Board Cover Memorandum

То	Board of Education
From	Kyla Johnson-Trammell, Superintendent Sondra Aguilera, Chief Academic Officer
Meeting Date	<u>August 14, 2024</u>
Subject	2024-2025 School Plan for Student Achievement (SPSA) for Gateway to College at Laney College
Ask of the Board	Approval by the Board of Education of the 2024-2025 School Plan for Student Achievement (SPSA) for Gateway to College at Laney College.
Background	In accordance with Education Code 64001, the School Plan for Student Achievement (SPSA) shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the Consolidated Application and the Local Control and Accountability Plan (LCAP) by the School Site Council (SSC). The plans shall also be reviewed and approved by the governing board of the local education agency at a regularly scheduled meeting. The purpose of the SPSA is to coordinate all educational services at the school. The plan shall address how funds provided to the school will be used to improve academic performance of all pupils to the level of the proficiency goals, as established by the California Department of Education.
Discussion	The SPSA builds on a premise that students are capable of learning with effective instruction and includes school goals aligned with activities, provides analysis of student performance data, focuses on student achievement and academic intervention, implements high leverage school quality improvement actions, directs resources where they will most impact student achievement, ensures that all resources are aligned to serve identified student needs, and identifies parent involvement activities associated with student success.
Fiscal Impact	 The programs listed below are reported in the Consolidated Application and allocated to school sites through the School Plan for Student Achievement (SPSA): Title I, Part A, including Comprehensive Support & Improvement Grant

- Title IV, Parts A and B
- After School Education and Safety (ASES)

2024-25 School Plan for Student Achievement (SPSA)

School:	Gateway to College at Laney College
CDS Code:	1612590119859
Principal:	Judit Trinidad
Date of this revision:	

The School Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Every Student Succeeds Act (ESSA) require each school to consolidate all school plans for programs funded through the Consolidated Application (ConApp) into the SPSA.

The School Site Council (SSC) recommends this comprehensive School Plan for Student Achievement (SPSA) to the district governing board for approval, and assures the board of the following:

- 1. The School Site Council is correctly constituted, and was formed in accordance with district governing board policy and state law, per EDC § 6500.
- 2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement requiring board approval.
- 3. The school plan is based upon a thorough analysis of student academic data. The actions and strategies proposed herein form a sound, comprehensive, and coordinated plan to reach stated safety, academic, and social emotional goals and to improve student achievement.
- 4. The School Site Council reviewed the content requirements of the School Plan for Student Achievement and assures all requirements have been met, including those found in district governing board policies and in the Local Control and Accountability Plan (LCAP).
- 5. Opportunity was provided for public input on this school's School Plan for Student Achievement (per EDC § 64001) and the Plan was adopted by the School Site Council at a public meeting(s) on:

ADDITIONAL TITLE-FUNDED DISTRICT-LEVEL SUPPORTS FOR STUDENTS & FAMILIES

In addition to the actions outlined in this plan, Oakland Unified also provides Title-funded Central supports to high-need OUSD students and families, including low-income students, foster youth, refugee and asylee students, unhoused students, and others. These supports include the following:

Early Childhood Education Program

The OUSD Early Learning team works to ensure that all children are taught and supported to develop the skills and knowledge necessary for success in school. Early Learning programs and schools work together to promote school readiness and to engage families as their children make the transition to TK and Kindergarten, and to partner with families in supporting their child's development and learning by providing appropriate opportunities for families to actively engage in learning. OUSD offers both a subsidized preschool option for low-income families who meet program requirements and a full tuition option for higher income families.

Summer Learning Program

The District's Summer Learning Program provides targeted support to ensure that students who are behind academically have opportunities to catch up. We prioritize low-income youth, English language learners, foster youth, and unhoused youth for summer enrollment. Summer learning programs focus on academics and social emotional support, but also include enrichment opportunities like art and music. High school sites offer credit recovery for students who are behind in credits needed to graduate.

Transitional Students and Families Unit

The Transitional Students & Families Unit (TSF) provides supplemental support services to foster youth, refugee and asylee students and their families, and students with uncertain or unstable housing. The Unit's services include enrollment assistance; school supplies and transportation assistance; parent/guardian workshops; academic counseling; summer programming; referrals to school-based and community-based educational, social, and emotional support services; and support to school site staff. Specific services vary by individual student needs and each program's mandates.

- Foster Youth Program: The Foster Youth Program seeks to ensure that foster youth in OUSD receive supplemental support such as tutoring, case management, and social emotional learning opportunities. Additionally, the foster youth program seeks to ensure that foster youth in OUSD have access to all rights granted to them under California law (AB 490), such as school stability (the right to remain in their original school when they enter foster care or move, if in their best interests); immediate enrollment (the right to be immediately enrolled in a new school, even without health/education records); partial credit (the right to receive partial or full credit for work completed at other schools, a right that all OUSD students have); and fairness (the right to not be punished for court-related absences).
- **Refugee & Asylee Program:** The Refugee & Asylee Program identifies, supports, and tracks newly-arrived refugee students, providing crucial services in support of their school integration and academic success. In collaboration with community partners and other OUSD departments, the program allows schools to both refer students and reach out for assistance when needed. Specifically, the program offers school enrollment assistance, school orientation, tutoring, family engagement, and targeted summer educational support for refugee students and families. It also provides educational case management for high-need students and social emotional learning opportunities for refugee and asylee students.
- *McKinney-Vento Program:* The McKinney-Vento Program provides supplemental educational services and social support to youth and families who lack a fixed, regular, and adequate nighttime residence. This means students sharing housing with one or more families due to eviction or economic hardship, living in emergency or transitional shelters, staying in hotels/motels, trailer parks/camp grounds, or somewhere that is not designed for sleeping (e.g., a garage, an attic, a car, a park or an abandoned building). This can also include unaccompanied youth (students not in the physical custody of a parent or guardian). The services provided by the program include enrollment assistance, school supplies, backpacks, advocacy, and assistance with transportation.

2024-25 SCHOOL PLAN FOR STUDENT ACHIEVEMENT (SPSA): ANNUAL SPSA REVIEW

School: Gateway to College at Laney College

SPSA Year Reviewed: 2023-24

SPSA Link: 2023-24 SPSA

2A: OVERALL IMPLEMENTATION & EFFECTIVENESS OF THE CURRENT SPSA

Briefly describe the overall implementation so far of the current SPSA strategies and actions. If any staffing or activities changed after completing the SPSA last spring, please describe.

This year, we introduced entrepreneurship and career exploration initiatives aimed at fostering career development. Additionally, Laney implemented online student tutoring programs in collaboration with GTC success coaches to nurture a positive program climate, enhance the overall culture, and boost academic performance for students at Laney College.

Describe and explain the effectiveness of the strategies and actions to achieve the articulated goals.

All students will engage in career exploration and create a 2-year student educational plan for community college studies (i.e. concurrent enrollment) with the support of success coaches in a guided career pathway at Laney College.

Describe any changes that will be made to achieve annual goals, outcomes, or strategies/actions as a result of this analysis. Identify where those changes can be found in the SPSA.

Continue utulizing virtual online tools and in person tools so the students can have the option of selecting what tool work for each person.
