Between Oakland Unified School District and  
Youth Together**

---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Youth Together ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 306/Skyline High School under the following grants:
- California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
  - California Department of Education ("CDE") 21st Century Equitable Access Grant ("Direct Access")
  - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")
2. **Term of MOU.** The term of this MOU shall be July 1, 2020 through June 30, 2021. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
- a) No Premature Termination by AGENCY.** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
- b) Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation. Contingent on OUSD receipt of The 21st Century ASSETS Core Grant, and Direct Access grant award amount for** Youth Together **is \$** 220,547.00 **. Contingent on 21st CCLC funding. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:**

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee **and subject to AGENCY compliance with MOU requirements**, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. **Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.**
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A - Attendance Reporting Schedule 2020-2021**). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2020-2021 and will not exceed \$ 220,547.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").

- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. **Program Fees.** The intent of the 21<sup>st</sup> Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.
5. **Scope of Work.** AGENCY will serve as lead agency at 306/Skyline High School, will be responsible for operations and management of the 21<sup>st</sup> Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2020-2021. This shall include the following required activities:

**SECTION 2: PROGRAM OPERATIONS**  
**Average Daily Attendance, Program Dates, Minimum Days & Enrollment**

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

<b>Projected daily attendance for 2020-21 school year program.</b>	139
--	-----

**Program Operations for the 2020-2021 school year.** First Day: August 10, 2020 Last Day: May 27, 2021

**UPDATED ED CODE:** Per CDE Education Code Section 8483.7(c) allows programs to close for a maximum of 3 days during a calendar year (not a school year) for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. **This should be uploaded no later than 5 business days after the closure day.**

[Fill out this Google Form to identify the three days](#) (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2020).

**Minimum Days.** When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. **There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.**

**Projected Number of Minimum Days for School Year 2020-2021: 38**  
*\*Schools should provide the lead agency with a calendar of minimum days for the 1st day of school.*  
**Is your school-day bell schedule attached?**

**Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?**

There are not additional funds that will be used. Youth Together will continue to adjust programming time and provide the minimum three hours of programming after school.

**SECTION 3a: PROGRAM MODEL.**

After students complete an application for their program of interest and are accepted into the program, they will be notified of their acceptance via phone calls, parent letters, emails and in person conversations.

**SECTION 3b: PROGRAM MODEL. (Continued)**  
**Average Daily Attendance, Program Dates, Minimum Days & Enrollment**

**Who can receive the Golden Ticket?**

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ***\*McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ***\*Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
  - *Establishes the definition of homeless used by schools*
  - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
  - *Provides for educational access, stability, and support to promote school success*
  - *Needed to address the unique barriers faced by many homeless students*

**Complete the following questions for Section 3b:**

- To the best of your knowledge, how many Golden Tickets were distributed in the 2019-20 school year? (*please estimate: 0-5 students, 6-10, or 10+ more*)

0-5

- How will you make your program more accessible to serve the needs of Golden Ticket students/families?

We will implement various and consistent ways of advertising after school program offerings through brochures, fliers, emails, school announcements, in class presentations, etc. We will continue to collaboratively work with Skyline's COST team to identify students who qualify for a golden ticket and conduct strategic and individualized outreach efforts to have them participate in an after school program of their choosing.

- CDE and OUSD have established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. With these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community. Describe 1-3 enrollment priorities that will be made public and why?

Students who transition into Skyline High School mid-year will receive a detailed orientation of the Youth Center After School services and additional resources. They will meet with the Site Coordinator and

Guidance Counselor and supporting staff. They will be given an enrollment packet along with contact information and a programming brochure and will be able to enroll into a program of their choosing.

**OUSD Student Learning Goals:**

- 1- All students build **relationships** to feel connected and engaged in learning
- 2- All students continuously grow towards meeting or exceeding standards in **English Language Arts**
- 3- All students continuously grow towards meeting or exceeding standards in **Math**
- 4- English Learner students continuously develop their language, reaching **English Fluency** in 6 years or less
- 5- All students grow a year or more in **Reading** each year
- 6- All Students graduate college-, career-, and community-ready

**How will after-school program further these OUSD Learning Goals?** (Choose 2-3 to focus on for the 20-21 School Year)

**1. All students will grow towards meeting or exceeding standards in Math**

Our plan is to contract math teachers to provide after school tutoring support for Algebra 1, Geometry and Algebra 2 along with our academic peer tutors. Students will also focus on strengthening their math skills using nontraditional curriculum in the 9<sup>th</sup>/10<sup>th</sup> grade and 11<sup>th</sup>/12<sup>th</sup> grade academic support groups. Case management work done by our guidance counselor will also help to track the progress and support needed in math and other core classes of our after school student participants.

**2. All students graduate college, college and community ready.**

Youth Together will support this OUSD learning goal by bringing in guest speakers, hosting panels on college and career, and college tours to expose after school participants to different colleges, universities and career options. SAT prep courses will help students to prepare for the college entrance exam to increase their chances of getting accepted into a 4-year college or university.

**SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)**

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the [Quality Standards for Expanded Learning in California](#)—which were developed in partnership between the California Department of Education’s (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

<p><b>TRUTH</b> <i>What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program.</i></p>	<p><b>Identify the after-school program data point(s) in the narrative below. Could include: student feedback (youth survey, interviews or focus groups), internal program observation or external observation.</b></p> <p><b><u>Youth Voice and Leadership:</u></b> Our Youth Development internship provides each student with the opportunity to have a designated title/role and responsibility to contribute to the overall project goal of the internship. This new approach is an improvement from last year due to the make that it guarantees that all students will have a leadership role and input at all times throughout the internship. Despite the improvement, data from our evaluations indicate that students who returned to the program would have liked the opportunity to participate in the overall design process for the new roles. They highlighted that certain requirements of the roles were not relevant to them as current high school students. Our data also indicates that despite the new opportunities for students to have meaningful roles and leadership, students often feel like they do not have enough input during the decision making process as it pertains to participation in outside community events and larger group projects.</p> <p><b><u>Collaborative Partnerships:</u></b> Our programs at Youth Together intentionally builds relationships with internal stakeholders but can improve with being more consistent in intentionally collaborating with external partners and community organizations. A lot of the workshops/programs that students participate in are facilitated by Youth Together line staff and contractors. Both parents, and students indicated that they would like to see more outside guest speakers and resources provided to them on a more consistent basis.</p>															
<p><b>HOPE</b> <i>What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?</i></p>	<p><b><u>Youth Voice and Leadership:</u></b> The hope is to include students, parents and other stakeholders in the program planning and decision making process on a more consistent basis. We would like for all of our students, parents and stakeholders to feel a sense of ownership and belonging in our programs and feel like their feedback and recommendations on program quality and improvement are recognized and incorporated into the program planning process on a consistent basis.</p>															

	<p><b><u>Collaborative Partnerships:</u></b> Our hope is to provide our students, parents and community with a variety of community resources and exposure. We would like to strengthen the quality of our programming by providing participants the opportunity to learn and gain insight from experts in various fields that can positively contribute to the overall growth and development of our youth, parents and community.</p>
<p><b>CHANGE</b> <i>What steps will be taken to make the shifts needed to realize the HOPE identified above?</i></p>	<p><b><u>Youth Voice and Leadership:</u></b></p> <ul style="list-style-type: none"><li>● Conduct more program evaluations that specifically target Youth voice and leadership</li><li>● Incorporate decision-making time/process in every agenda for programming to give students the opportunity to make decisions</li><li>● Incorporate additional program planning time that intentionally includes the participate and input of student participants</li></ul> <p><b><u>Collaborative Partnerships:</u></b></p> <ul style="list-style-type: none"><li>● Actively plan to have guest speakers, panels and community organizations participate in programming outside of larger scale events.</li><li>● Ask for community partners/organizations to facilitate a minimum of 2 workshops each semester that will be available to all program participants.</li><li>● Provide opportunities for students to participate in workshops, seminars, events, etc. that are hosted by outside community organizations.</li></ul>
<p><b>CURIOSITY</b> <i>What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts.</i></p>	<p>1. How do we allocate enough time to plan and organize with youth?</p>

		Our program will <b>communicate</b> in writing and verbally to parents/guardians that an eligible child will not be turned away from program participation due to the inability to pay.  Per CDE, our programs will communicate in writing and publically to parents/guardians program fee expectations in language parents can understand. <b>This should be included in your enrollment applications, posted in your school (publicly accessible), parent handbooks and any marketing materials. ## Continuous Quality Improvement (CQI)

*In collaboration with the community, the Expanded Learning Department cultivates transformative experiences for children through adults on their journey as they become thriving, productive leaders.*

OUSD's after-school programs will engage in an ongoing continuous cycle of assess, plan, and improve. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

### Continuous Quality Improvement

In accordance with California *Education Code* sections 8484 and 8427, all After School Education and Safety (ASES), 21st Century Community Learning Centers (21st CCLC) grants, and 21st Century High School After School Safety and Enrichment for Teens (ASSETs) programs in California shall engage in a data-driven continuous quality improvement (CQI) process based on the Quality Standards. It is expected that each site keeps a copy of its Quality Improvement Plan available on site for review. (i.e Program Planning Tool)

### Quality Standards

California's Expanded Learning Quality Standards assess "Quality" from programmatic, staff, and participant levels. This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California.

The CDE language for CQI is Assess-Plan-Improve, in OUSD the language has shifted to: **Truth-Hope-Change**; and **Curiosity (THC2)**. The THC2 was co-developed in partnership with community partners. This new process makes the CQI accessible, flexible, and sustainable.

- Lead agency will budget adequately to ensure program staff participate in collaborative steps in the CQI process of Truth, Hope, Change, and Curiosity framework.
- Site Coordinator will participate in meetings/trainings to develop their knowledge in leading continuous quality improvement process.
- Lead agency and Site Coordinator will become familiar with the OUSD Expanded Learning CQI process i.e. Frequently Ask Questions (FAQ).
- Lead agency and Site Coordinator will familiarize and engage the Quality Standards for Expanded Learning in California.
- Lead agency director will provide support and ensure completion of *Section 5* of the Continuous Quality Improvement in the program planning tool:
- Site Coordinator will share the Program Planning Tool with the Site Administrator and school staff.

Lead agency and Site Coordinator will complete annual data-collection process to support continuous quality improvement--e.g. Student survey, parent feedback, etc.

Building Just Communities Through Multiracial Leadership Development and Organizing

### Statement of Qualifications/Agency Description

Grounded in the commitment to peace, unity and justice, Youth Together's mission is to address the root causes of educational inequities by developing multiracial youth organizers and engaging school community allies to promote positive school change. Youth Together emerged in 1996 following interracial violence at Castlemont High School in Oakland, California and Richmond High School in Richmond, California, which resulted in temporary emergency closures of these schools. Outraged by the neglected conditions of their schools leading up to these riots, students and community members identified educational inequities as a root cause. Youth Together was founded in response to this outrage and has received local and national recognition as a model program, as well as numerous awards.

Youth Together has a 20-year legacy of grassroots community organizing and education campaign success as a result of its successful leadership model.

Milestones include:

- 1) YT youth successfully campaigned for more equity through the Local Control Funding Formula Statewide Campaign
- 2) YT youth successfully campaigned for reformed youth leadership standards and programming in the OUSD
- 3) YT youth leaders successfully campaigned for numerous district-wide policy reforms in OUSD including a 2010 resolution to support district-wide implementation of an A-G policy, ensuring that all courses offered in high school allow students to graduate eligible for UC's and CSU's

Services Provided: (1) Youth Leadership Development and Academic Support: YT Student Leaders recruit and support youth organizers (aged 13-21) from four high schools in low-income communities of color in Oakland, CA - Castlemont HS, Skyline HS, Fremont HS, and also Richmond HS in Richmond, CA. The YT leadership team is comprised of 12 Lead Student Organizers and 120 core team members. Through the team, YT develops the leadership and organizing skills of a core group of youth, imparting practical skills in public speaking, outreach, issue assessment, strategy development, and civic engagement. The YT leadership teams address whole-school conditions by promoting school change initiatives.

YT's Academic Support Program provides services in the areas of individualized academic counseling, tutoring, and assisting with college preparation requirements (i.e. college tours and assistance with completing college applications, etc.); (2) Kids Count Campaign (Education Equity): All YT youth leaders participate in this campaign which began in 2011. The campaign seeks to transform funding for public education at a state level. YT youth leaders identified educational inequity as a root cause of racial inequity in their communities and chose

education finance reform as the campaign focus to change school and community conditions. ### **One Land One People Skyline High School Youth Center**

During Youth Together's twenty-one years of work in the community emerged the school-based One Land One People Youth Center Collaborative. Youth Together developed multi-service student centers and collaborative called One Land One People (OLOP). OLOP Collaborative and Youth Centers are networks of in-school and community-based service providers who offer programming on-campus through centralized OLOP Youth Centers. The successful implementation of the OLOP Collaborative model is based on the participation of an informed and active base of parents, students and service providers.
