Board Cover Memorandum

To Board of Education

From Kyla Johnson Trammell, Superintendent

Meeting Date April 26, 2023

Subject Approval of Request for Student Travel

Action Requested Approval of Board Resolution No. 2223-0016, authorizing student travel by school site Life Academy to Washington, D.C. for an immersive civic education experience, for the period of May 7, 2023 through May 12, 2023.

Educational Purpose of Trip With over 40 years of experience, Close Up is the nation’s largest non-profit and non-partisan citizenship education organization; and they are driven by a mission to help students become more effective and informed citizens. Not only will students be able to travel outside of California on an airplane for the first time, they will get to visit our nation’s most iconic civic sites such as the Lincoln Memorial, the U.S. Capital, and the White House. This trip is designed to strengthen students’ sense of civic identity and leadership skills while enriching their historical knowledge. They will be studying in academically rigorous seminars where they will be examining foundational American documents, writing argumentative statements, and engaging in academic discourse with highly-motivated peers from around the world. This trip exposes students to new political ideas, students of diverse global identities, and a host of culturally and historically rich sites.

Itinerary and Activities Students will attend a 6-day immersive civic education experience with students from schools across the world led by The Close Up Foundation in Washington D.C. They will attend study visits of significant historical sights, governmental offices, and cultural neighborhoods in our nations capital. They will engage in seminars with policymakers and have daily small-group workshops that culminate in a summative model Congress lead by students.
