SUBJECT: Application for one (1) Provisional Internship Permit Single Subject Physical Education (PE)

ACTION REQUESTED

Approval by the Board of Education of Resolution No. 1314-0025- in support of one (1) application to the Commission on Teacher Credentialing recommending approval for one (1) Provisional Internship Permit Single Subject Physical Education (PE).

BACKGROUND

According to Title 5 Sections 80021-80021.1, the Provisional Internship Permit (PIP) was created in response to the phasing out of emergency permits and became effective on July 1, 2005. It allows an employing agency to hire an individual who has not yet met the subject matter competence requirement needed to enter an internship program. Prior to requesting a PIP, the employing agency must verify that a diligent search has been made, and a fully credentialed teacher cannot be found.

The PIP is only available at the request of an employing agency. Individuals may not apply directly to the Commission for this document. Holders of the PIP are restricted to service with the employing agency requesting the permit. An employing agency is defined as a California public school district, county office of education, nonpublic school, charter school, or statewide agency.

The PIP is available in the areas of Multiple Subject, Single Subject, and Education Specialist. Individuals who were issued four or fewer emergency permits may be issued three PIPs as long as the employer requirements have been met. Individuals who were issued five emergency permits do not qualify for the PIP.

The PIP will allow the candidate time to pass the subject matter competence requirement needed to enter an internship program.

DISCUSSION

The Board of Education, exercising the power of the Governing Board, may approve an application seeking a Provisional Internship Permit (PIP) from the Commission on Teacher Credentialing, as may be necessary for certain certificated employees of the District so they may work in the District for the 2013-2014 school year, as follows:

The current request is for one (1) Provisional Internship Permit. The permit will allow the candidate time to finalize credential requirements (completion of the Performance Assessment for California Teacher or PACT) for the 2013-2014 school year through an internship program.

- **Hugo Henriquez**, Provisional Internship Permit Single Subject Physical Education (PE), ROOTS International Academy, Grades 6-8

One (1) previous request for this applicant submitted by the Fremont Unified School District for a Provisional Internship Permit Single Subject Physical Education (PE) was approved by the California Commission on Teacher Credentialing (CCTC) on September 1, 2007. The permit expired on October 1, 2008. Per CCTC renewal requirements, the holder of the PIP must take all subject matter examinations appropriate to the credential during the valid period of the permit. Employing agencies may request a one-time only renewal of this permit if the holder took, but did not pass, all of the appropriate subject-matter examinations. Hugo Henriquez took the Physical Education (PE) subject-matter examination, the CSET, on May 17, 2008 but did not pass the examinations. Given this, Hugo Henriquez is eligible for a Physical Education (PE) PIP renewal and the District can apply for one (1) Provisional Internship Permit: Physical Education (PE).

FISCAL IMPACT

None.
