Programs and Services

Professional Learning is a teaching and learning resource for dance artists, teacher and social workers. This is the only dance resource in California which solely focusses on dance pedagogy and instruction for those artists and teachers working with children and youth ages 3-17; and also provides model programs for artists, teachers and policymakers to view, so they can learn from best practices in dance teaching. Professional learning resources and services include entry level through continuing education PD workshops; arts education forums and roundtables; Summer Institutes; Professional Learning Communities; coaching; an extensive resource library; curriculum book; internship opportunities, and certificate program.

School & Community Alliances uses a unique side-by-side professional development model to work with schools and districts to build sustainable, high quality, standards-based dance programs for children pre-K through 12th grade. Through model dance classes, coaching, onsite in-services, in-depth PD through and family dance events, Luna artists work with teachers, site administrators and parent councils to make dance education part of every child's core educational experience. Our work is currently focussed in Oakland Unified School District where we are piloting the district's *Dance Learning in the 21st Century: Blueprint for Teaching and Learning Dance K-12*.

MPACT (Moving Parents & Children Together) brings relationship-based curriculum and embodied parent education to families with young children ages 0-8 in the child welfare system. We partner with social service agencies to bring parent-child dance classes to families in the process of reunification; including incarcerated women, women living in domestic violence or homeless shelters, women in residential treatment facilities, and immigrant families. MPACT also houses an internship program which develops dance artists as they bring parent-child dance into their communities. MPACT classes are offered free to the community at Oakland public libraries, the Luna Dance Institute studio, at partner residential treatment locations administered by the Solid Foundation and East Bay Community Recovery Project.

Studio Lab is the only dance studio program on the west coast that focusses solely on building the dance-making skills of young choreographers ages 5-17. Using the elements of dance, the body (whole and part) moving in space, energy and time students create their own dance, revise and edit their work and perform these dances for their peers. As students progress through the program they learn more advanced choreographic devices and forms, and move from choreographing solos to choreographing duets and group work. Advanced students share their dances at Luna's annual Celebration of Dance Learning event. Tuition assistance for the academic year program and summer dance camps is provided to low income students.
