School Attendance Boundaries

Formatted: Font: Bold

The Governing Board shall regularly review school attendance boundaries, taking into account school capacities and enrollment data, geographic features, student safety and transportation, racial and ethnic balance, educational programs such as magnet schools, and community input.

(cf. 5116.1 - Intradistrict Open Enrollment)

The Superintendent or designee may place some students in a school outside of their attendance area in order to alleviate overcrowding.

~~For the 2008-09 school year, all families within any OUSD overcrowded attendance area not placed at their home school will be redirected through the District Open Enrollment process to their next closest neighborhood school. (Per Board Resolution 0708-0135, 12/19/2007)~~
