Is Vendor a local Oakland business? Yes No

Why was this Vendor selected?

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner for the OUSD Expanded Learning Office.

Summarize the services this Vendor will be providing.

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and the California Department of Education's ASES and/or 21st Century Community Learning Centers grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

Was this contract competitively bid? Yes No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

Memorandum of Understanding 2018-2019
Between Oakland Unified School District and
Safe Passages**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Safe Passages ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 232/Coliseum College Preparatory Academy under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants

2. **Term of MOU.** The term of this MOU shall be August 1, 2018 through July 31, 2019. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation.** Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASESP and 21st CCLC grant award amount for Safe Passages is \$ 137,691.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASESP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASESP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2018-2019")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASESP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASESP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASESP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASESP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASESP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2018-2019 and will not exceed \$ 137,691.00 in accordance with Exhibit B. **Exhibit B** ("ASESP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2018-2019").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

- 4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

SECTION 1: PROGRAM OPERATIONS
Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6pm on every school day for elementary and middle schools. (EC 8483). Programs are required to operate all 180 days of the school year.

**CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.*

SECTION 1: PROGRAM OPERATIONS, continued

Minimum Days

When a school holds minimum days, the after school program is required to begin as soon as the school day ends, and run a long day until 6pm. Minimum days have significant impact on after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2018-19

38

*School should provide lead agency with a calendar of minimum days before the 1st day of school.

Describe funding plan to operate program on the minimum days indicated above, including additional school resources (if any). (560 Characters)

During minimum days (Fridays and Home Visit week in October), program will be staffed by AmeriCorps members, CCPA's writing center staff, and staff at the CCPA Future Center.

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school funds will be utilized to fund these additional hours of program? (560 Characters)

If minimum days increase the same resources will be made available to support after school programming for students at the end of the school day.

Enrollment Process & Timeline

Attach your enrollment timeline to this document. Describe how your school will identify and recruit students beginning in Spring 2018. Indicate how families will be notified of 2018-19 enrollment before the last day of school.

Important dates to include in your timeline:

- **April - June:** Spring enrollment for 2018-19 programs.
- Families will be notified of 2018-19 after school enrollment before the **last day of school, June 2018.**
- After school programs begin on **first day of school**, with enrollment at a minimum 75% capacity.
- **August - September:** New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by **September 30, 2018**, except for slots reserved for transitional students (i.e., Foster and Homeless youth; Newcomers) entering the school mid-year.
- All programs must maintain **waitlists** after program slots are filled.

SECTION 2: PROGRAM DESIGN & PRIORITIES

List 2-3 program goals for students:

(342 Characters)

- 1) Continue to develop offerings that will support student learning during the day in meaningful ways and positive youth development.
- 2) Students will identify after school classes as a place where they can use their voice and make meaningful choices in their academic programs.

All students who transfer into CCPA are guaranteed a spot in our after school program.

SECTION 2: PROGRAM DESIGN & PRIORITIES

Addressing Needs of Underserved/Vulnerable Populations

Reducing the disproportionate suspension rates of African American students is a key priority for OUSD.

Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (i.e. *Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.*). (3940 Characters)

The Safe Passages Extended Learning Program seeks to ensure equity in behavioral practices, maximize every students' school engagement, social-emotional well-being, and academic success by:

- (1) using culturally competent instructional strategies in all of our classes;
- (2) incorporating critical pedagogy and youth participatory action research (YPAR) as curricular foundations for resiliency, transformation, and student engagement;
- (3) training staff and students in cultural asset instruction, cultural asset mapping, and related counter-narrative resiliency strategies;
- (4) building upon a strong youth development framework with sufficient alternative to exclusionary discipline practices; and
- (5) hiring Black instructors who model and advocate for students at school and in the community.

SECTION 3: ALIGNMENT WITH DISTRICT & SCHOOL PRIORITIES

OUSD Strategic Targets

In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to prepare all students to be college, career, and community ready. To meet this strategic goal, middle schools must prepare their students to be *high school ready* by the time they graduate from the 8th grade.

High School Readiness

OUSD measures high school readiness by the percentage of 8th graders who meet the following criteria at the end of the 8th grade:

- a 2.5 or better GPA;
- no Ds or Fs in Math or English; no suspensions; and
- at least a 95% attendance rate for their 8th grade year.

Complete the matrix to indicate how your after school program will work collaboratively with your school partner to make progress toward achieving this target for the 2018-19 school year.

District Strategic Target	Describe the ASP activities that will support this district strategic target (444 Characters)	Target Population (300 Characters)	Measurable Outcomes (444 Characters)
High School Readiness	CCPA will host a parent education night in order to discuss the importance of the following: Lexile level, GPA, No F's, and attendance for promotion and High School success. Parents who do not come will receive the information in a phone call.	6th Grade parents	We will reach 100% of 6th parents/families with this information.
	CCPA extended learning staff will communicate with parents regarding student grades and steps to make sure they are on track for promotion and success in High School.	All Students	100% of students' parents/families will be contacted at least once/semester by extended learning staff.

SECTION 3: ALIGNMENT WITH DISTRICT & SCHOOL PRIORITIES, continued

Social and Emotional Learning (SEL)

Developing SEL skills in students and adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.

Please indicate which strategies will be used to support Social Emotional Learning. Check all that apply.

We will then have coaching meetings to continue the reflection process in order to grow their SEL skills. We will then observe classes and check on the development and implementation of the 3 signature practices in their classes.

Coordination to Support the Whole Child

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?

Culture & Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

The following are strategies that OUSD schools are taking to create positive school culture and climate. Select at least one strategy to implement:

- Positive Behavioral Intervention and Supports (PBIS)
- Restorative Justice/Restorative Practices (RJ)

What practices does your program have to support culture and climate? How will you align these practices with school day efforts?
(1,955 Characters)

The After School Coordinator and the Quality Support Coach will train staff in PBIS and RJ in the classroom. The Coordinator will continuously communicate with both extended day and regular day instructors as well as the COST. The Coordinators will help facilitate communication between morning and afternoon instructors to ensure the program is integrated and services are coordinated for students and families.

Through PD we will teach staff about SEL skills and have them participate in reflective practices on development of SEL skills in themselves. We will then have coaching meetings to continue the reflection process in order to grow SEL skills.

SECTION 4: PROGRAM COMPONENTS, continued

Family Engagement / Family Literacy

Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above.

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs.

After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including parent workshops, family celebrations, parent and child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development.

Parent Services. These include Food Distributions, Legal Clinics, etc.	Family Engagement	Students whose families are well supported are more able to focus on their education. We seek to support families so that students can be ready to learn.	CCPA will have informed all parents of family services and make sure that parents with needs identified in COST are specially invited to receive services.	Alignment with the The Future Center and school day staff.

SECTION 5: CONTINUOUS QUALITY IMPROVEMENT PROCESS

OUSD ASPO's utilize a Continuous Quality Improvement (CQI) process to improve staff practices with students. We utilize a cycle of assess, plan, and improve to observe staff behavior and student experiences, identify areas of strength and improvement, and then provide staff support to improve.

Respond to the following prompts based upon your 2017-18 Program Quality Assessment (PQA) observations and Quality Action Plan (QAP) goals.

What areas did your program identify as **strengths**?

(735 Characters)

1. Safe Environment

We are glad that we scored a 5.0 on the emotional safety of our school environment. We work hard to CCPA to include all students in all spaces for the success of every individual.

2. Supportive Environment

In 19 out of the 20 categories in Supportive Environment we scored a 5.0 in our external assessment. This was a HUGE improvement over our internal assessment and showed that PBIS and RJ training of staff helped our program improve considerably.

What areas did your program identify as **needing improvement**?

(735 Characters)

1. Collaboration

We scored a 3 on Collaboration in our external evaluation this year. We have sent staff to Youth Work Methods trainings related to Youth Voice. We are working on applying what was learned there to our classes and improving our scores in collaboration. As the tool says our goal is to "provide young people an opportunity to participate in and lead small groups [which] has a positive impact on classroom climate, self-esteem among students, internal locus of control, and time on task. Students in cooperative teams are more active, self-directing, and expressive, all of which may be associated with achievement gains."

2. Reflection

We scored a 2 on Reflection in our external evaluation this year. We have sent staff to Youth Work Methods training and worked with them on reflection methods throughout the year. Our goal is to, as the tool states, is to help students learn from past. As this skill is "tied into what brain scientists call executive functions, and play[s] an important role in directing attention to tasks and decision making that connects with consequences." We want to improve this practice throughout our year.

Indicate the priority 2-3 **Youth Work Method Training sessions** that best align with your line staff's professional development needs for 2018-19.

SECTION 6: PROGRAM SCHEDULE & MODEL

Program Schedule

U **Submit your program schedule for 2018-19** as an attachment, using the standard program schedule template. The after school schedule must indicate the school name, program name, and the program year. *Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters. The Program Schedule must clearly show when all after school activities listed in this program plan will be taking place.*

Make sure program schedule clearly shows when the following middle school program requirements will take place:

- MESA programming one hour/week
- STEM programming one hour/week
- Career exploration programming

U Also submit a copy of the **school bell schedule** for the 2018-19 school year.

Important Notes: *The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned (i.e., if the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm; the same is true on minimum days).*

Program Model

For 2018-2019, my site will operate the following program model:

- Traditional After School:** voluntary program open to all students, with enrollment priorities targeting certain students
- Extended Day Program:** additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)
- Blended/Hybrid:** combination of some extended day and some traditional after school programming

Teachers on Extended Contract for Direct Service

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as math or literacy intervention and ELL instruction.

Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$26.61/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$34.67 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract. Note these pay rates may change if there are district pay raises next year.

CCPA administration makes after school an expectation for all students. After school program information and enrollment forms are included in the mandatory registration process creating a seamless integration with the regular school day. Older High School students attend internships with CBOs and attend college classes at Peralta Colleges. Students requiring additional academic support receive additional small group tutoring. Additionally, the Future Center and the Writing Center are hubs for college readiness, parent education, academic support, and ongoing school events.

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (i.e. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement

QAP: Quality action plan

SAPQA: School Age Program Quality Assessment

YPQA: Youth Program Quality Assessment

Review and mark all commitments:

Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:

- ✓ Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process
- ✓ Site coordinator will participate in CQI trainings to develop his/her leadership in leading continuous quality improvement processes.
- ✓ Lead agency director will provide coaching support and monitoring to Site Coordinator to ensure completion of a meaningful CQI process, and thoughtfully completed CQI deliverables.
- ✓ Site coordinator will share CQI data with Site Administrator and school staff.
- ✓ Lead agency and school partner will work collaboratively to support the implementation of the program's Quality Action Plan, including providing staff with adequate training and resources to improve the quality of their practices.

21st Century and ASSETs Equitable Access**

Equitable Access

Must be completed by all programs that receive or have applied for 21st Century Equitable Access funding.

Some 21st Century and ASSETs programs receive extra Equitable Access funding. The intent of Equitable Access funding is to provide targeted supports for special populations of students who may face challenges and barriers to program participation. Examples of allowable use of Equitable Access funds include:

- additional academic interventions/supports to struggling students (i.e. English Language Learners, students with special needs, etc.)
- mental health support services that enable students to fully participate in the after school program
- translation services, bus tickets, and other supports that make it possible for students to participate in program

How will your 21st Century/ASSETs program support equitable access in your program? Which population(s) of students in your program will receive extra support through the Equitable Access supplemental grant? Please describe your planned use of Equitable Access funds. Your plans must align with your Equitable Access budget.

Safe Passages and CCPA know that the barriers to learning often stem from the home and the community. By hiring members of the community to work with students and parents, our program will seek to help families overcome those barriers so that students are ready to learn and be engaged in their school community. At CCPA these barriers do not face just a subset of our student population. Over 90% of our students qualify for free or reduced lunch. The vast majority of our student population lives within a 2 mile radius of our campus. All of our students need support in order to have equitable access to what students who come from wealthier families or live in wealthier neighborhoods have at their fingertips.

The Parent Liaison will work with parents to make sure they have what they need in order to support their students' success. This may take place through managing the food pantry on site, translating for a parent, connecting parents with resources, or just giving the parent a place to talk about their goals for their child with another parent who understands the working of the school system better than they do. The Intervention Specialist will work with students who are underperforming, truant, in conflict with their peers, or otherwise distracted from their studies in order to help them gain access to the supports they need to overcome the barriers which are affecting their success at school.

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

**ADDITIONAL INSURED
PRIMARY AND NON-CONTRIBUTORY
ENDORSEMENT FOR PUBLIC ENTITIES**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name of Person or Organization:

(Information required to complete this Schedule, if not shown above, will be shown in the Declarations.)

A. Section II – Who Is An Insured is amended to include any public entity as an additional insured for whom you are performing operations, who may be named in the schedule above, when you have agreed in a written contract or written agreement that such public entity be added as an additional insured(s) on your policy, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your negligent acts or omissions; or
2. The negligent acts or omissions of those acting on your behalf; in the performance of your ongoing operations:

No such public entity is an additional insured for liability arising out of the "products-completed operations hazard" or for liability arising out of the sole negligence of that public entity.

B. With respect to the insurance afforded to these additional insured(s), the following additional exclusions apply.

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. The following is added to SECTION III — LIMITS OF INSURANCE:

The limits of insurance applicable to the additional insured(s) are those specified in the written contract between you and the additional insured(s), or the limits available under this policy, whichever are less. These limits are part of and not in addition to the limits of insurance under this policy.

D. A. With respect to the insurance provided to the additional insured(s), **Condition 4. Other Insurance of SECTION IV — COMMERCIAL GENERAL LIABILITY CONDITIONS** is replaced by the following:

4. Other Insurance

a. Primary Insurance

This insurance is primary if you have agreed in a written contract or written agreement:

- (1) That this insurance be primary. If other insurance is also primary, we will share with all that other insurance as described in c. below; or
- (2) The coverage afforded by this insurance is primary and non-contributory with the additional insured(s)' own insurance.

Paragraphs (1) and (2) do not apply to other insurance to which the additional insured(s) has been added as an additional insured or to other insurance described in paragraph b. below.

b. Excess Insurance

This insurance is excess over:

1. Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (b) That is fire, lightning, or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises temporarily occupied by you with permission of the owner; or
 - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of **SECTION I — COVERAGE A — BODILY INJURY AND PROPERTY DAMAGE**.
 - (e) Any other insurance available to an additional insured(s) under this Endorsement covering liability for damages which are subject to this endorsement and for which the additional insured(s) has been added as an additional insured by that other insurance.
- (1) When this insurance is excess, we will have no duty under Coverages A or B to defend the additional insured(s) against any "suit" if any other insurer has a duty to defend the additional insured(s) against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the additional insured(s)' rights against all those other insurers.
- (2) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:
 - (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
 - (b) The total of all deductible and self-insured amounts under all that other insurance.
- (3) We will share the remaining loss, if any, with any other insurance that is not described in this **Excess Insurance** provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Methods of Sharing

If all of the other insurance available to the additional insured(s) permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any other the other insurance available to the additional insured(s) does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – DESIGNATED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):

Any person or organization that you are required to add as an additional insured on this policy, under a written contract or agreement currently in effect, or becoming effective during the term of this policy. The additional insured status will not be afforded with respect to liability arising out of or related to your activities as a real estate manager for that person or organization.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A. Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:
1. In the performance of your ongoing operations; or
 2. In connection with your premises owned by or rented to you.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

- B. With respect to the insurance afforded to these additional insureds, the following is added to Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable Limits of Insurance shown in the Declarations; whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

Safe Passages - Agency History and Qualifications

Safe Passages disrupts the cycle of poverty by engaging youth and families to build and drive a continuum of services that supports student success and community development.

Who We Are:

Safe Passages is a minority women led nonprofit that advocates for, researches, evaluates, develops and incubates culturally appropriate, cross-agency strategies designed to improve the lives of vulnerable populations, including youth at risk of dropping out of school, at risk or involved in gangs or the Juvenile Justice system, and likely to be involved in other risky behaviors. For more than 20 years, SP has worked with public and private partners to strengthen the safety net for poor people within and across systems by maximizing and leveraging resources to implement proven strategies.

Where We Work:

We work with disadvantaged communities in Alameda County where up to 80% of children live in poverty, in neighborhoods with the highest levels of health disparities including the highest rates of hospitalization for asthma, teen birth rates, and hospitalization for assaults among youth; where students score far below proficiency and have high rates of school suspension, drop-outs and truancy. 98% of the populations served are students and families of color.

What We Do:

Programs and services are woven together to serve the entire age continuum of children and youth, from birth to college/career, including economic development strategies to fuel economic self-sufficiency for youth and families.

Early Childhood Initiative – Promotes collaboration between multiple public systems and non-profit providers to create a citywide safety net for children (0-5), who are exposed to violence. Services include Baby Learning Playgroups and workshops, case management, mental health services and mental health consultations at pre-school sites.

School Linked Services – Aims to integrate education and social services at school sites to support school communities as catalysts for student success and social change within the larger neighborhood context. Through multiple funding streams, Safe Passages has led the effective development and sustainability of full service community schools (FSCS) across the Oakland flatlands. Initially, this work began as the Safe Passages Middle School Strategy, a multi-pronged approach to creating positive school climates and providing students and their families the support needed to be successful in school and life. Over time school linked strategy expanded to schools K-12. From the beginning, afterschool programming was a major prong of the strategy. The initial seven highest need middle schools were selected as partners in 2000 to implement the strategy: Havenscourt (CCPA) and Calvin Simmons (UFSA) were part of the first cohort of implementation schools and 18 years later continue in sustained partnership to work towards improved outcomes for students and families.

The partnership survived many changes in personnel, leadership, and the economy. Over the years, Safe Passages facilitated the development of the Coordination of Services Team (COST) system, case management and mental health services for students and parents, school based health centers at some target schools and afterschool programs. Several models developed by Safe Passages, like COST, were adopted by OUSD and replicated across the school district. Several of the Safe Passages schools, including those schools where Safe Passages serves as the lead afterschool agency are leading schools in OUSD's FSCS Initiative.

Juvenile Justice Initiative – Brings courts, school districts, police departments, probation officers, and service providers together to reduce disproportionate minority contact with law enforcement, and lower recidivism among juvenile offenders.

Career Development – Work closely with government, universities and private entities to develop new job opportunities for youth during and after school hours, in the summer time, and post-graduation. Students are provided opportunities to learn about diverse career tracks including careers in the arts, teaching, law enforcement, legal services, social work and in the mental health profession.

Successes:

- 91% of students in the academic support programs experienced academic success.
- Implemented the Elev8 Oakland Initiative, a \$40 Million full service community school model at five high need middle schools in Oakland.
- Elev8 school based health centers reach 3,000 students plus their families annually.
- Quality after school programs serve over 1,000 students annually.
- 212 Safe Passages AmeriCorps members have served over 1170 high need students through intensive academic supports.
- Placed hundreds of young people in career pathways jobs through Mayor's Summer Jobs Program, AmeriCorps Programs and Safe Passages Career Pathways since 2011.

Safe Passages partnerships with the school communities that are the focus of the contracts currently before the OUSD Board embody over 18 years of partnership.
