Memo

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Sondra Aguilera, Deputy Superintendent

Board Meeting Date September 26, 2018

Subject Expansion - Met West High School - Westlake Campus

Action **Adoption by Board of Education of Resolution No. 1819-0104 - Approving Cohort 1 Met West High School Expansion Within the Blueprint for Quality Schools.**

Background As a part of the Blueprint process, MetWest was identified as a potential member of Cohort 1. MetWest has been asked to consider doubling the size of their program and has undertaken a process to study potential expansion options and has developed a recommendation.

Discussion Expansion of MetWest poses a potential for providing more high school students in OUSD with a high quality program. The MetWest program is a model that requires additional funding from the school district to maintain. While doubling the size of MetWest will reduce the amount of funding the district needs to provide to maintain MetWest, additional funding will be required.

Fiscal Impact Short-term: Investment in an assistant principal and funding to support development of a satellite campus.
Long-term: Reduction in the overall financial support by OUSD for MetWest, but OUSD will still need to augment support for MetWest.
