1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with East Bay Asian Youth Center ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 353/Oakland International High School under the following grants:
- California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
  - California Department of Education ("CDE") 21st Century Equitable Access Grant ("Direct Access")
  - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")
2. **Term of MOU.** The term of this MOU shall be July 1, 2020 through June 30, 2021. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
- a) No Premature Termination by AGENCY.** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
- b) Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation. Contingent on OUSD receipt of** The 21st Century ASSETS Core Grant, and Direct Access grant award amount for East Bay Asian Youth Center is \$ 166,863.00. Contingent on 21<sup>st</sup> CCLC funding. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee **and subject to AGENCY compliance with MOU requirements**, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. **Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.**
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A - Attendance Reporting Schedule 2020-2021**). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2020-2021 and will not exceed \$ 166,863.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").

- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. **Program Fees.** The intent of the 21<sup>st</sup> Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.
5. **Scope of Work.** AGENCY will serve as lead agency at 353/Oakland International High School, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2020-2021. **SECTION 2: PROGRAM OPERATIONS**  
**Average Daily Attendance, Program Dates, Minimum Days & Enrollment**

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

<b>Projected daily attendance for 2020-21 school year program.</b>	139
--	-----

**Program Operations for the 2020-2021 school year.** First Day: August 10, 2020 Last Day: May 27, 2021

**UPDATED ED CODE:** Per CDE Education Code Section 8483.7(c) allows programs to close for a maximum of 3 days during a calendar year (not a school year) for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. **This should be uploaded no later than 5 business days after the closure day.**

[Fill out this Google Form to identify the three days](#) (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2020).

**Minimum Days.** When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. **There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.**

**Projected Number of Minimum Days for School Year 2020-2021:**  
\*Schools should provide the lead agency with a calendar of minimum days for the 1st day of school.  
**Is your school-day bell schedule attached? YES**  
[https://docs.google.com/document/d/1ZsrX1r5QvVJ0KQvwW\\_F78x\\_0tPceGByAciHa5nUuoZ8/edit](https://docs.google.com/document/d/1ZsrX1r5QvVJ0KQvwW_F78x_0tPceGByAciHa5nUuoZ8/edit)

**Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?**

There are no projected minimum days, except for those on the school calendar.

**SECTION 3a: PROGRAM MODEL.**

**Average Daily Attendance, Program Dates, Minimum Days & Enrollment**

Which of the following program models will your site operate as for 2020-2021? ([If you choose Extended Day, please explain why using this link.](#))

**Program Model: Traditional After-School**

**Traditional After-School:** *Voluntary program, open to all students, with enrollment priorities targeting certain students.*

**Extended Day Program:** *After-school-program classes offered to an entire group of students from targeted grades and/or for all students of the school after the end of the regular bell schedule. (Note: extended day classes must not appear on the school bell schedule)*

**Blended/Hybrid:** *A combination of some extended day and some traditional after-school programming. (If you are conducting a blended/hybrid program, please use the section below to explain your program model type.)*

**Which grade level will be served by this program? (List or give a range below)**

**9, 10, 11, 12**

Due to the COVID closure, we are unable to recruit during the spring semester. We will enroll students in August 2020. During the registration weeks, the OUSD and EBAYC after school enrollment forms are distributed to every single student that registered at OIHS. The parents completed the packet and returned it to the school attendance office. The signed forms confirmed their enrollment in the Expanded Learning program. The program accepts all students including newcomers, homeless youth, foster youth, and others that attended OIHS.

**ENROLLMENT PROCESS & TIMELINE**  **Attach your enrollment timeline to this document**

Important dates to include in your timeline:

- **April - June:** Spring enrollment for 2020-21 programs.
- Families will be notified of 2020 -21 after school enrollment before the **last day of school**, May 29, 2020.
- After school programs begin on the **first day of school** when enrollment is at a minimum 75% capacity.
- **August - September:** new school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by **September 30, 2020**, except for slots reserved for transitional students (i.e., Homeless, foster youth; Newcomers) entering the program for the first time and/or mid-year
- All programs must maintain **waitlists** after program slots are filled.

**\*\*This may look different for High School and Continuation schools based on alternative schedules and intersession. Please include the items above that are applicable to your schedule and recruitment press.**

**Describe how your school will identify and recruit students beginning of Spring 2020. Indicate how families will be notified of 2020-2021 enrollment before the last day of school.**

### **SECTION 3b: PROGRAM MODEL. (Continued)** **Average Daily Attendance, Program Dates, Minimum Days & Enrollment**

#### **Who can receive the Golden Ticket?**

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ***\*McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ***\*Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
  - *Establishes the definition of homeless used by schools*
  - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
  - *Provides for educational access, stability, and support to promote school success*
  - *Needed to address the unique barriers faced by many homeless students*

#### **Complete the following questions for Section 3b:**

- To the best of your knowledge, how many Golden Tickets were distributed in the 2019-20 school year? (*please estimate: 0-5 students, 6-10, or 10+ more*)  
Zero Golden Tickets were distributed from 2019-2020. An estimate of the amount of Golden Tickets for those who qualify will be around 30 (refugee, newcomer, asylee students who are in foster care, transitional care, or homeless.)
- How will you make your program more accessible to serve the needs of Golden Ticket students/families?  
Our after school is free and is available to all students at Oakland International High School. Students who need these services are discussed during COST meetings and will be referred to after school program coordinators
- CDE and OUSD have established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. With these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community. Describe 1-3 enrollment priorities that will be made public and why?

Enrollment priorities that will be made public will be during fall registration because students will be attending registration with their families. We will also make PA announcements during the beginning of the

school year so that students are aware of different program activities. Lastly, we will share Afterschool information during New Student Orientations. During this time, students have the opportunity to learn about all the different services on campus including After-School Activities.

**SECTION 4: PROGRAM COMPONENTS**

\*CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. <p><b>Please provide a short narrative that identifies how the after-school program will support school goals aligned with district student learning goals in the appropriate grade level box below.</b></p>	

- Collaborate with the school site administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District’s priorities for elementary, middle and high school.

**OUSD Student Learning Goals:**

- 1- All students build **relationships** to feel connected and engaged in learning
- 2- All students continuously grow towards meeting or exceeding standards in **English Language Arts**
- 3- All students continuously grow towards meeting or exceeding standards in **Math**
- 4- English Learner students continuously develop their language, reaching **English Fluency** in 6 years or less
- 5- All students grow a year or more in **Reading** each year
- 6- All Students graduate college-, career-, and community-ready

**How will the after-school program further these OUSD Learning Goals?** (Choose 2-3 to focus on for the 20-21 School Year)

**We selected Goal 1 and Goal 6**

All students have the opportunity to build relationships with other peers and adults through our after school tutoring program where students receive further support for their academic classes. Students will work with teaching assistants, volunteers, peer tutors on any assignments that they may have difficulty completing or understanding. After school tutoring is a supportive space where students are engaging in learning through one on one support or in small group settings. Students that need further emotional support can receive additional services through our wellness center.

All students graduate college, career, and community ready through our college and career night hosted by our counselors. Our college and career nights inform students on financial aid, ways to navigate the UC, CSU, CC, the application process, and different career paths. In addition, some students can participate in internship opportunities where they learn practical job skills in different careers.

**SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)**

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the [Quality Standards for Expanded Learning in California](#)—which were developed in partnership between the California Department of Education’s (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

**POINTS OF SERVICE Quality Standards & PROGRAMMATIC Quality Standards**

PROGRAM SELF-ASSESSMENT		TRUTH * HOPE * CHANGE * CURIOSITY (THC <sup>2</sup> )		
<p><b>Highlight the stakeholders who participated in the Program Self-Assessment in 2019-2020</b></p>	<p>Internal evaluator District administrator <b>Program director</b> Parents/guardians Advisory group</p>	<p>External evaluator Certificated staff <b>Site coordinator</b> <b>Students</b> Other stakeholders _____</p>	<p>School administrator Classified staff <b>Site-level/line staff</b> <b>Community partners</b></p>	
<p><b>TRUTH</b> <i>What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program.</i></p>	<p><b>Identify the after-school program data point(s) in the narrative below. Could include: student feedback (youth survey, interviews or focus groups), internal program observation or external observation.</b></p> <p>The after school program is experiencing a drop in after school attendance compared to previous years. One reason is due to the lack of transportation. There is not a bus pass incentive to attend the program. In the past, if a student attended tutoring or an academic program 8 times a month, they would receive a monthly bus pass. Students attend programs less and would rather work than attend a program that offers no stipend.</p> <p>Another aspect of the program is the diversity of programming. We have been able to bring more sports and art spaces to the after school program. This is based through observation of all the program activities occurring daily. More art programming was implemented as the result of a survey that was given at the end of the 2018-2019 school year.</p>			
<p><b>HOPE</b> <i>What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?</i></p>	<p>We hope to have more students attend after school programs by working with community partners who can facilitate programs on campus and provide stipends including bus passes for students to attend the programs.</p>			
<p><b>CHANGE</b> <i>What steps will be taken to make the shifts needed to realize the HOPE identified above?</i></p>	<p>We will need to work more closely with our current partners to see what we can offer students to increase their participation. We currently work with ARTogether, Refugee and Immigrant Transitions, and Soccer Without Borders. One potential idea is to create internship opportunities where students can learn real job skills that would motivate them to participate.</p>			

<p><b>CURIOSITY</b></p> <p><i>What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts.</i></p>	<p>OIHS has a higher concentration of students who have recently immigrated to the Bay Area. Many of these students have financial responsibilities that impact their participating in after school programming. In recent years, OIHS has used funds to pay for after school advisors, and using allocated funds + remaining funds for youth stipends. This combined amount is not enough to pay for youth internship stipends for many students, and students can make more money by working instead of attending an after school program.</p> <p>Questions to consider in OIHS ASP budgeting:</p> <ul style="list-style-type: none"> <li>- How can we allocate within the budget to provide more funds towards youth internships?</li> <li>- Who are community partners that can provide stipends to students attending programs?</li> <li>- What are one day events we can organize that can bring in after school attendance?</li> <li>- How can we be in conversation with the CDE about student populations' realities and their decisions to the participate in after school programming (or not)? How this inequity be expressed/ addressed?</li> <li>- What are some effective methods to maintain consistency and flow of day to day operations?</li> </ul> <p>How is OUSD addressing the CDE's attendance goals in High Schools that have a high concentration of students who work during after school. Does this count as after school attendance of that school? Are the expected attendance goals equitable if a school's student population consists of young adults who have to work after school?</p> <p>If students are choosing between attending an after school program or working to receive pay, many students would rather work and receive pay out of necessity or preference. This has been the reality for many students who have things to pay for and do not have the privilege of participating in an after school program for no pay.</p>

**Will this after-school program charge program fees for 2020-2021**  Yes  No

If, **“YES, program fees will be charged,”** please complete the following assurances. Both the Principal and Lead Agency boxes must be initialed.

Principal	Lead Agency	ASSURANCES
		Our program <b>will not turn away</b> any eligible student from program participation due to the inability to pay program fees. We understand that the California Education Code prohibits program fees from being a barrier to program participation
		Our program will <b>communicate</b> in writing and verbally to parents/guardians that an eligible child will not be turned away from program participation due to the inability to pay.  Per CDE, our programs will communicate in writing and publically to parents/guardians program fee expectations in language parents can understand. <b>This should be included in your enrollment applications, posted in your school (publicly accessible), parent handbooks and any marketing materials. Ensure that all documentation is accessible to families. This means they should be translated into the major languages used by the families in your school.</b>
		Our program will publicize the <b>program fee structure</b> in written program materials for school leaders, parents/guardians, and/or community members (i.e. communication letter, meetings agenda, etc.).
		Our program shall not charge a fee to a family for a child if the program once notified that the child is a <b>homeless youth</b> , as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 1143.a), <b>or for a child who the program knows is in foster care.</b>
		Our program will provide <b>receipts</b> to parents/guardians for each payment made.
		The lead agency will <b>manage funds</b> raised by program fees according to standard accounting practices and will provide quarterly Income Statements to the Principal and OUSD Expanded Learning Office detailing amount collected from program fees and expenditures. This will be turned in quarterly.
		<b>The Use of Fees:</b> Any fees collected by programs shall be used for program activities, services for students, and program administrative costs. CDE guidance calls for all programs to “keep accurate records of fees collected, and fees should be tracked separately from the grant funds received.” Keep documents in the event of an annual financial audit and/or Federal Program Monitoring (FPM). Families who receive free and reduced lunch should be prioritized for no cost program admission.

**SECTION 7b: PROGRAM FEES (Continued)**

**Describe how the school/program plans to collect program fees and who will be exempt from paying fees or received a reduced fee?**

**Describe how all fees collected will be used for after-school programming.**

# Continuous Quality Improvement (CQI)

*In collaboration with the community, the Expanded Learning Department cultivates transformative experiences for children through adults on their journey as they become thriving, productive leaders.*

OUSD's after-school programs will engage in an ongoing continuous cycle of assess, plan, and improve. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

## Continuous Quality Improvement

In accordance with California *Education Code* sections 8484 and 8427, all After School Education and Safety (ASES), 21st Century Community Learning Centers (21st CCLC) grants, and 21st Century High School After School Safety and Enrichment for Teens (ASSETs) programs in California shall engage in a data-driven continuous quality improvement (CQI) process based on the Quality Standards. It is expected that each site keeps a copy of its Quality Improvement Plan available on site for review. (i.e Program Planning Tool)

## Quality Standards

California's Expanded Learning Quality Standards assess "Quality" from programmatic, staff, and participant levels. This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California.

The CDE language for CQI is Assess-Plan-Improve, in OUSD the language has shifted to: **Truth-Hope-Change**; and **Curiosity (THC2)**. The THC2 was co-developed in partnership with community partners. This new process makes the CQI accessible, flexible, and sustainable.

- X Lead agency will budget adequately to ensure program staff participate in collaborative steps in the CQI process of Truth, Hope, Change, and Curiosity framework.
- X Site Coordinator will participate in meetings/trainings to develop their knowledge in leading continuous quality improvement process.
- X Lead agency and Site Coordinator will become familiar with the OUSD Expanded Learning CQI process i.e. Frequently Ask Questions (FAQ).
- X Lead agency and Site Coordinator will familiarize and engage the Quality Standards for Expanded Learning in California.
- X Lead agency director will provide support and ensure completion of *Section 5* of the Continuous Quality Improvement in the program planning tool:
  - X Site Coordinator will share the Program Planning Tool with the Site Administrator and school staff.
- 

Lead agency and Site Coordinator will complete annual data-collection process to support continuous quality improvement--e.g. Student survey, parent feedback, etc.

## East Bay Asian Youth Center

### Statement of Qualification

EBAYC is a non-profit youth development organization dedicated to supporting young people to be safe, smart, and socially responsible. All of our work is intentionally focused on helping young people develop the relationships, knowledge, skills, values, and aspirations they need to succeed in life. Our work with young people is long-term commitment. We provide young people a neighborhood-based continuum of supports and opportunities from elementary school through young adulthood.

EBAYC served over 3,000 youth each year through our Expanded Learning programs and intensive case management services. EBAYC program strategies resulted in higher school attendance rate and lower school suspension rate. Over the course of four decades, EBAYC consistently demonstrates high standards of program quality and performance as indicated by city, county, and school district evaluation.

#### Our Mission

EBAYC builds supportive relationships with young people to empower them to be safe, smart, and socially responsible.

#### Our Vision

EBAYC envisions young people growing to be life-long builder of a just and compassionate multi-cultural society.

#### Our Theory of Change

If EBAYC Provides intensive support to hard-to-reach young people most impacted by poverty, violence, and trauma; Organizes families to increase public investments to improve young's people's lives; Transform schools into neighborhood based youth and family services centers; Then EBAYC would advance its mission.

Dear Ms. Pena:

This letter explains the East Bay Asian Youth Center (EBAYC) policy for tuberculosis testing, fingerprinting and child abuse and neglect reporting.

EBAYC conducts its own background check on all employees and volunteers. EBAYC employees are not permitted to come into contact with students at any OUSD school sites until EBAYC receives their negative TB test results, fingerprint clearance and re-arrest records from the State of California - Department of Justice, and from the Federal Bureau of Investigation pursuant to Section 11105.3 of the California Penal Code and Section 15660 of the California Welfare and Institutions Code. No EBAYC employees who have been convicted of a violent or serious felony may come into contact with students. EBAYC will include the employees' ATI numbers on the invoices to OUSD, and will make available to OUSD the TB test results upon demand.

EBAYC employees fully comply with the California Child Abuse and Neglect Reporting Act guidelines to report suspicions of possible child abuse and neglect to the appropriate reporting agencies.

Sincerely,
