Hello, I'm _____ from GBA, an opinion research firm. We're conducting a survey about issues that concern the citizens of Oakland. May I speak with _____. (MUST SPEAK WITH VOTER LISTED. VERIFY THAT THE VOTER LIVES AT THE ADDRESS LISTED - OTHERWISE TERMINATE.) We are not selling anything and all your answers will be kept confidential. Am I calling you on your cell phone? (IF YES, ASK): Are you in a safe place to talk? (If No, ask to make an appointment to call back).

1. First, how would you rate the overall job being done by Oakland Unified School District: as excellent, good, only fair, or poor?

Excellent ----- 4%
Good ----- 21%
Only fair ----- 31%
Poor ----- 15%
DK/NA ----- 29%

2. Generally speaking, would you say that Oakland public schools have a great need for more money, some need, a little need, or no real need for more money?

Great need ----- 61%
Some need ----- 21%
Little need ----- 4%
No need ----- 3%
(DON'T READ) DK/NA ----- 12%

3. Next November, there may be three tax measures on the ballot for Oakland voters. One would be for Alameda County, one for the City of Oakland and the other for the Oakland Unified School District. Now I am going to read brief summaries of each one. After I have read each one I will ask you how you would vote on them, if the election were held today.

First, I will read a description of the tax measure for Alameda County, called the "Alameda County Affordable Housing Bond:"

"To provide affordable local housing and prevent displacement of vulnerable populations, including low- and moderate-income households, veterans, seniors, and persons with disabilities; provide supportive housing for homeless people countywide; and help low- and middle-income households purchase homes and stay in their communities; shall the County of Alameda issue up to \$580 million in general obligation bonds to acquire or improve real property, subject to independent citizen oversight and regular audits?"

Next, I will read a description of the measure for the City of Oakland:

"To improve public safety and invest in neighborhoods throughout Oakland by fixing potholes and repaving streets, rebuilding cracked and deteriorating sidewalks, improving bicycle and pedestrian safety, protecting Oakland residents from displacement from affordable housing, and renovating recreation centers, playgrounds, fields and libraries, shall the City of Oakland issue 600 million dollars in general obligation bonds, subject to annual audits?"

Next, I will read a description of the measure for the Oakland Unified School District:

"To provide an educator salary increase designed to attract and retain qualified teachers; provide enhanced middle school art, music, languages and other programs in addition to core educational programs; improve academic achievement; provide safe, positive school environments, and better prepare students for college and careers; shall Oakland Unified School District levy a tax of \$150 per parcel, providing 15.9 million dollars per year, for 12 years, with exemptions for low income seniors, no money for Sacramento, and all money benefitting Oakland students?"

- 3a. If the election were held today on the affordable housing measure for Alameda County, would you vote "yes," in favor of it or "no," to oppose it? **(IF YES/NO ASK:)** "Is that definitely (yes/no) or probably (yes/no)?" **(RECORD UNDER Q.3a, BELOW)**
- 3b. And if the election were held today for the 600 million dollar public safety, housing and infrastructure bond measure for the City of Oakland, would you vote "yes," in favor of it or "no," to oppose it? **(IF YES/NO ASK:)** "Is that definitely (yes/no) or probably (yes/no)?" **(RECORD UNDER Q.3b, BELOW)**
- 3c. And if the election were held today on the \$150 parcel tax measure for the Oakland Unified School District, would you vote "yes," in favor of it or "no," to oppose it? **(IF YES/NO ASK:)** "Is that definitely (yes/no) or probably (yes/no)?" **(RECORD UNDER Q.3c, BELOW)**
- 3d. (ASK ONLY IF "NO" OR "DON'T KNOW" IN Q.3c): If you knew that the parcel tax for the Oakland Unified School District were \$120 per year instead of \$150, would you vote "yes" or "no" on this measure? **(IF YES/NO ASK:)** "Is that definitely (yes/no) or probably?" **(RECORD UNDER Q.3d, BELOW)**

	Q.3A	Q.3B	Q.3C	Q.3D
Definitely yes -----	47%	47%	50%	51%

(DON'T READ) DK/NA -----	9%	10%	8%	6%

For the next few questions, I'd like you to think only about the possible parcel tax measure for Oakland schools.

- 4. Next, I am going to read a list of some of the ways that money from the parcel tax might be used by Oakland schools. Please tell me how important each one is for the quality of public education in Oakland: very important, somewhat important, not too important, or not at all important. If you don't have an opinion, tell me that too. **(ROTATE)**

	VERY IMP.	SMWT IMP.	NOT TOO IMP.	NAA IMP.	DON'T KNOW

5. Next, I'm going to read a few statements that may be made by some people who oppose the parcel tax measure for local schools. a. Local property taxes are already too high without this new tax-----	26%	19%	51%	5%
b. In the past few years, Oakland voters have passed several bonds that we are still paying off and we are also already paying over \$300 per year in parcel taxes for Oakland schools; enough is enough -----	26%	21%	47%	6%
c. Because some of the money will go to charter schools that are independent of the school district and do not have the same accountability and oversight as the rest of Oakland's public schools, there's no guarantee this money will be spent as promised -----	28%	27%	40%	5%
d. The school district cannot manage its money; it is still operating under State trusteeship and recent audits have led to the district being fined by the State Controller's office -----	24%	26%	43%	7%

6. Now I would like to read you some statements that may be made by people who favor the parcel tax measure for local schools. j. This measure will improve middle schools so more parents will want to keep their children in Oakland public schools -----	48%	23%	26%	2%
k. The school district is on the right track; recent audits show its fiscal performance and accountability have improved -----	36%	29%	30%	5%
