A one paragraph explanation of why the consultant's services are needed.

The OUSD has a large and diverse refugee and newcomer student population many of whom have had significant gaps in their education prior to coming to the U.S. (in addition to acute and on-going traumas in many cases) and many of whom speak little to no English when they arrive. In order to engage in school and succeed academically, they require supplemental support (as described in Title III Immigrant supplemental funds). Through this contract, up to 30 newly resettled refugee and asylee students at Roosevelt Middle School will receive direct support through on-going after school programming that will focus on English acquisition, homework help and school connectedness. This program will support these students academically, helping them succeed in middle school and better preparing them to succeed in high school. Overall, Refugee Transitions support will help students and parents better navigate the educational system and it will help the OUSD ensure access to the services that these students need.

Refugee Transitions' Statement of Qualifications

Prepared for Oakland Unified School District

10/21/13

Refugee Transitions (RT) is a nonprofit education and social service organization that began in 1982. Its mission is to assist low-income refugee and immigrant families in becoming self-sufficient in the U.S. by providing services that help them attain the English language, life, job, and academic skills they need to succeed in their new communities. In 2012, RT served more students in 2012 than in any year previous and helped more newcomers reach their goals. Our model is unique: staff and volunteers reach students in their homes, schools, and communities, resulting in mutually beneficial relationships and increased social capital. Our programs create bridges to the local community and help newcomers gain the English language and critical life skills needed to find employment, succeed in school, and become leaders in their new communities.

Refugee Transitions has extensive experience working with newcomer families and is connected with numerous refugee, asylee and immigrant families throughout the Bay Area. Refugee Transitions provides tutoring and mentoring for youth through its Bridge-2-Success Youth Development Program and collaborates with the Oakland Unified School District (OUSD) to serve students throughout the district. The agency is quick to respond to the needs of newcomer communities and fill gaps in services. The agency's core program is home-based tutoring for which the agency recruits, trains and screens community volunteers and then matches them with students for weekly home-based English language tutoring. Of the approximately 150 youth who have received home-based tutoring during the past two years, 96% have stayed in school; furthermore, 88% of our seniors in the East Bay receiving home-based tutoring graduated from high school.

Refugee Transitions formalized its partnership with OUSD in 2006 when the agency helped launch the District's Refugee & Asylee Student Assistance Program, which helps refugee/asylee students enroll in the school district, connect to services providers (like Refugee Transitions), access after school and home-based tutoring programs, learn about community resources, and complete Independent Educational Plans. In 2007 RT expanded its partnership to start an after school program at Oakland International High School--which is currently in its seventh year—and in 2012 expanded to start an after school program at Roosevelt Middle School.

Through funding from the Refugee & Asylee Student Assistance Program, RT has been able to expand its after school program at Roosevelt Middle School in order to serve over 30 refugee and asylee youth from Burma, Bhutan, Iraq as well as few asylees from Guatemala. The program has been very successful and will continue through the 2013-2014 academic year. Furthermore, RT secured funding Oakland Fund for Children and Youth to provide a family engagement program at Franklin Recreation Center serving newcomer families of youth attending Franklin, Garfield, Manzanita and other elementary schools as needed.

At Oakland International High School RT provides after school tutoring Monday through Thursday during the academic year. RT recruits, trains and supports adult volunteer tutors to help students with their homework and provide additional opportunities for youth to connect to caring adults and

practice English. In addition, RT also recruits, trains and supports peer tutors. The peer tutors are naturally compassionate, and have the ability to connect with the students in their native languages, which is critical to reaching students who have very limited English skills. Many of the students in the after school program do not have parents who can speak, read or write English fluently, and without the after school program, many of them would have no access to assistance with their homework or with test prep.

The program has been extremely successful in terms of numbers and outcomes. During the fall 2012-2013 semester, average attendance was 60 students per day. Despite the large and growing number of students, we are proud that we have been able to stay close to our target ratio of volunteer tutors to students, averaging 1 volunteer tutor to every 5 to 6 students.

Two of RT's programs provide leadership training to adults and youth in Oakland's refugee communities so that they can help their peers navigate life in the U.S. Through the RT Youth Leadership Program, refugee youth serve as "buddies" for newly-enrolled refugee students at their schools, helping new students navigate the school system and access services like free lunches and after school program enrollment. Students who are selected to be Refugee Youth leaders receive training, support, and a monthly stipend from RT.

At the beginning of each semester RT recruits, trains, supports and provides stipends to refugee and immigrant youth to serve as peer leaders/tutors in RT's Youth Leadership program and after school tutoring programs. The success rate of those participating in the program is impressive:

- 100% of youth leaders are on track to complete high school
- 100% of former youth leaders are enrolled in post-secondary institutions (both 2 year and 4 year colleges)

RT's Community Navigator (CN) Internship Program. CN's commit to a minimum of 6 months of work through the clients that RT assigns them to help. Through their trainings and work on behalf of their clients, CN's learn about and network with many local community-based organizations, learn case management and other vocational and administrative skills and provide interpretation. RT staff helps CNIs create resumes, practice interview skills, and search and apply for appropriate jobs. Over the past year, CNIs have been providing interpreting (in Nepali and Karen languages) for OUSD parent meetings. CNs receive a stipend as a token of appreciation for their work.

RT will ensure that accurate fiscal and management practices are undertaken as required by Oakland Unified School System (OUSD). In accordance with OUSD policy, RT ensures that all staff and volunteer tutors are screened before working at OIHS. The agency has systems in place for Department of Justice background checks and TB screenings for over 250 individuals per year. Staff also conducts one-on-one screening interviews with tutors to ensure that they are a good fit for the program.
