## **School Portfolio Management: School Attendance Area Boundary Change Process – Community Input**

*Between November 15, 2011 and January 1, 2012; Staff received feedback regarding proposed school attendance area boundary changes and preliminary options; via email, phone calls, and community input meetings.*

*Feedback below represents summary of feedback received via email and within context of community input meetings specific to school attendance area boundary change proposals. Complete record of written communication received available to the Board of Education upon request.*

*Efforts were made by staff to research and evaluate the community feedback provided and to the extent possible reflect consideration of the feedback in the final recommendations.*

### **LAKEVIEW ATTENDANCE AREA REDISTRICTING: COMMUNITY INPUT**

#### ***Trestle Glen Road Feedback***

- Trestle Glen Road is closer to Crocker than Grand Avenue and the rest of Trestle Glen Road is zoned for Crocker.
- Add the south side of one block of Trestle Glen Road, odd addresses between 1481 and 1721 to the Crocker Highlands boundary, as this is the only block on Trestle Glen Road that is zoned for Glenview Elementary.
- Many families on the south side of the street now send their children to private elementary school or have moved away from Oakland. Oakland is therefore losing many students whose attendance would otherwise increase the State's contribution to the revenues of the District and improve the District's test scores, since these students come from upper-class families where the parents are college-educated and have provided their children with quality preschool learning experiences.
- The Trestle Glen boundary should be Lakeshore, not Stratford or Trestle Glen.
- To attend Glenview from Trestle Glen Road, one must cross Park Boulevard – safety issue.
- Children cannot attend Crocker with their peers/friends on the other side of the street.
- Homes on the Crocker Highlands/ Lakeview border, on online maps, are listed as Lakeview, though a school official in 2007 confirmed the houses are on the boundary (discrepancy).
- The whole of Trestle Glen should be in the Crocker Highlands boundary.

### ***Lincoln/Piedmont Expansion***

- Option 1 - Lincoln is a good school and expanding their borders will help promote diversity in their primarily Asian School.
- A family, barring their being able to attend Crocker or Cleveland, would lean towards being able to attend Lincoln.
- [The Lincoln] SSC met last week and the consensus was that they prefer Option 2 as this better preserves [Lincoln's] ability to expand to K-8.
- Among the [Lincoln] staff there was unanimous support for attendance area Option 2 to preserve the option to increase to K-8.
- A family on Fairmount Ave in Adams Point would like to be in Crocker Elementary. Both Piedmont and Lincoln have almost no Caucasian kids. Looking for a diverse school where one can be part of the community and the closest good school like this is Crocker.
- Include Adams and Orange Streets in Crocker.

### ***Crocker Highlands Expansion***

- It is hard to accept that (1) the class size is going to be even larger, (2) some paid more for their house than we would have in a Lakeview neighborhood and now there are tons of houses that are in the Crocker catchment area.
- It is an opinion and preference that Jean Street (between Grand and Sunnyslope) and Sunnyslope (between Grand and Jean Street) be included in the Crocker district.
- Under the proposed new boundary lines kids from the Rose Garden neighborhood (Jean Street) and the Grand Lake neighborhood just across the street are going to be divided and sent to different districts.
- In the existing Lakeview School District, the Grand Lake neighborhood and Rose Garden neighborhoods, that is, including both sides of Grand, was a single unit consisting mostly of single family homes, with professional owners, including many with young children.
- The Rose Garden community is eastward facing -- to Grand, to Lakeshore -- rather than northward to Piedmont Avenue.
- Under both proposed plans, the Grand Lake and Rose Garden neighborhoods are unnecessarily divided in two. That will lead to a variety of negative consequences: (a) kids who have formed relationships will now be in different schools, (b) families that have bonded both as a result of their school attendance and participation in neighborhood activities will be separated, (c) because those on the west side of

## QUALITY COMMUNITY SCHOOLS DEVELOPMENT

---

Grand would now be traveling to Piedmont Avenue daily, the new lines would be a disincentive to community involvement in general.

- The demographics of the small area on the west side of Grand Avenue that would be excluded from the Crocker District are much closer to the east side of Grand than they are to the areas south and west, such as Adams point. The community is less transient, includes far fewer rentals. There is a far greater likelihood of student/parent participation in OSD if these homes are grouped together--both because of existing relationships and because of commonality of interest.
- The residents are a supportive and active part of the Grand Lake community. Splintering off this small area unnecessarily divides children from their peers and friends in Grand Lake.
- Redrawing these boundaries fosters community support and involvement on the part of children who are the future leadership of Oakland as well as on the part of their parents. It maintains long-established supportive relationships between the families of these children. It ensures a strong base of active parental support within our schools. And, it allows the district to continue to receive public dollars for these students whose parents might otherwise feel forced to send them to private school.

**MAXWELL PARK ATTENDANCE AREA REDISTRICTING: COMMUNITY INPUT**

- There is a preference for zoning option 1 as it would put families in the Global Family School/Learning without Limits neighborhood, which would allow them to have program improvement status in the options lottery, increasing their chances of getting into their program of choice.

### **SANTA FE ATTENDANCE AREA REDISTRICTING: COMMUNITY INPUT**

- Please try to divide school geographic areas by natural neighborhood boundaries. The current proposal splits Dover St. down the middle. This was also the case before Santa Fe was closed.
- If the district is going to divide down the middle of the street, choose MLK, since the BART tracks make a natural division. Otherwise, people who live on streets on the border should be considered shared, and given the opportunity to go to either school district.
- The proposed area for Peralta seems to extend into an affluent, majority-white area, while Sankofa is expanding into the more diverse areas to the west. It seems to me this will make Peralta a less diverse school and exclude many less-affluent residents from priority access to a high-scoring school -- where they have access in the current map.
- Sankofa and Peralta continue to share a school boundary that is extended into the former Santa Fe neighborhoods West of Shattuck.
- Families living North of Claremont and East of Telegraph should send their children to Peralta, which is a just a short walk on neighborhood streets. It will be a great neighborhood strengthener.
- Include the 400 block of 58<sup>th</sup> Street in the Peralta school's district while it is being readdressed. Peralta is a short walk north; half of the kids on the block to Peralta, and the others go to Emerson, with less in common as they get older.
- It doesn't make sense that kids should have to cross a freeway and drive such a long distance, when there is a much closer school that neighbors already attend. *[re: Expanded Peralta attendance area]*
- The shared attendance area in option 1.1 and 3.1 is a good solution in that it gives children and option of attendance while honoring historic boundaries. It is important to have the area around the Sankofa campus be included in its attendance area.
- Support that all three of the proposed attendance maps include the north of Highway 24 area in the Peralta school zone. Peralta School is the “neighborhood school” for those children living north of Highway 24 and it is important that the kids in the neighborhood be able to attend the neighborhood school. Further, Highway 24 is a logical geographical southern boundary. Both the Oakland police beat and RCPC use this boundary.
- Include corresponding Chabot boundaries
- There needs to be sensitivity around families that can't get out of the Santa Fe neighborhood, especially since there are so many big streets to be crossed.
- Take this boundary change opportunity to eliminate the shared area between Sankofa and Peralta – start a phase out

## FINAL RECOMMENDATION

### 1) RE: Lincoln Elementary & Piedmont Elementary Expansion:

Community input regarding the distribution of Lincoln Elementary and Piedmont Elementary was considered. Based on the most recent trend in Live-Go Data for 2011-12, facility capacity, and number of existing K-5 OUSD students within closing school attendance area; the final recommendation attempts a more balanced distribution of attendance area between Lincoln and Piedmont.

## LAKEVIEW ATTENDANCE AREA REDISTRICTING RECOMMENDATION RATIONALE

### FINAL RECOMMENDATION

#### **2) Re: Crocker Highlands Elementary Expansion:**

Based on the most recent trend in Live-Go Data for 2011-12, facility capacity, and number of existing K-5 OUSD students within closing school attendance area; the proposed expansion does not exceed the proposed changes originally included in Options 1 and 2.

- **Live-Go:** 2011-12 Kindergarten enrollment:
  - **64** attendance area students
  - **4** non-attendance area students (siblings)
- **Facility Capacity:** currently 18 classroom building
  - Applying a loading standard calculation of 24:1 across all grades K-5 results in **432** students.
- **Projected Enrollment:** 2012-13 enrollment is currently projected at **433** students.

**FINAL RECOMMENDATION includes expanded attendance area incorporating: 38 K-5 OUSD students** (not already attending **Crocker Highlands**).

➤ Based on the median price range of recent homes sales in this area (**\$489K - \$862K in 2010-11\***) an estimated number of families likely to attend private schools reside in this expanded attendance area. Given the high academic performance of **Crocker Highlands (2011 API: 952 out of 100)** it is likely that the school will attract interest from these families as well.

**RESULTS FROM 2011-12 Options Process:** **Crocker Highlands** received **128** 1<sup>st</sup> Choice Requests district-wide for **68** kindergarten spaces; demand exceeding space by almost **2:1**.

The final proposed **Crocker Highlands** attendance area represents an attempt to allocate the most logical share of the current Lakeview attendance area to **Crocker Highlands** to the extent possible, while considering the school's capacity to meet the demands of existing and new attendance area families. A waiting list to include students living in the attendance are is likely as a result of the final recommendation.

**Staff believes further expansion of the Crocker Highlands attendance area beyond the final recommendation would result in a significantly longer waiting list and families who have historically resided within the Crocker Highlands attendance area having a proportionately higher likelihood of not gaining entry into the school in kindergarten.**

## LAKEVIEW ATTENDANCE AREA REDISTRICTING RECOMMENDATION RATIONALE

### 2) Re: Crocker Elementary Expansion:

#### COMMUNITY INPUT

Community input regarding the distribution of Crocker Highlands Elementary was considered.

#### A) CENTERLINE:

Community input expressed concern that the proposed attendance boundary change is along the centerline of the street vs. behind properties. These are referred to as “boundary streets” as they represent streets in which families on either side are assigned to different attendance areas. Staff believes this issue warrants further analysis and consideration by the Board of Education in a future study to consider over-all attendance boundary adjustments district-wide. Staff recognizes that the logic of its use may not align to the logic of typical neighborhood interactions.

The final recommendation continues to apply a centerline boundary based on the following:

- The vast majority of the current Attendance Area boundaries throughout the District are along the centerline of streets. This method of establishing attendance boundaries follows the logic of street patterns vs. property parcels and allows for mitigating safety issues when located along busier thoroughfares.
- The centerline approach to attendance boundaries frequently aligns with the US census tracks which are also drawn along street center lines.
- In the case of specific community input received regarding Crocker Highlands attendance boundary, the rationale pertaining to drawing the boundary along the back side of properties facing Grand Ave vs. the street centerline would not result in the intended goal of the community input in this case; which as proposed requests the inclusion of residences located at least one or more full blocks from Grand Ave.

**Over-all, Staff recommends future analysis be conducted to make recommendations regarding possible attendance area redistricting city-wide to meet the goals of the District’s Strategic Plan. Staff recommends a future study be conducted to determine the most prudent approach to consider cases when it may or may not be appropriate to follow street centerlines in the case of school attendance boundaries.**

## LAKEVIEW ATTENDANCE AREA REDISTRICTING RECOMMENDATION RATIONALE

### 2) Re: Crocker Elementary Expansion:

#### COMMUNITY INPUT

Community input regarding the distribution of Crocker Highlands Elementary was considered.

#### B) COMMUNITY CONNECTION:

- Residents of Jean St and Sunnyslope Ave proposed expanding the **Crocker Highlands** Attendance Area to incorporate these streets applying well-founded rationale regarding a sense of community and interest in attending **Crocker Highlands Elementary**. *Staff wholeheartedly agrees that schools attendance areas can be a significant factor in contributing to a sense of community.*
- Applying the same rationale presented on behalf of families living within the same area who did not directly provide input, the logical incorporation of the proposed area would include the following:
- Expanding the **Crocker Highlands** attendance area across Lakeshore Ave, across Grand Ave to Chetwood Street, the existing attendance area boundary between **Lakeview Elementary** and **Piedmont Elementary**, from the 580 freeway to the Piedmont City border. To incorporate less than this area, given the rationale presented, would result in a meandering boundary line, as well as an absence of consideration of those families residing in the same and adjacent neighborhoods south of *Jean Street* and *Sunnyslope Avenue* that could base a similar rationale for the further expansion of the Crocker Highlands attendance boundary.

#### EXPANDED ATTENDANCE AREA contemplated above would incorporate: 28 K-5 OUSD students (not already attending **Crocker Highlands**).

- The result of this proposed expansion IN TOTAL would be an area that would incorporate **66** K-5 OUSD students (not currently attending **Crocker Highlands**) as well as projected families otherwise likely to enroll their children in private school, based on community input and the median price range of homes recently sold in this area (**\$535K - \$915K in 2010-11\***) Staff believes that this further expansion would exacerbate an impending lack of capacity issue at **Crocker Highlands**, and thus is not recommending further expansion of the **Crocker Highlands** attendance area at this time.

#### • **PLEASE SEE RATIONALE FOR FINAL RECOMMENDATION**

\* At this time, **Piedmont Elementary** is performing just below the State's academic performance target of 800 with an 2011 API of 780 and has been steadily improving. **Piedmont Elementary** is performing well above the performance of the prior attendance area school for this region, **Lakeview Elementary**; 2011 API of 758. **Piedmont Elementary** represents a safe and viable option for its attendance area families.

## LAKEVIEW ATTENDANCE AREA REDISTRICTING RECOMMENDATION RATIONALE

### 2) Re: Crocker Elementary Expansion: COMMUNITY INPUT

#### C) TRESTLE GLEN

Community input proposed the expansion of the **Crocker Highlands** Attendance Area to the east to include homes located along the boundary street of Trestle Glen Road. (See Next Slide)

As with all other “boundary streets” in the district, one side resides within one attendance area, the other side resides within a different attendance area. This type of attendance area division exists throughout the district as the majority of attendance boundary are drawn along the street centerline.

The proposed change does not account for all instances where this is true, but specifically requests the change to occur along a single stretch of the **Crocker Highlands** boundary adjacent to **Glenview Elementary**. The proposed changes would result in placing the current attendance boundary along the back of the properties facing Trestle Glen that are currently assigned to **Glenview Elementary**. Rationale included both the concern of students not attending the same school as those living across the street, as well as concern in crossing Park Blvd to attend Glenview Elementary.

This would result in:

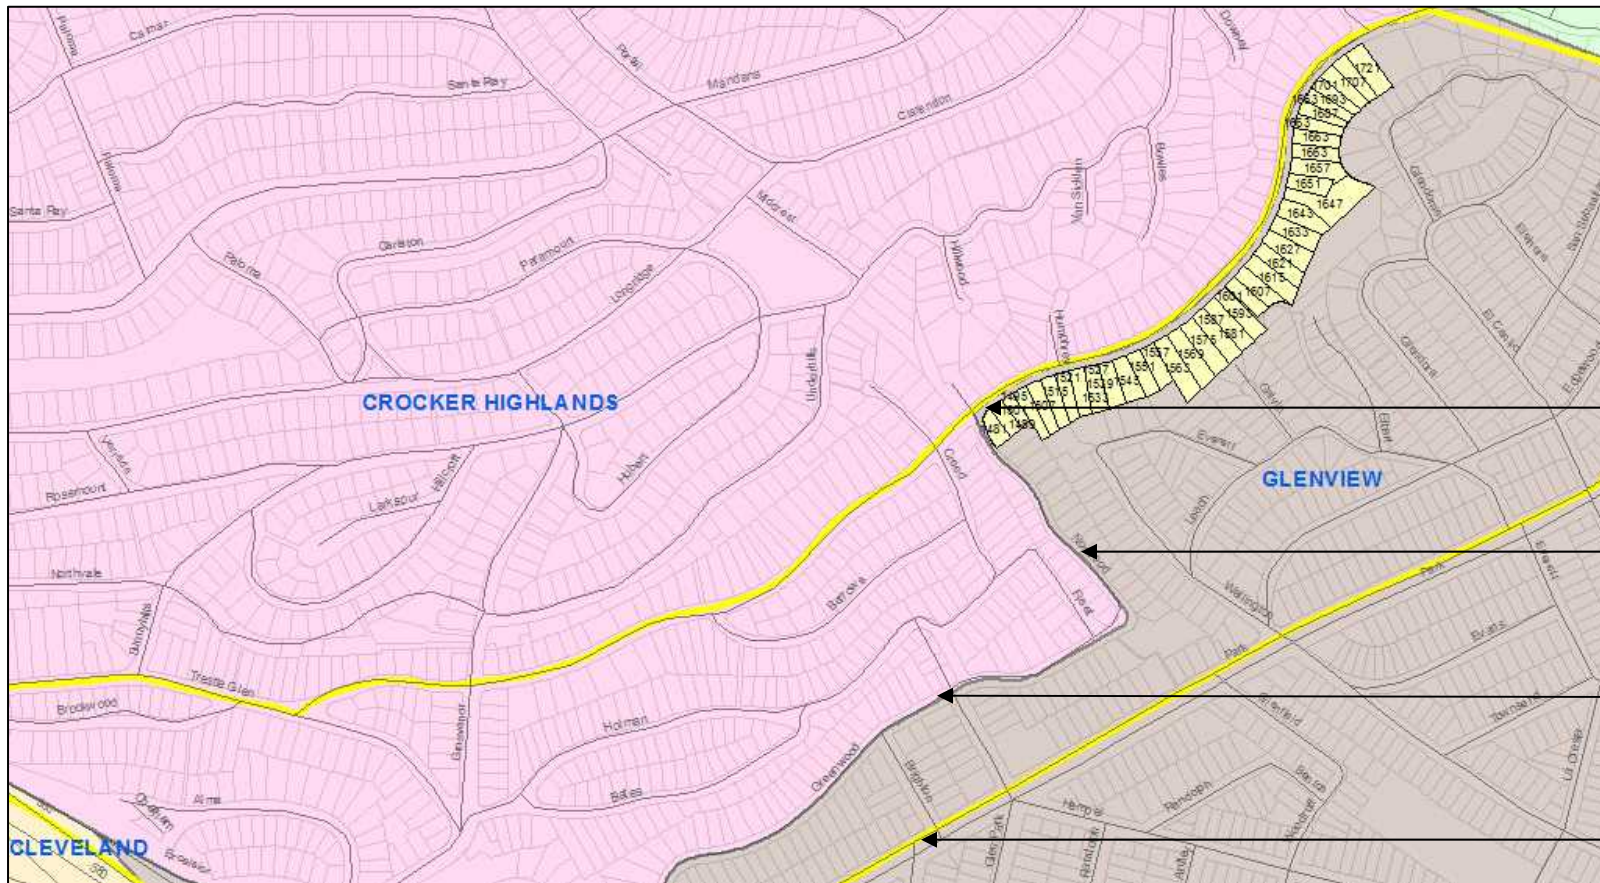

- An absence of consideration of other “boundary streets” along the **Crocker Highlands** border not included in the proposed changes that would equally merit consideration, such as Norwood Avenue and Greenwood Avenue. If considered however, this expanded boundary would further exacerbate an impending lack of capacity at **Crocker Highlands**, and thus is not recommending further expansion of the **Crocker Highlands** attendance area at this time.
- Additionally, the safety concerns regarding Park Blvd are valid concerns, but are not resolved by the proposed change of solely those addresses along Trestle Glen, as there remains two or more blocks of residences in within the Glenview attendance area before reaching Park Blvd – not included in the requested expansion, and if considered would further exacerbate an impending lack of capacity at **Crocker Highlands**, at this time.

\* Currently, **Glenview Elementary** is performing well above the State’s academic performance target of 800 with an 2011 API of 887. **Glenview Elementary** represents a safe and viable option for its current attendance area families.

All currently enrolled K-4 students at Garfield Elementary that live in the Lazaar Attendance Area reside within four blocks as outlined above. Thus, in the final recommendation, this area has been assigned to Garfield Elementary.

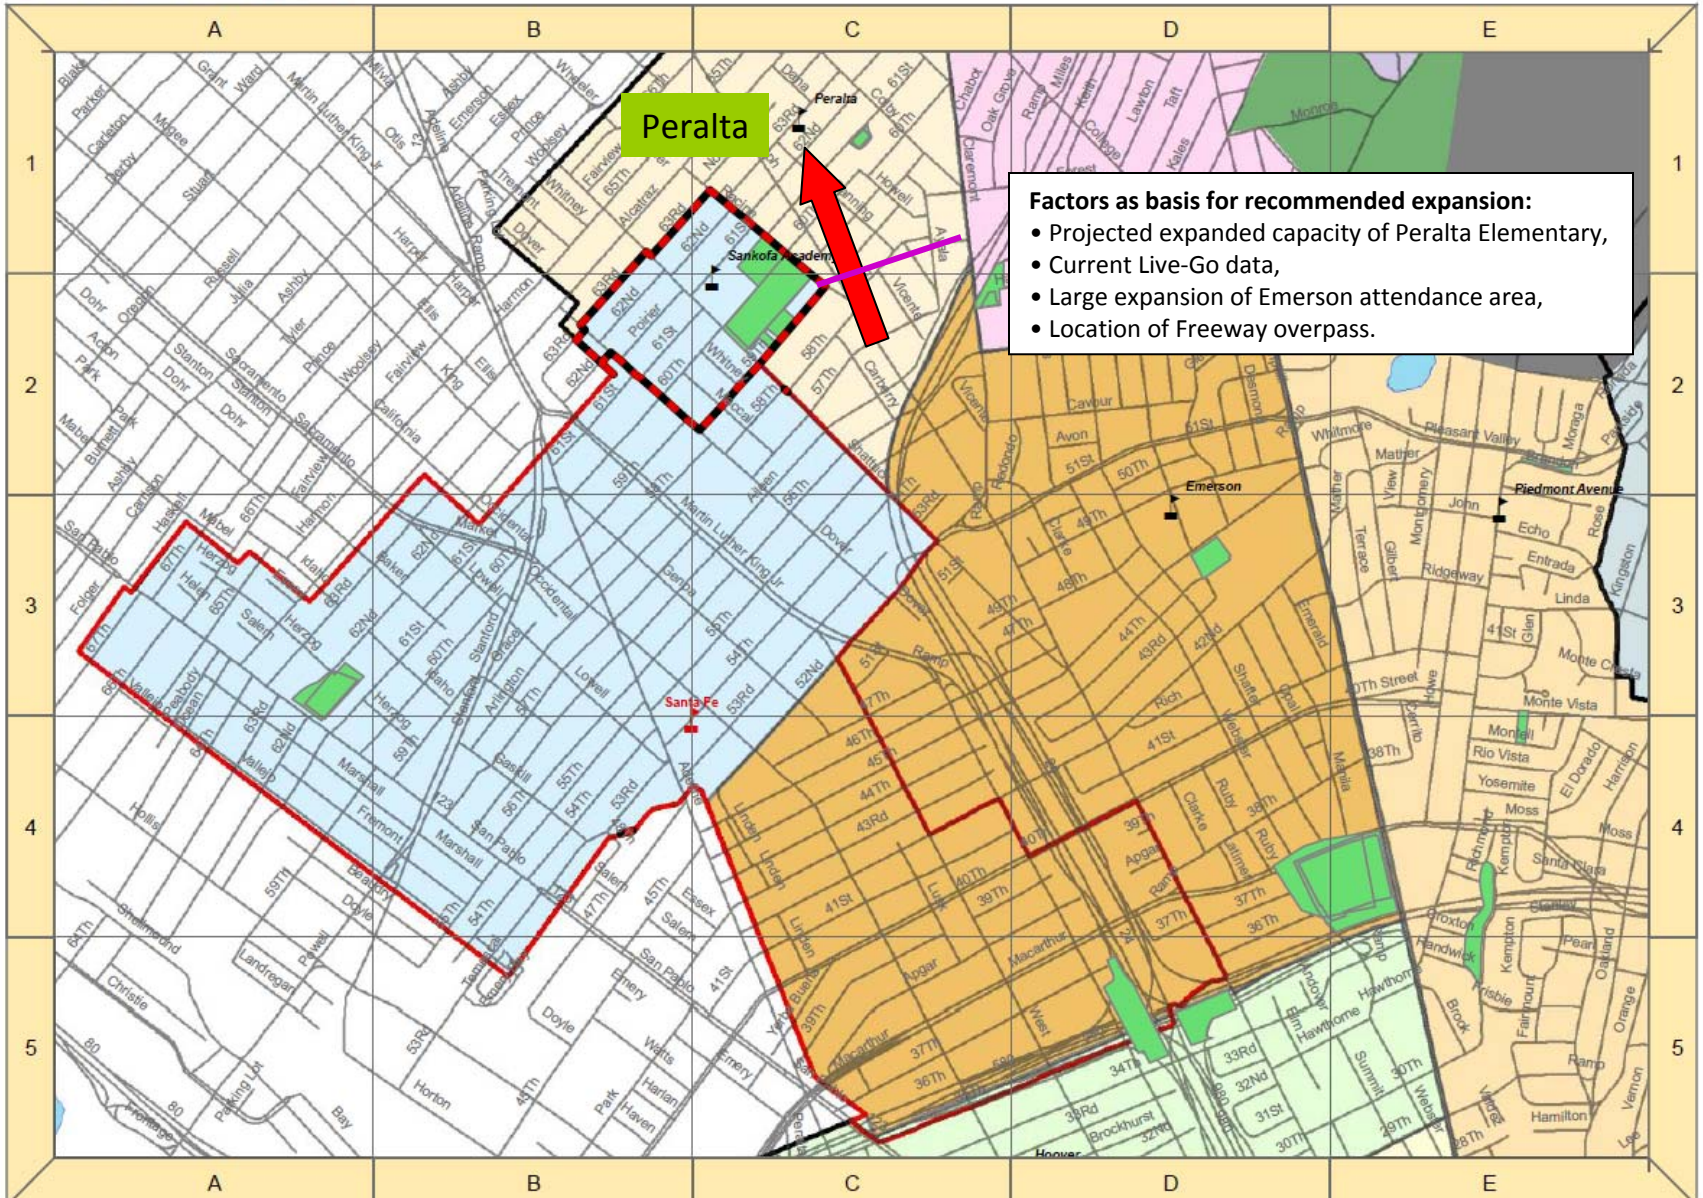

All but one currently enrolled K-4 students at ASCEND School that live in the Lazaar Attendance Area reside within the area immediately surrounding the school as outlined above. Thus, in the final recommendation, this area has been assigned to the Jefferson Elementary Attendance area which includes ASCEND School.

# School Boundary Change Community Input Meetings

- The Oakland Unified School District is conducting public meetings to gather community input on proposed school attendance boundary changes, due to recent school restructuring.
- Several meetings over the next month will occur to provide parents, students, staff, and community members the opportunity to offer input, questions, and concerns.
- Each Community Input Meeting will focus on specific boundary change proposals listed below. If you are unable to attend, but would like to provide feedback on the proposed changes, you can receive a copy of proposed school boundary changes using the contact information below.

UPCOMING OUSD BOARD OF EDUCATION PUBLIC HEARINGS Re: BOUNDARY CHANGES:

- Wednesday, January 11, 2012 @ 5pm

# SCHOOL BOUNDARY CHANGE

## *Frequently Asked Questions*

### **Why are boundary changes necessary?**

As a result of the OUSD Board of Education's decision to close 5 elementary schools for the 2012-13 school year. Boundary changes are necessary to ensure that families in the attendance areas of those closing schools are provided a attendance area option for enrollment purposes.

### **When a boundary change is necessary, what considerations guide its development?**

- Enrollment Data
- Geographic Boundaries and logical street patterns
- Safety and transportation
- Density of school-age children
- Capacity of facilities
- Community identity and input
- Racial and ethnic balance
- Educational programs

### **What is the process for making boundary changes?**

- **Nov 2011:** Develop preliminary Boundary Change scenarios
- **Nov 2011:** Public announcements re: boundary change process, community input, and public hearing dates
- **Nov-Dec 2011:** Community input meetings located in neighborhoods affected by proposed boundary changes
- **Dec. 14, 2011:** Public Hearing re: proposed boundary changes
- **Jan. 11, 2012:** Public Hearing and Decision-meeting re: proposed boundary changes

- **Jan. 20, 2012:** Open Enrollment Window for 2012-13 Application Deadline
- **Jan. 2012:** Implementation of new boundaries through online maps and notices to affected neighborhood residents

### **Once approved, do boundary changes apply to all students?**

Boundary changes will apply to elementary school students living in the affected areas. OUSD assigns students according to the street address where the student resides; once the Board approves a boundary, it applies to all elementary school students living within that attendance area.

### **What will happen if new boundary changes are approved by the Board of Education?**

If the proposed Boundary Changes are approved by the Board of Education on January 11, 2012, the District will do the following:

- Create *Map Finder* version of maps for online access
- Mail new maps to all OUSD student residents in affected areas
- Post new maps online
- Apply new attendance area codes to the Student Assignment Process 2012-13
- Incorporate changes into Facilities Master Planning

## OUSD SCHOOL BOUNDARY CHANGE PROPOSALS

School boundaries are used to identify the district school in which a resident has priority placement in the District's enrollment policy. Based on the District's current enrollment policy, students living within a school's attendance area have greater priority for enrollment to that attendance area school than those students living outside the attendance area.

As a result of school restructuring and school closure, the District is undergoing a school boundary change process to ensure that residents currently living within the attendance boundary of a closing school will have a specific operating school to which their address is assigned.

The following Key and Notes provide some orientation to the Boundary Change proposals currently under consideration. Please attend one of our upcoming Community Input meetings or Public Hearings to provide your feedback. You can find additional information at:

# LAKEVIEW ATTENDANCE AREA PROPOSALS

## Lakeview Option 1:

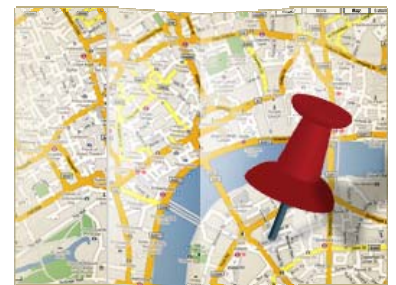

- **Piedmont Avenue Elementary** (beige) expands to capture approximately 20 blocks.
- **Lincoln Elementary** (dark pink) expands to capture approximately 25 blocks.
- **Crocker Highlands Elementary** (light pink) expands to Grand Avenue above MacArthur Freeway.
- **Cleveland Elementary** (yellow) expands to capture approximately 6 blocks along Lakeshore Avenue.

## Lakeview Option 2:

- **Piedmont Avenue Elementary** (beige) expands to capture all blocks northwest of Grand Avenue.
- **Lincoln Elementary** (dark pink) expands to capture approximately 10 blocks below Grande Avenue west of Lake Merritt.
- **Crocker Highlands Elementary** (light pink) expands to Grand Avenue above MacArthur Freeway.
- **Cleveland Elementary** (yellow) expands to capture approximately 6 blocks along Lakeshore Avenue.

## NOTE:

The key difference in the Lakeview Attendance Area Proposals is whether or not to divide the neighborhood above (northwest) of Grande Avenue between **Piedmont Avenue Elementary** and **Lincoln Elementary** or to maintain the neighborhood under the single attendance area of **Piedmont Avenue Elementary**.

# LAZEAR ATTENDANCE AREA PROPOSALS

## Lazear Option 1:

- **Garfield Elementary** (purple) expands to capture all blocks West of 22<sup>nd</sup> Avenue.
- **Cesar Chavez** (which includes *International Community School* and *Think College Now*) (yellow) expands to capture majority of attendance area between 22<sup>nd</sup> Ave and 37<sup>th</sup> Ave.
- **Jefferson** (which includes *ASCEND*, *Global Family School*, and *Learning Without Limits Elementary*) (orange) expands to capture the portion east of 37<sup>th</sup> Ave.

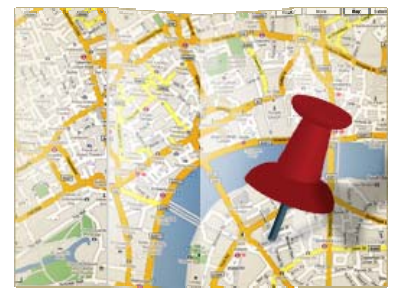

## Lazear Option 2:

- **Garfield Elementary** (purple) expands to capture all blocks West of 22<sup>nd</sup> Avenue.
- **Cesar Chavez** (which includes *International Community School* and *Think College Now*) (yellow) expands to capture majority of attendance area between 22<sup>nd</sup> Ave and 37<sup>th</sup> Ave.
- **Bridges at Melrose Elementary** (orange) expands to capture the portion east of 37<sup>th</sup> Ave.

## NOTE:

The key difference in the Lazear Attendance Area Proposals is whether or not to assign the portion east of 37<sup>th</sup> Avenue to **Jefferson Elementary** attendance area or **Bridges at Melrose**.

One **ADDITIONAL PROPOSAL** is to include the five blocks between 23<sup>rd</sup> Ave and 25<sup>th</sup> Ave above International Blvd in the expanded Garfield attendance area, given its proximity to the school, and the number of school-age children living in that areas that attend **Garfield Elementary** currently.

# MARSHALL ATTENDANCE AREA PROPOSALS

## Marshall Option 1:

- **Grass Valley Elementary** (green) expands to capture all boundary area above 580 Freeway.
- **REACH Academy** (blue) expands to capture remaining boundary area below 580 Freeway.

## Marshall Option 2:

- **Grass Valley Elementary** (green) expands to capture all boundary area above 580 Freeway.
- **Howard Elementary** (blue) expands to capture remaining boundary area below 580 Freeway.

## Marshall Option 3:

- **Grass Valley Elementary** (green) expands to capture entire boundary area.

## NOTE:

The key difference in the Marshall Attendance Area Proposals is whether or not to assign the portion below the 580 Freeway to **REACH Academy**, **Howard Elementary**, or **Grass Valley Elementary**.

# MAXWELL PARK ATTENDANCE AREA PROPOSALS

## Maxwell Park Option 1:

- **Jefferson** (which includes *ASCEND*, *Global Family School*, and *Learning Without Limits Elementary*) (yellow) expands to capture approximately 15 blocks below Allendale Ave and west of Monticello.
- **Allendale Elementary** (medium blue) expands to capture approximately 10 blocks above Allendale Avenue and west of Monticello.
- **Laurel Elementary** (orange) expands to capture boundary area above Camden Avenue and west of Mills College.
- **Burckhalter Elementary** (yellow) expands to capture Mills College.
- **Markham Elementary** (teal) expands to capture approximately 7 blocks between 62<sup>nd</sup> Avenue and Seminary Blvd.
- **Greenleaf Elementary** (dark blue) expands to capture boundary area between Seminary Blvd. and 55<sup>th</sup> Avenue below Mills College.
- **Horace Mann Elementary** (pink) expands to capture the boundary area below Camden, between 55<sup>th</sup> Avenue and Monticello.

## Maxwell Park Option 2:

- **Allendale Elementary** (medium blue) expands to capture approximately 10 blocks above Allendale Avenue and west of Monticello.
- **Laurel Elementary** (orange) expands to capture boundary area above Fleming Avenue between Seminary Blvd. and 50<sup>th</sup> Avenue.
- **Burckhalter Elementary** (yellow) expands to capture Mills College and approximately 7 blocks between 62<sup>nd</sup> Avenue and Seminary Blvd.
- **Horace Mann Elementary** (pink) expands to capture the boundary area below Fleming Avenue, between Seminary Blvd. and High Street.

## Maxwell Park Option 3:

- **Allendale Elementary** (medium blue) expands to capture approximately 10 blocks above Allendale Avenue and west of Monticello.
- **Laurel Elementary** (orange) expands to capture boundary area above Fleming Avenue between Seminary Blvd. and 50<sup>th</sup> Avenue.
- **Burckhalter Elementary** (yellow) expands to capture Mills College.
- **Markham Elementary** (teal) expands to capture approximately 7 blocks between 62<sup>nd</sup> Avenue and Seminary Blvd.
- **Horace Mann Elementary** (pink) expands to capture the boundary area below Fleming Avenue, between Seminary Blvd. and High Street.

## NOTE:

The key difference in the Maxwell Park Attendance Area Proposals is whether or not to assign the portion to **Jefferson Elementary** and **Greenleaf Elementary** attendance areas (Option 1) and/or to assign a small portion east of Seminary Blvd to **Markham Elementary** or to **Burckhalter Elementary**.

# SANTA FE ATTENDANCE AREA PROPOSALS

## Santa Fe Option 1:

- Assigns a portion of **Emerson Elementary** attendance area above 24 Freeway and below 59<sup>th</sup> Street to **Peralta Elementary**.
- **Emerson Elementary** expands to capture boundary area below 52<sup>nd</sup> Street.
- **Sankofa Academy** expands to capture boundary area above 52<sup>nd</sup> Street.
- **Sankofa Academy** currently shares its attendance boundary with **Peralta Elementary**. In this proposal, **Sankofa Academy** would continue to share a portion of its attendance boundary with **Peralta Elementary** west of Racine Avenue.
- **Sankofa Academy** would be the exclusive attendance area school for the boundary area above 52<sup>nd</sup> Street.

## Santa Fe Option 2:

- Assigns a portion of **Emerson Elementary** attendance area above 24 Freeway and below 59<sup>th</sup> Street to **Peralta Elementary**.
- **Emerson Elementary** expands to capture boundary area between 52<sup>nd</sup> Street and MacArthur Blvd.
- **Hoover Elementary** expands to capture boundary area below MacArthur Blvd.
- **Sankofa Academy** expands to capture boundary area above 52<sup>nd</sup> Street.
- **Sankofa Academy** currently shares its attendance boundary with **Peralta Elementary**. In this proposal, **Sankofa Academy** would continue to share a portion of its attendance boundary with **Peralta Elementary** west of Racine Avenue.
- **Sankofa Academy** would be the exclusive attendance area school for the boundary area above 52<sup>nd</sup> Street.

## Santa Fe Option 3:

- Assigns a portion of **Emerson Elementary** attendance area above 24 Freeway and below 59<sup>th</sup> Street to **Peralta Elementary**.
- **Emerson Elementary** expands to capture boundary area below 52<sup>nd</sup> Street.
- **Sankofa Academy** expands to capture boundary area above 52<sup>nd</sup> Street.
- **Sankofa Academy** currently shares its attendance boundary with **Peralta Elementary**. In this proposal, **Sankofa Academy** would continue to share a portion of its attendance boundary with **Peralta Elementary** west of Racine Avenue and below 63<sup>rd</sup> Street.
- **Sankofa Academy** would be the exclusive attendance area school for the boundary area above 52<sup>nd</sup> Street.

## NOTE:

***No Address currently within the shared Peralta / Sankofa attendance area would lose the attendance area of Peralta Elementary in any of these boundary change proposals. Sankofa Academy would continue to share the designated portion with Peralta Elementary, as well as expand to capture the additional attendance area as outlined in the associated maps.***

## OUSD PROPUESTAS DE CAMBIOS DE LAS ÁREAS DE ASISTENCIA

Las fronteras escolares son utilizadas para identificar el distrito escolar en el cual un residente tiene prioridad de en la política de la matrícula del Distrito. Basado en la política actual de la matrícula del Distrito, estudiantes que viven dentro el área de asistencia de una escuela son de prioridad más grande para matricularse a esa escuela que los estudiantes que viven afuera del área de asistencia.

Como resultado de las clausuras de las escuelas y el reclutamiento de escuelas, el Distrito se ha sometido a un proceso para el cambio de las área de asistencia para asegurar que los residentes que actualmente viven dentro del área de asistencia de una escuela que se clausurará, tendrán una escuela abierta y específica a la cual se le asignará a su domicilio.

Las siguientes Claves y Notas proveen algo de orientación sobre la propuesta de los cambio de las áreas de asistencia que están actualmente bajo consideración. Por favor asista a una de nuestras Reuniones de Aportación Comunitaria o Audiencias Públicas para expresar sus comentarios. También puede ponerse en contacto con Rebecca Adams al [rebecca.adams@ousd.k12.ca.us](mailto:rebecca.adams@ousd.k12.ca.us) si desea enviar comentarios o preguntas.

### Claves:

#### **COLOR de las ÁREAS:**

Representa el área de asistencia de las escuelas afectadas por los cambios propuestos.

#### **LÍNEA ROJA:**

Representa el área de asistencia de una escuela que se cerrará para el 2012-13.

#### **LÍNEAS NEGRAS:**

Representa la frontera de la ciudad, por ejemplo Berkeley, San Leandro, etc.

#### **ICONO de un EDIFICIO:**

Representa una escuela.

(Negro = escuela abierta para el 2012-13, Rojo = escuela cerrada para el 2012-13)

### **NOTA:**

Todas las propuestas para las áreas de asistencia están sujetas a cambios.

# PROPUESTA PARA EL ÁREA DE ASISTENCIA DE LAKEVIEW

## Lakeview Opción 1:

- **La Escuela Primaria Piedmont Avenue** (beige) expande a capturar aproximadamente 20 cuadras.
- **La Escuela Primaria Lincoln** (Rosa Oscuro) expande a capturar aproximadamente 25 cuadras.
- **La Escuela Primaria Crocker Highlands** (Rosa Claro) expanda asía la avenida Grand sobre el auto pista MacArthur.
- **La Escuela Primaria Cleveland** (amarillo) expande a capturar aproximadamente 6 cuadras a lo largo de la Avenida Lakeshore.

## Lakeview Opción 2:

- **La Escuela Primaria Piedmont Avenue** (beige) expande a capturar todas las cuadras al noroeste de la Avenida Grand.
- **La Escuela Primaria Lincoln** (Rosa Oscuro) expande a capturar aproximadamente 10 cuadras bajo la avenida Grand al oeste de Lake Merritt.
- **La Escuela Primaria Crocker Highlands** (Rosa Claro) expande a la avenida Grand sobre el auto pista MacArthur.
- **La Escuela Primaria Cleveland** (amarillo) expande a capturar aproximadamente 6 cuadras a lo largo de la avenida Lakeshore.

## NOTA:

La diferencia clave en la propuesta para el área de asistencia de Lakeview refleja la consideración de dividir o no dividir el vecindario sobre (noroeste de) la Avenida Grand entre **La Escuela Primaria Piedmont Avenue** y **La Escuela Primaria Lincoln** o mantener la vecindad bajo la misma área de asistencia que **La Escuela Primaria Piedmont Avenue**.

# PROPUESTA PARA EL ÁREA DE ASISTENCIA DE LAZEAR

## Lazear Opción 1:

- **La Escuela Primaria Garfield** (morado) expande a capturar todas las cuadras al oeste de la avenida 22.
- **Cesar Chavez** (que incluye *International Community School* y *Think College Now*) (amarillo) expande a capturar la mayoría del área de asistencia entre la avenida 22 y la avenida 37.
- **Jefferson** (que incluye *ASCEND*, *Global Family School*, y *Learning Without Limits Elementary*) (anaranjado) expande a capturar la porción al este de la avenida 37.

## Lazear Opción 2:

- **La Escuela Primaria Garfield** (morado) expande a capturar todas las cuadras al Oeste de la avenida 22.
- **Cesar Chavez** (que incluye *International Community School* y *Think College Now*) (amarillo) expande a capturar la mayoría del área de asistencia entre la avenida 22 y la avenida 37.
- **La Escuela Bridges dentro de la Escuela Primaria Melrose** (anaranjado) expande a capturar la porción este de la avenida 37.

## NOTA:

La diferencia clave en la propuesta del área de asistencia para Lazear refleja la consideración de asignar la porción este de la avenida 37 para el área de asistencia de la escuela **Primaria Jefferson** o la escuela primaria **Bridges en Melrose**.

Una **PROPUESTA ADICIONAL** es incluir las cinco cuadras entre la avenida 23 y la avenida 25 en el área de asistencia expandida de Garfield, dada su proximidad a la escuela y al número de niños de edad escolar que viven en esa área que actualmente asisten a la escuela **Primaria Garfield**.

# PROPUESTA PARA EL ÁREA DE ASISTENCIA DE MARSHALL

## Marshall Opción 1:

- La Escuela Primaria Grass Valley (Verde) expande a capturar toda el área sobre el auto pista 580.
- La Escuela REACH Academy (Azul) expande a capturar lo que queda de el área bajo el auto pista 580.

## Marshall Opción 2:

- La Escuela Primaria Grass Valley (Verde) expande a capturar toda el área sobre el auto pista 580.
- La Escuela Primaria Howard (Azul) expande a capturar lo que queda del área bajo el auto pista 580.

## Marshall Opción 3:

- La Escuela Primaria Grass Valley (Verde) expande a capturar toda el área de asistencia.

## NOTA:

La diferencia clave en la propuesta del área de asistencia para Marshall refleja la consideración de asignar o no la porción bajo el auto pista 580 a la escuela **REACH Academy, La Escuela Primaria Howard,** o **La Escuela Primaria Grass Valley.**

# PROPUESTA PARA EL ÁREA DE ASISTENCIA DE MAXWELL PARK

## Maxwell Park Opción 1:

- **Jefferson** (que incluye *ASCEND*, *Global Family School*, y *Learning Without Limits Elementary*) (amarillo) expande a capturar aproximadamente 15 cuerdas bajo la avenida Allendale y al oeste de Monticello.
- **La Escuela Primaria Allendale** (Azul mediano) expande a capturar aproximadamente 10 cuerdas sobre la avenida Allendale y al oeste de Monticello.
- **La Escuela Primaria Laurel** (anaranjado) expande a capturar el área sobre la avenida Camden y al oeste de Mills College.
- **La Escuela Primaria Burckhalter** (amarillo) expande a capturar a Mills College.
- **La Escuela Primaria Markham** (Verde Azulado) expande a capturar aproximadamente 7 cuerdas entre la avenida 62 y Seminary Blvd.
- **La Escuela Primaria Greenleaf** (Azul Oscuro) expande a capturar el área entre Seminary Blvd y la avenida 55 bajo Mills College.
- **La Escuela Primaria Horace Mann** (Rosa) expande a capturar el área bajo la avenida Camden entre la avenida 55 y Monticello.

## Maxwell Park Opción 2:

- **La Escuela Primaria Allendale** (Azul Mediano) expande a capturar aproximadamente 10 cuerdas sobre la avenida Allendale y al oeste de Monticello.
- **La Escuela Primaria Laurel** (Anaranjado) expande a capturar el área sobre la avenida Fleming entre Seminary Blvd. y la avenida 50.
- **La Escuela Primaria Burckhalter** (amarillo) expande a capturar a Mills College y aproximadamente y 7 cuerdas entre la avenida 62 y Seminary Blvd.
- **La Escuela Primaria Horace Mann** (Rosa) expande a capturar el área bajo la avenida Fleming entre Seminary Blvd. y High Street.

## Maxwell Park Opción 3:

- **La Escuela Primaria Allendale** (Azul Mediano) expande a capturar aproximadamente 10 cuerdas sobre la avenida Allendale y al oeste de Monticello.
- **La Escuela Primaria Laurel** (anaranjado) expande a capturar el área sobre la avenida Fleming entre Seminary Blvd. y la avenida 50.
- **La Escuela Primaria Burckhalter** (amarillo) expande a capturar Mills College.
- **La Escuela Primaria Markham** (verde azulado) expande a capturar aproximadamente 7 cuerdas entre la avenida 62 y Seminary Blvd.
- **La Escuela Primaria Horace Mann** (Rosa) expande a capturar el área bajo la avenida Fleming, entre Seminary Blvd. y High Street.

## NOTA:

La diferencia clave en la propuesta del área de asistencia para Maxwell Park refleja la consideración de asignar la porción o no, de las áreas de asistencia para la escuela primaria **Jefferson** y la escuela primaria

**Greenleaf** (Opción 1) o asignar una porción pequeña al este de Seminary Blvd para la escuela primaria **Markham** o a la escuela primaria **Burckhalter**.

# PROPUESTA PARA EL ÁREA DE ASISTENCIA DE SANTA FE

## Santa Fe Opción 1:

- Asignan una porción del área de asistencia de la escuela primaria Emerson sobre el auto pista 24 Freeway y bajo la calle 59 a la escuela primaria Peralta.
- La escuela primaria Emerson expande a capturar el área bajo la avenida 52.
- La escuela Sankofa Academy expande a capturar el área sobre la avenida 52.
- La escuela Sankofa Academy actualmente comparte el área de asistencia con la escuela primaria Peralta Elementary. En esta propuesta, Sankofa continuará a compartir una porción de su área de asistencia con Peralta al oeste de la avenida Racine.
- La escuela Sankofa Academy sería el área exclusiva de asistencia para la frontera sobre la avenida 52.

## Santa Fe Opción 2:

- Asignan una porción del área de asistencia de la escuela primaria Emerson sobre el auto pista 24 y bajo la calle 59 a la escuela primaria Peralta.
- La escuela Primaria Emerson expande a capturar el área entre la avenida 52 y Macarthur Blvd.
- La Escuela Primaria Hoover expande a capturar el área bajo MacArthur Blvd.
- La escuela Sankofa Academy expande a capturar el área sobre la avenida 52.
- La escuela Sankofa Academy actualmente comparte su área de asistencia con la escuela primaria Peralta. En esta propuesta, la escuela Sankofa Academy continuará a compartir una porción del área de asistencia con la escuela primaria Peralta al oeste de la avenida Racine.
- La escuela Sankofa Academy sería el área exclusiva de asistencia para la frontera sobre la avenida 52.

## Santa Fe Opción 3:

- Asignan una porción del el área de asistencia con la escuela primaria Emerson sobre la autopista 24 y bajo la calle 59 a la escuela primaria Peralta.
- La escuela primaria Emerson expande a capturar el área bajo la avenida 52.
- La escuela Sankofa Academy expanda a capturar el área sobre la avenida 52.
- La escuela Sankofa Academy actualmente comparte su área de asistencia con la escuela primaria Peralta. En esta propuesta, Sankofa continuará a compartir una porción de su área de asistencia con la escuela primaria Peralta al oeste de la avenida Racine y bajo la avenida 63.
- La escuela Sankofa Academy sería el área exclusiva de asistencia para la frontera sobre la avenida 52.

## NOTA:

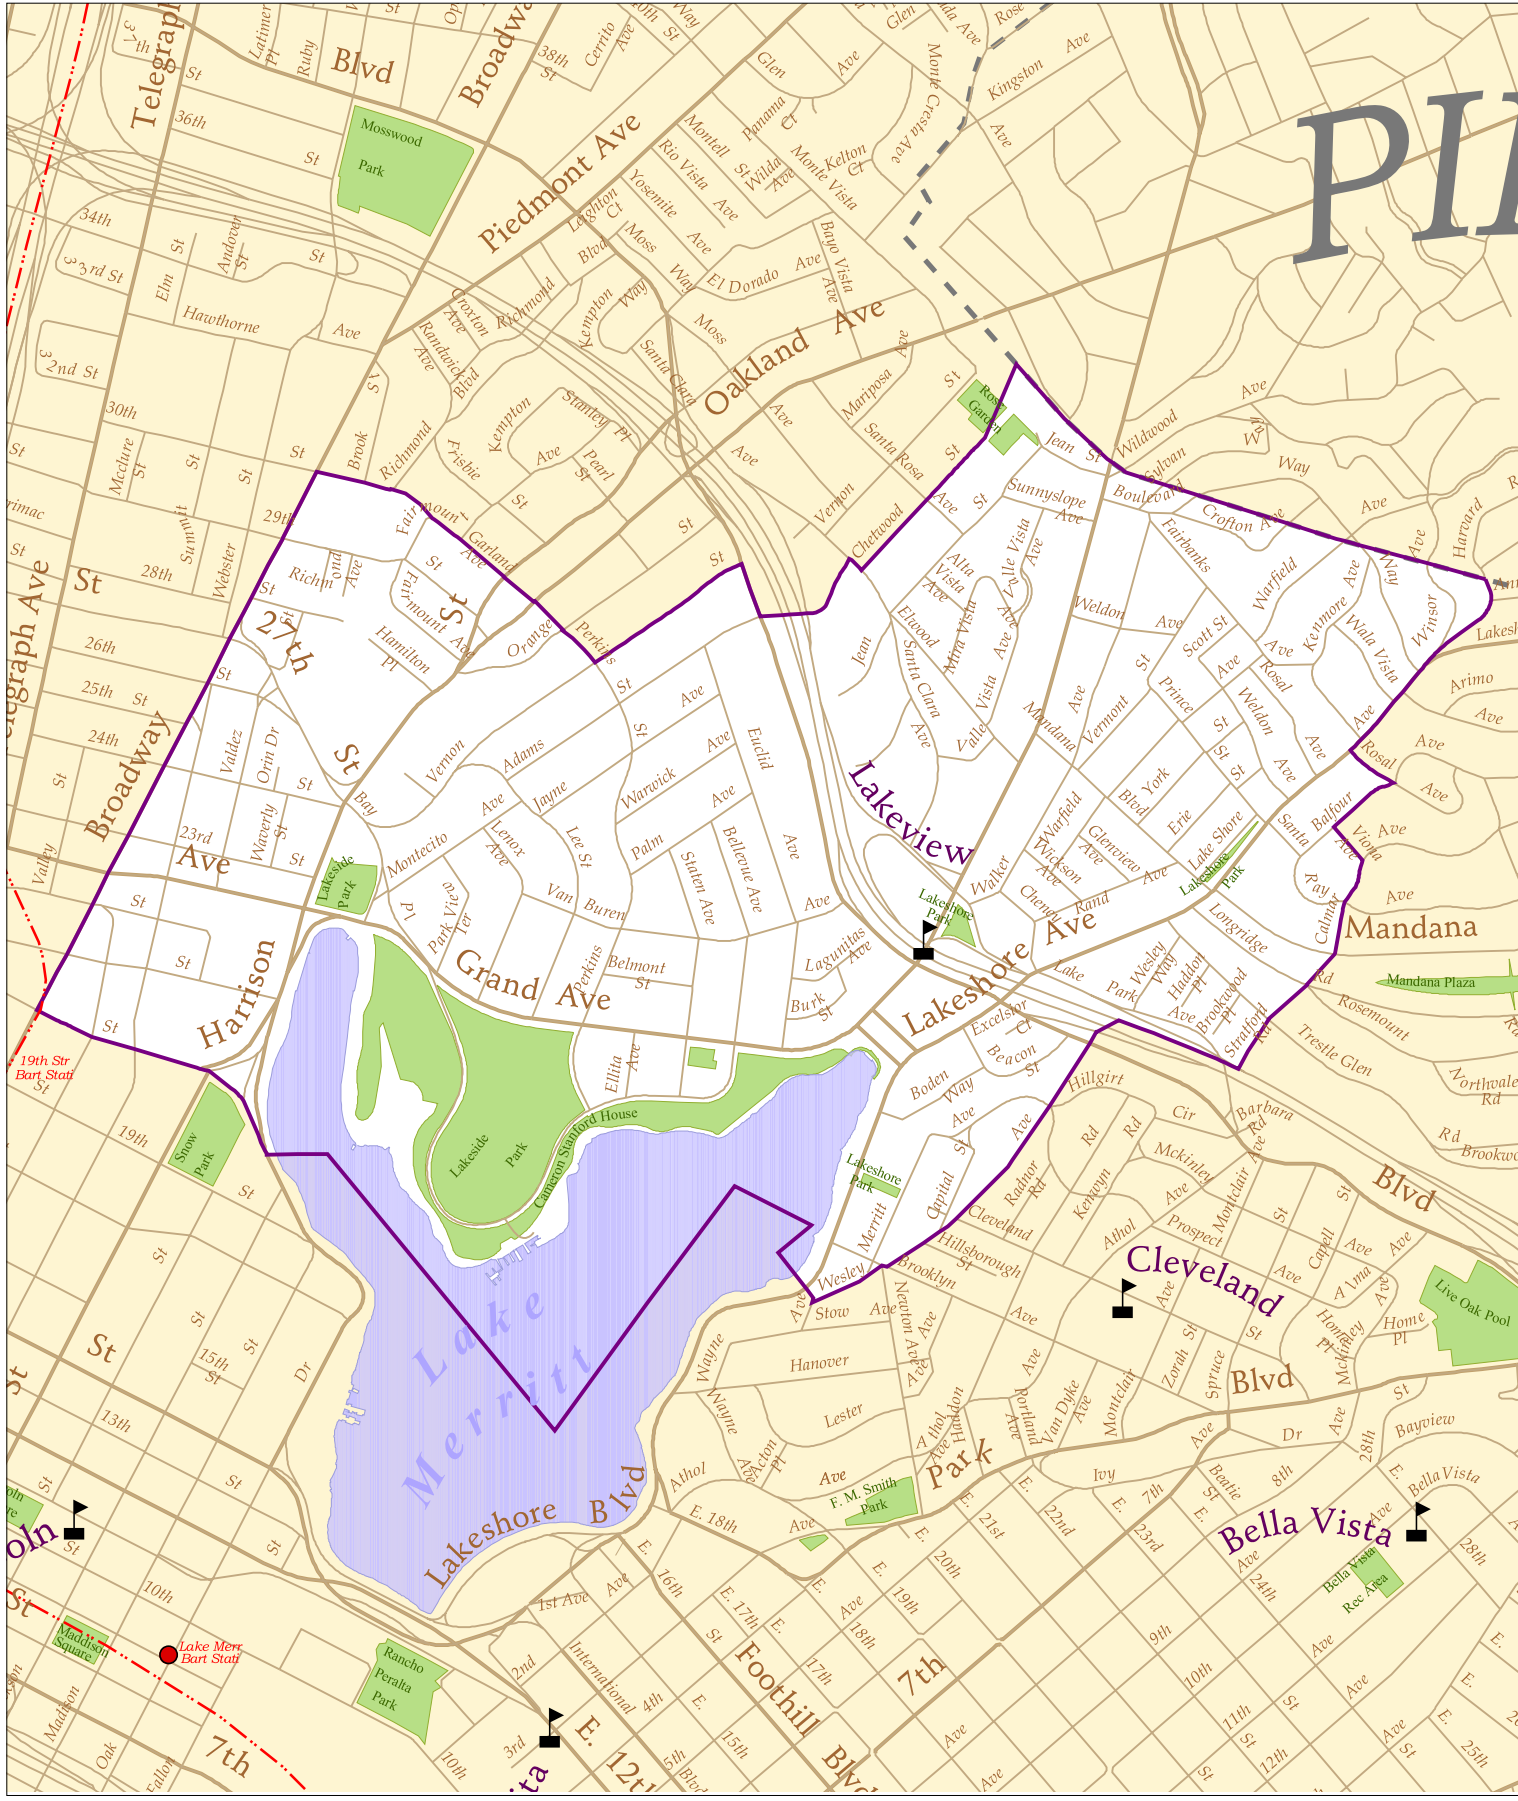

***Ningún domicilio actualmente entre el área de asistencia compartida entre Peralta / Sankofa se les quitará el área de asistencia de la escuela primaria Peralta en cualquiera de estas propuestas.*** La escuela Sankofa Academy continuará a compartir la porción asignada, y también capturaré el área de asistencia adicional como indican los mapas asociados el.
