2023-2024 Measure N Carryover Plan	19	\$85,967.87	<p>Consultant Contracts: Contract with the Oakland Public Education Fund to process and pay-out the Student Internship Stipends, for students participating in the Work-Based Learning (WBL) career preparation and training experiences, through June 30, 2025.</p> <p>The students will be able to complete Media or Architecture internships related to the pathway field by completing client work for school-based and external clients. In many cases they may be able to complete this client work online, through remote desktops and use of industry applications online (i.e. Adobe Premier). Students acquire 1) Professional Communication Skills. 2) Career Exploration 3) Community College Orientation and Education Plans. 4) Demonstration of Mastery Prep. Students would engage in Virtual Internships and Online Career Oriented Peralta college classes.</p> <p>This allocation is not an existing allocation anywhere in our 2024-25 school budget. Student interest is high and we are confident we can spend these funds to support 40 students. Internship stipends have increased the participation of students in our pathways.</p> <p>OPEF can only invoice schools for student stipends with 100% participation and completion and the admin fees for those funds. OPEF can not invoice for the full contract amount prior to the program ending. Under no circumstances can OPEF hold unspent Measures N or H funds for the schools.</p> <p>Budget: 75 stipends at \$1,000 per student x 15% Agency Admin Fees ~ \$86,250</p>	\$18,921.00.

New or Amended Amount
2023-2024 Measure N Carryover Plan	20	\$26,718.75	Teacher Salaries Stipends: Extended Contracts for 3 Teachers (1 Media & 1 Architecture, one additional teacher) to support the Exploring College, Career, & Community Opportunity Summer Program (ECCCO) through June 30, 2025. The 3 ECCCO teachers will support students from both the Architecture Academy and Media Academy in summer internships by providing a work-based learning curriculum, assisting them in finding internships and work site visits. This expenditure is aligned with pathway development goals in Work-Based Learning, supporting students to successfully complete career preparation experiences in the district-sponsored summer internships ECCCO program. Having summer teachers who are their CTE teachers	\$45,639.75

			<p>improves students' engagement by providing familiar adult support and case management through onboarding and addressing the challenges that may arise as a young person in a work environment. 20-25 students will be served by each of the summer teachers, for a total of 60-75 students. This addresses the need for support infrastructure, advocacy for student success in off-site work experiences, and logistical needs for making students get paid and prepare for the district Demonstration of Mastery.</p> <p>Adjustments need to be made.</p> <p>For ECCCO student interns to take part at Fremont, they must have an advisor. In the summer, we have up to 60 interns from Fremont HS who are cohorted with an advisor who will support them. If we do not have advisors in the summer, students will not have a work-based learning experience and will not participate in the ECCCO program. This aligns with our whole school goal of having students participate in an internship throughout their time at Fremont High School. In the original action, we did not account for teachers' per diem cost, and it was assumed that the Linked Learning Office would cover 50%, but the site was notified in late February that we would need to cover 100%.</p> <p>New Budget Calculation per teacher:</p> <p>Phong Hoang: 150 hours at \$87.25 per hour + 25% benefit costs = \$16,359.38</p> <p>Thomas Martin Edwards: 150 hours at \$80.88 per hour + 25% benefit costs = \$15,165.00</p> <p>Leon Sykes li: 150 hours at \$72.08 per hour + 25% benefit costs = \$13,515.00</p> <p>Total = \$45,638.00 (Salary & Benefit Costs Included)</p>
