Section 3: Summer Program Description

Please describe your program in 275 word or less. Include what makes your program unique, any themes, examples of activities and anything else that gives a full picture of a student's experience. *(This should be similar or the same as what you submit for enrollment to families.)*

The Girls Inc. Afterschool Program for Summer 2026 at Bridges Academy is designed to serve incoming 1st through 5th grade students from Global Family and Horace Mann, providing a safe, engaging, and enriching environment during summer school. Our program is committed to supporting the academic gap that can occur during summer, the social development, and overall well-being of every student through a wide range of thoughtfully planned activities and experiences. Students will participate in dynamic program components such as media literacy, where they learn to think critically about digital content and create their own media projects, and financial literacy, which introduces age-appropriate lessons on saving, budgeting, and smart decision-making.

In addition, the program has a community involvement component to encourage students to explore ways they can make a positive impact in their neighborhoods. Creative expression is fostered through performing arts activities, allowing students to build confidence and teamwork skills. Health and fitness sessions promote active lifestyles through structured physical activities and students can also participate in organized sports that build cooperation, resilience, and sportsmanship. Lastly, STEM enrichment provides hands-on opportunities in science, technology, engineering, and mathematics.

To further enhance the experience, the camp includes exciting field trips that connect learning to real-world exploration, as well as family engagement events that strengthen partnerships between home and school. Overall, the Summer 2026 program offers a balanced, supportive, and fun-filled environment where students can learn, grow, and thrive.

Section 4: Summer Program Recruitment and Retention Strategies and Timeline

Briefly describe your anticipated summer program student recruitment and retention activities for February - April.

We are using the inplay platform to reach our targeted audience, we are passing out flyers at our sites and having info sessions, we will be reaching out to past summer participants and if needed based on enrollment we will table at YES Sports and other OUSD and community events for outreach.

I have completed the recruitment one-pager and disseminated it to the feeder schools. (Or focal schools if you are independent)

Have you set up a recruitment and enrollment discussion with the Summer Recruitment manager at your site?

All summer hubs will be required to offer a parent orientation before the program begins. Collaborate with your principal to identify a date.

The **proposed** date of my parent orientation is:

6/8/26- 6/11/26

Background *The After School Education and Safety (ASES) Program is the result of the*

2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment, and safe constructive alternatives for students in Kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

The general purpose of the 21st Century Community Learning Centers (21st CCLC) program is to establish or expand community learning centers that provide students with academic enrichment opportunities along with activities designed to complement the students' regular academic program. California Education Code section 8421 further defines the purpose of the 21st Century High School After School Safety and Enrichment for Teens (ASSETS) program as (1) creating incentives for establishing locally driven after school enrichment programs that partner schools and communities to provide academic support and safe, constructive alternatives for high school pupils in the hours after the regular school day, and (2) assisting pupils in passing the high school exit examination for public school programs.

The Expanded Learning Opportunities Program (ELO-P) provides funding for afterschool and summer school enrichment programs for transitional kindergarten through sixth grade. "Expanded learning" means before school, after school, summer, or intersession learning programs that focus on developing the academic, social, emotional, and physical needs and interests of pupils through hands-on, engaging learning experiences. It is the intent of the Legislature that expanded learning programs are pupil-centered, results driven, include community partners, and complement, but do not replicate, learning activities in the regular school day and school year.

This agency has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process for issuance of contracts for after school programs and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office. The school Principal and their team have selected this agency from a list of approved lead agency partners.

Expanded Learning Programs
After School Program Master Contract 2025-2028
Between Oakland Unified School District and
Girls, Inc. of Alameda County

1. **Intent.** This Master Contract establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after-school grant funds, to contract with Girls, Inc. of Alameda County ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at the OUSD school sites identified in the Scope of Work(s) to be incorporated into this Master Contract by reference. A summary of Agency after school programs to be offered during the school year ("SUMMARY") is attached hereto as Exhibit A. Summer programs will be selected through a Scope of Work at a later date, based on OUSD needs, site availability, and subject to Board approval. Identification of summer programs is anticipated in February of each year and after-school providers will be assigned to OUSD schools to facilitate summer programming.
2. **Scope of Work.** The Scope of Work consists of the approved Annual Budget Tool and Annual Expanded Learning Opportunity Program Planning Tool, templates of which are attached hereto as Exhibit B. There shall be a Scope of Work for each separate school site served by AGENCY. The term of the Scope of Work shall not exceed one year. OUSD and AGENCY shall ensure that a Scope of Work is executed for each identified school site no later than 30 days prior to the date on which services under that Scope of Work are scheduled to begin. By approving this Master Contract, and the Scope of Work templates and Summary attached hereto as Exhibits A and B, the OUSD Board of Education ("BOARD") delegates to the Executive Director of Community Schools and Student Services ("CSSS Executive Director") the authority to approve and amend individual Scopes of Work for after school programs during the school year without further Board action required. Any Scopes of Work or amendments exceeding the approved amounts in the SUMMARY require Board approval.
3. These services will be funded by one or more of the following grants:
 - California Department of Education ("CDE") After School Education and Safety Program ("ASES")
 - US Department of Education 21st Century Community Learning Centers (21st CCLC)
 - US Department of Education 21st Century High School After School Safety and Enrichment for Teens ("ASSETS")
 - Expanded Learning Opportunities - Programs ("ELO-P")
 - Oakland Fund for Children and Youth - This Master Contract will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASES and 21st CCLC funds.
 - Private grants
4. **Term of Master Contract.** The term of this Master Contract shall be July 1, 2025, through July 31, 2028.
5. **Termination and Suspension.**
 - 5.1. **Termination for convenience by OUSD.** The BOARD may at any time terminate this MOU or any Scope of Work entered into pursuant to Section 2 of this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. The OUSD After Schools Program shall also annually review the AGENCY's performance and bring recommendations to terminate the AGENCY to the Board.

5.2. **Termination for cause by OUSD.** In addition, OUSD may terminate this MOU or any Scope of Work entered for cause should AGENCY fail to perform any part of this MOU. Upon approval by OUSD legal counsel, the OUSD Superintendent or an OUSD Chief or Deputy may issue the termination notice without approval by the BOARD, in which case this Agreement would terminate upon ratification of the termination by the BOARD or three (3) days after the notice was provided, whichever is later, unless the condition or violation ceases or satisfactory arrangements for the correction are made. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost for the services through the end of the Term identified in Section 3.

5.3. In the event of termination or suspension, AGENCY must, upon request, follow all transition protocols and actively participate in the transition process, attend all transition meetings, promptly turn in all keys and key fobs, transfer custody of all records, and inventory of all after-school supplies.

5.4. **Average Daily Attendance Requirement.** In the event, an AGENCY fails to achieve 86 percent of their annual attendance target in any given calendar year (EC Section 8483.7[a][1][D]), AGENCY will be placed on probation from (January-May). If AGENCY is unable to meet compliance deliverables to improve ADA, AGENCY's contract will be assessed to determine capacity to continue serving as the expanded learning provider at the school site.

July-Dec: Capacity building, site work to increase ADA compliance

Jan-May: Assessment Period, sites will review ADA to comply with 86% ADA requirements. Sites that fall below expectations, tier 2 supports will be implemented.

Aug-Dec: Intensive Supports, sites falling below 86% ADA, intensive tier3 supports will be implemented.

Jan-May: Transition

5.5. **Suspension.** If OUSD, at its sole discretion, develops health and/or safety concerns related to the AGENCY's provision of services, then the CSSS Executive Director may, upon approval by OUSD legal counsel, issue a notice to AGENCY to suspend the Agreement or Scope of Work, in which case AGENCY shall stop providing services under the Agreement until further notice from OUSD. OUSD shall compensate AGENCY for services satisfactorily provided through the date of suspension. During the period of suspension, OUSD may procure services from another agency.

5.6. **No Premature Termination by AGENCY.** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change. In the event AGENCY ceases to provide required services prior to the end of the MOU term, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost through the end of the term identified in Section 4. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.

5.7. Alignment with OUSD's initiatives: (Creating Joyful Spaces) - Complaints, safety, lack of inclusion. (compromises district initiatives) _moving from approved to conditional. What does High Quality look like. Observations look like?

6. **Compensation.** Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after-school grant funds and subject to grant funding levels, the ASES, 21st

CCLC, and ELO-P grant award amount for the school sites listed above, funding projection is based on three-year grant totals for each school site identified in Exhibit A. The three-year not-to-exceed amount for this Master Contract is \$ 6,789,181.95. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

6.1.Total Compensation. Subject to the provisions of 6.2 Positive Attendance and the provisions of 6.3 Administrative Fee and subject to AGENCY compliance with Master Contract requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Funding will be contingent on CDE grant allocations. Penalties may be assessed or payments withheld for non-compliance, including but not limited to Master Contract requirements, accurate attendance reporting, fiscal invoicing, full participation at OUSD required meetings, training, and in continuous quality improvement efforts. Falsification of attendance or any compliance documents will result in the termination of the contract.

6.2.Positive Attendance. Payment for services rendered related to the ASES, 21st CCLC, ASSETS, and ELO-P grants shall be based on actual student attendance rates (\$10.18 a day per student through ASES, 21st CCLC, ASSETS, and ELO-P.), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.18 a day for ASES, 21st CCLC, ASSETS, and ELO-P per student. Documentation of attendance must be submitted through the OUSD's Aeries student information system in order for invoices for payment of services for the ASES, 21st CCLC, ASSETS, and ELO-P grants to be processed. Attendance is due by the 10th day of the following month. In the event that any school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 7.4.5 of this MOU, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.

6.2.1. Reconciliation Process for Positive Attendance Based Grant Funds. OUSD will adjust the payment of the "positive attendance based" grants based on a quarterly review of monthly invoices and attendance for services rendered related to the ASES, 21ST CCLC (Core Grant), ASSETS, and ELO-P for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of an additional payment or withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

6.2.2. Administrative Charges and Reconciliation. The reconciliation process for positive attendance-based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 6.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

6.3.OUSD Administrative Fees. OUSD shall charge and withhold up to 14% from the overall ASES, ELO-P, and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.

6.4.AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 5% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASES, 21st CCLC, ASSETS, and 10% ELO-P grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASES, ELO-P, and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative

costs consist of expenditures for administrative activities that provide a direct benefit to the ASES, 21st CCLC, ASSETS, and ELO-P programs. Indirect costs consist of expenditures for administrative activities necessary for the general operation of the agency, but that cannot be tied to the ASES, 21st CCLC, ASSETS, and ELO-P programs.

6.5. Program Budget. The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for each school year during the term of this Agreement and will not exceed the budget reflected in Exhibit B for each Scope of Work.

6.6. Site Coordinator. (Per EC Section 8483.9(c)), the cost of a program Site Coordinator may be included as direct service provided that at least 85 percent of the Site Coordinator's time is spent at the program site.

6.7. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD and AGENCY, before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, that does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

6.8. Program Fees. The intent of the ASES, 21st CCLC, ASSETS, and ELO-P programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after-school program. Fees should not create a barrier to participation in the after-school program. After-school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. The fee structure must be identified within the Scope of Work approved by both parties prior to charging any program fees. AGENCY shall provide the OUSD After School Programs Office with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care. Any site receiving 21st Century Community Learning Center (CCLC) and ASSETS must report all fees collected (i.e., registration fees, family fees, application fees, etc.) to the OUSD After-School Program Office for CDE reporting. (EC 8482.6)

7. Services. AGENCY will serve as the lead agency at the OUSD school sites identified in the annual Scope of Work, will be responsible for operations and management of the ASES, 21st CCLC, ASSETS, ELO-P, OFCY, and private grants contracted to AGENCY by OUSD for fiscal years 2025-2026- through 2027-2028. This shall include the following required activities:

7.1. Student Outcomes. AGENCY shall achieve the student outcomes described in the grant application narrative and articulated in documents from the program evaluation team, both of which are incorporated herein. AGENCY agrees to develop school specific outcomes, as defined

in partnership with the principal. AGENCY recognizes that the principal is the chief decision maker for after-school and summer programs, and ensures that school site objectives are met. (EC 8483.3[c][5], 8483.3[c][6])

7.2.Alignment with Single Plan for Student Achievement (“Site Plan”). AGENCY will ensure the after-school program aligns with objectives of OUSD and OUSD school sites identified in the “School Site List and Annual Grant Amounts” attached hereto as Exhibit A which are designed to ensure the success of students as articulated in the Site Plan(s). AGENCY will work in partnership with the school principal(s) to ensure that the program components are aligned with and complement OUSD standards and school site curriculum. (EC 8483.3[c][5], 8483.3[c][6])

7.3.Alignment with LCAP. SECTION 4: INCLUSION

INCLUSION - SUPPORTING ALL OUSD STUDENTS
*Please check all the boxes to demonstrate awareness and implementation of mandatory expectations.
Who can receive the Golden Ticket?
Per federal statute, California Education Code, and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a <i>Golden Ticket</i> . Golden ticket students

get priority access into the after-school program. If a student/family indicates they have a Golden Ticket, the correct response is to enroll and admit them immediately. If you have any concerns regarding their status, reach out to your Expanded Learning Program Manager. Transitional students are by definition:
- Any OUSD student who is a homeless youth, as defined by the federal <i>*McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)</i> , who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. <i>*Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)</i>
- Establishes the definition of homeless used by schools
- Ensures that children and youth experiencing homelessness have immediate and equal access to public education
- Provides for educational access, stability, and support to promote school success
- Needed to address the unique barriers faced by many homeless students
- OUSD's ExLO will also distribute Golden Tickets to students under special circumstances (Example: Emergency Transfers)
0 The expanded learning lead agency is aware of and will implement the OUSD Golden Ticket Policy.

SECTION 5: PROGRAM COMPONENTS

PROGRAM COMPONENTS (The descriptions below should reflect the site's specific needs)

[CDE](#) requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but is not limited to STEAM, recreation, prevention, and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3[c][7]) The description below should reflect site-specific needs.

1) EDUCATIONAL COMPONENT

OUSD requires that part of your Educational Component focuses on Literacy and includes academic support in the core subject (language arts, math, history/social science, etc). Make sure to include how district literacy practices will be integrated.

- (i) Describe how the expanded learning program will provide the educational & literacy component.
- (ii) How are students building academic skills?
- (iii) How does the program align/supplement the school day priorities and curriculum?

Respond Below:

2) How is social-emotional academic development being integrated? (Include specific strategies for creating a safe & supportive environment through encouragement and actively engaged learning.) (i.e., collaborative skills, self-management, responsible decision-making, etc.)

Respond Below:

3) Enrichment Component that offers students engaging activities in various areas (fine arts, career technical

education, presentation, etc.)
How does the expanded learning program choose which educational enrichment activities are offered? <i>(Include specific strategies designed to foster skill-building youth voice and leadership, and diversity, access and equity.)</i>

Respond Below:

4) Physical Activity is an activity other than recess that is structured and supervised with a warm-up, structured physical activities, and a cool down. (This should happen for all students in the program.)
CDE expects Elementary programs to offer 30-60 minutes of developmentally appropriate, daily physical activity (to help meet CDE recommendation of 30-60 daily minutes of moderate to vigorous physical activity for youth). This is not ‘free play’ or recess. (We understand Middle and High will vary based on sports programs and scheduling. Programs should provide a physical component to non athletes.)
Please explain how the expanded learning program will address physical activity in your program, including type, frequency, and target population. All students should have the opportunity for physical activity).
· Plan and evaluate (review fitness test results, track minutes, etc.) · Include a variety of activities throughout the year
Describe how the expanded learning program will provide structured physical activity for all participants. <i>(Include specific strategies to promote healthy choices and behaviors.)</i>

Respond Below:

5) Family Engagement that may include literacy activities and other educational services that engage adult family members of students.
Describe how the expanded learning program provides opportunities to promote literacy and/or other educational services to adult family members of students?

MISSION:

to inspire all girls to be Strong, Smart & Bold

In the 2023-24 school year, we served **1,747** youth from transitional kindergarten through early career

We focus on girls from historically underserved populations who have consistently had the least access to the resources and opportunities required for success.

*Asian includes Chinese, Filipino, Vietnamese & other Asian. 2% Caucasian, 1% Middle Eastern, 1% Guamanian or Chamorro. All other ethnicities are below 0.5%

We address and change these statistics through a continuum of academic enrichment and social-emotional development, using an innovative approach that incorporates local needs into research-based curricula.

WHO WE SERVE

43%

speak a primary language other than English at home (main languages include Spanish, Mam, Vietnamese, Cantonese & "other").

97%

are eligible for free and reduced-price meals.

97%

come from households at or below the federal threshold for low-income households.

THE NEED

30%

Only 30% of students in Oakland Unified School District (OUSD) Title I* schools met state standards for reading.

40%

or more of students in OUSD's Title 1 schools are chronically absent (missing 10% or more of the school year), significantly impacting their ability to succeed academically.

According to the CDC's Youth Risk Behavior Survey, 3 in 5 teen girls reported feeling consistently sad or hopeless for at least 2 consecutive weeks last year.

3X

Our students were 3x more likely to be reading at grade level than their peers not in our programs, & 6x more likely if they were English Language Learners.

94%

of 6th - 8th graders reported that because of Girls Inc., they think it is important to put in their best effort when working on goals.

100%

of seniors in our College Access Now! program graduated high school and were admitted to post-secondary institutions for the 10th consecutive year.

OUR IMPACT

"It's [Girls Inc. of Alameda County] opened my mind, it's expanded my vocabulary, it's expanded my senses, it's been the best thing that's happened to me."
