PURPOSE OF THIS GRANT

Problem - Covid 19 has impacted our ability to deliver in-person traditional instruction. Schools are closed and we are lacking in remote curriculum and remote teaching strategies for Computer Science students across the district. The lingering shutdown impacts students ability to finish courses, obtain high levels of instructional quality, limited work-based learning activities, and impeded the ability of youth to receive high school credit and college preparation. This is especially true for underrepresented minority students many of whom do not have the same access to resources as their more affluent peers. This position will help to level the playing field and ensure these students succeed in Computer Science. These professional development sessions will be available to share with other educators.

Solution - Hire a Remote Learning and Computer Science Instructional coach in order to ensure that students are receiving access to high quality curriculum and instruction even during school shutdown. The impact of this position will be long term and available as a model to other school districts.

STEPS YOU WILL TAKE TO ACHIEVE YOUR RESULTS

Plan and deliver 10 professional development sessions for Computer Science instructors for a total of 30 hours of training related to the best pedagogy and practices and culturally relevant curriculum in remote learning for Computer Science to ensure that students continue to master Computer Science content even during a school closure.

Coach 25 teachers with 5 receiving intensive coaching and offer follow up from professional development in the best practices to deliver high quality instruction remotely.

Facilitate training and curriculum planning between teachers in order to modify current curriculum and create new curriculum when necessary in order to maintain a high levels of learning

Ensure 1,200 students are prepared for remote learning. Train and support 1,200 students to use hardware at home including wifi, new online platforms, and troubleshoot issues.

Bring current Computer Science teacher learning community and Engineering teacher learning community into a remote space to ensure that the work being done is able to continue.

Collect and maintain Computer Science & Engineering data from each cohort of students throughout the district.

WHAT WILL CHANGE AS A RESULT OF YOUR PROJECT

- Raise the pass rate for African American and Latinx students in ENG and CS classes by 5% to 77%.
- Increase enrollment of African American and Latinx students in ENG and CS pathways by 50 students to reach 60%.
- Keep CS and Engineering teacher retention rate above 80%, which is 10% higher than the retention rate for secondary teachers.
- Raise the college enrollment of African American and Latinx students in CS and Engineering pathways by 5% to 68%.

SECTION 5: GRANT AGREEMENT

This grant was solicited using the 501(c)(3) designation of the Oakland Public Education Fund (the Ed Fund). Therefore, the Ed Fund is obligated to serve as the fiscal sponsor for these funds and as such has a unique role in ensuring that these charitable funds are expended in ways that align with applicable state and federal laws, I.R.S. Codes, and funder intent.

On August 18, 2020, the Oakland Public Education Fund decided that financial support of the project described in the cover letter accompanying this agreement will further the Ed Fund’s tax-exempt purposes. Therefore, the Ed Fund has created a restricted fund designated for such a project and has decided to grant all amounts that it may deposit to that fund, less any administrative charge as set forth below, to Regrant (Grantee), subject to the following terms and conditions:

1. If not already on file, grantee shall provide the Ed Fund with its governing documents, a completed and filed IRS Form SS-4, an IRS Tax Determination Letter which shows proof of 501(c)(3) status, a Tax Form W9, or other documentation satisfactory to the Ed Fund, showing Grantee's separate existence as an organization.

2. Grantee shall use the grant solely for the project described in this agreement, and Grantee shall repay to the Ed Fund any portion of the amount granted which is not used for that project. Any changes in the purpose for which grant funds are spent must be approved in writing to the Ed Fund before implementation. The Ed Fund retains the right, if Grantee breaches this Agreement, or if Grantee's conduct of the project jeopardizes the Ed Fund's legal or tax status, to withhold, withdraw, or demand immediate return of grant funds, and to spend such funds so as to accomplish the purposes of the project as nearly as possible within the Ed Fund's sole judgment. Any tangible or intangible property, including copyrights, obtained or created by Grantee as part of this project shall remain the property of Grantee.
3. An administrative charge has been deducted from the originating grant. Such fees, interest, and charges are necessary to compensate the Ed Fund for its services administering the funds, and thus become unrestricted rather than restricted assets when paid.
4. Nothing in this Agreement shall constitute the naming of Grantee as an agent or legal representative of the Ed Fund for any purpose whatsoever except as specifically and to the extent set forth herein. This Agreement shall not be deemed to create any relationship of agency, partnership, or joint venture between the parties hereto, and Grantee shall make no such representation to anyone.
5. Grantee shall submit full and complete reports to the Ed Fund in compliance with Section 3 of this agreement. The report shall describe the charitable programs conducted by the Grantee with the aid of this grant.
6. Grantee shall ensure that the Ed Fund is included in any communications connected with the grant including press releases, programs, announcements, invitations, stories in the media, annual reports, and newsletters. Grantee will submit copies of any such publication with project report(s). Finally, Grantee will ensure that any mention of the Ed Fund on all printed material shall read: 'Project Name' has been made possible (in part) by the sponsorship of the Oakland Public Education Fund, with funding provided by (funders)" or an alternate credit to be agreed upon between you and the Ed Fund.
7. This grant is not to be used in any attempt to influence legislation within the meaning of Internal Revenue Code (IRC) Section 501(c)(3). No agreement, oral or written, to that effect has been made between the Ed Fund and Grantee.
8. Grantee shall not use any portion of the funds granted herein to participate or intervene in any political campaign on behalf of or in opposition to any candidate for public office, to induce or encourage violations of law or public policy, to cause any private inurement or improper private benefit to occur, nor to take any other action inconsistent with IRC Section 501(c)(3).
9. Grantee shall notify the Ed Fund immediately of any change in (a) Grantee's legal or tax status, and (b) Grantee's executive or key staff responsible for achieving the grant purposes.
10. In the event of any controversy, claim, or dispute between the parties arising out of or related to this Agreement, or the alleged breach thereof, shall be determined by arbitration in Alameda County, CA, before one arbitrator. The arbitration shall be administered by Judicial Arbitration and Mediation Services (JAMS) pursuant to its Streamlined Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. The prevailing party shall, in addition to any other relief, be entitled to recover its reasonable attorneys' fees and costs of sustaining its position. Each provision of this Agreement shall be separately enforceable, and the invalidity of one provision shall not affect the validity or enforceability of any other provision. This Agreement shall be interpreted and construed in accordance with the laws of the State of California applicable to contracts to be performed entirely within such State. Time is of the essence of this Agreement and of each and every provision hereof. The failure of the Ed Fund to exercise any of its rights under this Agreement shall not be deemed a waiver of such rights.
11. This Agreement shall be governed by and construed in accordance with the laws of the State of California applicable to agreements made and to be performed entirely within such State.
