Is Vendor a local Oakland business? Yes No

Why was this Vendor selected?

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

Summarize the services this Vendor will be providing.

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and by the California Department of Education's ASES and/or 21st Century Community Learning Center grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

Was this contract competitively bid? Yes No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and by the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

**Memorandum of Understanding 2017-2018
Between Oakland Unified School District and
Bay Area Community Resources**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Bay Area Community Resources ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 313/Street Academy under the following grants:
 - California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
 - California Department of Education ("CDE") 21st Century Direct Access Grant ("Direct Access")
 - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")
2. **Term of MOU.** The term of this MOU shall be July 1, 2017 through June 30, 2018 if AGENCY services do not include summer educational programs, and July 1, 2017 through August 17, 2018 if AGENCY services include providing summer educational programs. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY.** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation.** The 21st Century ASSETS Core Grant, Family Literacy, and Direct Access grant award amount for Bay Area Community Resources is \$111,316.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and **subject to AGENCY compliance with MOU requirements**, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. **Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.**
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A - Attendance Reporting Schedule 2017-2018**).
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2017-2018 and will not exceed \$111,316.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses

paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

- 4.7. **Program Fees.** The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.
5. **Scope of Work.** AGENCY will serve as lead agency at 313/Street Academy, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2017-2018. This shall include the following required activities:
- 5.1. **Student Outcomes.** AGENCY shall achieve the student outcomes as described in the grant application narrative and articulated in documents from the program evaluation team. AGENCY agrees to develop school specific outcomes, as defined in partnership with the principal. SECTION 1: School Site Information	
School Site: Oakland Emiliano Zapata Street Academy	Lead Agency: Bay Area Community Resources
Principal Signature: 	Lead Agency Signature: 
After School Site Coordinator Name (if known at this time):	Date: 03/14/2017

SECTION 2: PROGRAM OPERATIONS: Average Daily Attendance, Program Dates, Minimum Days To be compliant with grant requirements, high school after school programs must operate for a total of at least 15 hours per week. This can consist of any combination of after school, before school, weekend, intercession, and summer programming. Program activities cannot take place during any part of the regular school day hours (as documented on the school's bell schedule), including lunch time.	
Recommendation: The after school program should commence immediately upon the conclusion of the regular day, operate a minimum of 3 hours/day, and be open until at least 6pm to meet student needs. To meet attendance targets, programs should operate every day of the school year. * CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.	
Projected Daily Attendance during School Year 2017-2018	72
First Day of Program Operations for the 2017-18 school year	August 21, 2017

<p>Minimum Days When a school holds minimum days, the after school program should begin as soon as the school day ends, and operate for at least 3 hours; though programs are recommended to operate until 6pm to meet student needs. Minimum days can have a significant impact on after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.</p>

<p>SECTION 3: Program Model and Lead Agency Selection</p>

<p>SECTION 5: OUSD STRATEGIC TARGETS - HIGH SCHOOL OUSD strives to prepare all students to graduate college, career, and community ready. After school programs play a key role in supporting this district goal. The following target is part of OUSD's Pathway to Excellence Strategic Plan for 2015 - 2020. Our entire Oakland school system, together with community partners, will work collaboratively to achieve this target for all students. Cohort Graduation Rate: By 2020, the cohort graduation rate will increase to 85 percent.</p>				

Supporting high school students to graduate college, career, and community ready begins well before 12th grade. Starting with supports for incoming 9th graders and their families, high school after school programs can play an important role, in collaboration with the school day, to support students' success throughout their high school journey toward graduation.				
Discuss with your Site Administrator possible ways your after school program can support the cohort graduation rate strategic target. Complete the following matrix to indicate how your after school program will work in partnership with your school to support students to meet the goal of graduating on time.

<p>SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY</p>				

Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above. Please include the following required Family Engagement activities for all high school programs:

OUSD High After School Family Engagement Required Activities (click [link](#) for additional information on these requirements):

- Partner with school day faculty to provide one Fall meeting for 9th graders and families to review graduation requirements and cover [essential components](#) to deepen parents' understanding of how to support their children's learning
- Partner with school day faculty to provide one Spring orientation meeting for incoming 9th graders and families to discuss high school expectations
- Help school organize a "Family Resource Zone" to provide a safe space for parents to access information, ask questions, etc.
- Additionally, after school staff should participate in site-based Professional Development on family engagement, and be part of the school's family engagement team.

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs. After school family engagement efforts should be aligned with the school's family engagement strategy, and support school goals for family involvement.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21st Century grantees who receive Family Literacy funding: **The activities listed below must align to your 21st Century Family Literacy budget plan.**

Type of Activity and Frequency	SPSA goal(s) or school need supported by activity	Describe how this activity is connected to student achievement	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
6 restorative justice trainings for families. 2 per term (1 community building & 1 harm circle) for incoming and returning families	Increase cultural awareness and sensitivity for a more restorative and respectful school climate. Parents and other family members are circle keepers.	Fosters parent involvement to increase their ability to support their student's learning and development.	Parents support restorative justice and conflict mediation.	Build participation in SSC and increase parent volunteerism at the school.

Each organization completes intake forms for students</p>	<p>Street Academy has a full service community school model and the after school program will support this by partnering with Community Based Organizations that support both out of school time goals for student achievement as well as the school day goals.</p>
<p>Cultural Celebrations/ student recognition circles</p>	<p>Increase cultural awareness and sensitivity for a more respectful and restorative school climate.</p>	<p>Students are the major contributors in this process for planning and presentation.</p>	<p>The ASP holds quarterly cultural celebrations and students recognition circles.</p>	<p>School day learning as well as goals for students achievement will inform this process.</p>

<p>FAMILY LIAISON: (if applicable) <i>Describe the anticipated duties of the Family Liaison in your program. Also identify what supports your school site will provide the Family Liaison, including training and materials.</i></p>				
<p>The primary function of the Family Liaison will be to implement and maintain the structure and processes of the restorative justice model at Street Academy. This will include training in restorative justice circles, student re-entry process, and harm circles which will be facilitated by parent volunteers. The Family Liaison will work continuously with families to support the individualized student success plans. The Family Liaison will also support family volunteerism during extended day and during supplemental programming times.</p>				
<p>SECTION 9: PROGRAM SCHEDULE</p>				

a) **Submit your program schedule as an attachment, using the standard [program schedule template](#).** The after school schedule must indicate the school name, program name, and the program year. Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters.

b) The Program Schedule must clearly show when all after school activities listed in the Sections 4 - 7 will be taking place.

c) Make sure program schedule clearly shows when the following middle school program requirements will take place:

- MESA programming one hour/week (sites will receive support with MESA implementation)
- STEM programming one hour/week (coding and/or other STEM curriculum and professional development will be provided)
- Career exploration programming

d) Submit a copy of the school bell schedule for the 2017-18 school year.

Important Notes: The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)

Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)

SECTION 10: SATISFACTORY SCHOOL DAY ATTENDANCE AND CHRONIC ABSENCE ACTION PLAN

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	In partnership with school day staff, ASP coordinator will identify students who are below 80% attendance. Identified students will be placed into ASP's that meet their needs and interests. Contracts will be set up between parents, students, ASP, and school day to establish accountability.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Parent liaison/ Case Managers will outreach and contact guardians to discuss learning loss due to absenteeism.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Site coordinator and parent liaison will identify students' barriers to participation and attendance. Parent liaison will connect with families and will work to improve or remove barriers to participation.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Each ASP teacher will offer an attendance based incentive. Students will be identified and rewarded for best and most improved attendance at the end of each month and included in the Street Dreams Newsletter.
<p>SECTION 11: TRANSFORMING SCHOOL CULTURE AND CLIMATE After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.</p> <p>The following are strategies that OUSD schools are taking to create positive school culture and climate:</p> <ul style="list-style-type: none"> ● Positive Behavioral Intervention and Supports (PBIS) ● Restorative Justice/Restorative Practices (RJ) ● Social and Emotional Learning (SEL) 	

After school and school day partners can collaborate and intentionally align their efforts around these strategies, in order to create seamless, positive culture and climate from 8am - 6pm for students.

- a) Discuss with your Site Administrator which strategies your school is using to support positive school culture and climate. Complete the following matrix by selecting **at least one strategy** that the school day and after school programs will work intentionally to align. Detail what the after school program will do to align with school day efforts for each selected strategy. This may include any of the following action steps for alignment:
- Participate in site-level professional development (PD) together with school day staff
 - Participate in district-sponsored PD, including PD offered by the Expanded Learning Office
 - Participate in relevant school committees (ie. Culture and Climate Committee, COST, ILT, etc.)
 - Align with school day curriculum and practices
 - Align with school day routines and structures
 - Observe school day classrooms to align expectations and practices
 - Other ways to align (please specify)

Select at least 1 strategy:	Strategy	What will the after school program do to align with school day efforts in this area?
	Positive Behavioral Intervention and Supports (PBIS)	
	Restorative Justice/Restorative Practices (RJ)	The ASP program will incorporate different practices that the culture keepers class come up with to resolve student to student and student to teacher issues that may come up. Students will work closely with our Restorative Justice Coordinator to bring transformative life skills and mindfulness into all classes in our ASP to mirror what the day school looks like.
	Social and Emotional Learning (SEL)	Coordinator will Participate in site-level professional development together with school day staff and students with the ultimate goal of aligning school day routines with structures with our ASP.
b) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.).		
1) Young men's mentoring group 2) Young women's mentoring group 3) Positive reinforcement and recognition of African American achievement through guest speakers		

<p>4) Using best practices of inclusion and high expectations for achievement for all students</p>	
<p>SECTION 12: Coordination with Other Service Providers In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.</p>

Section 13: 2017-18 After School Enrollment Policy for Oakland Emiliano Zapata Street Academy High School

OUSD has established [district-wide guidelines for Target Population and Enrollment](#) in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Priority Enrollment and Transitions Support for High Need Populations of Students

According to new grant legislation, foster youth and homeless youth will receive priority enrollment in after school programs.

Additionally, OUSD prioritizes English language learners and Newcomers for after school services, so that the number of ELL students in after school programs is reflective of their percentage in the school population.

These high need student populations are transitional youth who often enter the OUSD school system mid-year, and whose program attendance may be less consistent due to the transitional nature of their home environments.

Important note: *The law states that program fees cannot be charged to homeless and foster youth participating in the program.*

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.
- The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

13a) TARGET POPULATION FOR AFTER SCHOOL PROGRAM:

in the matrix below, describe targeted student populations in order of priority. Specify data that will inform student selection. Identify targeted recruitment strategies for each population.

Which grade levels will you serve in this program? 9-12

Target Population(s)	Specific Data to Inform Selection of Program Participants	Targeted Recruitment Strategies	Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Homeless youth	Students who are transferred from Betty McGee : these students will automatically enroll in ASP to meet elective credit graduation requirements.	Through transcript literacy ASP staff in coordination with school Counselor Teacher Mentors we will be able to identify students who are not on track to graduate and will identify need for referrals in: Credit recovery and/or Elective classes.	Students earn credits towards their graduation from all our ASP offerings thus participation is encouraged.
Foster youth	Students who are transferred from Betty McGee : these students will automatically enroll in ASP to meet elective credit graduation requirements.	Through transcript literacy ASP staff in coordination with Counselor Teacher Mentors we will be able to identify students who are not on track to graduate and will identify need for referrals in: Credit recovery and/or Elective classes.	Students earn credits towards their graduation from all our ASP offerings thus participation is encouraged.
English language learners and/or Newcomers	Students who are transferred from Betty McGee : these students will automatically enroll in ASP to meet elective credit graduation requirements.	Through transcript literacy ASP staff in coordination with Counselor Teacher Mentors we will be able to identify students who are not on track to graduate and will identify need for referrals in: Credit recovery and/or Elective classes.	Students earn credits towards their graduation from all our ASP offerings thus participation is encouraged.

13b) MODIFICATIONS AND SUPPORTS FOR HIGH NEED TRANSITIONAL STUDENTS:

- How will you modify your enrollment and attendance policies to make your program accessible for foster, homeless, and Newcomer students who transition into the school mid-year?
- Additionally, how will you work with your school day partner to support these students, as well as other students transitioning into your high school mid-year, including students transferring from other schools or from the juvenile justice system?

We will hold a cushion of 2-3 students in each class for special cases in order to provide space for highly recommended students. Each student who transitions in will be partnered with a peer mentor to support their on-boarding and school culture awareness through a partnership with a student from the Culture Keepers class.

13c) ENROLLMENT PROCESS AND TIMELINE:

Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2017 and into the new school year.

Timeline	After School Enrollment Steps/Process	Individual(s) responsible

Section 17: Professional Development and Staff Wellness

Professional Development Expectation

After school staff will receive adequate professional development, including coaching support and trainings, in order to grow and improve their practice. Programs will utilize data, including YPQA/SAPQA program quality data, to determine the areas of focus for professional development. Providing after school staff with meaningful professional development is a shared opportunity & responsibility for both the lead agency and host school site.

Additionally, the OUSD Expanded Learning Office will provide extensive professional development throughout the year including: mandatory After School August Institute (week of July 31 - Aug. 4); mandatory monthly site coordinator meetings (2 hrs/month); continuous quality improvement (CQI) trainings; monthly agency director meetings; various professional learning communities (time commitment varies); local conferences (ie. annual Bridging the Bay conference), and other relevant district trainings (ie. safety, PBIS, etc.).

a) What professional development, coaching, and training supports will be provided by the lead agency partner?

BACR Coordinator Summer Institute - All Site Coordinators will participate in 3 days of training that will expand their knowledge on Youth Development, Curriculum Development, Grant Compliance, Policies and Procedures, Self-Care, and Program Quality (SA-YPQA) and coaching to success. During Summer Institute, Coordinators will have the opportunity to review their program schedule and program plan, create their year plan, plan for parent events, and learn from a variety of experts in the after school field. In addition to Summer Institute, coordinators will have the opportunity to participate in BACR led and outside trainings throughout the school year. These training opportunities may include CPR/First Aid trainings, Bridging the Bay, and Region IV trainings.

Team Cluster Meetings- All Site Coordinators will participate in monthly team cluster meetings led by their Program Manager, HR and guests. During these meetings, the Program Manager will communicate updates from the district, the agency, as well as provide the team with professional development surrounding leadership, program development and youth development. Furthermore, the Program Manager will provide space for the Site Coordinators to receive feedback and workshop site based concerns and program quality.

Coordinator Supervision - All site coordinators will meet at least two times a month to discuss site progress, individual coordinator goals, staff development and other site based subjects with their supervisor. This is opportunity for 1 on 1 support.

Line Staff Summer Institute and Year Long PD opportunities- All Group Leaders will participate in a 3 day institute that will expand their knowledge on youth development, classroom/behavior management strategies, project based lesson plans, cooperative games, emergency procedures, mandated reporting, and policies and procedures.

Site Specific Staff Meetings- All Site Coordinators will have the opportunity to plan and lead their own staff meetings with their line staff.

At these meetings, Site Coordinators will provide their line staff with lesson planning time, review site safety plans, plan events for students and parents, and review important site information.

Line Staff Supervision-There will be time for line staff to consult with their coordinator, academic liaison and/or assigned grade teacher for consultation on student progress and lesson plan development. Staff will also be evaluated 3 times a year and undergo peer observation opportunities within site teams.

Program managers, coordinators and academic liaisons will conduct classroom observations for each of their group leaders to provide support and feedback on a regular basis. They will use this information to provide specific trainings and workshops.

The academic liaison will work with the coordinator to assist in the development of the academic component of the program. They will support the staff and coordinator in learning new skills around topics ranging from lesson planning, common core standards, classroom management etc. depending on the specific needs of the staff.

b) What professional development opportunities will be provided by the school site?

Please review and sign off on the following:

My lead agency and school partner understand that professional development helps ensure program quality. My program is committed to providing/accessing professional development opportunities for after school staff, based on needs identified by program data. My program will adequately budget for staff time to participate in professional development over the course of the year (for key line staff, recommended at least 20 hours of PD/year). Yes No

Staff Wellness

Please describe ways your program will work to support staff wellness over the course of the year:

As an agency, BACR believes that the wellness of our staff is directly related to the overall health of our programs. This year, BACR has launched our wellness initiative "Find Your Balance". The goal of this program is to improve the overall wellness of BACR staff so you have a balanced life and provide outstanding services. Our HR department has rolled out a variety of programs in support of this goal in the past few months/year and will continue to implement more. At the same time, each cluster of sites/districts is embarking on their own team wellness goals. For example, some are integrating in their team meetings at least 5 minutes of a Wellness Exercise, whether it is a reflection, meditation, or other mindfulness activities (i.e. Yoga, Massages).

Site Coordinator will implement regular (daily) check ins that include breathing and grounding practices for staff. Our after school yoga program will provide bi-monthly classes for staff. Site Coordinator will plan a staff reflection retreat at the beginning and end of the school year. Professional development will include self care for staff. BACR has established a partnership with 24hr fitness and all BACR employees get a discounted rate of 27.00 per month and can have up to 6 friends join as well.

Social and Emotional Learning (SEL)

Developing SEL skills in students and adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.

Describe how you will work intentionally to develop SEL skills in program staff, so that they can model SEL skills to students:

Teacher Language

Description: Teacher language refers to how the teachers talk to students. Teachers should encourage student effort and work, restating what the student did and what that student needs to do in order to improve.

Example: For example, teacher language should not be simply praise (e.g., “You did a great job!”) but should encourage students (e.g., “I see you worked hard on your mathematics paper. When you really think about your work, and when you explain your thinking, you get more correct answers.”). In addition, teacher language should encourage students to monitor and regulate their own behavior, not just tell students how to behave (e.g., “What strategies have we learned when we come across a problem that we are not sure how to do?”).

Responsibility and Choice

Description: Responsibility and choice refer to the degree to which teachers allow students to make responsible decisions about their work in the classroom.

Example: The teacher creates a classroom environment where democratic norms are put into place and where students provide meaningful input into the development of the norms and procedures of the classroom as well as the academic content or how the academic content is learned. Teachers give students controlled and meaningful choices. Other ways to get students to feel responsible in the classroom are peer tutoring, cross-age tutoring, or participating in a service-learning or community service program.

Warmth & Support

Description: Warmth and support refers to the academic and social support that students receive from their teacher and peers. Teachers create classrooms where the students know that teachers care about them.

Example: Teachers demonstrate that they care about their students by asking students questions (academic and nonacademic), following up with students when they have a concern, providing anecdotes or stories, and acting in ways in which students know that taking risks and asking questions are safe in the classroom. In addition, teachers need to create structures in the classroom where students feel included and appreciated by peers and teachers (e.g., morning meetings or projects in which students get a chance to share what they learn).

Cooperative Learning

Description: Cooperative learning is a specific instructional task in which teachers have students work together toward a collective goal. Teachers ask students to do more than group work; students are actively working with their peers using content in a meaningful way.

Example: To implement cooperative learning effectively, teachers include five basic elements: (1) positive interdependence, (2) individual accountability, (3) promoting one another's successes, (4) applying interpersonal and social skills, and (5) group processing (the group discusses progress toward achieving a goal). When implementing cooperative learning, teachers should have an element that requires collective and individual accountability to ensure that everyone participates in the learning task

Classroom Discussions

Description: Classroom discussions refer to conversations students and teachers have regarding content. During classroom discussions, teachers ask more open-ended questions and prompt students to elaborate on their own thinking and that of their peers.

Example: When classroom discussions are done well, students and teachers constantly build on each other's thoughts, and most of the dialogue is student driven. To promote effective discussions, teachers must develop students' communication skills. More specifically, teachers ensure that students learn how to extend their own thinking and expand on the thinking of their classmates. Students need to be able to listen attentively and pick out the main ideas of what classmates are saying.

Self Reflection & Self Assessment

Description: Self-reflection and self-assessment are instructional tasks whereby teachers ask students to think actively about their own work.

Example: In order for students to self-reflect on their work, teachers should ask students to assess their own work. Students need to learn how to assess more rigorous work against performance standards that have either been provided by the teacher or co-created in the classroom. Using the standards, students need to learn how to monitor the progress toward meeting the standards, as well as learn when and how to ask for help to meet that standard.

Balanced Instruction

Description: Balanced instruction refers to teachers using an appropriate balance between active instruction and direct instruction, as well as the appropriate balance between individual and collaborative learning. Through balanced instruction, teachers provide students opportunities to directly learn about the material as well as engage with the material.

Example: An example of an active form of instruction is project-based learning. In project-based learning, students are actively involved in solving a problem, which could be completed collaboratively or independently. Even during independent projects, students typically have to rely on others to find information. During the project, students should plan, monitor, and reflect on their progress toward completion.

Academic Press and Expectations

Description: Academic press refers to a teacher's implementation of meaningful and challenging work; academic expectations focus on the teacher's belief that all students can and will succeed. Students should sense that academics are extremely important, that the teacher wants students to succeed, and that they have to exert effort in challenging work in order to succeed.

Example: Teachers should ensure that students feel pressure to succeed, as well as feel responsible for accomplishing or failing to accomplish their academic work. In order to be successful with this practice, teachers must know what their students are capable of doing academically and how students will respond emotionally to challenging work.

Competence Building--Modeling, Practicing, Feedback, and Coaching

Description: Competence building occurs when teachers help develop social-emotional competencies systematically through the typical instructional cycle: goals and objectives of the lesson, introduction to new material or modeling, group and individual practice, and conclusion and reflection. Each part of the cycle helps reinforce particular social-emotional competencies when the teacher integrates them into the lesson.

Example: Throughout the lesson, the teacher should model prosocial behaviors to the students, as well as provide feedback to students on how they interact with their peers and learn content. If problems arise between students in guided practice or with content, the teacher guides the students through problem-solving and conflict-resolution strategies.

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the CA Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- beginning of year self-assessment using YPQA/SAPQA tool
- planning with data (using self assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with SMART goals for program improvement
- year-end self-assessment and QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners)

Review and mark all commitments:

Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:

- ✓ Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process.
- ✓ Site coordinator will participate in CQI trainings to develop his/her leadership in leading continuous quality improvement processes.
- ✓ Lead agency director will provide coaching support and monitoring to Site Coordinator to ensure completion of a meaningful CQI process, and thoughtfully completed CQI deliverables.
- ✓ Site coordinator will share CQI data with Site Administrator and school staff.
- ✓ Lead agency and school partner will work collaboratively to support the implementation of the program's Quality Action Plan, including providing staff with adequate training and resources to improve the quality of their practices.

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. To Whom It May Concern:

It is the Bay Area Community Resources policy to ensure to the best of our abilities that everyone we bring into our BACR programs to work with our clients are properly screened so as to minimize any risk, either physical or emotional, to the children and other clients we serve. We achieve this through FBI and DOJ fingerprint background checks on all our employees, independent contractors, subcontractors and volunteers working in our OUSD school programs. We are set up to receive subsequent arrest records. In addition, all staff must turn in a negative TB clearance before they begin working with our students in OUSD.

We certify that all staff meet our staff qualifications including TB clearance, and FBI/DOJ clearance before they begin working with the students. We can provide verification upon demand from OUSD. On a monthly basis this information is submitted to our district after school programs office with our invoices, indicating ATI numbers.

Sincerely,

Marisa Ramirez
