RE: Statement of Qualifications and Scope of Work

To Whom it May Concern,

Aspire Education Project (AEP) is a California nonprofit public benefit corporation working in service to Bay Area students, schools, and educators since 2005. We provide high-quality one-on-one tutoring on a sliding scale, after school tutoring programs, test prep classes (ACT, SAT, and others), and culminate our work each year with a volunteer literacy program in Oakland's public preschools called Community Reading Buddies (CRB). It is our mission to further educational equity in the Bay Area by providing the highest quality educational services to *all* students, regardless of availability to pay.

We have partnered with multiple Child Development Centers and Summer Schools in the Oakland Unified School District to provide one-to-one literacy instruction to preK - 3rd grade students with our Community Reading Buddies program. CRB runs for 8 weeks during the summer. Over 140 High school and junior high aged volunteers spend time reading with OUSD preschool students at partner sites, visiting their younger "buddies" twice per week for one-on-one work. Volunteers instruct the students in pre-literacy and school readiness skills.

CRB volunteers are carefully selected and thoroughly trained. They have appropriate training in best practices for reading with and developing literacy and oral language proficiency in young children . Interns who supervise the program have previous experience in tutoring, teaching, or mentoring preschool and/or school age students. Our volunteers and Interns work to create and maintain an atmosphere that promotes community connections among students. Volunteers also act as role models, demonstrating the excitement and importance of literacy and learning.
