Is Vendor a local Oakland business? Yes No

Why was this Vendor selected?

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

Summarize the services this Vendor will be providing.

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and by the California Department of Education's ASES and/or 21st Century Community Learning Center grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

Was this contract competitively bid? Yes No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and by the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

After School Template for Elementary and Middle Schools
Memorandum of Understanding 2017-2018
Between Oakland Unified School District and
Higher Ground Neighborhood Development Corp.

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Higher Ground Neighborhood Development Corp. ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 144/Parker School under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2017 through June 30, 2018 if AGENCY services do not include summer educational programs, and July 1, 2017 through August 17, 2018 if AGENCY services include providing summer educational programs. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation.** The ASESP and 21st CCLC grant award amount for Higher Ground Neighborhood Development Corp. is \$125,838.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2017-2018")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASESP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASESP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASESP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASESP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASESP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2017-2018 and will not exceed \$125,838.00 in accordance with Exhibit B. Exhibit B ("ASESP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2017-2018").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct

unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the ASESP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

HG will work along side school administration, teachers, parents, district representatives, and students to determine the services and collaborative decision making structures that will make up the foundation of the community school planning collaborative. Our goal is to help in the creation and training of a planning team, implementation, team, and school wide infrastructure that supports the implementation of programming through existing school structures. Higher Ground can coordinate the SSC, ELAC, PTO, and after school community schools governance members into a cohesive decision making unit by the end of 2017/2018 school year. Our goal is to be the trail blazer that offers the district a sustainable family service center model that is the community school.

SECTION 4: SCHOOL PRIORITIES AND GOALS IN SPSA

In collaboration with school leadership, review the school's priorities and goals listed in its 2017-18 SPSA school site plan. All after school programs are expected to support the school's goals for: 1) Culture and Climate and 2) Family and Student Engagement

Additionally, identify at least 1 other priority area from the list below that your afterschool program will intentionally support. For each of the priority area marked below, fill in the specific priority and multi-year goal from the school's SPSA plan.

(Select at least 1 additional priority). Mark with an "X".	Priority Area	Specific Priority (as written in SPSA)	Multi-Year Goal (as written in SPSA)

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above.

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21st Century grantees who receive Family Literacy funding: *The activities listed below must align to your 21st Century Family Literacy budget plan.*

SECTION 9: PROGRAM SCHEDULE

- a) Submit your program schedule as an attachment, using the standard program schedule template. The after school schedule must indicate the school name, program name, and the program year. Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters.
- b) The Program Schedule must clearly show when all after school activities listed in the Sections 4 - 7 will be taking place.
- c) Make sure program schedule clearly shows when the following elementary program requirements will take place:
 - One hour/week of literacy instruction for students in grades K-5
 - One hour/week of math instruction for students in grades K-5
- d) Submit a copy of the school bell schedule for the 2017-18 school year.

Important Notes: The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)

Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)

SECTION 10: SATISFACTORY SCHOOL DAY ATTENDANCE AND CHRONIC ABSENTEEISM ACTION PLAN

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance		Action Steps
<p>a) Recruit and address the needs of students who are at risk of chronic absenteeism.</p>		<ul style="list-style-type: none"> • Identify students through regular CitySpan reports. • Cross reference daytime and after school attendance reports to determine severity of attendance issue. • Meet regularly with Administration and Attendance Team around decreasing absentee rates. Endure a higher ground staff attends the last attendance team meeting of the month. • Documented communication with identified students and families via letter, phone logs and/or personal contact. • Investigate the reasons for chronic absence and when appropriate, work with the school to provide referrals to services that may help remove some of the barriers to regular attendance. • COST team review
<p>b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.</p>		<ul style="list-style-type: none"> • Attendance recognition with monthly honorable mention of student achieving 95% or better attendance during the daytime and after school. • Explaining the importance of regular attendance at every new and returning student orientation. • Highlighting the new enrollment forms that lay out attendance policy and early release agreements. • Monthly parent attendance appreciation shout out's on AS bulletin board, parent engagement board, and annual newsletters.

<p>c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.</p>	<ul style="list-style-type: none"> PA checks in with the office to verify daily attendance. Students that miss more than 3 program days receive a phone call home and a letter reviewing the mandatory attendance policy. If the student does not return a parent conference is requested and the support process is triggered. Monitor Cityspan attendance daily; running queries reports weekly/monthly/quarterly for attendance compliance Monitor and trouble shoot Cityspan weekly using query reports; HG Cityspan reporting weekly (Wed/Fri) Weekly review and corrective action steps to be completed by PA, SM, and OD(Operations Director)
<p>d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.</p>	<ul style="list-style-type: none"> Monthly incentives such as attendance recognition awards along with the school day, parent and student shout out's on the bulletin boards, newsletters, and HG website.

Section 13: 2017-18 After School Enrollment Policy for Parker Elementary School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Priority Enrollment and Transitions Support for High Need Populations of Students

According to new grant legislation, foster youth and homeless youth will receive priority enrollment in after school programs. Additionally, OUSD prioritizes English language learners and Newcomers for after school services, so that the number of ELL students in after school programs is reflective of their percentage in the school population.

These high need student populations are transitional youth who often enter the OUSD school system mid-year, and whose program attendance may be less consistent due to the transitional nature of their home environments.

Important note: *The law states that program fees cannot be charged to homeless and foster youth participating in the program.*

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.
- The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

13a) TARGET POPULATION FOR AFTER SCHOOL PROGRAM:

in the matrix below, describe targeted student populations in order of priority. Specify data that will inform student selection. Identify targeted recruitment strategies for each population.

Which grade levels will you serve in this program? K – 5th, with K students having priority with siblings in the program

Target Populations)	Specific Data to Inform Selection of Program Participants	Targeted Recruitment Strategies
Homeless youth	SBAC, Benchmark, CELDT, Grades, GPA, Principal, Teacher or Counselor referral/recommendation, Parent/Caregiver, academic liaison, and classroom teacher feedback, COST, Cityspan, Enrollment Criteria Form, ARES	Pre-Enrollment/enrollment priority to homeless youth/families based on criteria needs and referrals from key stakeholders from school day and/or afterschool.
Foster youth	SBAC, Benchmark, CELDT, Grades, GPA, Principal, Teacher or Counselor referral/recommendation, Parent/Caregiver, academic liaison, and classroom teacher feedback, COST, Cityspan, Enrollment Criteria Form, ARES	Pre-Enrollment/enrollment priority to foster youth youth/families based on criteria needs and referrals from key stakeholders from school day and/or afterschool.
English language learners and/or Newcomers	SBAC, Benchmark, CELDT, Grades, GPA, Principal, Teacher or Counselor referral/recommendation, Parent/Caregiver, academic liaison, and classroom teacher feedback, COST, Cityspan, Enrollment Criteria Form, ARES	Pre-Enrollment/enrollment priority to ELL youth/families based on criteria needs and referrals from key stakeholders from school day and/or afterschool.

13b) MODIFICATIONS FOR HIGH NEED TRANSITIONAL STUDENTS:

How will you modify your enrollment and attendance policies to make your program accessible for foster, homeless, and Newcomer students who transition into the school mid-year?

- Weekly check in w/ site managers
- Allow priorities enrollment for high need transitional students

13c) ENROLLMENT PROCESS AND TIMELINE:

Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2017. Indicate how families will be notified of 2017-18 enrollment before the last day of school, June 9, 2017.

Applications are accepted and orientations start at the end of this first week with an emphasis on the priority enrollment process and getting the families to understand the program is not "first come, first served."	Extended Day Site Manager and Team
May 1- May 12, 2017	Advertising begins with posters and banners announcing the regular enrollment process for students not currently in the program or on the current wait list. The application collection and orientation for these applicants emphasizes the priority enrollment process and that the program is no longer "first come, first served."	Extended Day Site Manager and Team
May 15- May 26, 2017	Applications for New Students will only be accepted starting May 15-26, 2017. Once all applications are received, the team and site administration review the applicants and align with the site's priorities for enrollment.	Extended Day Site Manager, Team, School Administration

Section 15: After School Quality Support Coach

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Quality Support Coach is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program's Assess – Plan – Improve continuous quality improvement processes by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, curriculum, instructional strategies, data, and strategies to ensure positive school culture and climate.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards.
- Provide on-site coaching to after school staff implementing literacy and math curriculum.

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract. Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$26.61/hr (per OEA contract). Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the CA Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based **Assess-Plan-Improve CQI** process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- beginning of year self-assessment using YPOA/SAPQA tool
- planning with data (using self assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with SMART goals for program improvement
- year-end self-assessment and QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

Review and mark all commitments:

Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:

intellectual growth opportunities through increased academic programming, exposure through enrichment activities and field trips, additional opportunities for families to engage with and support the school community while also creating opportunities for the personal growth of the children and families and increased social, emotional learning opportunities.

Our agency's mission is to provide a safe and nurturing space where students are given both the tools and access necessary to be successful in the academic arena through engaging in balanced literacy, technology, mathematics, and career/development activities while exposing them and their families to varied cultural through music and art, health and wellness experiences through physical fitness and opportunities that build resiliency and develop happy, well-rounded and successful people which aligns with school's desired student outcomes.

Higher Ground will coordinate the school leadership to implement its community school vision.

Also, the HG Site Manager/Coordinator role has been redefined to support the planning and coordination necessary for the success of any community school model. The Management team is also available to support specific projects as well as lend the Higher Ground GOS and systems management tools, policies and procedures necessary to manage a high functioning community school. Community school programming can be coordinated through the HG's after school program and due to the extensive knowledge the organization possesses around this sort of programming, we have created systems that promote a sustainable model that places the lead agency at the center of coordination and collaborative management. HG will work along site school administration, teachers, parents, district representatives, and students to determine the services and collaborative decision making structures that will make up the foundation of the community school planning collaborative. Our goal is to help in the creation and training of a planning team, implementation, team, and school wide infrastructure that supports the implementation of programming through existing school structures. Higher Ground can coordinate the SSC, ELAC, PTO, and after school community schools governance members into a cohesive decision making unit by the end of 2017/2018 school year. Our goal is to be the trail blazer that offers the district a sustainable family service center model that is the community school.

SECTION 4: SCHOOL PRIORITIES AND GOALS IN SPSA

In collaboration with school leadership, review the school's priorities and goals listed in its 2017-18 SPSA school site plan. All after school programs are expected to support the school's goals for: 1) Conditions for Student Learning and 2) Family and Student Engagement

Additionally, identify at least 1 other priority area from the list below that your afterschool program will intentionally support. For each of the priority area marked below, fill in the specific priority and multi-year goal from the school's SPSA plan.

(Select at least 1 additional)	Priority Area	Specific Priority (as written in SPSA)	Multi-Year Goal (as written in SPSA)

SECTION 5: OUSD STRATEGIC TARGETS - MIDDLE SCHOOL

In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to prepare all students to be college, career, and community ready. To meet this strategic goal, middle schools must prepare their students to be *high school ready* by the time they graduate from the 8th grade.

High School Readiness: OUSD measures high school readiness by the percentage of 8th graders who meet the following criteria at the end of the 8th grade: a 2.5 or better GPA; no Ds or Fs in Math or English; no suspensions; and at least a 96% attendance rate for their 8th grade year.

Preparing for high school and being "high school ready" begins well before the 8th grade year. Starting with 6th graders, middle school after school programs can play an important role, collaboration with the school day, to support students to be *high school ready*.

Examples of activities middle school after school programs can do in partnership with the school day to support high school readiness may include:

- Host parent education nights to learn about high school requirements and discuss high school readiness indicators
- Work with students to monitor their grades on AERIES and provide targeted academic mentoring and/or tutoring to students falling behind in their classes
- Help communicate attendance or behavior concerns to parents
- Hold celebrations to acknowledge students' progress on grades, attendance, good behavior, etc.
- Hire teachers on extended contract to provide targeted intervention to students struggling in Math or English
- Begin high school readiness discussions early with 6th and 7th graders
- etc.

Discuss with your Site Administrator possible ways your after school program can support high school readiness. Complete the following matrix to indicate how your after school program will work in partnership with your school to support students to meet any of the indicators above that relate to the high school readiness target.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4, above.

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21st Century grantees who receive Family Literacy funding: **The activities listed below must align to your 21st Century Family Literacy budget plan.**

<p>a) Submit your program schedule as an attachment, using the <u>standard program schedule template</u>. The after school schedule must indicate the school name, program name, and the program year. Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters.</p> <p>b) The Program Schedule must clearly show when all after school activities listed in the Sections 4 - 7 will be taking place.</p> <p>c) Make sure program schedule clearly shows when the following middle school program requirements will take place:</p> <ul style="list-style-type: none"> ● MESA programming one hour/week (sites will receive support with MESA implementation) ● STEM programming one hour/week (coding and/or other STEM curriculum and professional development will be provided) ● Career exploration programming <p>d) Submit a copy of the school bell schedule for the 2017-18 school year.</p> <p>Important Notes: The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)</p> <p>Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)</p>			
<p>SECTION 10: SATISFACTORY SCHOOL DAY ATTENDANCE AND CHRONIC ABSENCE ACTION PLAN</p> <p>improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90%-95% are considered at risk of chronic absenteeism.</p> <p><i>In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like</i></p>			

celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
<p>a) Recruit and address the needs of students who are at risk of chronic absenteeism.</p>	<ul style="list-style-type: none"> • Identify students through regular CitySpan reports. • Cross reference daytime and after school attendance reports to determine severity of attendance issue. • Meet regularly with Administration and Attendance Team around decreasing absentee rates. Endure a higher ground staff attends the last attendance team meeting of the month. • Documented communication with identified students and families via letter, phone logs and/or personal contact. • Investigate the reasons for chronic absence and when appropriate, work with the school to provide referrals to services that may help remove some of the barriers to regular attendance. • COST team review
<p>b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.</p>	<ul style="list-style-type: none"> • Attendance recognition with monthly honorable mention of student achieving 95% or better attendance during the daytime and after school. • Explaining the importance of regular

	<p>attendance at every new and returning student orientation.</p> <ul style="list-style-type: none"> • Highlighting the new enrollment forms that lay out attendance policy and early release agreements. • Monthly parent attendance appreciation shout out's on AS bulletin board, parent engagement board, and annual newsletters.
<p>c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.</p>	<ul style="list-style-type: none"> • PA checks in with the office to verify daily attendance. Students that miss more than 3 program days receive a phone call home and a letter reviewing the mandatory attendance policy. If the student does not return a parent conference is requested and the support process is triggered. • Monitor Cityspan attendance daily; running queries reports weekly/monthly/quarterly for attendance compliance • Monitor and trouble shoot Cityspan weekly using query reports; HG Cityspan reporting weekly (Wed/Fri) • Weekly review and corrective action steps to be completed by PA, SM, and OD (Operations Director)
<p>d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.</p>	<ul style="list-style-type: none"> • Monthly incentives such as attendance recognition awards along with the school day, parent and student shout out's on the bulletin boards, newsletters, and HG website and field trips

SECTION 1.1: TRANSFORMING SCHOOL CULTURE AND CLIMATE
 After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

The following are strategies that OUSD schools are taking to create positive school culture and climate:

- Positive Behavioral Intervention and Supports (PBIS)
- Restorative Justice/Restorative Practices (RJ)

<input checked="" type="checkbox"/> Social and Emotional Learning (SEL)	
<p>After school and school day partners can collaborate and intentionally align their efforts around these strategies, in order to create seamless, positive culture and climate from 8am - 6pm for students.</p>	
<p>a) Discuss with your Site Administrator which strategies your school is using to support positive school culture and climate. Complete the following matrix by selecting at least one strategy that the school day and after school programs will work intentionally to align. Detail what the after school program will do to align with school day efforts for each selected strategy. This may include any of the following action steps for alignment:</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Participate in site-level professional development (PD) together with school day staff <input checked="" type="checkbox"/> Participate in district-sponsored PD, including PD offered by the Expanded Learning Office <input checked="" type="checkbox"/> Participate in relevant school committees (ie. Culture and Climate Committee, COST, ILT, etc.) <input checked="" type="checkbox"/> Align with school day curriculum and practices <input checked="" type="checkbox"/> Align with school day routines and structures <input checked="" type="checkbox"/> Observe school day classrooms to align expectations and practices <input checked="" type="checkbox"/> Other ways to align (please specify) 	
<p>Select at least 1 strategy:</p>	<p>What will the after school program do to align with school day efforts in this area?</p>
<p>x</p>	<p>Positive Behavioral Intervention and Supports (PBIS)</p> <ul style="list-style-type: none"> • Continue supports around students with high needs • Continue to provide students who need additional support to get into the program
<p>x</p>	<p>Restorative Justice/Restorative Practices (Rj)</p> <ul style="list-style-type: none"> • Continue supports around students with high needs • Continue to provide students who need additional support to get into the program
<p>x</p>	<p>Social and Emotional Learning (SEL)</p>
<p>b) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.).</p>	

SECTION 12: Coordination with Other Service Providers		
In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

Section 13: 2017-18 After School Enrollment Policy for Parker School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Priority Enrollment and Transitions Support for High Need Populations of Students

According to new grant legislation, foster youth and homeless youth will receive priority enrollment in after school programs. Additionally, OUSD prioritizes English language learners and Newcomers for after school services, so that the number of ELL students in after school programs is reflective of their percentage in the school population.

These high need student populations are transitional youth who often enter the OUSD school system mid-year, and whose program attendance may be less consistent due to the transitional nature of their home environments.

Important note: *The law states that program fees cannot be charged to homeless and foster youth participating in the program.*

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD’s strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)

- Program must enroll adequate numbers of students to meet CDE attendance targets.
- The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

13a) TARGET POPULATION FOR AFTER SCHOOL PROGRAM:

in the matrix below, describe targeted student populations in order of priority. Specify data that will inform student selection. Identify targeted recruitment strategies for each population.

Which grade levels will you serve in this program? 6-8

Target Population(s)	Specific Data to Inform Selection of Program Participants	Targeted Recruitment Strategies
Homeless youth	SBAC, Benchmark, CELDT, Grades, GPA, Principal, Teacher or Counselor referral/recommendation, Parent/Caregiver, academic liaison, and classroom teacher feedback, COST, Cityspan, Enrollment Criteria Form, ARES	Pre-Enrollment/enrollment priority to homeless youth/families based on criteria needs and referrals from key stakeholders from school day and/or afterschool.
Foster youth	SBAC, Benchmark, CELDT, Grades, GPA, Principal, Teacher or Counselor referral/recommendation, Parent/Caregiver, academic liaison, and classroom teacher feedback, COST, Cityspan, Enrollment Criteria Form, ARES	Pre-Enrollment/enrollment priority to foster youth youth/families based on criteria needs and referrals from key stakeholders from school day and/or afterschool.
English language learners and/or Newcomers	SBAC, Benchmark, CELDT, Grades, GPA, Principal, Teacher or Counselor referral/recommendation, Parent/Caregiver, academic liaison, and classroom teacher feedback, COST, Cityspan, Enrollment Criteria Form, ARES	Pre-Enrollment/enrollment priority to ELL youth/families based on criteria needs and referrals from key stakeholders from school day and/or afterschool.

13b) MODIFICATIONS FOR HIGH NEED TRANSITIONAL STUDENTS:

How will you modify your enrollment and attendance policies to make your program accessible for foster, homeless, and Newcomer students who transition into the school mid-year?

--	--

- Weekly check in w/ site managers
- Allow priorities enrollment for high need transitional students

13c) ENROLLMENT PROCESS AND TIMELINE:

EAST BAY REGIONAL PARK DISTRICT

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

FBI/TB Clearance Letter

June 16, 2017

To Whom It May Concern:

Higher Ground Neighborhood Development Corp performs a thorough screening of all employees and consultants that work with children or are on a school or community based site. We keep current proof of negative TB results on file with our Human Resources Department for said employees and consultants. We conduct FBI/DOJ level fingerprint/criminal background clearances with Live Scan for each employee and consultant that has unsupervised contact with children or families. And if the employee/consultant is a long standing member of the Higher Ground team, the agency requests and monitors subsequent arrest records at least once per fiscal year. If the employee or consultant is considered one of our ratio team members in regards to ASES funding, they must also meet the OUSD Instructional Assistant requirement. And proof of this requirement in the form of their transcripts and/or their "Pass Letter" from OUSD or Alameda County Office of Education are also kept on file.

If you have any questions, please contact the Higher Ground office at 510-658-6454.

Thank you,
