OUR MISSION

To transform teaching and learning in the lowest-performing American public schools so that every child, regardless of background, thrives in school.

WHO WE ARE

Partners in School Innovation (PartnersSI) is a leading nonprofit organization committed to transforming America's urban public schools and eliminating the achievement gap.

PartnersSI was founded in 1993 to create systemic improvements in low-performing public schools. Our strategies have evolved over the years and we continue to fill a unique space in the education reform community, distinguished by the following qualities:

- **Multi-year partnerships:** We work side-by-side with our school and district colleagues over a 3-5 year period.
- **Focus on existing human capital:** We work to strengthen the capability of those teachers and leaders who are already in the system.
- **Data-driven, results-oriented, continuous improvement:** We build the capacity of teachers and leaders to use data to set goals, plan, implement, assess, reflect and adjust in cycles of inquiry and continuous improvement.
- **Sustainable systems change:** We build essential knowledge and skills at multiple levels to ensure improvement practices are aligned, embedded and sustained across the system.

Key to our effectiveness is our staff, many of whom come to us as experienced educators and change agents – teachers, coaches, principals and district leaders – who have achieved extraordinary successes in their own classrooms, schools and districts.

WHAT WE DO

- We **build** a strong core instructional program, ensuring that all students learn at high levels.
- We **create** an integrated system for professional learning so that all teachers are able to deliver excellent instruction.
- We **strengthen** leaders' ability to focus on student outcomes and align school resources, structures and ways of working to achieve their goals.
