of the person who will fill the Quality Support Coach role, and identify his/her role in the school:

b) Some schools are challenged in finding a qualified individual on staff who can fulfill the Quality Support Coach role. In this case, the OUSD After School Programs Office will work actively to try to find an OUSD coach to match with the \_\_\_\_\_

school. Please mark:

My school needs support in finding an individual who can effectively fulfill the role of Quality Support Coach.

Yes  No

**Teachers on Extended Contract for Direct Service**

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as after school intervention, support with programs like Achieve 3000 or Fast Forward, and academic enrichment.

**Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract.**

*Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$23.16/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$30.12 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract.*

## Professional Development and Staff Wellness

**Professional Development:** After school staff should receive adequate professional development, including coaching support and trainings, in order to grow and improve their practice. Programs should utilize data from the YPQA/SAPQA youth program quality assessment tool to determine the areas of focus for professional development.

a) What professional development, coaching, and training supports will be provided by the lead agency partner?

Coordinator Summer Institute – Program Coordinator will participate in summer training that will expand their knowledge on Youth Development, Policies and Procedures, and Program Quality. During Summer Institute, Program Coordinator will have the opportunity to review their program schedule and program plan, create their year plan, plan for parent events, and learn from a variety of experts in the after school field. In addition to Summer Institute, Program Coordinator will participate in BACR led and outside trainings throughout the school year. These training opportunities may include STEM trainings, Bridging the Bay, and Region IV trainings.

To Whom It May Concern:

It is the Bay Area Community Resources policy to ensure to the best of our abilities that everyone we bring into our BACR programs to work with our clients are properly screened so as to minimize any risk, either physical or emotional, to the children and other clients we serve. We achieve this through FBI and DOJ fingerprint background checks on all our employees, independent contractors, subcontractors and volunteers. We are set up to receive subsequent arrest records. In addition, all staff must turn in a negative TB clearance before they begin working with our students.

We certify that all staff meet our staff qualifications including TB clearance, and FBI/DOJ clearance before they begin working with the students. We can provide verification upon demand from OUSD.

Sincerely,

# Memo

**To** Board of Education  
**From** Antwan Wilson, Superintendent

**Board Meeting Date** June 24, 2015  
*(To be completed by Procurement)*

**Subject** Master Memorandum of Understanding between Oakland Unified School District and Bay Area Community Resources

**Action Requested** Authorize the President and Secretary of the Board to enter into and execute a Memorandum of Understanding with Bay Area Community Resources, on behalf of the District to provide services to students. This establishes a one year relationship with Bay Area Community Resources, and a not-to-exceed amount of \$4,045,188.25. This amount is projected using historical cost data, known changes to the number of sites served and expected available grant funding allowable.

**Background**  
*A one paragraph explanation of why the consultant's services are needed.*

The Oakland Unified School District enters into contracts each year to provide professional services that support the District's academic mission. The Master MOU establishes all terms and conditions, a defined menu of services with negotiated rates, and allows for the gathering of necessary supporting documentation to further streamline the process of receiving necessary services, while keeping the integrity of checks and balances, as well as maintaining oversight by the Governing Board.

A Menu of Services was established that would allow a principal to "Order" from the Menu using the Individual Service Agreement (ISA). This is essential to promoting transparency of services, and the costs of those services, between like schools. Each Individual Service Agreement is submitted to the board for approval. In the event that this vendor receives more orders for service than anticipated, an amendment to this MOU will request a new not-to-exceed amount.

**Discussion**  
*One paragraph summary of the scope of work.*

Vendor: Bay Area Community Resources

Overview of Services: Bay Area Community Resources contracts with schools to be a lead agency to provide high quality after school programming consisting of academic enrichment and recreational physical activities, family literacy and targeted Equitable Access services to students that are high risk.

Not-To-Exceed Amount: \$4,045,188.25

Determination of the Not-to-Exceed Amount is based on historical data and projections for the coming school year, it is anticipated that Bay Area Community Resources will provide services to 28 school sites.

The District contracts with agencies to provide various activities and after school programs. Chosen by the number of sites served with District and the long standing relationship with the agencies, the Master Memorandum of Understanding establishes a relationship with Bay Area Community Resources, defining terms and conditions as well as setting a maximum not-to-exceed ceiling amount. This ceiling is derived from historical cost data, and known changes in sites to be served, as well as expected grant funding. In addition, the District has been working with agencies to provide a Menu of Service, which delivers a clear and measurable scope of work. Analogous to ordering from a common table menu, each product is described and the price is clearly quoted, establishing and promoting a more perfect competition where the consumer, here the principal, is informed of the services offered, and the price for those services. This allows the principal to easily compare services and prices, and plan for programmatic needs.

**Fiscal Impact**

There is no funding associated with the Master Memorandum of Understanding or the Amendment to the Master Memorandum of Understanding herewith. The Master Memorandum of Understanding establishes a relationship, as well as setting the terms and conditions with Bay Area Community Resources. The funding source for each Individual Service Agreement will be determined separately and individually. Funding for the Individual Service Agreement is verified through a review of the BDT budget process, and a review of State and Federal compliance funding when applicable.

**Recommendation**

Approval of the Master MOU between Bay Area Community Resources and the Oakland Unified School District authorizing the President and Secretary of the Board to enter into and execute the Master Memorandum of Understanding and Individual Service Agreement(s) with Bay Area Community Resources in an amount not-to-exceed \$4,045,188.25.
