*Due to the unique attendance patterns in Alternative Education, schools are funded based on their highest attendance reported from the previous year, multiplied by the percentage of Oakland residents, multiplied by the per pupil amount.

**Measures H Allocation represents 10% of the Total Projected Measure H Revenue (projected amount based on 2024-25 Measure H revenue collected)

^This school is being recommended as *Conditionally Approved* beginning with the 2025-26 school year. They will receive the standard \$850 per pupil funding level in the 2025-26 and 26-27 school years and must participate in a 2-year quality improvement process. Their funding allocation could be reduced to \$525 per pupil for the 2027-28 school year, pending progress as determined by the Measure H staff and Measure H commission in 2026-27.
