Memo

To Board of Education

From Tara Gard, Chief Talent Officer
Rebecca Cingolani, Risk Management Officer

Date February 12, 2018

Subject **PROFESSIONAL SERVICES CONTRACT WITH ASSETWORKS**

Action Requested

Approval by the Board of Education of a Custom Professional Services Contract between District and AssetWorks, LLC, Los Angeles, CA, for the latter to visit all school sites and offices and verify all machinery and equipment that has been previously asset tagged and also tag and record any machinery and equipment that has not been asset tagged; reconcile findings with District property records, including identifying any assets that are missing; reconcile duplicate asset ID tags and place special emphasis on findings on kitchen equipment that is purchased with restricted funds to help the District ensure compliance with state and federal laws and regulations, for the term July 1, 2017 through December 31, 2017, at a cost not to exceed \$29,550.00.

Background

This engagement will update the District's property records for all land, land improvements, buildings, building improvements, machinery and equipment as specified in the engagement proposal. The inventory was planned and anticipated to be funded out of fiscal year ending June 30, 2017, however the reconciliation ran into the current fiscal year and the remainder of the contract was held until completion of the project.

Discussion

The contractor performed an updated report covering the fixed asset management and professional valuation services that reflects all additions, disposals, and transfers since the last physical inventory performed as of Fiscal Year ending June 30, 2017. This assisted the District in (1) meeting financial reporting requirements and the implementation of Governmental Accounting Standards Board's (GASB) Statement 34; (2) conforming to the requirements of the California Education Code and the Code of Federal Regulations; and (3) fulfilling the requirement to perform a periodic physical inventory as set forth in OUSD Board Policies. The timeline for the reconciliation was critical to be completed by the financial audits.

Recommendation

Approval by the Board of Education of a Custom Professional Services Contract between District and AssetWorks, LLC, Los Angeles, CA, for the latter to visit all school sites and offices and verify all machinery and equipment that has been previously asset tagged and also tag and record any machinery and equipment that has not been asset tagged; reconcile

findings with District property records, including identifying any assets that are missing; reconcile duplicate asset ID tags and place special emphasis on findings on kitchen equipment that is purchased with restricted funds to help the District ensure compliance with state and federal laws and regulations, for the term July 1, 2017 through December 31, 2017, at a cost not to exceed \$29,550.00.

Fiscal Impact

Funding Source – Self Insurance Fund in an amount not to exceed \$29,050.00
