AGREEMENT FOR THE PROVISION OF TRANSPORTATION SERVICES

THIS AGREEMENT ("Agreement") is entered into as of August 1, 2013 between the Walker's Charter Service ("Contractor") and the District School District (the "District"), for Contractor to transport certain students from the former Santa Fe Elementary School to Emerson and Sankofa Schools in the District. The parties specifically agree that all buses used must be S.P.A.B. certified and that this agreement is subject to Section 546 of the California Vehicle Code which provides: A "school pupil activity bus" is any motor vehicle, other than a schoolbus, operated by a common carrier, or by and under the exclusive jurisdiction of a publicly owned or operated transit system, or by a passenger charter-party carrier, used under a contractual agreement between a school and carrier to transport school pupils at or below the 12th-grade level to or from a public or private school activity, or used to transport pupils to or from residential schools, when the pupils are received and discharged at off-highway locations where a parent or adult designated by the parent is present to accept the pupil or place the pupil on the bus. The driver of a school pupil activity bus shall be subject to the regulations adopted by the California Highway Patrol governing schoolbus drivers, except that the regulations shall not require drivers to duplicate training or schooling that they have otherwise received which is equivalent to that required pursuant to the regulations, and the regulations shall not require drivers to take training in first aid. However, a valid certificate to drive a school pupil activity bus shall not entitle the bearer to drive a schoolbus.

NOW THEREFORE, for a valuable consideration, the receipt and sufficiency of which is hereby acknowledged the parties agree as follows:

ARTICLE 1 - Term

The term of this Agreement shall commence on August 1, 2013 and shall terminate June 30, 2014; after the initial term, the Agreement may be extended yearly for additional one year terms upon mutual agreement of both parties. The Agreement may be terminated by the District at any time with 30 days prior written notice to the Contractor.

ARTICLE 2 - Fees For Services

The Contractor shall be paid the \$55,800 annually. The Contractor shall invoice the District in eleven equal monthly installments, commencing August 15, 2013. Contractor shall be paid therefore within thirty (30) days after the District's receipt of the Contractor's invoice for the provision of the Services.

ARTICLE 3 - Vehicles

ARTICLE 4 - Contractors Personnel

The Contractor shall, at its sole cost and expense, provide qualified and properly licensed personnel, as required by laws and regulations and as deemed appropriate by the Contractor to perform the Services. While Contractor may use independent Contractor drivers to provide Services under this Agreement, Contractor shall at all times remain responsible for the provision of Services under this Agreement. The Contractor expressly represents and warrants to the District that its personnel, including independent Contractor drivers, are trained, tested and properly licensed to perform the Services.

Contractor must ensure compliance with all state and federal laws and ensure that 1) all drivers are at least 21 years old; 2) are properly licensed; 3) are properly insured; 4) and the driver has not been convicted of reckless driving or driving under the influence of drugs or alcohol within the past five years. Check one of the boxes below:

Endorsement of the District as an additional insured shall not affect the District's rights to any claim, demand, suit or judgment made, brought or recovered against Contractor. The policy shall protect Contractor and the District in the same manner as though each were separately issued. Nothing in said policy shall operate to increase the Insurer's liability as set forth in the policy beyond the amount or amounts shown or to which the Insurer would have been liable if only one interest were named as an insured.
