

# OAKLAND UNIFIED SCHOOL DISTRICT

Community Schools, Thriving Students

## Project Fact Sheet

February 2015

### Central Commissary at Foster

Site Plan

**Project Location**  
2850 West Street  
Oakland, CA 94608

**Current Status**  
Design

**Construction Schedule**  
Summer 2015 - Summer 2017

**Architect**  
CAW Architects

**Contractor**  
WBB/DDC/EE JV

**Funding/Budget**  
Measure J / \$32,000,000

#### Project Scope

Foster Elementary School will be demolished to be replaced by a central commissary (40,000 sf), administration building (10,000 sf), and education center (5,000 sf). The project will also include a 1.5 acre urban farm as part of the education center. The project will be a net zero energy project.

#### Project Update

The Schematic Design phase is complete. Construction Documents are now in production. A revised cost estimate is due at 50% completion of the Construction Documents.
