Subject Memorandum of Understanding
Contractor: East Bay Agency for Children
Services For: Rise Community School

Action Requested and Recommendation Approval by the Board of Education of Memorandum of Understanding between the District and East Bay Agency for Children, Oakland, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Rise Community School’s comprehensive After School Program, for the period of August 1, 2020 through July 31, 2021, in an amount not to exceed \$117,232.00.

Background
(Why do we need these services? Why have you selected this vendor?)

The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD’s Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

**After School Template for Elementary and Middle Schools
Memorandum of Understanding 2020-2021
Between Oakland Unified School District and
East Bay Agency for Children**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with East Bay Agency for Children ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 192/Rise Community School under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants

2. **Term of MOU.** The term of this MOU shall be August 1, 2020 through July 31, 2021. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21st CCLC grant award amount for East Bay Agency for Children is \$ 117,232.00 . AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:**

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASEP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASEP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2020-2021"). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2020-2021 and will not exceed

\$ 117,232.00 in accordance with Exhibit B. **Exhibit B** ("ASESP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2020-2021").

- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

SECTION 2: PROGRAM OPERATIONS

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

Projected daily attendance for 2020-21 school year program.	85
--	----

Program Operations for the 2020-2021 school year. First Day: August 10, 2020 Last Day: May 27, 2021

UPDATED ED CODE: Per CDE Education Code Section 8483.7(c) allows programs to close for a maximum of 3 days during a calendar year (not a school year) for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. **This should be uploaded no later than 5 business days after the closure day.**

[Fill out this Google Form to identify the three days](#) (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2020).

Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. **There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.**

Projected Number of Minimum Days for School Year 2020-2021:

**Schools should provide the lead agency with a calendar of minimum days for the 1st day of school.*

Is your school-day bell schedule attached? YES

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?

There are no additional school funds to cover the added minimum days. ASES and agency funds will be used to cover the additional costs to programming.

SECTION 3a: PROGRAM MODEL.

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ****McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ****Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
 - *Establishes the definition of homeless used by schools*
 - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
 - *Provides for educational access, stability, and support to promote school success*
 - *Needed to address the unique barriers faced by many homeless students*

Complete the following questions for Section 3b:

- To the best of your knowledge, how many Golden Tickets were distributed in the 2019-20 school year?
None to our knowledge.
- How will you make your program more accessible to serve the needs of Golden Ticket students/families?
Our program will accept any students who have a “Golden Ticket”. These students will be given priority into the program and space will be made for them.
- CDE and OUSD have established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. With these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community. Describe 1-3 enrollment priorities that will be made public and why?
 1. Students currently enrolled in the program
 2. Siblings of students currently enrolled in the program
 3. Low achieving students

SECTION 4: PROGRAM COMPONENTS

*CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3[c][7])

<p>Educational and Literacy Component that includes tutoring/ homework assistance in the core subjects (language arts, math, history /social science, etc.)</p>	<p>Describe how the after-school program will provide the educational & literacy component. How are students building academic skills? How are social-emotional academic development being integrated? (<i>Include specific strategies for creating a safe & supporting environment through encouragement and active engaged learning.</i>)</p> <p>Students at RISE have a designated academic time every day. Program staff focuses on homework support and reading and ensures that all students have started their homework and reading logs. Staff provides at least one hour/week of literacy and math to all students. Students are broken up by grade level for academic time and stay with the same grade level teacher every day. Due to this format, students develop close relationships with their academic teachers. Afterschool staff is able to get to know students and their academic abilities and can work individually with students on areas of need. Afterschool staff also work closely with school day teachers to ensure that they are supporting their students. Many of the ASP staff at RISE also work during the school day doing academic intervention. This helps connect our students with the school and our staff are better equipped to support struggling students.</p>
--	--

<p>Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)</p>	<p>Describe how the after-school program will offer educational enrichment activities. (<i>Include specific strategies designed to foster skill-building; youth voice and leadership and diversity, access and equity.</i>)</p> <p>Students are given the opportunity to provide input on both program enrichment classes being offered as well the specific lesson plans within the offerings. RISE afterschool offers a variety of enrichment offerings from art, music, sports, science, etc. Students also get “Kids Choice” which allows students the opportunity once a week to choose the class they want to participate in. Afterschool staff is trained to relate activities to youth experiences, encouraging students to take on leadership roles and ensure that classes are accessible to all students and learners. All EBAC afterschool staff is trained on the SAPQA, SEL practices, Youth Development practices, asset based language, Mindfulness and Trauma Informed Care.</p>
---	--

<p>Physical Activity other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. (This should happen for all students in the program.)</p>	<p>Describe how the after-school program will provide structured physical activity for all participants. (<i>Include specific strategies to promote healthy choices and behaviors.</i>)</p> <p>CDE expects Elementary programs to offer 30-60 minutes of developmentally appropriate, daily physical activity (to help meet CDE recommendation of 60 daily minutes of moderate to vigorous physical activity for youth) This is not ‘free play’ or recess. (We understand Middle and High will vary based on sports programs and scheduling. Please explain how the after-school program will address physical activity in your program, including type, frequency, and target population. All students should have the opportunity for physical activity).</p> <ul style="list-style-type: none"> · Plan and evaluate (review fitness test results, track minutes, etc.) · Include a variety of activities throughout the year <p>All afterschool staff regardless of what they teach are trained by Playworks in “Group Management” and “The Power of Play”. The afterschool program offers a variety of physical activities such as recreation, fitness, sports, mindfulness, cooking/nutrition, team building along</p>

	<p>with recess. Staff also model positive healthy behaviors and activities including what they eat in front of the students.</p> <p>Do you have staff that is certified through CoachingCorps who will be returning for the 20-21 school year? Yes.</p> <p>Do you have a coach trained through OUSD Oakland Athletic League or other organizations? No.</p> <p>If the program does not have either of the above, how does your site or agency plan to train those staff members supporting physical activity expectations?</p>
--	---

<p>Family Literacy Component that includes literacy activities and other educational services that engage adult family members of students.</p>	<p>Describe how the after-school program provides opportunities to promote literacy and/or other educational services to adult family members of students?</p> <p>RISE Afterschool Program supports the school day literacy events. RISE afterschool also hosts family events such as showcases where families participate with their children in various activities.</p>
--	--

1. Please complete and attach the program schedule for in 2020-2021 that reflects the program components identified above.
2. Fill out the [attached template](#) to describe program components then link them into this document. Program component description link: linked to the [spreadsheet](#) create a drop-box option (a) CDE--academic, enrichment, physical activity "use the same title".

**In the fall, sites are required to resubmit updated program schedules. This schedule should be clearly aligned with the supports identified in section 4.*

Academic Alignment with School Day and [District Priorities](#)

Please provide a short narrative that identifies how the after-school program will support school goals aligned with district student learning goals in the appropriate grade level box below.

- Collaborate with the school site administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District's priorities for elementary, middle and high school.

OUSD Student Learning Goals:

- 1- All students build **relationships** to feel connected and engaged in learning
- 2- All students continuously grow towards meeting or exceeding standards in **English Language Arts**
- 3- All students continuously grow towards meeting or exceeding standards in **Math**
- 4- English Learner students continuously develop their language, reaching **English Fluency** in 6 years or less
- 5- All students grow a year or more in **Reading** each year
- 6- All Students graduate college-, career-, and community-ready

How will after-school program further these OUSD Learning Goals? (Choose 2-3 to focus on for the 20-21 School Year)

- **SEL:** EBAC programs have built in the SEL 3 signature practices into their lesson plans and programs. Our programs use various curriculum such as Building Intentional Communities to support SEL work both with students and staff. SEL is very important to the work that EBAC does and we believe that adults and youth need to work on their social emotional skills.
- **School Culture:** Afterschool Program staff will utilize the PBIS practices and strategies implemented by the school in all of our classes in order to be aligned with the school day practices. Staff are trained in school PBIS expectations. Our staff are trained on asset based language and trauma informed practices. We meet students where they are and recognize that all students are individuals who have different learning styles and experiences. We have shared values and behavior expectations from school day to afterschool.
- **Math and Literacy - Academic Centers:** Every Wednesday, instructors use Academic Center time to help students who are struggling with particular academic skills. Instructors teach mini lessons geared towards a particular skill. They also play academic games like "Around the World", spelling test (using school day words), and offer individualized academic supports.

SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the [Quality Standards for Expanded Learning in California](#)—which were developed in partnership between the California Department of Education’s (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

POINTS OF SERVICE Quality Standards & PROGRAMMATIC Quality Standards

PROGRAM SELF-ASSESSMENT

TRUTH * HOPE * CHANGE * CURIOSITY (THC²)

Highlight the stakeholders who participated in the Program Self-Assessment in 2019-2020

Internal evaluator	External evaluator	School administrator
District administrator	Certificated staff	Classified staff
Program director	Site coordinator	Site-level/line staff
Parents/guardians	Students	Community partners
Advisory group	Other stakeholders _____	

<p>TRUTH <i>What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program.</i></p>	<p>Identify the after-school program data point(s) in the narrative below. Could include: student feedback (youth survey, interviews or focus groups), internal program observation or external observation.</p> <p>Through observation and staff feedback we found that our program needed a better behavior management system. We recognize that our students come to program from the school day which tends to have more punitive behavior management practices and also our students are carrying a lot of trauma and stress from home. We wanted to find a way to meet our students and all of their needs in a manner that was more restorative and trauma informed.</p>
<p>HOPE <i>What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?</i></p>	<p>Our hope which we are already implementing is that we created an “Ohm Zone” (Meditation room) for students to retreat to when they are acting out.</p> <p>Our hope is that students who are sent to the “Ohm zone” will find tools to help regulate their behaviors and feelings. Our hope is that this will help our program as well as teach our students how they have control over how they react, respond and self regulate themselves.</p>
<p>CHANGE <i>What steps will be taken to make the shifts needed to realize the HOPE identified above?</i></p>	<p>We have already started to implement the “Ohm zone”. When students are struggling with behaviors, conflicts, break program rules or just need to take a break, they will be sent to the “ohm zone” during recess which is held in the Multipurpose room.</p> <p>When students enter the “Ohm zone” they are instructed to grab a yoga mat, take off their shoes and lay down. The coordinator will ring a bell and the meditation session begins. After the session the student will choose 2 methods of reflection.</p> <p>Here are a few techniques students can choose from”</p> <ul style="list-style-type: none">● Belly Buddies (Breathing exercise)- Students choose a stuffed animal, place animal on their belly and start breathing as they focus on the animals movement.● Mindful Jar (Calming tool)- Students are instructed to focus on what's inside the jar and nothing else.● I AM CALM NOW (Breathing exercise)● Apology letter (Conflict resolution) Students write an apology letter

CURIOSITY

What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts.

Will the “Ohm zone” create a sense of calmness in the program? Will students be able to self regulate? Will families notice a difference?

SECTION 6: Facilities

SECTION 7a: PROGRAM FEES

Will this after-school program charge program fees for 2020-2021 Yes No
 If, "YES, program fees will be charged," please complete the following assurances. Both the Principal and Lead Agency boxes must be initialed.

Principal	Lead Agency	ASSURANCES
		Our program will not turn away any eligible student from program participation due to the inability to pay program fees. We understand that the California Education Code prohibits program fees from being a barrier to program participation
		Our program will communicate in writing and verbally to parents/guardians that an eligible child will not be turned away from program participation due to the inability to pay. Per CDE, our programs will communicate in writing and publically to parents/guardians program fee expectations in language parents can understand. This should be included in your enrollment applications, posted in your school (publicly accessible), parent handbooks and any marketing materials. Ensure that all documentation is accessible to families. This means they should be translated into the major languages used by the families in your school.
		Our program will publicize the program fee structure in written program materials for school leaders, parents/guardians, and/or community members (i.e. communication letter, meetings agenda, etc.).
		Our program shall not charge a fee to a family for a child if the program once notified that the child is a homeless youth , as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 1143.a), or for a child who the program knows is in foster care.
		Our program will provide receipts to parents/guardians for each payment made.
		The lead agency will manage funds raised by program fees according to standard accounting practices and will provide quarterly Income Statements to the Principal and OUSD Expanded Learning Office detailing amount collected from program fees and expenditures. This will be turned in quarterly.
		The Use of Fees: Any fees collected by programs shall be used for program activities, services for students, and program administrative costs. CDE guidance calls for all programs to "keep accurate records of fees collected, and fees should be tracked separately from the grant funds received." Keep documents in the event of an annual financial audit and/or Federal Program Monitoring (FPM). Families who receive free and reduced lunch should be prioritized for no cost program admission.

SECTION 7b: PROGRAM FEES (Continued)

Describe how the school/program plans to collect program fees and who will be exempt from paying fees or received a reduced fee?

Describe how all fees collected will be used for after-school programming.

Describe how fees will be communicated to school leaders/school community.

Attach a copy of written evidence of the program fee materials/process (i.e. parent letters, parent handbook, etc. meeting with agenda/minutes?)

Continuous Quality Improvement (CQI)

In collaboration with the community, the Expanded Learning Department cultivates transformative experiences for children through adults on their journey as they become thriving, productive leaders.

OUSD's after-school programs will engage in an ongoing continuous cycle of assess, plan, and improve. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

Continuous Quality Improvement

In accordance with California *Education Code* sections 8484 and 8427, all After School Education and Safety (ASES), 21st Century Community Learning Centers (21st CCLC) grants, and 21st Century High School After School Safety and Enrichment for Teens (ASSETs) programs in California shall engage in a data-driven continuous quality improvement (CQI) process based on the Quality Standards. It is expected that each site keeps a copy of its Quality Improvement Plan available on site for review. (i.e Program Planning Tool)

Quality Standards

California's Expanded Learning Quality Standards assess "Quality" from programmatic, staff, and participant levels. This cycle of improvement revolves around twelve critical standards—the [Quality Standards for Expanded Learning in California](#).

The CDE language for CQI is Assess-Plan-Improve, in OUSD the language has shifted to: **Truth-Hope-Change**; and **Curiosity (THC2)**. The THC2 was co-developed in partnership with community partners. This new process makes the CQI accessible, flexible, and sustainable.

- Lead agency will budget adequately to ensure program staff participate in collaborative steps in the CQI process of Truth, Hope, Change, and Curiosity framework.
- Site Coordinator will participate in meetings/trainings to develop their knowledge in leading continuous quality improvement process.
- Lead agency and Site Coordinator will become familiar with the OUSD Expanded Learning CQI process i.e. [Frequently Ask Questions \(FAQ\)](#).
- Lead agency and Site Coordinator will familiarize and engage the [Quality Standards for Expanded Learning in California](#).
- Lead agency director will provide support and ensure completion of *Section 5* of the [Continuous Quality Improvement](#) in the program planning tool:
- Site Coordinator will share the Program Planning Tool with the Site Administrator and school staff.

Lead agency and Site Coordinator will complete annual data-collection process to support continuous quality improvement--e.g. Student survey, parent feedback, etc.

Examples of allowable use of Equitable Access funds include:

- additional academic interventions/supports to struggling students (ie. English Language Learners, students with special needs, etc.)
- mental health support services that enable students to fully participate in the after school program
- translation services, bus tickets, and other supports that make it possible for students to participate in program

How will your 21st CCLC/ASSETs program support equitable access in your program? Which population(s) of students in your program will receive extra support through the Equitable Access supplemental grant? Please describe your planned use of Equitable Access funds. *Your plans must align with your Equitable Access budget.*

EAST BAY REGIONAL PARK DISTRICT

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

20__-20__ MIDDLE SCHOOL SPORTS LEAGUE ACTIVITIES

RELEASE OF LIABILITY AND ASSUMPTION OF RISK

In exchange for being permitted to participate or have my child/ward participate in activities and use equipment and facilities, I agree to release, indemnify and discharge Oakland Unified School District ("OUSD"), _____, and their respective agents, directors and employees on behalf of myself, my spouse/domestic partner, children, heirs, assigns, and estate as described below.

1. I am familiar with the Middle School Sports League Activities and facility rules and agree that I and my child will follow them. I understand that the recreational activities or use of the facilities or equipment carries inherent risks which cannot be eliminated regardless of the presence of coaches or other care taken to avoid injury. I understand that, in the event that a Middle School Sports League school site is closed for any emergency reason (including but not limited to reasons related to COVID-19), the Middle School Sports League shall provide physical programming remotely, rather than in-person at the school site, and that this remote physical activity likewise carries inherent risks. I understand that OUSD and _____ are not responsible for loss, damage, illness, or injury, or death, to person or property as a result of use of the facilities or equipment or participation in the Middle School Sports League activities (including remote physical activity) offered after school and on designated weekend days as scheduled.
2. Participant and/or parent/guardian agree to pay all costs associated with medical care and transportation for the participant as provided by law.
3. As parent/guardian, I have reviewed the schedule(s) for Middle School Sports League activities and understand that weather permitting the Middle School Sports League activities generally run after school and on designated weekend days of each month as scheduled. Parent/Guardians understand that they are responsible for transporting their child/children and picking up their children promptly at the end of the program and that there is no OUSD or _____ supervision for children after the Middle School Sports League program ends.
4. I agree as an adult participant, or the Parent/Guardian of a minor participant, to grant the right and permission to photograph and/or record me or my child/ward in connection with Middle School Sports League and to use the photograph and/or recording for all purposes.

By signing this document (Release of Liability and Assumption of Risk), I understand that if anyone is hurt or property damaged in connection with Middle School Sports League activities (including remote physical activity), I may be found to have waived my or my child/ward's right to maintain a lawsuit against OUSD, _____, or their respective agents, directors, and employees and I am voluntarily choosing to participate.

Trauma and social disparities inhibit, impede, and sometime preclude well-being in children, youth and families. Children can't learn when distracted by emotional or behavioral challenges they are ill-equipped to handle. Nor can families thrive when they struggle to secure food, shelter and medical care.

East Bay Agency for Children focuses on interrupting the cycles that perpetuate adverse childhood experiences.

Children have a strong ability to overcome exposure to adversity if they and their families are given guidance and tools to build resilience and aid in recovery.

At East Bay Agency for Children, we work every day so children and families impacted by trauma can ultimately reach their full potential.

"I finally feel like someone understands what I am going through and is willing to help me help my son."

GET INVOLVED

Join us in bringing hope to struggling children and families. Volunteer, donate or advocate. A gift of your time, treasure or talent can build a brighter future for a child!

Agency Overview

Reducing the Impact of Trauma and Social Inequities

BEGUN IN 1952, EAST BAY AGENCY FOR CHILDREN CONTINUES TO BE A BAY AREA LEADER IN STRENGTHENING CHILDREN'S SOCIAL-EMOTIONAL HEALTH. TODAY, OUR COMPREHENSIVE CONTINUUM OF SERVICES POSITIVELY IMPACT THOUSANDS OF CHILDREN AND FAMILIES ANNUALLY.

School-based Therapeutic Intervention

Children can act out or become withdrawn as a result of emotional triggers they don't understand and can't control. Often these behaviors result from adverse childhood experiences such as abuse or neglect; separation from a love one by death, incarceration or deportation; or the stress of living in poverty or in neighborhoods or homes impacted by violence.

Every year, East Bay Agency for Children delivers school-based treatment to support healing and building resilience in over 1,000 Alameda County children impacted by trauma.

Trauma Transformed

Trauma Transformed is the only regional center and clearinghouse serving the entire Bay Area to promote trauma-informed systems.

Trauma Transformed provides trainings and policy guidance to systems of care professionals and organizations, building awareness and knowledge of trauma to reduce the re-traumatization of youth and families and the professionals who serve them. TraumaTransformed.org

Family and Community Wellness

A strong and stable family is critical to a child's long-term wellness. East Bay Agency for Children delivers services that foster family engagement and strengthen over 10,000 families and children annually. Our services:

- **Enhance** student achievement through quality afterschool and parent-child school readiness programs
- **Connect** vulnerable children and families to health insurance, dental care, food programs and other safety net and social services
- **Train** children and adults how to protect against child assault, abuse and neglect
- **Strengthen** the well-being of children, families, and school communities experiencing loss, grief, life threatening illness, trauma, and violence

Service Strategies

Our programs and services incorporate one or more of these three key strategies:

- **Build Resilience**
- **Aid Recovery**
- **Prevent exposure to trauma**

Mission

East Bay Agency for Children's mission is to improve the well-being of children, youth and families by reducing the impact of trauma and social inequities.

We support children and families who are disproportionately impacted by poverty, violence, marginalization, loss of loved ones, or other forms of trauma.

To best serve our client's needs, our comprehensive services are trauma-informed, culturally relevant, linguistically appropriate, and primarily located on school campuses where children and families already congregate.

Outcomes

East Bay Agency for Children's staff work diligently to produce these desired and life changing results:

- Children face less emotional and physical risk
- Children and families in all neighborhoods from diverse racial and ethnic backgrounds are healthier because they have affordable health insurance, food assistance and other public benefits they need
- Children exposed to trauma can heal, and they are better able to withstand exposure to future adversity
