**Office of the Superintendent**

June 27, 2012

**To:** Board of Education

**From:** Tony Smith, Superintendent  
Maria Santos, Deputy Superintendent  
Susana Ramirez Director, State and Federal Compliance

**Re:** 2012/2013 CSSSP – International Community Elementary School

**Action Requested:**

The Board of Education is requested to approve the 2012-2013 Community Schools Strategic Site Plan for Student Achievement for International Community Elementary School.

**Background:**

In accordance with Education Code 64001, the Single Plan for Student Achievement shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the Consolidated Application, by the school council. The plans shall also be annually reviewed and approved by the governing board of the local education agency at a regularly scheduled meeting. The purpose of the Single Plan for Student Achievement is to coordinate all educational services at the school. The site plan shall address how funds provided to the school will be used to improve the academic performance of all pupils to the level of the performance goals, as established by the Academic Performance Index. (API).

**Discussion:**

The Single Plan for Student Achievement builds on a premise that students are capable of learning with effective instruction, includes school goals aligned with activities, provides analysis of student performance data, focuses on student achievement and academic intervention, implements high leverage school improvement actions, directs resources where they will most directly improve student achievement, ensures that all resources are aligned to serve identified student needs, and identifies parent involvement activities associated to student success.

**Fiscal Impact:**

The Programs listed below are reported in the Consolidated Application and allocated to school sites through the Single Plan for Student Achievement.

**State Programs**

- Economic Impact Aid/School Compensatory Education
- Economic Impact Aid/Limited English Proficient
- Quality Education Improvement Act (QEIA)
- School Improvement Grant (SIG)

**Federal Programs**

- Title I, Part A

**Recommendation:**

The Board of Education is requested to approve the 2012-2013 Community Strategic Site Plan application for International Community Elementary School.

## COMMUNITY SCHOOLS STRATEGIC SITE PLAN

### Superintendent's Letter

Our efforts in the Oakland Unified School District (OUSD) are now clearly focused on serving all of our children in every neighborhood by providing high quality community schools where children, adults, and community thrive. We are committed to creating and sustaining a district of community schools capable of supporting the unique needs of each child while creating caring school communities that link every Oakland Neighborhood. We believe that each child in Oakland must be ready to succeed in college and careers that lead them to healthy and happy lives.

It is with these beliefs that we engage in creating a Full Service Community School District filled with Full Service Community Schools, in which schools act as resource and service hubs that connect with local partners to help build healthy and vibrant schools and communities.

In this spirit, we are launching a new Community Schools Strategic Site Plan. The Community School (CS) Strategic Site Plan is closely aligned with the larger organizational strategic plan, *Community Schools, Thriving Students*. In addition to satisfying compliance requirements and guiding the allocation of categorical funds, the CS Strategic Site Plan will be a multi-year road map for each school to become actualized as a Full Service Community School. This new school site plan has been developed by a team of cross-departmental leaders in OUSD under the advisement of principals and community leaders. All school communities will complete the CS Strategic Site Plan in 2011-2012 to contribute to the development of site priorities for the 2012-2015 school years.

The CS Strategic Site Plan will continue to be annually approved by School Site Councils and the OUSD Board of Directors.

To lead these efforts, each site will create a Community School Leadership Team, whose body will incorporate members of each site's School Site Council (including the principal, parents, teachers, staff), and in secondary schools, the team will also include a student member. Additionally, each school will recruit their afterschool partner, as well as another key community partner, to become members of the Community School Leadership Team. This leadership team will drive the development of the CS Strategic Site Plan for their school and will be supported through a collaborative engagement process. In addition to existing School Site Council meetings, the Community School Leadership Teams will attend district-wide retreat days and collaboratively engage the broader community.

We are excited about supporting every school community to collaborate in service of building Full Service Community Schools across Oakland. As leaders of a Full Service Community District, we are committed to providing the conditions for this critical work to happen. I thank you for your engagement, leadership, and commitment to supporting the development of community schools and thriving students across Oakland.

## COMMUNITY SCHOOLS STRATEGIC SITE PLAN

### Context & Vision

#### OUSD

**VISION:** All students will graduate from high school. As a result, they are caring, competent and critical thinkers, fully-informed, engaged and contributing citizens and prepare to succeed in college and career.

**MISSION:** Oakland Unified School District is becoming a Full Service Community District that serves the whole child, eliminates inequity, and provides each child with excellent teachers for every day.

#### **GOAL AREAS:**

Every student in the Oakland Unified School District will:

- Attend a SAFE, HEALTHY, and SUPPORTIVE SCHOOL - Oakland will become a full-service community district that will collaborate with civic and community partners to reduce violence in the community and schools thereby creating secure campuses where a culture of calm prevails.
- Learn the knowledge, skills, and abilities to be PREPARED for SUCCESS in COLLEGE and CAREERS when they graduate from high school, to ensure that they can read, write, speak, think critically and reason mathematically for post-secondary success.
- Have HIGH QUALITY and EFFECTIVE INSTRUCTION with excellent teachers for every day of the school year.

The Oakland Unified School District will:

- Become a FULL SERVICE COMMUNITY DISTRICT that is in service of and fully supporting the success of community schools and thriving students.
- Be ACCOUNTABLE for HIGH QUALITY for its schools and in its work across the organization.

#### SCHOOL SITE

##### CONTEXT

History: Opened in September of 2001, International Community School (ICS) was designed by parents, teachers, and community members from Hawthorne Year-Round Elementary School in East Oakland. The impetus in coming together to redesign their students' education stemmed from a desire to address the social inequities experienced at their overcrowded, multi-track school of over 1300 students and to create a school where students' potential would be realized through rigorous and personalized academics. The school was one of the first five "new small autonomous" schools opened in the Oakland school district. International Community School remains guided by its mission to improve opportunities for students in Kindergarten through 5th grades through academically challenging and culturally responsive learning. The school was designed to support students and families in an embracing community where strong relationships are essential. Children's talents are nurtured and celebrated; the community feels a sense of ownership of the school; and parents are encouraged, in a variety of ways to actively participate in their child's education and assume leadership roles within the school.

##### VISION

At ICS we believe that high levels of learning are achieved by providing every child with rigorous academic instruction in the context of an embracing community where parents are allies. We are committed to developing students who are engaged, creative, critical thinkers and empathetic leaders willing to take action to impact positive change in their school, community, and the world.

## Accountable for Quality: Ensuring Thriving Students and Healthy Communities

### Strategic Priority: The Accountability Plan

In June 2011, the OUSD Board of Education adopted our School Quality Standards. These standards include outcome standards that define for OUSD what "good" performance is. These are the standards we use to measure the extent to which our schools are ensuring that all of our students are thriving and likely to contribute to the health of our communities.

1. A quality school sets and achieves clear and measurable program goals and student learning objectives.
2. All students demonstrate progress on academic and social goals each year and across years.
3. All students achieve at similarly high rates and any gaps in achievement are substantially narrowing.
4. All students achieve at levels that compare positively with state and national averages and with similar schools.
5. All students demonstrate critical thinking skills and apply those skills towards solving complex tasks.
6. All students demonstrate skills in and knowledge of the arts and literature.
7. All students demonstrate an ability to understand and interact with people from different backgrounds.
8. All students achieve and maintain satisfactory physical health including diet, nutrition, exercise, and rest.
9. All students demonstrate the attributes and skills of emotional health and well-being.
10. All students demonstrate the skills, knowledge, and dispositions needed in the world of work.
11. All students demonstrate the skills, knowledge, and dispositions of engaged citizens.

OUSD schools will use these outcome standards to define and assess how they are developing toward quality Full Service Community Schools. School-level goals and metrics in the following sections should explicitly refer to these outcomes standards.

#### The School Accountability Plan

For Academic Development, the Instructional Leadership Team reviews - CST - District benchmarks: ELA, Math, SRI, PWA 4-5. - local measurements: DRA, ADEPT, PWA K-3. - Attendance - Academic partnerships The Culture, Climate and Events Committee reviews: - CHKS survey - Parent anecdotal feedback. - Custodial feedback forms. - Attendance - Community Partnerships The Faculty Council reviews working conditions in anecdotal observations and staff surveying. The Staff, the SSC, the ELAC and the Classroom Parent Leader Network review: - Academic data - Attendance - CHKS survey. - Language Census

## School Quality Indicator 1: Quality Learning Experiences for All Students

### Strategic Priority A. Balanced Literacy & Literacy Across the Curriculum

**School:** International Comm. Elementary

**Principal:** EDUARDO MUNOZ MUNOZ

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- provides students with curriculum that is meaningful and challenging to them
- ensures that students know what they're learning, why they're learning it and how it can be applied
- ensures that all teaching is grounded in a clear, shared set of beliefs about how students learn best.
- provides and ensures equitable access to curriculum and courses that prepare all students for college

#### From OUSD Strategic Plan:

We want OUSD students to read, write, speak, and think critically for success in college and careers. We want Oakland students to relish reading, writing, and speaking and to become joyful, as well as competent, around literacy. To reach that goal, we need to develop a clear and common OUSD Literacy Framework. The beginning of our work will ensure that we assess reading levels of all students across the system. Additionally, we will approach literacy from a Response to Intervention Framework, ensuring that students have access to high-quality instruction and that higher tiers of support are provided when needed. OUSD must develop a PreK-12 core curriculum aligned to college and career ready standards and to the Common Core State Standards as they develop.

#### District-level Goals

1. Reach double digit growth, as measured by CST, for all students- with a focus on historically underserved students.
2. Move CST FBB students to Basic in one year (in two years for MS and HS)
3. Move/maintain CST Proficient and Advanced students
4. Accelerate reading by 1.5 additional grade levels for 3rd through 5th graders as measure by SRI to reach grade level standard (2 additional grade levels starting with 6th graders for MS, 3 additional grade levels starting with 9th graders for HS)
5. Student use of academic language and engagement with grade level content aligned to the Common Core Sate Standard will be increased from fall to spring as evidenced by principal observations.

#### School Federal and State Academic Achievement Goals:

School goal is to meet or surpass all Title I Part A Adequate Yearly Progress and California Department of Education Academic Performance Index targets.

**School Data**

- ELA in 2011-2012 25% to 39% in the second benchmark in At Bench/Adv. (2nd to 5th)
- API moved from 770 to 741 in 2011.

**Data Analysis**

- Our school's API and AYP has always been determined by our high EL population (75% approx).
- In 2010-2011 our API decreased 29 points, which is a call to redouble our efforts in rigorous first instruction and school alignment to avoid cohort predictability.
- Our scores in ELA during 2011-2012 have increased since the first benchmark.
- Our school has developed streamlined schedules with minimum minutes to ensure equitable access to ELA instruction and alignment.

**Theory Action**

- A response to the needs of Academic Language Learners both in SEI and bilingual contexts.
- In bilingual classrooms our approach is additive bilingualism with a strong foundation in L1.
- Our ELD and AED instruction is the foundation/onramp into high levels of literacy for all.
- We are developing integration of literacy across the content areas with a focus on science, growing in our capacity to use appropriate scaffolds.
- The development of early literacy bears strong correlation with future success so we pay special attention to K/1 literacy levels and interventions.

## School Quality Indicator 1: Quality Learning Experiences for All Students

### Strategic Priority B. Science, Technology, Engineering, Mathematics (STEM)

School: International Comm. Elementary

Principal: EDUARDO MUNOZ MUNOZ

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- provides students with curriculum that is meaningful and challenging to them
- ensures that students know what they're learning, why they're learning it and how it can be applied
- ensures that all teaching is grounded in a clear, shared set of beliefs about how students learn best.
- provides and ensures equitable access to curriculum and courses that prepare all students for college

#### From OUSD Strategic Plan:

In the past three years, students exhibited steady achievement gains in science and mathematics. More elementary teachers have scheduled science and math instruction into students' school day and are using the district-adopted materials with integrity. While we celebrate the academic gains in science and mathematics, we also recognize their inadequacy and unevenness when we delve deeper into the results for various student populations (e.g., African-American, Latino, English Language Learners), grade spans (middle and high school students) and schools. We are committed to accelerating science and mathematics gains and supporting robust teaching and learning. We plan not only to dramatically improve science and mathematics learning but also to create a deep understanding of Science, Technology, Engineering and Mathematics (STEM) careers and opportunities for linked learning, both in school and the workforce.

#### District-level Goals

1. Reach double digit growth, as measured by CST, for all students- with a focus on historically underserved students.
2. Move CST FBB students to Basic in one year.
3. Move/maintain CST Proficient and Advanced students
4. Increase by 10% the number of proficient and advanced students in CST science and by 15% English Language Learners and African American Males

#### School Federal and State Academic Achievement Goals:

School goal is to meet or surpass all Title I Part A Adequate Yearly Progress and California Department of Education Academic Performance Index targets.

#### School Data

- Math progress in 2011-2012:
- Science progress in 2012:

#### Data Analysis

- Our school needs to align its practices in Math to increase learning and performance in standardized tests.
- Our staff needs to engage in a deep conversation about aligning instruction and reinforcing basic skills such as basic facts.
- Our school is a science focus school with a coaching plan that aspires at 100% teacher engagement in science instruction.
- Our school has participated in more than three PD experiences in 2011-2012 to develop literacy integration in science.
- In an internal survey, teachers reported substantial to high interest in focusing on science as a need for our students.

#### Theory Action

- ICS is committed to develop a unified approach to Math teaching in preparation for the Common Core Standards.
- Our ILT reviews and Math teacher leaders review practice to design PD experiences.
- Our school is committed to a minimum average of 75minutes of Math instruction per day.
- Our school is a science focus school with science taught in English in SEI and Spanish K-5 in the bilingual program.
- Our ILT and staff are committed to develop the minimum science instructional minutes approved by the BOE.

## School Quality Indicator 1: Quality Learning Experiences for All Students

### Strategic Priority C. Transitions & Pathways PreK-12

School: International Comm. Elementary

Principal: EDUARDO MUNOZ MUNOZ

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- provides students with curriculum that is meaningful and challenging to them
- provides and ensures equitable access to curriculum and courses that prepare all students for college
- provides opportunities for students to learn career-related skills and to develop 21st century work habits.

#### From OUSD Strategic Plan:

Too many of OUSD's schools work in isolation and focus little attention on where students have been and where they are going. Early childhood programs need to be aligned to the K-5 continuum and expanded to serve more students. Principals at K-5 schools with early childhood programs will supervise the programs and help to integrate them into the school culture. We must develop transitional kindergarten programming to include curriculum and professional development. College and career readiness doesn't begin in high school. In OUSD, the elementary and middle school academic core must be aligned to what students must know, understand, and be able to do to succeed in college-preparatory courses in high school. Elementary and middle school communities in regions will collaborate to share best practices and to develop robust feeder options. Building on existing programs, OUSD will also seek additional funds to develop a comprehensive "Career Pathways" approach to preparing our young people to be successful in college and careers. In order to attract and hold students and families, we will use the FSCS model to create corridors, networking Pre-K through 12 schools in targeted areas in new and innovative ways.

#### Data Analysis

- About 80% of our K students have experienced previous formal-semiformal preschooling.
- There is a clear gap between students who attended Prek and those who did not in social and literacy skills.
- Teachers report satisfaction in preK-K collaboration experiences such as peer-observation.

#### Theory Action

- ICS believes in the need for a coordinated effort to accelerate learning before Kindergarten.
- ICS believes that a unified pedagogical approach and mutual enrichment between PreK- and K teachers has an impact in learning.

- ICS believes that our regional PreK-8 structure emphasizes the existing need to reinforce communication and common strategies.

## School Quality Indicator 1: Quality Learning Experiences for All Students

### Strategic Priority D. College, Career & Workforce

School: International Comm. Elementary

Principal: EDUARDO MUNOZ MUNOZ

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- provides students with curriculum that is meaningful and challenging to them
- ensures that students know what they're learning, why they're learning it and how it can be applied
- provides and ensures equitable access to curriculum and courses that prepare all students for college
- provides opportunities for students to learn career-related skills and to develop 21st century work habits.

#### From OUSD Strategic Plan:

In order to make sure that more students graduate, and our graduates are ready for college and career, OUSD will make a significant investment in strategies, structures, and resources to implement core elements of the secondary reform. Career pathways will connect strong academics, Career Technical Education (CTE), work-based learning experiences and support services so that students are prepared for college and career success within the context of a specific, high demand industry sector. Building on the number of career pathways that exist in high schools now, we will increase the number of well-developed and effectively-implemented pathways, which include certificates linked to occupations. OUSD's "Career Pathways" approach will lead to a full range of postsecondary and career opportunities and keep all options open after high school.

1. Combined 4- & 5- year graduation rate will increase by 10%- with graduation rate based on 9th grade enrollment (HS only)
2. Increase by 15% the number of African-American Males and Latino Males who pass CAHSEE on the first attempt (HS only)
3. 80% of the ninth graders will complete 60 credits (HS only)

#### Data Analysis

- Our students have a clear determination to go to college as shown by survey.
- Our bilingual students and families commit to bilingualism with a clear vision of the advantages in their careers.

#### Theory Action

- ICS develops a rigorous curriculum with a view to satisfy the increasing demands placed by society on our students.
- ICS commitment to developing Academic language and science skills is rooted in our vision for our students prospects and careers.

## School Quality Indicator 1: Quality Learning Experiences for All Students

### Strategic Priority E. Accelerating Students through Targeted Approaches\* (Collaborative Teacher Inquiry/African American Male Achievement/Academic Language & Literacy/Focal 15/English Learners/Students with Disabilities/GATE)

**School:** International Comm. Elementary

**Principal:** EDUARDO MUNOZ MUNOZ

**School Quality Standards relevant to this Strategic Priority**

A quality school...

- provides academic intervention and broader enrichment supports before, during, and after school

**From OUSD Strategic Plan:**

We need to close the achievement gap through targeted approaches, focusing on literacy development, African American Male Achievement, targeted inquiry, English Language Learners, Students with Disabilities, and Programs for Exceptional Children. The patterns of academic performance we see in our district, schools, and classrooms are evidence of a system that is horribly inadequate. We need to differentiate supports and strategies in order to accelerate achievement and address the disparities in educational and social outcomes for populations of students.

1. Increase the number of African American Male students on the honor roll by 15%

**School Data**

- Our EL group is the most numerous and our AYP reflects the need for support, particularly in ELA.

**Data Analysis**

- Intervention needs to be in place early with a preventive, not purely remedial approach.
- A concerted plan for GATE students needs to be developed by the ILT.
- SSTs need to be consistent and the prioritization process defined.
- Focal students approach requires consistency beyond one year implementation.

**Theory Action**

- ICS believes in the growth and development of all students regardless of their starting point with limitless potential.
- Our action plan is heavily based on access to the core curriculum strategies for all ELLs and Academic language learners.
- The targeted approach of specific students with common traits outside of the sphere of success is an important strategy for school and professional growth.

## School Quality Indicator 1: Quality Learning Experiences for All Students

### Strategic Priority F. Extending Learning Time

School: International Comm. Elementary

Principal: EDUARDO MUNOZ MUNOZ

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- provides academic intervention and broader enrichment supports before, during, and after school

#### From OUSD Strategic Plan:

We want each student to attend a school that offers a comprehensive and integrated approach to education in which the school acts as a hub of partnerships that organizes the resources within the community. We need to build extended learning opportunities whereby the school and community work together to break down barriers to learning and foster true, authentic collaborations in service of thriving students. We envision a system in which schools extend beyond the traditional school day ? offering students and families learning opportunities before and after school, on weekends, and during the summer.

#### School Data

- 110 students have been served in the After School Program in 2011-2012.
- Our population grew from 305 to 342, without ASP spots increase.

#### Data Analysis

- The ASP has started to develop structures for more rigorous academic components during its service hours.
- The administration has developed an Academic Liaison Model that has increased opportunities for professional development.
- There needs to be more alignment between regular day activities and ASP, with a common literacy and science lens.
- Discipline levels and program suspension levels have been maintained as compared to previous years and it is similar to day school levels.
- The ASP needs to work on a consistent data and discipline system across programs, providers and connected to school-wide policies.

#### Theory Action

- ICS' ASP has as a priority the service to students who are struggling academically.
- ICS' ASP participates in the school's mission and educates the whole child with multiple learning experiences.
- ICS' ASP is committed to increasing learning opportunities and academic rigor.
- ICS' ASP is a coalition of providers under a lead agency sharing common values and clear organizational processes to ensure efficiency across the board.

## School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

### Strategic Priority A. School Culture (including Meaningful Student Engagement)

School: International Comm. Elementary

Principal: EDUARDO MUNOZ MUNOZ

**School Quality Standards relevant to this Strategic Priority**

A quality school...

1. is a safe and healthy center of the community, open to community use before, during, and after the school day.
2. offers a coordinated and integrated system of academic and learning support services, provided by adults and youth.
3. identifies at-risk students and intervenes early, to help students and their parents develop concrete plans for the future.
4. creates an inclusive, welcoming and caring community, fostering communication that values individual/cultural differences.
5. defines learning standards for social and emotional development and implements strategies to teach those standards

**From OUSD Strategic Plan:**

Full Service Community Schools create a safe and supportive environment where students can thrive academically, socially, and emotionally. Schools offer a comprehensive and integrated approach to education that is founded on caring relationships and high expectations. Healthy school cultures include preventative, early intervention, and intensive services and supports accessible to all students. School-wide positive behavioral and academic supports are augmented by Tier 2 targeted intervention and Tier 3 individualized supports, which are monitored and coordinated through COST and SST. Schools create professional learning structures to support adults to learn the science and practice of teaching Social Emotional Learning (SEL) skills to increase the capacities of students to manage emotions, develop empathy and concern for others, establish positive relationships, make responsible decisions, and handle challenging situations effectively. A thriving school culture also encourages student leadership and motivational programs, such as expanded celebrations of student achievements.

**District-level Goals**

- Reduce Disciplinary Hearing Process referrals by 20%

**School Data**

- we have had 3 suspensions in 2011-2012 so far, with one student receiving two.
- Office referrals have decreased over the course of 2011-2012 to an average of 6 weekly.

**Data Analysis**

- Our school needs to develop a comprehensive discipline that codifies existing habits to refer students to the office (Restorative justice).
- The students sent to the office are often the same, so we need to develop further strategies to address this.
- Student engagement is also shown by increase in attendance percentage.
- The number of SSTs for behavior referrals is 1/3 of the total number of referrals.

**Theory Action**

- Our school is committed

## School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

### Strategic Priority B. Health & Wellness

School: International Comm. Elementary

Principal: EDUARDO MUNOZ MUNOZ

#### School Quality Standards relevant to this Strategic Priority

A quality school...

1. offers a coordinated and integrated system of academic and learning support services, provided by adults and youth.
2. ensures that the physical environment of classrooms and the broader school campus supports teaching and learning.

#### From OUSD Strategic Plan:

A Full Service Community School serves the needs of the whole child, providing a range of Health & Wellness programs and services along a continuum from prevention to intervention. OUSD's Wellness Policy provides a framework for creating a physically healthy school environment where students have access to nutritious food, free drinking water, opportunities to be physically active and good indoor air quality. Quality physical education is provided for the required amount of time to all students. In addition, students' health and mental health needs are met on-site or through a robust referral system that connects students and families to community providers. A FSCS also provides health education (e.g., nutrition, gardening, reproductive health) and social-emotional learning (SEL) that is aligned with and supports the core curriculum. Families are engaged around supporting their children's health as well as their own. Staff wellness is seen as integral and is actively fostered.

**School Data**

- School provides counselling program one day a week with counselling interns coordinated by a social worker.
- In 2011-2012 teachers have specified the number of minutes devoted to PE in their schedules.

**Data Analysis**

- The percentage of students with healthy-body composition is lower than district.
- Our percentage of students in contact with alcohol is higher than district, given than the overall percentage of responders is lower at ICS.
- Higher percentage of students eats free-reduced lunch, but informal observations and parent contact show discomfort with food served.
- Our school had to decrease our resources for counselling/mental health due to budget cuts in 2011-2102, which impacted service.

**Theory Action**

- Wellness and health are essential components of the whole education that ICS pursues in its mission statement.
- We strongly believe that we need to provide health conditions for effective learning to take place, so we devote resources to counselling and coordination of services.
- Our school devotes resources above average to ensure safety in the yard and the building in on-instructional minutes.

- ICS signature partnership with MOSAIC takes this experience's values to guide assemblies and school discussions.
- As a Caring School Community pilot school, ICS strives to create healthy and balanced relationships among community members.

## School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

### Strategic Priority C. Interrupting Chronic Absence (Attendance)

School: International Comm. Elementary

Principal: EDUARDO MUNOZ MUNOZ

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- offers a coordinated and integrated system of academic and learning support services, provided by adults and youth
- identifies at-risk students and intervenes early, to help students and their parents develop concrete plans for the future

#### From OUSD Strategic Plan:

Full Service Community Schools support attendance improvements as part of transforming educational outcomes for students. Chronic absence, defined as missing 10% or more school days for any reason, is a key indicator and area of focus in Full Service Community Schools. Chronic absence, which impacts one in seven Oakland students, is correlated with lowered reading outcomes and graduation rates. If our system begins addressing chronic absence at the Pre-K and K levels, we would see marked differences in student learning by 3rd grade.

1. Reduce Chronic Absence (students missing 10% or more of the school year) to 5% or less
2. Increase Satisfactory Attendance (percentage of students attending 95% or more of school days) to 85%
3. Interrupt patterns of chronic absences and suspensions to reach a 98% attendance rate (ADA)

**School Data**

- In 2011-2012 school is averaging 97.43% as of March 2012.
- Compared to 2010-2011, our chronic absentees have lowered from 30 to 16.

**Data Analysis**

- Our attendance has improved in the current year, but we still need to work to achieve our 98% goal and beyond.
- Data has been discussed with all community stakeholders, which has raised the level of awareness (possible partial root cause)
- Incentive programs have proven successful, with an emphasis on lower elementary.
- There seems to be a correlation between the SEI program and higher absenteeism.

**Theory Action**

- Our school believes that in order to learn you have to be continuously present, and to be present, you need to be engaged with clear goals.
- Satisfactory attendance and reduction of chronic absences is a concerted effort by all community stakeholders.
- Expectations need to be communicated from the beginning and shared by all, parents, students and professionals.
- Positive attendance is a clear predictor and correlates with future academic success.

## School Quality Indicator 3: Learning Communities Focused on Continuous Improvement

### Strategic Priority A. Building Capacity & Leadership (Professional Development/Learning Communities/Coaching/Staff Induction)

School: International Comm. Elementary

Principal: EDUARDO MUNOZ MUNOZ

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- makes sure that teachers work together in professional learning communities focused on student progress.
- ensures that staff regularly analyze multiple kinds of data about student performance and their experience of learning.
- provides professional development that models effective practices, promotes teacher leadership, and supports teachers to continuously improve their classroom practice.
- provides learning opportunities that build capacity of all stakeholders to give input, participate in, or lead key decisions.

#### From OUSD Strategic Plan:

We want to recruit, retain, and reward high-quality teachers, principals, and other leaders to ensure that all students learn to the best of their abilities. OUSD must become a highly-sought-after place of employment where educational leaders know they will be challenged and supported by colleagues, supervisors, and community members with high expectations. We need to develop aggressive strategies to recruit and retain the best and brightest talent in OUSD. Building on our developing frameworks for effective teaching and school leadership, and furthering the development and capacity of our teachers and principals through various forms of professional development will allow us to sustain effective teachers and leaders committed to Oakland's children.

1. Improve the conditions in schools to retain 80% of effective teachers

**School Data**

- ICS provides during 2011-2012 for extra opportunities to collaborate: monthly release days, weekly collaboration, extended contract for collaboration.
- Every teacher at ICS is engaged in one or more of our comprehensive shared-leadership structure, comprising ILT, Faculty Council, and Culture and Climate Team.
- Every teacher at ICS is engaged in one or more of our comprehensive shared-leadership structure, comprising ILT, Faculty Council, and Culture and Climate Team.

**Data Analysis**

- PD calendar should continue to be the product of consensus of all professionals, voiced in the ILT.
- Collaboration is a priority and it should be privileged when allocating resources and designing calendars and schedules.
- A next step in capacity building would be to develop peer-observation strategies.

**Theory Action**

- ICS is committed to active involvement of all community stakeholders in decision-making.
- Transparency and accountability in instruction and organization are a priority, with special emphasis on budget design.
- Teachers at ICS work as whole, by grades and by programs to respond to the diverse needs of the various contexts in the school.
- New talents and veteran talents complement each other and have a voice in all committees and staff events.
- The leadership of non-teaching staff is also an equity priority, under the belief that all adults have children as the focus.

## School Quality Indicator 4: Meaningful Student, Family, and Community Engagement/Partnerships

### Strategic Priority A. Family & Community Engagement

**School:** International Comm. Elementary

**Principal:** EDUARDO MUNOZ MUNOZ

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- shares decision-making with its students, their families, and the community, as part of working together in partnership
- provides opportunities for families to understand what their child is learning; why they're learning it; what it looks like to perform well
- builds effective partnerships by using principles of student and family/community engagement

#### From OUSD Strategic Plan:

A quality Full Service Community School (FSCS) involves students, families, and the community in the decision-making process as a way to develop collaborative partnerships. A FSCS works with families as partners to understand how the student is progressing and participating in school. Additionally, a Full Service Community School establishes and aligns partnerships with community-based organizations, civic and business partners to strengthen the academic, social-emotional and health outcomes for students and families.

1. 75% or more of parents and guardians are regularly offered trainings and opportunities to actively participate in the academic and social development of their student(s).

#### School Data

- Participation in district wide survey has set a new record for the school.
- Budget survey respondents has increased from 20 in 2010-11 to 50 in 2011-2012.

#### Data Analysis

- The attendance of families has increased in the school events by about 25% on average (see SSC and ELAC attendance)
- The parent resource center has remained open for parents on a daily basis, following protocols to harmonize different parent groups.
- The number of workshops has been maintained, with an increase in traditional attendance.

#### Theory Action

- ICS is a meeting point for parents of different backgrounds with a common focus: children.
- Parents are essential parts in the community and they have to be involved actively in school decisions, with rights and duties.
- Parents enrich our community and provide their vision and expertise in developing community partnerships.
- Active parent and community involvement directly correlates to student achievement.

## School Quality Indicator 5: Effective School Leadership & Resource Management

### Strategic Priority A. Strategic Operational Practices

School: International Comm. Elementary

Principal: EDUARDO MUNOZ MUNOZ

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- creates and sustains equitable conditions for learning and advocates for interrupting patterns of inequities.
- guides and supports the development of quality instruction across the school.
- collaboratively develops outcomes, monitors progress, and fosters a culture of accountability.
- develops systems and allocates resources in support of the school's vision.
- is distributed, through professional learning communities, collaborative planning teams, and select individuals.

#### From OUSD Strategic Plan:

We need Full Service Community Leaders for OUSD classrooms, schools, regions and the central office. These leaders have to juggle many tasks: they need to manage operations effectively, they need to become highly effective instructional leaders, and they need to build relationships and strategic collaborations with parents and community members. Leaders will need to assess their own levels of expertise with leadership practices, operations, instruction and community engagement and work together to share tools, knowledge and strategies in these areas to accelerate everyone's capacity to deliver on the promise of high quality effective instruction and Full Service Community Schools.

#### Data Analysis

- The budget and services conditions are improving with the enrollment increase.
- We need to align the After School Program with the day expectations and consider budget contributions.
- a number of strategies (intervention, extended contract) have been developed to ensure funds are aligned to classroom needs.
- Budget process is tied to categorical process and distributed leadership practices.

#### Theory Action

- Money should follow the children and be spent in the ways that impact achievement the most.
- Budget expenditure needs to consider the preferences of all stakeholders, and be data-aligned.

## → School Parental Involvement Policy

### Part I. General Expectations

International Community School (ICS) agrees to implement the following statutory requirements:

- The school will jointly develop with parents, distribute to parents of participating children, a School Parent Involvement Policy that school and parents of participating children agree on.

The school will notify parents about the School Parental Involvement Policy in an understandable and uniform format and, to the extent practicable, will distribute this policy to parents in a language the parents can understand.

- The school will make the School Parental Involvement Policy available to the local community.
- The school will periodically update the School Parental Involvement Policy to meet the changing needs of parents and the school
- The school will adopt the school's Home-School compact as a component of its School Parental involvement Policy.
- The school agrees to be governed by the following statutory definition of parental involvement, and will carry out programs, activities and procedures in accordance with this definition:

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring-

- That parents play an integral role in assisting their children's learning
- That parents are encouraged to be actively involved in their child's education at school
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child
- The carrying out of other activities, such as those described in section 1118 of the ESEA

## Part 2. Description of How the School will implement required School Parental Involvement Policy Components

1) ICS will take the following actions to involve parents in the joint development and joint agreement

of its School Parental Involvement Policy and its school wide plan, if applicable, in an organized, on-going, and timely way under section 1118(b) of the ESEA:

- *Gather and disseminate to parents for review the following materials: School's current*

*Parent Involvement Policy (if one exists), school-parent compact, Parents' Right to Know:*

*Student achievement (state assessment results), non-highly qualified teacher*

- *Encourage parents, through continual communication and parents-to-parents support, to attend parent-teacher conferences and SSC meetings*

- *Annual Title I meeting*

2) ICS will take the following actions to distribute to parents of participating children and the local community, the School Parental Involvement Policy:

- *Organize and support parent events*

- *Home/school visits*

- *Hold weekly principal office hours*

3) ICS will update periodically its School Parental Involvement Policy to meet the changing needs of parents and the school:

- *Hold monthly meetings to discuss school improvement status, safety issues, etc.*

- *SSC meetings*

4) ICS will convene an annual meeting to inform parents of the following:

- That their child's school participates in Title I

- About the requirements of Title I

- Of their rights to be involved

- Of their rights to participate in the development of the District's Title I Plan

- *Parent Resource Center*
- *Parent Connections Group (Classroom Parent Leaders)*
- *Family Literacy Program*
- *Data Summits*
- *Survey parents for consensus of good times to meet*
- *Consider working parents by having evening meetings for greater turnout.*

5) ICS will hold a flexible number of meetings at varying times, and will provide (as needed) child care, food, and/or home visits, paid for with Title 1 funding as long as these services relate to parental involvement.

6) ICS will provide information about Title 1 programs to parents of participation children in a timely manner:

- *Letters home to parents*
- *School/classroom newsletters*
- *Home-school visits*

7) ICS will provide to parents of participating children a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure students progress, and the proficiency levels students are expected to meet:

- *Parents will receive this information at various meetings throughout the year and upon request.*

8) ICS will provide participating children if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible:

- *Home/school visits*
- *Family Literacy Program*
- *Regular Opportunities to meet with the Principal*

- *Parent Connections group*

*Student success workshops*

ICS will submit to the district any parent comments if the school wide plan (SWP) under the section (1114)(b)(2) is not satisfactory to parents of the participating children.

### **Part 3. Shared Responsibilities**

1) ICS will build the school's and parents' capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, through the following activities specifically described below:

- *Student success workshops*
- *Home/School visits*
- *Parent Connection group*

2) The school will incorporate the School-Parent Compact as a component of its School Parental Involvement Policy.

3) The school will, with the assistance of the district, provide assistance to children served by the school in understanding topics such as the following, by undertaking the actions described in this paragraph-

- The State of California's academic content standards
- The State of California's student academic achievement standards
- The State of California's and Oakland Unified School District's academic assessments,  
including the alternate assessments
- The requirements of Title I
- How to monitor their child's progress
- How to work with educators

4) The school will, with the assistance of the district, provide materials and training to help parents work with their children to improve their children's academic achievement, such as literacy training, and using technology, as appropriate, to foster parent involvement, by:

- *A Family Literacy Program*
- *Parent Connections group*
- *Student success workshops*

5) The school will, with the assistance of its district and parents, educate its teachers, pupil services,

personnel, principals and other staff, in how to reach out to, communicate with, and work with parents as equal partners, in the value and utility of contributions of parents, and in how to implement and coordinate parents programs and build ties between parents and school, by:

- *A Family Literacy Program*
- *Parent Connections group*
- *Student success workshops*

6) The school will, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with Head Start, Reading First, and public pre-school and other programs,

And conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children by:

- *Parent Resource Center*
- *Parent Connections group*
- *Family Literacy Program*

7) The school will, to the extent feasible and appropriate, take the following actions to ensure that

information related to the school and parent programs, meetings, and other activities is sent to the parents of participating children in an understandable and uniform format, including alternative formats upon request, and to the extent practicable, in a language that parents can understand:

- *Translated weekly newsletter and flyers in home-school folders*
- *Bilingual staff in Parent Resource Center and Main Office*
- *Support by Parent Resource Center staff and volunteers in reading and understanding the information*

#### **Part 4. Adoption**

This School Parental Involvement Policy has been developed jointly with, and agreed on with, parents of children participating in Title I, Part A programs, as evidenced by the Annual Title I meeting, SSC meetings, principal's meetings, parent connection group meetings, and student success workshops.

This policy was adopted by the ICS School Site Council on 11/2/2011 and will be in effect for the period of the 2011-2012 school year. The school will distribute this policy to all parents of participating Title 1, Part A, children on or before the first day of the 2011-2012 school year. It will be made available to the local community on or before the first day of the 2011-2012 school year. The notification by ICS to parents of this policy will be in an understandable and uniform format and, to the extent practicable, in a language that the parents can understand.

## HOME-SCHOOL COMPACT

*International Community School ICS and the parents of the students agree that this compact outlines how the parents, entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State of California's high academic standards. (This School-Parent Compact is in effect during the 2010-2011 school year.)*

### **School Responsibilities - ICS will:**

**Provide high-quality curriculum and instruction in a supportive and effective learning environment that enable the participating students to meet the State of California's student academic achievement standards as follows:**

*ICS has been granted Curricular Flexibility with our English Language Arts curriculum. As a result, we have design a language arts instruction program outlined in our site plan which utilizes Open Court, Read Think Apply strategies, Write Source grammar and writing curriculum, and the Bay Area Writer's Project Process Writing Assessments.*

**Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement.**

*ICS has a week of shortened days at the beginning of each school year for home or school goal setting conferences. Additionally, parent teacher conferences are held in December and March. Our goal is for 100% of our families to attend.*

**Provide parents with frequent reports on their children's progress.**

*At ICS, teachers are committed to consistent communication with parents. Opportunities such as classroom meetings, school-wide events, and parent committees exist to involve families.*

**Provide parents reasonable access to staff.**

*In addition to the opportunities referenced in #5, parents are encouraged to drop in before or after school to check in with teachers.*

**Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities.**

*With assistance from the Family Literacy Program, parents can participate in weekly observations of their children's classrooms. Those observations are preceded and followed by discussion groups to help them understand the lessons and effectively support their children.*

*The Parent Resource Center also supports a group of classroom parent leaders from every classroom whose mission is to build support for the students in the classroom.*

### **Parent Responsibilities –**

**We, as parents will support our children's learning in the following ways:**

- *Monitor attendance: come to school every day, on time. If an absence occurs, provide justification to the Attendance officer. **Initials**\_\_\_\_\_*
- *Make sure homework is completed. **Initials**\_\_\_\_\_*
- *Send their children to school in uniform: white shirt and navy blue pants/skirt, with the possibility of a navy blue pullover. **Initials**\_\_\_\_\_*
- *Monitor the amount of time that children watch television and play video games. **Initials**\_\_\_\_\_*
- *Promoting positive use of child's out of school time. **Initials**\_\_\_\_\_*
- *Work with the teachers so that the students will be more successful: attend parent conferences and school events. **Initials**\_\_\_\_\_*

### **Student Responsibilities –**

**We, as students, will share the responsibility to improve our academic achievement and achieve the State of California's academic standards. We will:**

- *Do my homework every day. **Initials**\_\_\_\_\_*
- *Ask for help when I need it. **Initials**\_\_\_\_\_*
- *Read for at least 30 minutes every day outside of school. **Initials**\_\_\_\_\_*
