FEE PROPOSAL - KCI Lump Sum Fee Proposal for Phase 2 of the Melrose Leadership Academy at Maxwell Park Elementary School, Oakland Unified School District

Our Fee Proposal is based on an estimated construction schedule provided by email from Nicole Wells: May 26 through September 15, 2023, 16 weeks. Cost of construction is \$3.1 Million. As per Phase 1, we estimate 4 visits per week, or 16 hours per week plus mobilization/close out time, and PM time. Proposed budget is as follows:

16 weeks @ 16 hrs/week = 256 hours

mobilization/close-out = 16 hours

John Opacic, IOR	272 hours @ \$155/hr	=	\$42,160.00
Edward King, PM	8 hrs @ \$170/hr	=	<u>\$ 1,360.00</u>
Sub-Total			\$43,520.00

KCI's Lump Sum billing will be divided into 4 separate months at \$10,880/month. Please note that if the Construction Schedule is extended (once the project starts), KCI will need to request a Change Order in the amount of \$2,692.50/week for each week that the project is extended. However, note that if only the project start is delayed, there will not be a cost change effect.

Total \$43,520.00

Note that per the last invoice for Feb 2023 of Phase 1, there was \$4,058 remaining in the Contract. We estimate \$2,070 for March, 2023 work, therefore subtract \$1988 from total request above:

\$43,520 - \$1988 = \$41,532 Total Phase 2 Request

Note the original 10% Contingency Fee (if approved by the District) remains in place: \$4,308

AGREEMENT FOR INSPECTOR OF RECORD SERVICES FOR CONSTRUCTION

This Agreement for Construction Contract Inspection Services (“Agreement”) is made and entered effective **June 23, 2022**, by and between the **Oakland Unified School District** (“District”) and **KING CONSTRUCTION INSPECTION, INC.** (“Inspector”), with respect to the following recitals:

A. District is a public school district organized and existing under the laws of the State of California. District is engaged in the construction of a Construction Service project at the Melrose Leadership Academy at Maxwell Park Living Schoolyard (“the Project”), which requires ongoing inspection.

B. Inspector is an independent contractor competent to perform the construction contract inspection services contemplated by this Agreement. Inspector represents and covenants that Inspector is familiar with all requirements of law to serve as an Inspector of Record (Project Inspector) and has or can obtain the approval of the California Division of the State Architect (“DSA”) to perform the construction contract inspection services contemplated by this Agreement prior to commencing services under this Agreement.

C. District desires to retain Inspector and Inspector desires to perform work for District on the terms and conditions set forth in this Agreement.

The Parties therefore agree as follows:

1. **Inspection Services.** Inspector agrees to provide the services described in this Agreement (“Basic Services”) in a professional and competent manner and in accordance with the terms of this Agreement. Inspector may only provide other services related to the Project (“Additional Services”) after authorized in writing by District. “Services” shall mean Basic and Additional Services.

2. **Term of Agreement and Payment.** The term for performance of the Services shall be the duration of the Project (“Term”), and Inspector shall complete the Services within the Term. Time is of the essence for performance of the Services under this Agreement. The Project is expected to be complete as of **October 28, 2022**, but may not be completed until later if delays in design or construction arise. Payment of Inspector shall be as set forth in *Exhibit A* for Services satisfactorily performed after District receipt of properly documented and submitted invoices. Inspector shall record all hours worked in a daily log which shall be submitted to the District on a weekly basis. Inspector shall submit invoices in triplicate on the last working day of each month to the District. The invoices must show the number of hours worked, the contract number, the project name and location and must contain the Inspector’s original signature on all copies. Inspector’s failure to maintain required records or to properly submit invoices may result in non-payment to Inspector. Inspector shall comply with any applicable prevailing wage laws. Inspector shall not be reimbursed for any of its expenses; the parties agree that Inspector shall pay all of its expenses from its fees for Services.

3. **DSA Approval.** Inspector acknowledges that District is required to obtain the approval of DSA prior to using Inspector's services on the Project. Inspector agrees to do all acts necessary to timely obtain DSA approval.

4. **Duties and Conduct of the Inspector.** The Inspector shall provide competent, adequate, and continuous inspection of the Project during all stages of construction to ensure that the contractors, all agents, employees, subcontractors, materialmen and suppliers of the contractors and all persons performing work on the Project ("Contractor") are performing the work in accordance with the plans, specifications and other contract documents pertinent to the Project ("the Contract Documents"). The Inspector shall keep the Contractor informed during the work of the results of Inspector's inspections and shall safeguard the interest of the District in the construction of the Project. The Inspector shall perform the following duties.

a. Be familiar with the Contract Documents and the Contractor's operations during all phases of the Project.

b. Observe, check and measure items used in the Project for compliance with the Contract Documents and technical instructions from the Architect.

c. Maintain a daily report/log describing the general work performed by the Contractor, noting problems, rejections of materials or work and unusual events. The report/log shall be filled daily, tersely and factually. The report/log shall reflect the Contractor's activities each day.

d. Supervise on-site testing and ensure that all required tests are performed by a competent testing laboratory, Contractor or engineer as specified in the Contract Documents. Inspector shall check and report to the District and the Architect laboratory tests indicating defective materials or other problems. Inspector shall check billings from testing laboratories to see that billings reflect only tests actually requested and performed. Inspector shall maintain a daily log of inspection by testing lab.

e. Make sure that the required record drawings are accurately marked up as required.

f. Report to the District and the Architect verbally and in writing: (1) poor performance by the Contractor; (2) acts prejudicial to the District's interest; and, (3) work performed or materials used which are not in conformance with the Contract Documents.

g. Assist the District and the Architect in the final inspection and project acceptance phase.

n. Attempt to foresee the need for all required tests and inspections.

o. When notified by Contractor, arrange for all tests and inspections which are required by the Contract Documents, arrange for prompt notification of the Architect of the results of the tests and inspections, and record Architect's approval or rejection.

q. Ensure that Architect's verbal instructions to the Inspector during field inspections are written in the Inspector's Daily Report/Log for that day or in the Field Instruction Sheet.

r. Be responsible for slump tests and for taking concrete test cylinders for each concrete pour and marking them for identification. Inspector shall make arrangements for transportation and storage of test materials.

s. Receive samples which are required to be furnished at the job site; record date received and from whom; notify Architect of their readiness for examination, record Architect's approval or rejection; and maintain custody of approved samples.

t. Inspect all materials immediately upon their delivery to the site to ensure that they comply with the Contract Documents and are in a good and acceptable condition.

u. Exert extreme care to ensure that none of Inspector's communications to the Contractor or Contractor's agents are misinterpreted as changes in the scope of the work.

v. Upon District's request, comply with any fingerprinting or related requirement.

w. For Basic Services, Inspector's total compensation shall not exceed **FORTY-THREE THOUSAND EIGHTY DOLLARS AND NO/100 (43,080.00)**, which is Inspector's estimate of the maximum total cost of its Basic Services on the Project, based on its **May 19, 2022**, fee estimate. Inspector acknowledges that the not-to-exceed amount for Basic Services, above, includes contingency compensation in the event that more time and costs than originally anticipated may be necessary to complete the Basic Services. FEE PROPOSAL - KCI Lump Sum Fee Proposal for Melrose Leadership Academy at Maxwell Park Elementary School, Oakland Unified School District

Our Fee Proposal is based on the estimated project schedule provided in the RFP: "Project is currently out to bid with a bid due date of May 26, 2022. Construction duration will be 120 days with completion projected to occur during the Winter of 2022". \$2.2 Million project budget. We believe that four 4 hour visits per week, plus 16 hours of mobilization/close out time, will be sufficient to cover this project. Therefore the breakout is as follows:

17 weeks @ 16 hrs/week = 272 hours

mobilization/close-out = 16 hours

Winnifred Solis, IOR	288 hours @ \$145/hr	=	\$41,760.00
Edward King, PM	8 hrs @ \$165/hr	=	<u>\$ 1,320.00</u>
Sub-Total			\$43,080.00

KCI's Lump Sum billing will be divided into 5 separate months at \$8,616/month. Please note that if the Construction Schedule is extended (once the project starts), KCI will need to request a Change Order in the amount of \$2,534.12/week for each week that the project is extended. However, note that if only the project start is delayed, there will not be a cost change effect.

Total		\$43,080.00
10% Contingency Fee if approved by the District		<u>\$ 4,308.00</u>
Total Contract Request		\$47,388.00
