Oakland SOL

A dual language, arts-integrated middle school

MISSION

Oakland SOL will provide a vibrant learning environment which reflects and embraces the full range of diversity and multilingualism Oakland provides, is highly valued by students, families, staff, and community members, grounded in the rich history of the communities it serves, prevents linguistic isolation, and transforms our city. Our students will learn to prevent cultural conflicts and build friendships across cultures and languages, embrace and celebrate difference, recognize and disrupt systems of racial oppression, and be leaders in their community and world.

VISION

All students will attain and staff will embody:

Academic Proficiency Performance at or above grade level in all content areas.

Bilingualism/bi-literacy Ability to read, write, and speak in two or more languages.

Cultural Humility A positive sense of their own cultural identity, and an ability and openness to interact across cultures. Incorporates a lifelong commitment to self-evaluation and self-critique.

Social-emotional Skills Self-awareness, responsible decision-making, self-management, social awareness, and relationship skills.

Overarching Vision for G1 Funds

Arts and Music

- SOL proposes to use G1 funding to contract with arts and music enrichment specialists to provide instruction during our 6th period elective class on Monday, Tuesday, Thursday, and Friday.
- Combined with other grant funding sources (ACOE Arts grant, City of Oakland Arts grant), this will allow all students to have access to art and music programming.

World Languages

- By scheduling electives during the 6th period, our Humanities, Spanish, and Science teachers will have a common collaborative planning period that will be used to coordinate the integration of the Spanish language across content areas.
- SOL also proposes to offer an Arabic class in our after school program through a community partnership

Grounded: School Wide Root-Cause Analysis

	Analysis of Need	What will success look like?
World Language	<ul style="list-style-type: none"> ● SOL was designed as a late-entry access point to OUSD’s growing PK-12 dual language pathway. ● Given this, the World Language program is in the “developing” to “thriving” range. 	<ul style="list-style-type: none"> ● Full implementation of SOL’s design will provide all students access to Spanish as a world language and a global education framework
Arts and Music	<ul style="list-style-type: none"> ● SOL prioritizes arts-integration, however our small 6th grade class of 75 students does not generate enough staff or funding to offer art classes during the school day. ● SOL is currently at an “entry” level on the rubric for arts and music 	<ul style="list-style-type: none"> ● All students will receive art or music enrichment during a daily elective period. ● This will move SOL to a “basic” level on the visual arts and music rubrics.
6th Grade Transition	<ul style="list-style-type: none"> ● SOL is a new middle school, and needs to work intensively to recruit and engage new families ● SOL currently has 51 students enrolled, all of whom have had a 1:1 meeting or attended an open house ● New students, including ELL newcomers, will enroll over the summer months 	<ul style="list-style-type: none"> ● All students will attend an open house or other community event before the beginning of school. ● All students will receive a home visit within the first two weeks of school
