About Us

Our Mission

The mission of Eagle Village Community Center Youth and Family Services, Inc. (EVCCYFS) is to create a safe place to support the development of the "whole child", both in and out of the classroom, through academic, cultural, recreational, mental health and family services. EVCCYFS undertakes these issues by offering integrated and well-rounded services, free of charge, to its students and their families.

History

Since 2001, EVCCYFS has operated the After School Program, Mental Health Services Program, and Family Resource Center at Westlake Middle School in Oakland, CA with the sole purpose of addressing issues of poverty, low academic performance and violence. This is actualized through its mission of providing a safe academic environment that supports the development of the whole child, both in and out of the classroom, through academic, cultural, recreational, mental health and family services.

In 2009, EVCCYFS established itself as an independent 501(c)(3), nonprofit organization in order to provide Westlake families one-stop access to a wide array of public and community services on campus. EVCCYFS is receiving growing recognition as a model of success in the Oakland Unified School District (OUSD) for its early adoption of a Community School framework as well as its unique partnership with Westlake Middle School faculty and staff. The district is now looking at EVCCYFS and its partnership with Westlake Middle School as an exemplary Community School model - one that can be replicated at other school sites.

The Community School framework is gaining momentum across the nation as a key to removing barriers to academic success. Locally, the Oakland Unified School District is using the Community School framework as a blueprint for change and is striving to transform its schools with this model.

Our Programs

Through the delivery of the Community Schools framework at Westlake, EVCCYFS' partnership with Westlake Middle School is anchored around three core strategies: (1) After School Program, (2) Mental Health Services, and (3) Family Resource Center.  

Our After School Program

EVCCYFS' After School Program (ASP) has been in operation since 2001, providing after school education and enrichment support to Westlake Middle School students each school day, commencing immediately upon the conclusion of the regular day and operates until 6pm. ASP is open to all Westlake students, ranging from those performing at or below grade level to high achieving students. Over the past five years, EVCCYFS has delivered 293,893 units of after school service to students, exceeding its projection of 227,168 by 66,725 units of after school service. ASP provides students with a safe, supervised space during out of school time where students engage in a variety of academic, enrichment, recreational, cultural, and athletic programs.

Staff and credentialed teachers operate a daily Homework Center where students gain additional learning time and assistance in completing homework. The student/teacher ratio ranges between 20:1 and 7:1, depending on instructional demand. The program is operated in alignment with California state curricula standards.

For effective delivery of services, EVCCYFS staff members have access to the school's equipment, telecommunications, classrooms, Cafetorium, library, computer lab, music room, gymnasium and playground.

Research by the National Association of Elementary School Principals has shown that, "children gain social skills and self-confidence from interacting with peers and adult role models through enrichment activities and cultural programs such as art and music that are increasingly squeezed out of the school day". To address this issue, EVCCYFS's after school enrichment activities are designed to offer students opportunities to explore and cultivate their creative, artistic and athletic talents through project-based learning clubs involving art, sports, and science-related programs.

"Leading After School Learning Communities," by the National Association of Elementary School Principals and Collaborative Communications Group, 2006.

Our Mental Health Services program

Our Mental Health Services (MHS) program was established to provide all Westlake students with safe, caring and confidential counseling support so they can be successful both in school and in life. Students' struggles, grief and trauma are often reflected in other behaviors, such as chronic absenteeism, behavior problems in the classroom, low-self esteem and/or poor grades.

EVCCYFS staff became increasingly aware of the preponderance of emotional and mental health issues experienced by students when they joined Westlake's Referral Assessment Management Team (RAM Team), an early intervention program designed to help struggling students. EVCCYFS reached out to community-based mental health providers for support and from those efforts; EVCCYFS's Mental Health Services Program (MHS) was developed. The program provides mental health counseling, case management, health screening and referrals, and parent involvement services to Westlake students and their families. Services include individual and group counseling on-site as well as referrals to other programs if needed. Students access the program through self-referral, or by referral from a parent, caretaker, teacher, counselor or administrator, and their participation is based on parental or caretaker consent. With the help of our partners, EVCCYFS' MHS program has served over 500 students in the past 5 years.

The Family Resource Center

The Family Resource Center (FRC) helps parents and caregivers receive the support they need to help their children become successful and to make family life a bit easier. The FRC provides opportunities for parents and caregivers to access basic resources that will lessen the burden of day-to-day challenges of family living, such as fresh and staple food, emergency student transportation assistance, public benefits enrollment assistance, information and referral to municipal resources for housing, employment, and information and referral to subsidized health insurance, to name a few.

The Family Resource Center coordinates opportunities for parent engagement in their children's success that go beyond the academic day. For example, the FRC holds Back-to-SchoolNight events, BBQs, holiday celebrations, school carnivals, as well as evening classes on yoga, computers, parenting, and other subjects. The FRC works with Westlake's Language Arts department to co-host the school's Family Literacy events The FRC also works with Westlake's Science Department to plan, implement, and execute Family Science Nights.

The Family Resource Center also aims to demystify the school's policies and procedures for families that are uncomfortable or unfamiliar with the school environment and protocols. Family participation in FRC events has increased nearly 300% in the past year, demonstrating the value of EVCCYFS' programs.

The FRC is located near the school's main entrance and is open Monday - Friday, from 8:30 am – 4:30 pm. This office has proven to be a popular space where families can use computers, check out books, or simply sit down and meet with staff or other parents and caretakers. Since the start of the 2011/12 academic year, the FRC has logged over 1,500 contacts with parents and caretakers.
