Memo

To Board of Education

From Dr. Gary Yee, Acting Superintendent and Secretary, Board of Education
By: Vernon Hal, Deputy Superintendent *VH*
Timothy White, Associate Superintendent, Facilities Planning and Management

Board Meeting Date February 26, 2014

Subject Amendment No. 1, Independent Consultant Agreement - KDI Consultant, Inc. - La Escuelita (MetWest) Project

Action Requested Approval by the Board of Education of Amendment No. 1, Independent Consultant Agreement with KDI Consultants, Inc. for Division of State Architect (DSA) Inspection Services on behalf of the District at La Escuelita (MetWest) Project, in an amount not-to exceed \$150,000.00 increasing previous contract amount from \$565,532.00 to a not to exceed amount of \$725,532.00 and revising the end date from June 1, 2012 through August 1, 2014 to December 31, 2015. All remaining portions of the agreement shall remain in full force and effect as originally stated.

Background Due to unforeseen conditions and other factors that caused delay to the completion of Phase 2, additional budget is needed to cover inspection services from August 2014 to November 2014.

Local Business Participation Percentage 100.00%

Strategic Alignment Among the key purposes of the District's Facilities Master Plan is to provide an academic environment for the Oakland community that will give every student, educator, and community member using our facilities the best possible opportunity for learning.

Through implementation of the Facilities Master Plan, the District intends to improve the District's facilities in terms of structural integrity, safety, reliability of operating (mechanical) systems, access to modern resources,

number and type of appropriate laboratories and specialized instruction rooms, opportunities for physical education, and attractiveness, such that the Oakland Public Schools are second to none. Operation of the District schools under the planned approach is intended to ensure safety, cleanliness, and orderliness for all individuals participating in the learning process.

The basic facility needs of students such as proper lighting, functional roofs, noise control and well maintained buildings, not only convey the message that we value our students and teachers but may foster a sense of school pride and community ownership which may improve attitudes towards learning. The implementation of the Facilities Master Plan is our first step in that direction.

Recommendation

Approval by the Board of Education of Amendment No. 1, Independent Consultant Agreement with KDI Consultants, Inc. for Division of State Architect (DSA) Inspection Services on behalf of the District at La Escuelita (MetWest) Project, in an amount not-to exceed \$150,000.00 increasing previous contract amount from \$565,532.00 to a not to exceed amount of \$725,532.00 and revising the end date from June 1, 2012 through August 1, 2014 to December 31, 2015. DRUG/SMOKE-FREE WORKPLACE CERTIFICATION

The District and all District projects are "drug-free" and "smoke-free" workplaces and, as such, require that the Project Manager be subject to the requirements mandated by California Government Code Section 8340, et seq., when on the Project site.
