Subject Professional Services Contract -
Oakland Schools Foundation Oakland CA (contractor, City State)
International Community School (site/department)

Action Requested Approval of a professional services contract between Oakland Unified School District and Oakland Schools Foundation. Services to be primarily provided to International Community School for the period of 01/03/2012 through 06/29/2012.

Background
A one paragraph explanation of why the consultant's services are needed.
 Our partnership with OSF reinforces the school's vision as a Full-Service Community School. As it has done in the past, OSF will strengthen our resources through external donors that have direct impact on areas that otherwise we could not serve: parent involvement, extended safety control and targeted interventions. These three factors are essential in our building of a school as a community reference, inspiration and its perception as a hub for services.

Discussion
One paragraph summary of the scope of work.
 A contract for services between OUSD and OSF (Oakland, CA), for the latter to provide International Community School with the following: project coordination; finance administration; donor cultivation, management, and stewardship; photography; crafting of community outreach materials and messages; brochure design and editing; individual giving campaign development; grants prospecting for high-priority school programs; grant renewal, reporting and monitoring; and safety coordination through the period of January 3rd through June 29th 2012 in an amount not to exceed \$25,000.00.

Summary for Board Memo and Board Agenda – Must accurately align with scope of work below.

A contract for services between OUSD and OSF (Oakland, CA), for the latter to provide International Community School with the following: project coordination; finance administration; donor cultivation, management, and stewardship; photography; crafting of community outreach materials and messages; brochure design and editing; individual giving campaign development; grants prospecting for high-priority school programs; grant renewal, reporting and monitoring; and safety coordination through the period of January 3rd through June 29th 2012 in an amount not to exceed \$25,000.00.

SCOPE OF WORK

Oakland Schools Foundation will provide a maximum of 678.50 hours of services at a rate of \$36.85 per hour for a total not to exceed \$25,000.00. Services are anticipated to begin on 01/03/2012 and end on 06/29/2012.

1. Description of Services to be Provided: Provide a description of the service(s) the contractor will provide. Be specific about what service(s) OUSD is purchasing and what this Contractor will do.

See attached detailed scope-of-work.

2. Specific Outcomes: What are the expected outcomes from the services of this Contract? Be specific. For example, as a result of the service(s): 1) How many more Oakland children are graduating from high school? 2) How many more Oakland children are attending school 95% or more? 3) How many more students have meaningful internships and/or paying jobs? 4) How many more Oakland children have access to, and use, the health services they need? Provide details of program participation (Students will...) and measurable outcomes (Participants will be able to...). NOT THE GOALS OF THE SITE OR DEPARTMENT.

The services provided by OSF will increase our ability to respond to intervention as beneficiaries of grants that OSF prospects for. We will provide a K-2 intervention program managed and evaluated by OSF, with clear target with regard to SRI levels, local benchmarks and CST performance. We have a consistent growth in family participation in school events (average per event is double than last year) due to our participation in the FamEli collaborative. Our school's climate and safety indicators (CHKS survey staff, parent informal evaluation, office referrals) will improve due to the position of safety coordinator. Furthermore, we expect to reduce the time students wait in the office when they are referred in half. We also expect to double the participation of parent observers in our monthly mandatory safety drills. Safety and intervention are two important indicators and high-leverage instruments to fulfil our educational and social mission within the Full-Service Community District framework.
