

**ERRATUM FOR THE
OAKLAND UNIFIED SCHOOL DISTRICT**

Independent Citizens' Bond Oversight Committee

Measure B

**Fiscal Year 2006/2007
Annual Report**

From the Office of: Timothy White, Assistant Superintendent of Facilities

The Oakland Unified School District Measure "B" Independent Citizens' School Facilities Bond Oversight Committee ("Committee") respectfully submits this Erratum to the Measure B Annual Report presented to the Oakland Unified School District ("District") Board of Education on May 30, 2008.

Section VIII, "entitled Committee Recommendations and Concerns" on page 12, shall be revised to state that the Committee recommends that the Board of Education consider adopting a Local Vendor Policy. The specification of a thirty (30) day timeline in which to adopt said policy shall be stricken from the Annual Report as the development and adoption of a District policy may reasonably require longer than 30 days to complete.
