Every day we eat and drink  
But we need to stop and think  
Should we have fries and soda  
What our body says is "not"  
We need fruits and vegetables  
To our bodies healthy and  
Make good choices when  
you eat

The Problem We Had  
were we when we  
were trying to  
tape the box  
the tape kept  
coming off.  
The way we fixed  
that was to  
hold it for  
50 seconds.
