Public Health Academy	160	\$10,961.24	Travel and Conferences: To pay for Lodging (hotel rooms) for the Public Health Academy pathway students' Overnight Field Trip to Sacramento. This experience, a three-day/2-night trip, will be one of the culminating activities of the students' Senior Projects. They will have several opportunities to apply their learning and research from the last three years to authentic interactions with various people who affect change in public health at the local and state legislative levels. These opportunities include: meeting with elected representatives (e.g. Mia Bonta, California State Assemblymember for District 18) who are working on critical public health issues and advocating for their ideas and needs that have been thoroughly researched in the fall semester, attending a session of the California State Legislature, visiting the California Railroad Museum to focus on the roles of women and the Chinese in the development in the railway, relative to the curriculum in American Government and their senior public health career-technical education course, and a workshop with a qualified, engaging presenter (former high school teacher and current CSU instructor) who will talk to students about personal finance and how to start early to build a stable financial future. Budget Calculation: The funds will cover part of the lodging expenses for this trip (hotel). At approximately \$250 per night, this will cover 20 rooms for 2 nights (about 60 students and 6 teachers will attend).	\$5,480.62
