Employees who believe that they may be eligible for FMLA/CFRA leave should contact Human Resources for additional information.

ARTICLE 17

GRIEVANCE ARBITRATION AND APPEAL PROCEDURE FOR DISCIPLINARY ACTIONS

This article establishes procedures for discipline, arbitration of grievances arising under this contract and for arbitration of proposed discipline of unit members (suspension demotion, involuntary transfer or discharge).

NEW The District and AFSCME are committed to ensuring that employee investigations are timely, comply with all applicable laws, Board policies, the California Education Code and this CBA. The District and AFSCME are also committed to ensuring that the employee is aware of their right to Union representation in the course of an investigation.

Section 17.01 **Discipline Procedures:** The parties recognize that disciplinary actions shall be progressive in nature if they are to correct the conduct of a unit member. The District agrees to follow a course of progressive discipline as set forth in this article. However, the parties agree that progressive discipline does not always follow any specific sequence of disciplinary actions, and that major offenses will be cause of immediate and severe disciplinary actions.

Section 17.02 **Discipline and Performance**

- (a) **Step 1. Verbal Discussion:** The supervisor shall talk to the employee about the specific performance problem(s) and develop a plan with the employee to solve the performance problem.

- (b) Step 2. **Letter of Concern:** If the work of Step 1 does not result in an improvement the Supervisor shall issue a letter of concern with a copy to the Union and the Director and/or Site Administrator, but not to the official personnel file. The letter shall have specific documentation of problem(s) that are verified by the supervisor.
- (c) Step 3. **Written Warning:** If there is no improvement, the District shall ~~forward~~ **provide** a written warning in a timely manner to the employee with sufficient documentation on continued problems. A copy will be sent to the Union, Director and/or Site Administrator and personnel file.
- (d) Step 4. **Suspension:** Failure to improve at this step will result in a ~~three (3)-one~~ **(1)** to five (5) days suspension. All rights of appeal apply in the current collective bargaining agreement.
- (e) Step 5. **Demotion or Termination:** If performance does not improve after Step 4, the employer may issue a demotion or termination notice in accordance with the collective bargaining agreement and the Education Code. The employee shall have all rights and privileges afforded to employees under the collective bargaining agreement to dispute the termination.

- (a) Step 1. **Verbal Discussion:** The supervisor and the employee shall have a thorough discussion. The attendance policy should be discussed and the employee be counseled about the specific problem the attendance record shows. A printout of the employee's attendance will be made available to the employee.
- (b) Step 2. **Letter of Concern:** If there is no improvement and the employee is absent between seven (7) and nine (9) days, the supervisor shall issue a letter of concern, which shall be accompanied by documentation of attendance problems. Copies shall be sent to the Union and the Director, but not to the official personnel file. A conference shall be held to discuss this with the employee.
- (c) Step 3. **Written Warning:** When an employee has been absent between ten (10) and fifteen (15) days, the employee shall be issued a written warning. A conference shall be held to discuss this with the employee. A copy of the written

warning shall be forwarded to the Union, the Director and to the employee's personnel file.

- (d) Step 4. **Suspension:** Additional absences shall result in a minimum suspension of up to five (5) days without pay, with notification sent to the Union and the Director.
- (e) Step 5. Termination: The employer will issue a termination notice in accordance with the collective bargaining agreement and the Education Code. The employee shall have all rights and privileges afforded to employees under the collective bargaining agreement to dispute the termination.

Section 17.05 **Expedited Disciplinary Procedure:** Nothing in subsection 17.02 or 17.03 precludes the imposition of discipline for attendance that is less or more severe than described above, nor does either subsection preclude the combined implementation of each where appropriate. Nothing in subsection 17.02 or 17.03 precludes the imposition of expedited disciplinary procedures different from those described above where warranted by the circumstances, nor does anything in either section preclude the imposition of a last chance agreement where warranted by the circumstances.

Section 17.06 **Duration of Each Warning:** Each warning will stay in place for one year or longer provided that progressive discipline related to the warning commences within one year of the warning.

RE: Public Disclosure of the Collective Bargaining Agreement between OUSD and the American Federation of State, County & Municipal Employees (AFSCME)

Dear Superintendent Johnson-Trammell and Members of the Board,

On May 6, 2025, OUSD submitted a completed Public Disclosure of Collective Bargaining Agreement (CBA) and Tentative Agreement (TA) between OUSD and AFSCME. Such a disclosure is required by Government Code (GC) Section 3547.5 and Assembly Bill (AB) 1200 (Statutes of 1991, Chapter 1213). GC 3547.5 requires three things, which are paraphrased below:

- The major provisions and costs of any agreement for the current and subsequent years are disclosed in a standard format established by the State.
- The district superintendent and chief business official (CBO) certify in writing that the District can afford the costs and itemize any budget revisions necessary to meet the agreement's costs in each year of its term.
- If a school district does not adopt all of the revisions to its budget needed in the current fiscal year to meet the costs of a collective bargaining agreement, the county superintendent of schools shall issue a qualified or negative certification for the District on the next interim report.

Provision and Costs:

The TA is scheduled for action by the District's Governing Board (Board) at an upcoming board meeting, and includes:

- Effective July 1, 2024, the various salary schedules for Paraeducators, LVNs, 504 Technicians, Custodians, Nutrition Services and Central Kitchen unit members will be changed by: a) replacing the Step One amount with a higher Step Two, or Step Three amount, thereby increasing the base salary; b) adding between one to three additional Steps at the end of the schedule, and c) ensuring each new Step has a linear 5% increase;
- Effective July 1, 2024, stipends for Paraeducators for Specialized Medical procedures will be increased by \$250; and
- Effective January 1, 2026, all AFSCME salary schedules will increase by 5%.

Per the Public Disclosure, the cumulative fiscal impact of this agreement on the General Fund is:

Description	2024-25	2025-26	2026-27	Cumulative Cost over 3 years
One-Time Fiscal Impact	\$0	\$0	\$0	\$0
Ongoing Fiscal Impact	\$3,321,488	\$2,241,615	\$2,165,327	\$7,728,430
Total Fiscal Impact	\$3,321,488	\$2,241,615	\$2,165,327	\$7,728,430*

Alameda County Office of Education

Alysse Castro, Superintendent

* The Public Disclosure does not include the additional fiscal impact to Fund 12 and Fund 13. There is also fiscal impact to Fund 12 (Child Development) and Fund 13 (Cafeteria Fund) with this TA, totalling nearly \$900K which were not included in this Public Disclosure.

The District has an existing budget for Reserve Budget Development, currently held in Object 4394. To enact this agreement, the District will move funds from this part of the budget to the budget for classified salaries and applicable benefits. Note that the District plans to take the entire \$7.7 million three year cost out of the current years' funds, meaning that the full cost of the agreement is covered for the current three year period, but not budgeted for in perpetuity.

As has been communicated to the OUSD Board, the fiscal impact of any TA further compounds the District's deficit spending and the budget adjustments required to afford the District's revised obligations. The District has already made but not yet fully implemented reductions for the 2025-26 budget. As the 26-27 budget is developed, the Board must provide direction for additional reductions needed to meet required reserves.

Certification of Affordability:

The OUSD Superintendent and CBO have signed the Certification of Affordability required by Government Code 3547.5, which states the District will implement the revisions necessary to afford the settlements. The District has indicated that budget adjustments of \$50.2 million will be required in just FY 2025-26 alone in order to meet OUSD's state-required minimum reserve. These are budget adjustments the Board has previously approved *and must be implemented*.

OUSD is on track to exit receivership, with the final repayment of the state loan set for June 2025. The requirements to exit receivership by having fiscal systems established is different from the set of leadership and governance skills necessary to make ongoing budgetary trade-offs. While ACOE will remain present and conduct routine fiscal oversight, a district governing board is responsible for ensuring it can meet its financial obligations. With the upcoming district superintendent transition, the Board must make plans in the short-term and long-term to bring stability to the District for the ongoing benefit to Oakland's students.

If you have any questions or concerns regarding our review, please feel free to contact my office at (510) 670-4140.

Public Disclosure of Collective Bargaining Agreements General Instructions

Requirement to Disclose for Public Review:

Assembly Bill 1200 Public Disclosure of Proposed Collective Bargaining Agreements requires local educational agencies to publically disclose the provision of all collective bargaining agreements before entering into a written agreement. Government Code (GC) Section 3547.5 states:

"Before a public school employer enters into a written agreement with an exclusive representative covering matters within the scope of representation, the major provisions of the agreement, including, but not limited to, the costs that would be incurred by the public school employer under the agreement for the current and subsequent fiscal years, shall be disclosed at a public meeting of the public school employer."

- ▶ Please make the disclosure document available for public review prior to the governing board taking action on the proposed bargaining agreement. The entire collective bargaining disclosure document, including multiyear projections, the Superintendent / CBO certifications and assumptions, and board actions needed in current and subsequent years, must be reviewed by the board prior to board action on the agreement.
- ▶ If the District would like a formal letter indicating ACOE review, please indicate on the form and provide *at least* 10 working days prior to the date needed for board action.
- ▶ The manner in which the public is made aware of the proposed agreement and its availability for public inspection and review is at the discretion of the district. Districts may select one or more methods for communicating to the public as long as notification includes the public at large and is not limited to district parents only. The standard disclosure document should be utilized and be available for public review.

Requirement to Submit to ACOE:

- ▶ Districts with a qualified or negative certification **MUST** submit documents to the County Office for review and comment at least 10 working days prior to the date of board action. This includes any modification to existing agreements(s). [GC 3540.2]
- ▶ Within 45 days of adopting a collective bargaining agreement, the superintendent of the school district shall forward to the County Superintendent of Schools any revisions to the school district's current year budget that are necessary to fulfill the terms of that agreement. [GC 42142]
- ▶ [All required documents to be submitted to the County Office with each collective bargaining are indicated in blue on this page.](#)

What to Disclose:

- ▶ Any time a contract is reopened with an impact on "any area of the existing contract", financial or non-financial, a disclosure of the proposed agreement must be made. This is especially applicable to multiyear agreements that are tied to projected cost of living adjustments in the subsequent years. Once an actual percentage rate and dollar increase is established, that salary increase must be disclosed even though it may have been partially budgeted.

- ▶ If the only change is non-financial and in language only, please describe the agreement in the Narrative section (Page 2) and put N/A in the financial sections.
- ▶ Please complete separate documents for each collective bargaining agreement, but if more than one agreement is discussed at the same time, you may summarize the financial impact of "all" agreements (further instructions provided on the forms).
- ▶ The District must conduct a fiscal impact analysis of the settlement for ALL FUNDS affected, and disclose the potential for deficits in any fund as a result of the settlement and the potential impact of such deficits on the General Fund.
- ▶ Attach a copy of the proposed bargaining agreement to each disclosure form. Tentative Agreements submitted to the County Office should be signed by all the necessary and represented parties.

CERTIFICATION FORMS:

Certificate of Affordability

- ▶ The **Certificate of Affordability** - Certification of the District's Ability to Afford the costs of a Collective Bargaining Agreement - must be signed by the District Superintendent and Chief Business Official (CBO) at the time of public disclosure and submitted to County Office. "I hereby certify" or "I am unable to certify" must be checked by both signers.
- ▶ The Superintendent's and CBO's certifications are meant to be independent of one another.
- ▶ The certifications serve as additional information provided to the board regarding the affordability of the proposed agreement before the board takes action on the agreement.
- ▶ The certifications should be accompanied by:
 - The fiscal planning assumptions that are used in making the certification.
 - Any qualifying comments made by the Superintendent and/or CBO that speak to the agreement's affordability within the context of the district's entire budget.
- ▶ The absence of a certification signature or a check on the "I am unable to certify" line does not prevent a board from taking action on an agreement. However, if a board approves an agreement missing a certification signature or with the "I am unable to certify" checked, it is still expected to adopt the budget revisions needed to pay for the agreement.
- ▶ The Alameda County Office of Education (ACOE) will process any payroll adjustments reflected in an agreement, even if the superintendent and/or CBO do not provide certifying signatures. However, the absence of a certification signature or if the "I am unable to certify" box is checked serves as an alert to the ACOE to carefully analyze and review the district's ability to fund the agreement.
- ▶ Within 45 days of adopting a collective bargaining agreement, or prior to, or with its next interim report submission (or budget submission if the agreement is adopted after the submittal of the district's Second Interim Report), whichever comes first, any budget revisions to the school district's current year budget that are necessary to fulfill the terms of the agreement must be forwarded to the ACOE. If a school district does not adopt all of the revisions to its budget needed in the current fiscal year to meet the costs of a collective bargaining agreement, the County Superintendent of Schools is required to issue a qualified or negative certification of the district's next interim report (Ed Code Section 42142).

Certification of Board Action

- ▶ The **Certification of Board Action** must be signed by the District Superintendent at the time of public disclosure and submitted with the completed disclosure forms to the County Office.
- ▶ After the Governing Board takes action on the proposed agreement, Certification of Board Action must be signed by the Board President or Clerk and resubmitted to the County Office.

**Public Disclosure of Collective Bargaining Agreements
Specific Instructions**

- * Complete Page 1 for each Bargaining Unit.
- * If multiple bargaining unit agreements are settled concurrently, show combined fiscal impact in pages 2-5.
- * The MYP should combine the impact of all bargaining units.
- * **If a settlement results in significant impact to funds other than the General Fund, please provide disclosure (pages 1 - 5) for the other funds.**
- * Is a Retroactive payroll anticipated? If so, please provide a cashflow with an estimated timeline of when this will impact the District's General Fund cash.

Certificate of Affordability

In Year 1, include the costs associated with any one-time payments in the One-time line and the on-going cost to be incurred in Year 1 in the On-going line.

In Year 2, include any one-time costs to be paid in year 2, and the ongoing cost, above the most recently approved MYP .

In Year 3, include any one-time costs to be paid in year 3, and the ongoing cost, above the most recently approved MYP .

The "Total" line and "Cumulative cost over 3 years" column will be auto-calculated.

e.g.

Cost over current budget / MYP	Year 1	Year 2	Year 3	Cumulative cost over 3 years
One-time	600,000	-	-	600,000
On-going	1,000,000	1,015,000	1,030,225	3,045,225

In this example, there is a one-time payment that totals \$600,000 in the current year, plus an ongoing increase to the salary schedule that will cost \$1,000,000 in the current year. The ongoing increase will cost \$1,000,000 + a step and column of an additional 1.5% in year 2. In Year 3, the Year 2 amount is increased by another 1.5%. The Cumulative cost column provides an estimate of the total cost of this settlement over the current and two subsequent years.

Please indicate whether budget revisions will be necessary.

If revisions will be necessary, provide the details in the table below, or, if more detail is needed, in an attachment.

The Certificate of Affordability - Certification of the District's Ability to Afford the costs of a Collective Bargaining Agreement - must be signed by the District Superintendent and Chief Business Official (CBO) at the time of public disclosure. "I hereby certify" or "I am unable to certify" must be checked by both signers.

The Superintendent's and CBO's certifications are meant to be independent of one another.

The certifications serve as additional information provided to the board regarding the affordability of the proposed agreement before the board takes action on the agreement.

The certifications should be accompanied by:

- The fiscal planning assumptions that are used in making the certification.
- Any qualifying comments made by the Superintendent and/or CBO that speak to the agreement's affordability within the context of the district's entire budget.

The absence of a certification signature or a check on the "I am unable to certify" line does not prevent a board from taking action on an agreement. However, if a board approves an agreement missing a certification signature or with the "I am unable to certify" checked, it is still expected to adopt the budget revisions needed to pay for the agreement.

ACOE will process any payroll adjustments reflected in an agreement, even if the superintendent and/or CBO do not provide certifying signatures. However, the absence of a certification signature or if the "I am unable to certify" box is checked serves as an alert to the ACOE to carefully analyze and review the district's ability to fund the agreement.

Within 45 days of adopting a collective bargaining agreement, or prior to, or with its next interim report submission (or budget submission if the agreement is adopted after the submittal of the district's Second Interim Report), whichever comes first, any budget revisions to the school district's current year budget that are necessary to fulfill the terms of the agreement must be forwarded to the ACOE. If a school district does not adopt all of the revisions to its budget needed in the current fiscal year to meet the costs of a collective bargaining agreement, the County Superintendent of Schools is required to issue a qualified or negative certification of the district's next interim report (Ed Code Section 42142).

A. Proposed Changes in Compensation

The purpose of this table is to isolate the various components of a settlement and the timing of when the financial components take effect. Also, it ensures that related costs are reflected in the total cost.

FY - Fill in the Fiscal Year. The "Annual Cost" column and the "Year 1" column are the current fiscal year.

Annual Cost column: Enter the costs for the bargaining unit prior to the proposed agreement. Please use the latest approved budget. If the costs of the settlement are already included in the budget, back-out the settlement costs to indicate the costs prior to settlement.

Year 1, Year 2 and Year 3: Year 1 is current fiscal year. For an on-going agreement that increases the salary schedule in Year 1, the step and column associated with the additional salary should be entered in Year 2 and Year 3. For a multiyear agreement that is implemented over several years, indicate the additional cost in the year the cost goes into effect, i.e., an additional % increase in Year 2 or Year 3..

Line 1: Salary Schedule, including salary increase in first year of implementation, plus step and column on the settlement amount in subsequent years. Report only the cost of salaries excluding statutory and health /welfare benefits.

Line 2: Other Compensation. Report only the cost of "other compensation" provided in the agreement, such as stipends. Exclude statutory and health/welfare benefits.

Line 2a: Description of Other Compensation: Indicate Specific changes in "Other Compensation" for each affected year. E.g., one-time \$100 per employee.

Line 3: Statutory Benefits. Report only the cost of statutory benefits associated with the agreement excluding health/welfare benefits.

Line 4: Health/Welfare Benefits. Report only the cost of health/welfare benefits associated with the agreement, excluding the cost of salaries and statutory benefits.

Line 5: Total Cost of Negotiated Settlement - automatically adds lines 1 through 4.

Line 6: Total number of represented employees. Enter the full-time equivalent (FTE) employees for the affected bargaining unit.

Line 7: Total compensation average cost per employee. Automatically calculates average based on total cost and total FTE.

B. Narrative Description of Agreement

8. **What was the negotiated percentage increase that was approved?** For example, if the increase in "Year 1" was for less than a full year, what is the annualized percentage of that increase for "Year 1"?
- The AFSCME Agreement notes several classifications where Step one is replaced by an existing Step, therefore increasing the base salary and subsequently adding 5% consistently between each step. The Paraeducator, LVN, 504 Technician, Custodial, Head Custodial, Custodial and Sweeper Tech, Nutrition Services, Production Cook, Central Kitchen were also included. The agreement also includes a 5% increase starting January 1, 2026 for all salary schedules. Nutrition Services and positions attached to Child Developmnet are not modeled on this AB1200.
9. **Were any additional steps, columns or ranges added to the schedules?**
(If yes, please explain.)
- Yes. Each salary schedule has moved to reduce the value of the early cells and added additional cells at the end of the schedule. There was an additional \$500 to \$750 increase in the Para Educator Specialized Medical stipend. This is a \$65K annual increase.
10. **Please include additional comments and explanations as necessary.**
(If more room is necessary, please attach additional sheet.)
- The District will reserve the amounts budgeted in 2024-25 for 2025-26 and 2026-27 required to fulfull the agreement in the out years. See Unrest and rest GF Rev Budget.
11. **Proposed negotiated changes in non-compensation Items**
(e.g. class size adjustments, staff development days, teacher prep time, classified staffing ratios, etc.)
-
12. **What contingency language is included in the proposed agreement (e.g. reopeners, etc.)?**
- N/A
13. **Identify other major provisions that do not directly affect the district's costs; such as binding arbitration, grievances procedures, etc.**
-

C. Source of Funding for Proposed Agreement

14. **Source of Funding for Proposed Agreement**
A. If this is a one-time or off-schedule settlement, how will the cost of the proposed agreement be funded and when is the payment expected to be funded?

B. If this is not a one-time settlement, how will the ongoing cost of the proposed agreement be funded in the current and subsequent years (i.e., what will allow the district to afford this contract on an ongoing basis)?
