Name	Role
Jen Koelling	Principal
Tyesha Day	Director of RTI and SPED
Stephen Cilono	8th grade humanities teacher
Brandee Stewart	Deputy Chief Leadership Development
Kaitlin Friedman	Coach

School Vision (insert here):

Our mission is to provide a superior public education to Oakland's most underserved children by creating a system of public schools that relentlessly focuses on our students' academic achievement. We believe that high quality instruction, and its continuous refinement, will lead to success for our students. When our students succeed, they will be prepared to make thoughtful and informed choices that will set them on a path for a successful life..

Education for Change Public Schools believes it is the right for *every* child to have access to a high-quality, 21st century education. Through our unique model, **we transform** neighborhood schools into high performing organizations for the children that are most dependent upon them and build strong secondary school options to ensure all children in the neighborhood have access to a powerful TK-12 pipeline to success in college and career. **We invest** in *strong partnerships* with dedicated parents and community organizations, allowing us to provide a full spectrum of education services to our students and their families. **We recruit and develop** the most *talented, passionate* teacher leaders who *collaborate* and *innovate* within their classrooms and across our

growing organization. **And we support** unique identity among our campuses, allowing each school to lead its own instructional program while promoting a culture of *consistently high expectations* and *accountability* that is central to our mission.

Education for Change Public Schools is committed to *improving* and *increasing outcomes* for our students, their families and the communities in which they live. Our children will become self-motivated learners, critical-thinkers and resilient leaders prepared for the academic and professional challenges that await them in life.

Middle School Measure G1 Self- Assessment:

Please insert score based on the completed Measure G1 Initial Self-Assessment. Site should engage Site Leadership Team (i.e. ILT) and Community (i.e. SSC, PTA/PTSA) in the self-assessment process using the self-assessment rubric and score their school prior to completing the Budget Justification and Narrative Section below.

Music (Rubric Score)	2016-17 (last yr)	2017-18 (this yr)	Art (Visual Arts, Theater, and Dance)	2016-17 (last yr)	2017-18 (this yr)

Budget Justification and Narrative

In the following sections, please review the self-assessment and discuss your team's plan to address the following:

The Goals of the Measure

- Increase access to courses in arts, music, and world languages in grades 6-8

- Improve student retention during the transition from elementary to middle school
- Create a more positive and safe middle school learning environment

1. You **MUST** describe the current programmatic narrative for **EACH** section of the budget narrative based on the Measure G1 Initial Self-assessment and data analysis. Please highlight what G1 specifically supported in the 2017-18 school year.
2. Please explain how you plan to use the Measure G1 funds to develop strategic changes that meet the goals of the measure and that will lead to improved student outcomes.
3. Add additional lines if you would like to add additional budget items.
4. All budget items should total up to the total grant amount based on projected enrollment for 2017-18.

1. Music Program

Programmatic Narrative Based on Rubric

Lazear does not have a music program. Lazear is in the middle of a significant construction project where over two years, EFC will build Lazear a new facility. In the short term, Lazear is severely restricted with respect to space for electives programming. It is currently housed in all portable buildings with one multipurpose space. As a STEAM school, Lazear offers both visual arts and design/engineering for all of its middle school students. At elementary, they have partnered with Bay Area Childrens Theater to provide theater and music for upper elementary students, and as a result, they utilize the one “stage” space in the multipurpose room daily. They are looking at how to bring music into the after school program. The school unfortunately has inadequate physical space to offer a music program for middle school students during the day at this time, so we are not seeking resources for music programming for 2018-19. No 17-18 G1 resources were utilized to fund music programming at Lazear.

Budget	Description of 2018-19 Proposed Expenditures	Anticipated Student Outcome <i>(Include measurable student outcomes for each proposed activity. For example, number of students served, or percent increase in math achievement for specific student group.)</i>
0	None	N/A

2. Art Program

Programmatic Narrative Based on Rubric

Lazear offers both a Visual Arts program and a technology-based Design/Engineering program. Lazear has a design class which students take in grades 6-8. In this class, students have the opportunity to learn CAD programming to create computerized models of prototypes they have created. At Lazear, they learn coding, robotics, and architecture leveraging the PLTW curriculum. We believe we have a fairly strong design/engineering program, well-equipped and staffed with a strong credentialed teacher. Lazear’s art program is K-8, taught by two visual arts teachers. No 17-18 G1 resources were utilized to fund music

programming at Lazear. We are not seeking resources for arts programming for 2018-19.

Budget	Description of 2018-19 Proposed Expenditures	Anticipated Student Outcome <i>(Include measurable student outcomes for each proposed activity. For example, number of students served, or percent increase in math achievement for specific student group.)</i>
0	None	N/A

3. World Language Program

Programmatic Narrative Based on Rubric

At Lazear, there is no formal world languages program. Lazear is a relatively new K-8 school, launched in 2012 grades K-6 and K-8 by 2014. When EFC converted Lazear, it was a struggling K-5 school, both under-enrolled and underperforming. While Lazear has made great strides and is accelerating outcomes, it continues to have many students underperforming. Therefore, Lazear has made a commitment to dedicate more time in their schedule to rigorous academic coursework. As a STEAM school, students receive design/engineering, science, math, art, social sciences, language arts and physical education. To ensure they make accelerated progress in ELA and Math, both content areas are given 75-90 minutes daily. While Lazear would love to provide a world languages program to our students, there is insufficient time in the master schedule to provide an adequate world languages program, provide quality and thorough programming in science, technology, and the arts, and accelerate outcomes in ELA and mathematics. We did not receive G1 dollars for world languages programming in 2017-18, and we are not seeking G1 dollars for world language programming for 2018-19.

Budget	Description of 2018-19 Proposed Expenditures	Anticipated Student Outcome <i>(Include measurable student outcomes for each proposed activity. For example, number of students served, or percent increase in math achievement for specific student group.)</i>
0	None	N/A

4. 5th to 6th Grade Enrollment Retention

Programmatic Narrative Based on Data Analysis

Lazear is a K-8 school, so enrollment retention is assumed.

Budget	Description of 2018-19 Proposed Expenditures	Anticipated Student Outcome <i>(Include measurable student outcomes for each proposed activity. For example, number of students served, or percent increase in math achievement for specific student group.)</i>
0	None	N/A

5. Safe and Positive School Culture

Programmatic Narrative Based on Data Analysis

This past year, Lazear invested in a position that focused on school culture systems - managing multi-tiered systems of support, student culture and discipline systems, PBIS training and implementation, and addressing trauma-informed practices. Measure G1 resourced .25 FTE of this position. We found other resources to fund the remaining .25 FTE of this position. As a result of this investment, Lazear's suspension rate went from an unacceptable 7% to 1.4% and chronic absenteeism went from 16% to 6.7%, going from the highest at Education for Change to the lowest. Office referrals are down 50% to 9% of students. We believe that this investment facilitated a strong lead and execution of a culture plan that has yielded incredible results. Lazear would like to use 2018-19 Measure G1 funds to continue to resource .24 of a .5 FTE position that will coordinate the Multi-Tiered System of Supports at Lazear, lead Positive Behavioral Interventions Systems (PBIS), train teachers in Restorative Justice and trauma-informed practice, and lead family support to ensure strong systems and procedures are developed to at tiers 1, 2 and 3 for middle school youth. This individual would also assume responsibility for the design and implementation of an advisory structure, enabling greater personal safety for students and a stronger sense of community and belonging. Specifically, the position would:

- Leads the development of a Coordination of Services Team (COST)
- Leads the team in creating a uniform, comprehensive referral form for use by teachers as well as thresholds for initiation and termination of services with the use of multiple data systems to track service delivery and monitor student progress
- Addresses schoolwide academic, behavioral, and social-emotional data to determine priorities, establish thresholds for different levels of intervention, and align resources to needs
- Coordinates cross-system collaboration that streamlines services for these children and their families
- Leverages existing relationships with child welfare, county mental health, and probation
- Realigns resources to support trauma-informed schoolwide services that successfully address the academic, social-emotional, and behavioral needs of all students in the community, including students with disabilities
- Leads training and coaching on trauma-informed school-wide social emotional curriculum, conflict resolution strategies, and/or bullying prevention policies and procedures, Restorative Justice practices
- Monitors fidelity to the identified SEL curricula and assessments by regularly observing classrooms and helping to establish systems to track classroom data

- Implements universal screening procedures that identify students early who are struggling academically and/or facing non-academic barriers to school success.
- Facilitates the formation of an SWPBS team of approximately 6 to 10 key stakeholders who lead the PBIS implementation

Budget	Description of 2018-19 Proposed Expenditures	Anticipated Student Outcome <i>(Include measurable student outcomes for each proposed activity. For example, number of students served, or percent increase in math achievement for specific student group.)</i>
\$27,591	.24 FTE of a position (the middle school portion) at Lazear that focuses on PBIS, MTSS, trauma-informed practices, RJ, bullying	<ul style="list-style-type: none"> ● Increase in student experience/ engagement/ safety at school from 3.6 to 4.0 on SCAI survey ● Greater alignment in service delivery and support of services to struggling students as evidenced by a suspension rate to <3% and a chronic absenteeism rate <8%. ● Maintain an office referral rate of <7%
Up to \$59,478	Up to .5 FTE of the above position should the allocation be higher for any reason	Same as above

Please submit your 2018-19 Measure G1 application to Mark Triplett (mark.triplett@ousd.org) and Linda Pulido-Esquivel (linda.esquivel@ousd.org).

Lazear Family Leadership Council

3.13.18 Minutes

Principal Koelling reviews the agenda for the day.

She clarifies that the meeting will focus on site planning and getting family feedback on priorities for 18-19 and for Measure G1 investments

She reviews the purpose of site planning and the site planning timeline.

She shares the high level KPI data - Lazear is killing it! And hitting all of their KPI targets. We are particularly proud of the SBAC interim performance in math and ELA and in the on-track to reading at 3rd grade data.

She asks parents to take a minute to review the K-3 ELA slides. In trios, parents discuss what they notice and what questions they have.

Notice:

- Kinder data is really strong.
- A lot of growth from last year
- Progress from 1st through 3rd
- Feels like Tk-1 literacy win is paying off in kinder

Wonder:

- While 1st has grown, it still lags behind the other grades. Why?
- What else can parents do to make even more growth?

She asks parents to take a minute to review the 3-8 ELA slides. In trios, parents discuss what they notice and what questions they have.

Notice:

- 8th grade is the strongest. How does Mr Cilono help the other middle school teachers?
- 4th grade looks particularly weak
- 8th graders are making so much growth...

Wonder:

- If so many kids are doing well in kinder, will it hold until these upper grades?
- There is steady growth until 4th and 6th - why?

She asks parents to take a minute to review the 3-8 Math slides. In trios, parents discuss what they notice and what questions they have.

Notice:

- Math is much weaker than ELA
- There isn't much growth over the years

Wonder:

- Should we consider a different approach?

- How has departmentalizing helped?

In trios, parents are asked to talk about what Lazear should focus on. Parents report concerns around math coaching and math instruction. They want to continue to focus on Tk-2 literacy because they think that might help in the long run in the upper grades.

Jen shares the purpose of Measure G1 funds - what it funds and what it doesn't. She shares that this year, Measure G1 funded .25 FTE of Tye who lead the work around their interventions systems, their culture systems, their behavioral support systems, and support the students most at need. Jen then shares the rubrics for assessing Lazear's music, arts, and world languages programs and how the leadership team scored Lazear this year and last year.

She shares the data around school culture. Parents message being impressed by the improvements in suspension data and chronic absenteeism. They report the school feels better for them as well as the kids.

In groups of 5, families are asked to talk about the discussion prompts specific to what Lazear should focus on and what they should prioritize Measure G1 funds for.

The three groups share out -

Group 1: Lazear needs to prioritize math instruction. For G1, we should continue to have Ty. She has been great and the data shows that.

Group 2: We agree with group 1. Math is a priority. And for G1, they also support Ty's work and see how much the culture has improved.

Group 3: Lazear should continue with Tk-2 literacy as this focus is turning into little kids who can read. Also, for G1, they support continuing to invest in Ty to ensure that work continues. But can we also consider integrating music into the after school program?

Site Planning for 2018-19

Planificación Escolar para 2018-19

Agenda/ Orden Del Dia

- Purpose of Site planning
 - Process of Site planning
 - Looking at Academic Data
 - Needs Assessment Input
 - Discuss what Measure G1 does and could resource
- Propósito de la planificación del Sitio
 - Proceso de planificación del Sitio
 - Reviso de datos de clima y cultura de escuela
 - Ayuda con la Evaluación de Necesidades
 - Discutir lo que la Medida G1 hace y podría ser un recurso

+ Purpose of Site Planning

Propósito de la planificación del sitio

What we will do together:

- Understand the vision of Lazear
- Ensure stakeholders understand:
 - Academic data
 - Climate and Culture data
 - Site budget
 - Focus moving forward

Lo que vamos a hacer juntos:

- Comprender la visión de Lazear
- Asegurarnos de que todos los interesados tengan una comprensión de:
 - Datos de clima y cultura
 - Datos académicos
 - El presupuesto de la escuela
 - el enfoque para el año que viene

Site Planning Process - Phase 1 (Families)

Proceso de Planificación del Sitio - Fase 1

Stakeholder engagement sessions

FLC meeting #1 - March 13th

- Review Climate/Climate and Academic Data
- Discuss Measure G1

■ FLC meeting #2 - March 27th

- Review budget and staffing plan, priorities for Measure G1 and LCAP

■ FLC meeting #3- April

- Develop family engagement plan for 18-19

■ FLC meeting #4 - May

- Final review of LCAP and budget

Sesiones de participación de las partes interesadas

■ Reunión del FLC # 1 - 13 de Marzo

- Datos de Cultura y Ambiente v Datos Académicos
- Discutir la Medida G1

■ Reunión del FLC # 2 - 27th de Marzo

- Repaso del presupuesto y el plan de personal, prioridades para Measure G1 y LCAP

■ Reunión del FLC #3- April

- Desarrollar un plan de participación familiar para 18-19

■ Reunión del FLC #4- May

- Repaso final del LCAP y presupuesto

Engagement Session #1

Participación Sesión # 1

+ Discussion & Notes

Discusión y Notas

Prompts:

- Looking at the data, what should Lazear focus on?

Indicaciones:

- En cuanto a los datos, ¿en qué debería centrarse Lazear?

What does Lazear invest in?

¿En qué invierte Lazear?

- Additional administrators
- Additional teacher coaching
- Additional Operations staff
- Additional Counseling
- Intervention
 - TK/K
 - 1st-4th
- Blended Programs
- Electives (PE and Art)
- Summer School
- Technology

- Administradores adicionales
- Entrenamiento de maestros
- Entranamiento de maestros nuevos (Medida G1)
- Personal de operaciones extra
- Guías
- Consejeros
- Intervenciones de lectura
- Electivas (PE y Diseño)
- Escuela en verano
- Tecnológica

MEASURE G1 FUNDS

Fondas de Medida G1

The Goals of the Measure

- Increase access to courses in arts, music, and world languages in grades 6-8
- Improve student retention during the transition from elementary to middle school
- Create a more positive and safe middle school learning environment

● **Los objetivos de la medida**

- Aumentar el acceso a cursos de artes, música e idiomas del mundo en los grados 6-8
- Mejorar la retención de los estudiantes durante la transición de la escuela primaria a la secundaria
- Crear un ambiente de aprendizaje de escuela intermedia más positivo y seguro

+ Discussion & Notes

Discusión y Notas

Prompts:

- What investments impact reading and math growth at Lazear?
- What investments help us maintain a positive school culture?
- Where should the school focus its resources?
- **Was the Measure G1 investment in school culture impactful?**
- **Should we continue with support of culture and MTSS or consider arts or world languages programming for G1?**

Indicaciones:

- ¿Qué inversiones afectan el crecimiento de lectura y matemáticas en Epic?
- ¿Qué inversiones nos ayudan a mantener una cultura escolar positiva?
- ¿Dónde debería la escuela enfocar sus recursos?
- **¿Fue efectiva la inversión de la Medida G1 en nuevos entrenadores docentes?**
- **¿Deberíamos continuar con un nuevo entrenamiento de maestros o considerar artes o idiomas del mundo para G1?**
