Resource Commitments

TEGrant Consulting will provide Tiffany E. Grant (myself) as the project leader. I am honored that my work over the past 2 years in support of the district's vision has afforded me the opportunity to bring my wealth of knowledge, network and experience to aid in moving the West Oakland STEM Corridor forward. (Resume attached.) I will work with Susan (and anyone else designated) in conjunction with the project so that the work I'm involved in could be transferred entirely to internal personnel, if desired. We would jointly make determinations during the initial 6-months as to whether some of the goals and objectives require more

emphasis than others, and/or whether new needs arise that were not anticipated. In that case, we will redirect our efforts accordingly.

Joint Accountabilities

Susan Benz, Oakland Unified School District will be responsible for: identifying initial members of the WOSC group; confirming the commitment of group members including the OUSD Network Leaders: Kyla Trammell-Johnson, Ron Smith and Kevin Taylor; informing stakeholders of the project; providing space to conduct meetings; for providing information about past initiatives which may impact the project; for adhering to the payment schedules established for this project; for reasonable access to the appropriate OUSD's leaders for ongoing progress reports, discussions, and problems; and for coordinating work flow and priorities of group members to allow for the project to meet its time frames.

Kyla Trammell-Johnson, Ron Smith and Kevin Taylor, Oakland Unified School District will be responsible for communicating expectations and aligning on messaging to their Network Principals and Teachers.

Tiffany E. Grant, TEGrant Consulting will be responsible for all surveys, data collection, meeting facilitation, evaluation design, developments, assessments and other deliverables called for in this proposal; we will sign all appropriate nondisclosure documents; we will provide updates and progress reports regularly and at your request; we will immediately inform you of any issues that emerge which we think merit management's attention.

Susan and Tiffany will inform each other immediately of any unforeseen changes, new developments or other issues which impact and influence this project so that we can both adjust accordingly. We will accommodate each other's unexpected scheduling conflicts.

Terms & Conditions

Fees. The fee for the assistance detailed above would be \$59,000, payable in 6 payments at the 5th of each month starting in March 2015. At the end of the initial phase, we would make a joint evaluation as to whether to continue the relationship and, if so, under what conditions.

Expenses. No expenses are to be billed at the conclusion of each month unless previously agreement upon between Susan Benz and Tiffany E. Grant. Reasonable expenses could include catering, meeting needs (room space, technology, etc), and overall advertising/marketing.

The quality of our work is guaranteed.
