Memo

To Board of Education
From Antwan Wilson, Superintendent

Board Meeting Date
(To be completed by Procurement) 4/22/15

Subject Professional Services Contract Amendment No. 1 -
Erika Bloom
Community Schools and Student Services/922 (site/department)

Action Requested Ratification by the Board of Education of Amendment No. 1 to the Professional Services Contract between Oakland Unified School District and Erika Bloom. Services to be primarily provided to Community Schools and Student Services/922 for the period of 9/2/2014 through 6/30/2015.

Background
A one paragraph explanation of why an amendment is needed.
 According to the Surgeon General's report from 2000, one in five students will require mental health services at some point during their K-12 education. In Oakland we estimate the need to be even greater due to the high incidence serious violence in the community. To meet the behavioral health needs of our elementary students, an internship program was created nine years ago. By recruiting graduate students from local graduate schools and universities, the Mental Health Intern Program has served a cohort of seven elementary schools annually. Participating schools opt-in by covering the supervision costs of two interns per site. Under the direction of the Director of Behavioral Health Initiates, this program has expanded and will include a larger cohort of schools in 2014-2015. As such a second Supervisor is needed to meet the supervisor to intern ratio required by participating universities.

Discussion
One paragraph summary of the amended scope of work.
 Ratification by the Board of Education of Amendment No. 1 to the Professional Services Contract between District and Erika Bloom, Oakland, CA, for the latter to provide supervision of the six interns for one hour of weekly individual supervision and will co-lead a two hour weekly group supervision meeting with the current OUSD Intern Supervisor; consultant will also assist with mental health needs on the campuses in which interns are placed for the period of September 2, 2014 through June 30, 2015, in the amount of \$16,500.00, increasing the agreement from \$9,000.00 to a not to exceed \$25,500.00. All terms and conditions of the agreement remain in full force and effect.

Action Requested Ratification of professional services contract between Oakland Unified School District and Erika Bloom. Services to be primarily provided to Community Schools and Student Services for the period of September 2, 2014 through June 30, 2015.

Background
A one paragraph explanation of why the consultant's services are needed.

According to the Surgeon General's report from 2000, one in five students will require mental health services at some point during their K-12 education. In Oakland we estimate the need to be even greater due to the high incidence serious violence in the community. To meet the behavioral health needs of our elementary students, an internship program was created nine years ago. By recruiting graduate students from local graduate schools and universities, the Mental Health Intern Program has served a cohort of seven elementary schools annually. Participating schools opt-in by covering the supervision costs of two interns per site. Under the direction of the Director of Behavioral Health Initiates, this program has expanded and will include a larger cohort of schools in 2014-2015. As such a second Supervisor is needed to meet the supervisor to intern ratio required by participating universities.
