

Funding Source(s) *Resource 2600 - Expanded Learning Opportunities Program in the amount of \$5,000.00.*

Background While most OUSD school sites elect to remain with the same after school lead agency to run their comprehensive after school programs, occasionally changes will be made from one year to the next. While the contract for incoming agency to be lead agency at the new site(s) doesn't start until July 1, much time is required of the incoming agency prior to the start of that contract to be ready to operate an after-school program. This contract with an incoming lead agency providing after-school services to schools in the 2023-2024 school year will allow the new lead agency to be compensated for their meeting and planning time as they prepare for the upcoming school year.

If no End Date is entered, then the End Date shall be the first June 30 after the Start Date. If the term set forth above would cause the Agreement to exceed the term limits set forth in Education Code section 17596, the Agreement shall instead automatically terminate upon reaching said term limit.

2. **Services.** VENDOR shall provide the services (“Services”) as described in #1A and #1B of **Exhibit A**, attached hereto and incorporated herein by reference. To the extent that there may be a school closure (e.g., due to poor air quality, planned loss of power, COVID-19) or similar event in which school sites and/or District offices may be closed or otherwise inaccessible, VENDOR shall describe in #1B of **Exhibit A** whether and how its services would be able to continue.

3. **Alignment and Evaluation.**

In accordance with Paragraph 8 (Compensation), the Services performed by VENDOR must meet the approval of OUSD, and OUSD reserves the right to direct VENDOR to redo the Services, in whole or in part, if OUSD, in its sole discretion, determines that the Services were not performed in accordance with this Agreement.
5. **Data and Information Requests.** VENDOR shall timely provide OUSD with any data and information OUSD reasonably requests regarding students to whom the Services are provided. VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. If and when VENDOR's programs and school site(s) change (either midyear or in subsequent years), VENDOR shall promptly update the information in the database.
6. **Confidentiality and Data Privacy.**
 - a. OUSD may share information with VENDOR pursuant to this Agreement in order to further the purposes thereof. VENDOR and all VENDOR's agents, personnel, employee(s), and/or subcontractor(s) shall maintain the confidentiality of all information received in the course of performing the Services, provided such information is (i) marked or identified as "confidential" or "privileged," or (ii) reasonably understood to be confidential or privileged.

 - c. All confidentiality requirements, including those set forth in the separate data sharing agreement, extend beyond the termination of this Agreement.
7. **Copyright/Trademark/Patent/Ownership.** VENDOR understands and agrees that all matters produced under this Agreement, excluding any intellectual property that existed prior to execution of this Agreement, shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in those works are the property of OUSD. The granting of any payment by OUSD, or the receipt thereof by VENDOR, shall in no way lessen the liability of VENDOR to correct unsatisfactory performance of Services, even if the unsatisfactory character of the performance was not apparent or detected at the time a payment was made. If OUSD determines that VENDOR's performance does not conform to the requirements of this Agreement, VENDOR agrees to correct its performance without delay.

EXHIBIT A

1A. **General Description of Services to be Provided:** *Provide a description of the service(s) **VENDOR** will provide.*

Vendor will follow all necessary transition protocols and provide all necessary transition materials to the Expanded Learning Office (ExLO) regarding transitioning into the After School Lead Agency role at Reach Academy. The protocols and requirements below should be adhered to in order to have the least amount of impact to the community and ensure successful future partnerships. The Transition Process will be led and facilitated by the OUSD Expanded Learning Program Manager assigned to the relevant site(s) and reviewed with the lead agency and the site Principal.

Transition Meetings

- Actively participate in all transition meetings
 - Planning Meeting (all parties come together to set norms and expectations)
 - Communication expectation and staffing meeting
 - Program Plan and Budget Development in partnership with school site
 - Agency Directors and All Leaders participation
 - Independent meetings requested by the site principal or ExLO office
- Go through the “materials checklist” with the site administrator so that there is no confusion around materials.
- Determine where compliance documents are stored

Staffing Transitions

Consider whether current staff will be considered for employment with the new lead agency.

Consider the current personnel structure and systems of support, such as:

- Pay Ranges
- Job descriptions
- Benefits
- Personnel manual
- Professional development existing staff have experienced
- Let other agencies know of strong staff you have who may be seeking employment elsewhere due to the lead agency transition
- Determine with the Principal which stakeholders should be involved in the selection of a site coordinator as well as the hiring protocols.

Communication with Students, Families, and School Community about Transition:

- Discuss how to ensure a seamless transition for students and families.
- The principal, new lead agency partner, and exiting lead agency partner should meet to discuss talking points and plan positive, coordinated communication with the school community and stakeholders about the transition.
- There should always be positive communication about both agency partners – both the partner leaving as well as the new partner coming in; ultimately lead agency partners should remain collegial and supportive of each other’s efforts since ultimately we are all here to support the students and families in Oakland.

Program and Budget Planning

- Review the current year program planning tool, budgets, Quality Action Plans, etc. to understand what has existed.
- Make sure all remaining invoices/timesheets are submitted by end of June.

- Make sure subcontractors and other key partners are aware of the lead agency change.
- Meet to discuss the transition plan, including how to handle spring enrollment, etc.

Program files

All documents must be kept at the school site for 5 years for auditing purposes; the new lead agency (and school leadership) should be oriented to all the items on file. If there is concern about proper storage of files at the program site, then contact EXLO immediately for possible central storage:

- Attendance (including sign-in/out sheets)
- Enrollment materials
- Student data
- Incident reports
- Program documentation
- Snack documentation

Inventory key program materials and equipment

These items were purchased with grant funds and belong to the school sites and for express use by the after-school program participants, so they should be documented on an inventory list and passed on to the next lead agency partner.

- Walkie Talkies
- Curriculum
- Play equipment
- Technology
- Program Supplies

Safe Passages - Agency History and Qualifications

Safe Passages disrupts the cycle of poverty by engaging youth and families to build and drive a continuum of services that supports student success and community development.

Who We Are:

Safe Passages is a minority women led nonprofit that advocates for, researches, evaluates, develops and incubates culturally appropriate, cross-agency strategies designed to improve the lives of vulnerable populations, including youth at risk of dropping out of school, at risk or involved in gangs or the Juvenile Justice system, and likely to be involved in other risky behaviors. For more than 20 years, SP has worked with public and private partners to strengthen the safety net for poor people within and across systems by maximizing and leveraging resources to implement proven strategies.

Where We Work:

We work with disadvantaged communities in Alameda County where up to 80% of children live in poverty, in neighborhoods with the highest levels of health disparities including the highest rates of hospitalization for asthma, teen birth rates, and hospitalization for assaults among youth; where students score far below proficiency and have high rates of school suspension, drop-outs and truancy. 98% of the populations served are students and families of color.

What We Do:

Programs and services are woven together to serve the entire age continuum of children and youth, from birth to college/career, including economic development strategies to fuel economic self-sufficiency for youth and families.

Early Childhood Initiative – Promotes collaboration between multiple public systems and non-profit providers to create a citywide safety net for children (0-5), who are exposed to violence. Services include Baby Learning Playgroups and workshops, case management, mental health services and mental health consultations at pre-school sites.

School Linked Services – Aims to integrate education and social services at school sites to support school communities as catalysts for student success and social change within the larger neighborhood context. Through multiple funding streams, Safe Passages has led the effective development and sustainability of full service community schools (FSCS) across the Oakland flatlands. Initially, this work began as the Safe Passages Middle School Strategy, a multi-pronged approach to creating positive school climates and providing students and their families the support needed to be successful in school and life. Over time school linked strategy expanded to schools K-12. From the beginning, afterschool programming was a major prong of the strategy. The initial seven highest need middle schools were selected as partners in 2000 to implement the strategy: Havenscourt (CCPA) and Calvin Simmons (UFSA) were part of the first cohort of implementation schools and 20 years later continue in sustained partnership to work towards improved outcomes for students and families.

The partnership survived many changes in personnel, leadership, and the economy. Over the years, Safe Passages facilitated the development of the Coordination of Services Team (COST) system, case management and mental health services for students and parents, school-based health centers at some target schools and afterschool programs. Several models developed by Safe Passages, like COST, were adopted by OUSD and replicated Family Resource Centers across the school district. Safe Passages partnership schools, including those schools where Safe Passages serves as the lead afterschool agency are leading schools in OUSD's FSCS Initiative.

Juvenile Justice Initiative – Brings courts, school districts, police departments, probation officers, and service providers together to reduce disproportionate minority contact with law enforcement, and lower recidivism among juvenile offenders.

Career Development – Work closely with government, universities, and private entities to develop new job opportunities for youth during and after school hours, in the summertime, and post-graduation. Students are provided opportunities to learn about diverse career tracks including careers in the arts, teaching, legal services, social work, and in the mental health profession.

Successes:

- 91% of students in the academic support programs experienced academic success.
- Implemented the Elev8 Oakland Initiative, a \$40 Million full service community school model at five high need middle schools in Oakland.
- Elev8 school-based health centers reach 3,000 students plus their families annually.
- Quality after school programs serve over 1,000 students annually.
- 277 Safe Passages AmeriCorps members have served over 1470 high need students through intensive academic supports.
- Placed hundreds of young people in career pathways jobs through Mayor's Summer Jobs Program, AmeriCorps Programs and Safe Passages Career Pathways since 2011.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**ADDITIONAL INSURED
PRIMARY AND NON-CONTRIBUTORY
ENDORSEMENT FOR PUBLIC ENTITIES**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

<p>Name of Person or Organization:</p>

A. Section II – WHO IS AN INSURED is amended to include:

4. Any public entity as an additional insured, and the officers, officials, employees, agents and/or volunteers of that public entity, as applicable, who may be named in the Schedule above, when you have agreed in a written contract or written agreement presently in effect or becoming effective during the term of this policy, that such public entity and/or its officers, officials, employees, agents and/or volunteers be added as an additional insured(s) on your policy, but only with respect to liability for “bodily injury”, “property damage” or “personal and advertising injury” caused, in whole or in part, by:
- a. Your negligent acts or omissions; or
 - b. The negligent acts or omissions of those acting on your behalf;

in the performance of your ongoing operations.

No such public entity or individual is an additional insured for liability arising out of the sole negligence by that public entity or its designated individuals. The additional insured status will not be afforded with respect to liability arising out of or related to your activities as a real estate manager for that person or organization.

B. Section III – LIMITS OF INSURANCE is amended to include:

8. The limits of insurance applicable to the public entity and applicable individuals identified as an additional insured(s) pursuant to Provision A.4. above, are those specified in the written contract between you and that public entity, or the limits available under this policy, whichever are less. These limits are part of and not in addition to the limits of insurance under this policy.

C. With respect to the insurance provided to the additional insured(s), Condition 4. Other Insurance of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS is replaced by the following:

4. Other Insurance

a. Primary Insurance

This insurance is primary if you have agreed in a written contract or written agreement:

- (1) That this insurance be primary. If other insurance is also primary, we will share with all that other insurance as described in c. below; or

- (2) The coverage afforded by this insurance is primary and non-contributory with the additional insured(s)' own insurance.

Paragraphs (1) and (2) do not apply to other insurance to which the additional insured(s) has been added as an additional insured or to other insurance described in paragraph **b.** below.

b. Excess Insurance

This insurance is excess over:

1. Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (b) That is fire, lightning, or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises temporarily occupied by you with permission of the owner; or
 - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of **SECTION I – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE.**
 - (e) Any other insurance available to an additional insured(s) under this Endorsement covering liability for damages which are subject to this endorsement and for which the additional insured(s) has been added as an additional insured by that other insurance.
- (1) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the additional insured(s) against any "suit" if any other insurer has a duty to defend the additional insured(s) against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the additional insured(s)' rights against all those other insurers.
- (2) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:
 - (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
 - (b) The total of all deductible and self-insured amounts under all that other insurance.
- (3) We will share the remaining loss, if any, with any other insurance that is not described in this **Excess Insurance** provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Methods of Sharing

If all of the other insurance available to the additional insured(s) permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any other the other insurance available to the additional insured(s) does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.
