Ratification of professional services contract between Oakland Unified School

District and Jillian Moreno Services to

be primarily provided to 922/Community Schools and Student Services

for the period of November 1, 2014 through June 30, 2015

Background

A one paragraph explanation of why the consultant's services are needed.

OUSD has witnessed a significant reduction in expulsions over the past three years due in part to improved early intervention as school sites, as well as alternatives implemented in the DHP process. With most students receiving involuntary transfer as an alternative to expulsion, we seek to understand the needs of students and families as they change schools under disciplinary guidelines. In order to better assist students following a referral for expulsion, the Behavioral Health Unit seeks to complete an analysis of data on students undergoing expulsion to determine pre and post needs and impacts on attendance, behavior, and achievement. Based on the outcome of this analysis, the BHU in partnership with the Discipline Support Services Unit will pose recommendations for policies and protocols to improve outcomes for all students.

Discussion
One paragraph
summary of the
scope of work.

Ratification by the Board of Education of a Professional Services Contract between District and Jillian Moreno, Berkeley, CA, to conduct a series of focus groups, individual student and family interviews, and data analysis with students referred for expulsion between 2013 and 2015; the desired outcome of this study will be to determine impacts, supports received, and to eliminate service gaps for our most vat-risk students in alignment with our district-wide focus on early prevention, restorative practices, and tiered supports for the Behavioral Health Initiatives Unit of the Community Schools and Student Services Department for the period of November 1, 2014 through June 30, 1015, in an amount not to exceed \$500.00.
