Information Needed	School or Department Response
How will this grant contribute to sustained student achievement or academic standards?	This grant will provide funding for the students in the Computer Science and Technology Academy at Skyline High School to become college and career ready through integrated supports, Career Technical Education (CTE), CTE-integrated academics, and work-based learning experiences.
How will this grant be evaluated for impact upon student achievement? (Customized data design and technical support are provided at 1% of the grant award or at a negotiated fee for a community-based fiscal agent who is not including OUSD's indirect rate of 3.98% in the budget. The 1% or negotiated data fee will be charged according to an Agreement for Grant Administration Related Services payment schedule. This fee should be included in the grant's budget for evaluation.)	The High School Linked Learning Office reviews program data annually and supports with reporting to CDE through the Perkins Grant Management System.
Does the grant require any resources from the school(s) or district? If so, describe.	One-to-one matching funds are required and will be provided by the High Network Office and the funded school site.
Are services being supported by an OUSD funded grant or by a contractor paid through an OUSD contract or MOU? (If yes, include the district's indirect rate of 3.98% for all OUSD site services in the grant's budget for administrative support, evaluation data, or indirect services.)	Yes
Will the proposed program take students out of the classroom for any portion of the school day? (OUSD reserves the right to limit service access to students during the school day to ensure academic attendance continuity.)	Outside learning experiences (work-based learning) are a component of California Partnership Academies.
