The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 through 8484.6.

**Memorandum of Understanding 2013 – 2014
Between Oakland Unified School District and
Girls Inc. of Alameda County**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with Girls Inc. of Alameda County ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 165/Acorn Woodland Elementary School under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2013 to August 29, 2014 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The ASESP and 21st CCLC grant award amount for 165/Acorn Woodland Elementary School is \$93,960.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
 - 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
 - 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2013-2014")
 - 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's

performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

4.2.2. Administrative Charges and Reconciliation. Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

4.3. OUSD Administrative Fees. OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.

4.4. AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.

4.5. Program Budget. Due to result-based budgeting, the grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2013-2014 and will not exceed \$93,960.00 in accordance with **Exhibit B** ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2013-14").

4.6. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. Program Fees. The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site

Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. Scope of Work. AGENCY will serve as lead agency at 165/Acorn Woodland Elementary School, will be responsible for operations and management of the ASEP, 21st CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2013-2014. This shall include the following required activities:

5.1. Student Outcomes. AGENCY shall achieve the student outcomes as described in the grant application narrative and articulated in documents from the program evaluation team. AGENCY agrees to develop school specific outcomes, as defined in partnership with the principal. AGENCY recognizes that the principal is the chief decision maker for after school and summer programs, and ensures that school site objectives are met.

AGENCY will work in partnership with the school principal to ensure that the program components are aligned with and complement OUSD standards and school site curriculum.

5.2. Oversight. AGENCY will provide oversight, fiscal management, payroll services, technical assistance, and facilitation of collaboration with other service providers. This includes compliance with OUSD staffing requirements and policies including No Child Left Behind and other legislative mandates.

5.3. Enrollment. AGENCY will enroll 1st through 5th grade students at 165/Acorn Woodland Elementary School, to serve sufficient number of students and run services for a sufficient number of days to earn the full core grant allocation of funding.

5.4. Program Requirements

5.4.1. Program Hours. The program shall be offered Monday through Friday, every regular school day annually, commencing immediately upon the conclusion of the regular school day, operating a minimum of 15 hours/week, and until 6:00 pm daily. Instructional activities must include a balance of both academic and enrichment/recreation components.

5.4.2. Program Days. The program shall be offered a minimum of 177 - 180 days during the 2013 - 2014 school year. AGENCY will close the ASEP and 21st CCLC program no more than a maximum of 3 days in the 2013-14 school year for staff professional development, as permitted by Education Code. Programs that receive 21st CCLC Supplemental grant funds or private funding for summer shall additionally operate a sufficient number of days and hours in the summer, on weekends, and during intercession in the manner prescribed by the grant legislation and/or funder, in order to meet attendance goals required by the CA Department of Education and/or the funder.

5.4.3. Program Components. AGENCY agrees to provide programming that supports the guidelines as outlined in the ASEP and 21st CCLC grants for students at 165/Acorn Woodland Elementary School. AGENCY acknowledges and agrees to provide programming consistent with grant guidelines including, but not limited to:

- **Educational and Literacy.** An educational and literacy element that must provide tutoring and/or homework assistance designed to help students meet state standards in one or more of the following core academic subjects: reading/language arts, mathematics, history and social studies, or science. A broad range of activities may be implemented based on local student needs and interests.
- **Enrichment.** The enrichment element must offer an array of additional services, programs and activities that reinforce and complement the school's academic program. Enrichment may include but is not limited to arts, youth development, leadership, recreation, sports, music, career awareness, college interest, service learning and other youth development activities based upon student needs and interests. All programs must offer both enrichment and recreation/physical fitness activities as core components of the after school program and summer program.

5.5. Data Collection. AGENCY will work with OUSD to collect and analyze data on student enrollment, student attendance, student academic performance, student satisfaction, and parent satisfaction. This includes, but is not limited to:

5.5.1. Accountability Reports. Providing OUSD with the following set of program accountability reports:

- Financial reports
- Activity reports

SECTION 2: After School Alignment with Community School Strategic Site Plan (CSSSP)

Mark the following Strategic Priority areas of the school's CSSSP where this after school program is identified as a high leverage strategy.

- Balanced Literacy and Literacy Across the Curriculum**
- Science, Technology, Engineering, and Mathematics (STEM)**
- Transitions and Pathways Pre-K to 12**
- College, Career and Workforce**
- Accelerating Students through Targeted Approaches**
- Extended Learning Time**
- School Culture (including Meaningful Student Engagement)**
- Health and Wellness**
- Interrupting Chronic Absence (Attendance)**
- Building Capacity and Leadership**
- Family and Student Engagement**
- Strategic Operational Practices**

State 3 – 4 primary goals of the After School Program and intended impacts for participating students.

- To align school culture standards and expectations of the AWE community so that the transition between day school and after school does not readily affect students.
- To accommodate the needs of students and parents by giving them class and schedule choices encouraging them to take advantage of ELP activities and curriculum.
- To support Academic instruction during regular school hours as well as provide additional enrichment opportunities so that students may get a full spectrum of positive educational experiences, resulting in the students' desire to attend school more.

SECTION 4: Program Model and Lead Agency Selection

For 2013-2014, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
- Extended School Day:** *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*
- Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

AWEsome Extended Learning Program is a collaboration between Girls Inc. of Alameda County and ACORN Woodland Elementary. Girls Inc. has a longstanding partnership with OUSD (since 1991) providing afterschool, summer, and mental health services for children and families. Girls Inc. has contracted with numerous OUSD schools, including serving as the lead agency, providing comprehensive afterschool services for elementary, middle and high schools. This exciting new partnership between AWE and Girls Inc. will take advantage of these experiences. Girls Inc.'s dedication to the youth and families of Oakland, their high quality programming, and vast experience serving East Oakland schools is well aligned with AWE's own vision and mission. In addition, Girls Inc. has an excellent reputation within the District and throughout Alameda County as a service provider and as a responsible recipient of public grant funds.

SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

Required # of Program Days your program will operate during School Year 2013-2014: **180 days required***

Projected Daily Attendance during School Year 2013-2014: **100**

Program Schedule

Submit program schedule as an attachment, using the standard program schedule template.

** CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.*

SECTION 6: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development.

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Mandatory parent orientation in the Fall explaining attendance policy and the importance of attendance.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Track students through Google Docs/ City Span to check for absences and contact home for information about student and how to assist families.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Monthly assemblies for students with perfect attendance are rewarded with prizes.

SECTION 10: Transforming School Culture and Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate.

helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

PBIS (Positive Behavioral Interventions and Support)

Restorative Justice

Social and Emotional Learning

Bullying Prevention

Other: (please specify) _____

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate?

The afterschool program is rooted in positive youth development practices. All staff is well trained in positive behavior strategies that help redirect students and help them modify their behavior. The after school program coordinator will meet with the Principal to co-develop a behavior system that aligns with the school day. In addition, the after school staff will meet monthly with school day teachers to discuss individual students' successes, challenges, and goals. The after school staff will formally communicate with parents monthly to address challenges and highlight successes and growth.

An After School Family Handbook will be co-created with the Principal so it aligns with the school day. The handbook will be reviewed with all incoming students and their families during a mandatory family orientation. Families will sign acknowledging their understanding and agreement of behavior policies and anti-bullying pledge, which will be in alignment with school day culture.

The after school program coordinator will meet regularly with the Principal to discuss students in need of case management, counseling service, or other referrals. While referrals will be made to outside agencies who have the resources to support families with their specific needs, the after school program collaborates with Pathways Counseling Center, EBAC's Social Workers at the school site, and other mental health interns placed at the school site.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (i.e. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

All students in the after school program will be held accountable for their behaviors and get help managing their emotions by meeting with their mentors/group leaders, coordinator, and parents about the root of behaviors. Suspension and expulsion will be a last resort. Prior to suspension of any student, the Principal and the Coordinator will meet to discuss the behavior and the fairness and consistency by all staff involved.

All students, especially those not usually given the opportunity to lead, will be given the opportunity to lead after school rituals and ceremonies. In addition, they will be recognized and appreciated during special ceremonies celebrating effort and leadership.

The after school academic hour will be single-sex. This will give classes the opportunity to create lessons that address gender roles, stereotypes, and select role models who can identify with.

SECTION 11: Coordination with Other Service Providers

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

<p>The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?</p>	<ul style="list-style-type: none"> <input type="checkbox"/> COST team (Coordination of Services Team) <input checked="" type="checkbox"/> SST (Student Study Team) <input type="checkbox"/> SSC (School Site Council) <input type="checkbox"/> ELT (Educational Leadership Team) <input type="checkbox"/> PTA <input type="checkbox"/> Attendance Team/Workgroup <input type="checkbox"/> CSSSP (Community School Strategic Site Planning) team <input checked="" type="checkbox"/> School Culture/Climate Committee <input type="checkbox"/> Other (specify)
<p>List key community partners whom you will actively collaborate with to accomplish the goals of your program.</p>	<p>81st Public Library, Pathways Counseling Center, school day teachers, after school instructors</p>
<p>List all subcontractors who will be paid to deliver after school services.</p>	
<p>Identify other service providers and support personnel at your school (i.e. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.</p>	<p>School Counselors, Resource Specialist, EBAC's Social Worker, attendance clerk, academic liaison, custodial staff</p>

2013-14 After School Enrollment Policy for _____ School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Students in need of academic support and intervention to improve or sustain academic performance.	CST, Benchmark, CELDT, DRA, SRI, performance, Grades	
Students in need of social-emotional support.	Teacher or counselor referral/recommendation, Parent/Caregiver feedback	
Students with siblings already enrolled in after school program based on above priorities.	Parent/Caregiver feedback	

Grade levels prioritized for programming: 1st – 5th Grade

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.

- In alignment with OUSD’s strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2013. Indicate how families will be notified of 2013-14 enrollments before the last day of school, June 13, 2013.)

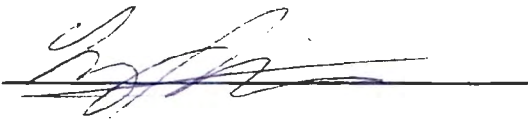

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
May-June	Enrollment; teacher referrals	Site Coordinator Principal Gaines Literacy Specialist
August	Summer Mailing	Site Coordinator
August	Mandatory parent orientation Families Sign Family Handbook After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.	Site Coordinator
August- September	New school year enrollment of families for remaining program slots. Remaining program slots will be filled by September 2013. All programs must maintain waitlists after program slots are filled.	Site Coordinator

Important dates to include in your timeline:

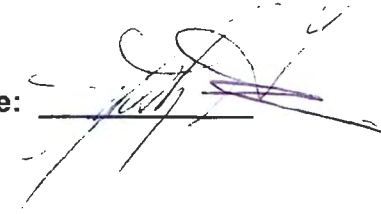

- April – June: Spring enrollment for 2013-14 programs.
- Families will be notified of 2013-14 after school enrollment before the last day of school, June 13, 2013.

- After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.

Academic Liaison/Quality Support Coach

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Academic Liaison (now called "Quality Support Coach") is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program's *Assess – Plan – Improve* program quality improvement cycle by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Academic Liaison/Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Academic Liaison/Quality Support Coach role from the OUSD After School Programs Office. The After School Programs Office will provide specific deliverables aligned with the key job duties listed above. The required budget allocation for this position is \$2,500 for the year, equivalent to 83 hrs/year at a Paid-In-Service contract rate of \$30.12/hour.

Teachers on Extended Contract for Direct Service

In addition to an Academic Liaison/Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as after school intervention, support with programs like Achieve 3000 or Fast Forward, and academic enrichment.

Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract.
Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$23.16/hr (per OEA contract). After school grant funds can be utilized for this direct service work. Beginning in 2013-14, the Academic Liaison/Quality Support Coach cannot provide direct service to students. The Academic Liaison is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$30.12 for their staff capacity-building services. Girls Incorporated® of Alameda County At-a-Glance

Mission

Inspiring all girls to be strong, smart, and bold.

Vision

Helping all girls realize their potential and exercise their rights; our empowered girls will create an equitable society.

About Girls Incorporated of Alameda County

Girls Incorporated of Alameda County® is one of 83 affiliates of the national Girls Incorporated organization, the country's leading voice for girls. Since 1958, Girls Inc. has responded to the unique needs of girls in underserved communities of San Francisco's East Bay through academic achievement programs and counseling services. Programs challenge girls to explore their potential, develop life skills, ensure college and career success, and expand their sense of what is possible. With an innovative educational approach incorporating local needs into research-based curricula, Girls Inc. has established itself as one of the Bay Area's leading providers of after-school programs, reaching over 7,500 girls and their family members each year.

Programs with Impact

Our combination of counseling and educational programming allows us to best serve the whole girl and is unique among Girls Inc. affiliates nationally. Our programs in literacy, math and science, health and fitness, pregnancy prevention, leadership, and advocacy are delivered on-site and at 45 schools and community sites in Alameda County. Through our on-site Pathways Counseling Center, we offer no-cost or low-cost mental health and case management services to youth and their families.

Local Expertise, National Recognition

Girls Inc. reaches out to girls, ages 5 to 18, whose needs are greatest. Most of the girls we serve are low-income, with 74% from households earning less than \$40,000 annually and 24% from single-parent families, headed mostly by women. The Girls Inc. constituency is 41% Latina, 25% African American, 19% Asian American, 5% multi-racial, 4% Caucasian, 1% Middle Eastern, and 5% other. Our communities in Alameda County include some of the most underfunded and underperforming public schools in California, presenting a particularly challenging educational setting for the girls we serve. In Oakland, *50% of their peers won't even graduate from high school.*

Continuum of Programs for Grades K-12

The Department of Education reports that youth who participate in high-quality after-school programs have "better peer relations and emotional adjustment, and lower incidences of drug use, violence, and pregnancy." Further, a girl's future participation in the workforce is directly related to her K-12 academic success. Responding to these critical needs, Girls Inc. encourages girls to continue to learn and grow with us as they move through their school years through a continuum of programs:

Elementary School Programs:

- **GIRLStart** (K-3rd grade), increases literacy skills to ensure future academic success
- **WOW!** (Grades 4-5), builds skills in literacy, health, fitness and nutrition

Middle and High School Programs:

- **All STARS** (Grades 6-7), develops capacities in technology, leadership and fitness
- **Eureka!** (Grades 8-12), college/career prep; focus on science, technology, engineering
- **ACT**, a program that trains and engages teen girls in local advocacy projects
- **HEART**, a girl-driven peer health and sexuality education program for teens

In addition to our continuum of programs, many of which have been scaled nationally, Girls Inc. also provides health education programs and mental health services for girls and families, including **Bodies in Motion**, a health intervention program; and outpatient mental health services and school-based case management services in English and Spanish. Girls Inc. also provides the State-funded **Teen Pregnancy Prevention** program for middle and high school girls, including support services for families.

Pathways Counseling Center and The Community Consultation Services

Girls Inc. is unique among the nationwide Girls Incorporated affiliates due to its comprehensive mental health clinic, Pathways Counseling Center. Established in 1973 to address community demand for child and family mental health treatment needs, the clinic delivers a full spectrum of mental health services for girls, boys, women, and men. Pathways also operates as a clinical training center for graduate students of clinical psychology, providing a structured and comprehensive training program. During the past year, Pathways has delivered consultation services to over 3,600 children, families, and professional service providers.

Accomplishments

We continue to grow and evolve each year, constantly increasing our capacity to reach out to at-risk East Bay girls, and we're proud that \$.85 of every dollar raised goes directly to our programs. Over the past year, our advances, achievements and sound fiscal management has been locally and nationally recognized:

- Ranked 5th of 178 top national high-impact youth serving nonprofits in 2011 by Philanthropedia, a GuideStar research organization.
- Received the United Nations-USA East Bay's 6th Annual Global Citizen Award; the Northern California Community Loan Fund's "Non-Profit Community Impact Award"; and Youth Radio's Community Champion Award.
- Films made by Advocating Community Together (ACT) participants through the Women's Film Institute's Generation HERstory Media Arts Project premiered at the San Francisco International Women's Film Festival in April, 2011.
- Named by the Clinton Global Initiative in 2009 and 2010 as one of 13 programs that "will improve the lives of girls and women around the world."

Perhaps none is more striking than the remarkable number of young women who go on to higher education; more than 80% of our seniors (100% in years 2009 and 2010) enroll in college—many of whom are the first in their families to attend an institute of higher learning.
