**Subject:** LBU Waiver - Scope Specific - Materials Testing and Special Inspection

-----  
Greetings Ms. Chatman and Mr. Jang,

As per the Oakland Unified School District's Local Business Policy Program Requirements Section of AR 7115: Prior to the issuance of a formal invitation for bid, the District shall ensure that there are at least three certified businesses listed in the industry, trade or profession that constitutes a major category of work. If at least three L/SL/SLRBEs are not certified, then the requirement may, subject to the discretion of the District, be waived, or the 50% requirement may be reset from 50% all the way to 0%, depending on the particular circumstances at time of bid.

An availability analysis has been conducted for **Materials Testing and Special Inspection - Scope - Testing Laboratories (NAICS: 541380)**, to determine the availability of certified firms to meet local business utilization on projects. Based on this analysis, it is our recommendation that due to the lack of availability of Small firms, the 25% Small Local Business Enterprise (SLBE) requirement for the above referenced scope be waived.

For the scope outlined below, the LBU Requirement may be met with 50% Local Business Enterprise (LBE) Participation.

- **Materials Testing and Special Inspection**

An additional review may be conducted within one (1) year of this waiver to reassess the availability of eligible firms. If there are any questions, please contact 360 Total Concept, the Local Business Compliance Team.

Sincerely,  
Tiffany Knuckles
